CHAPTER 1:

Get started as a member

SECTION 1 You're a member of Aetna Medicare Eagle (PPO)

Section 1.1 You're enrolled in Aetna Medicare Eagle (PPO), which is a Medicare PPO

You're covered by Medicare, and you chose to get your Medicare health coverage through our plan, Aetna Medicare Eagle (PPO). Our plan covers all Part A and Part B services. However, cost sharing and provider access in this plan are different from Original Medicare.

Aetna Medicare Eagle (PPO) is a Medicare Advantage PPO Plan (PPO stands for Preferred Provider Organization). Like all Medicare health plans, this Medicare PPO is approved by Medicare and run by a private company. Aetna Medicare Eagle (PPO) doesn't include Part D drug coverage.

Section 1.2 Legal information about the *Evidence of Coverage*

This *Evidence of Coverage* is part of our contract with you about how Aetna Medicare Eagle (PPO) covers your care. Other parts of this contract include your enrollment form and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders or amendments*.

The contract is in effect for the months you're enrolled in Aetna Medicare Eagle (PPO) between January 1, 2026 and December 31, 2026.

Medicare allows us to make changes to our plans we offer each calendar year. This means we can change the costs and benefits of Aetna Medicare Eagle (PPO) after December 31, 2026. We can also choose to stop offering our plan in your service area, after December 31, 2026.

Medicare (the Centers for Medicare & Medicaid Services) must approve Aetna Medicare Eagle (PPO) each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare renews approval of our plan.

SECTION 2 Plan eligibility requirements

Section 2.1 Eligibility requirements

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B
- You live in our geographic service area (described in Section 2.2). People who are incarcerated aren't considered to be living in the geographic service area, even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States

Section 2.2 Plan service area for Aetna Medicare Eagle (PPO)

Aetna Medicare Eagle (PPO) is only available to people who live in our plan service area. To stay a member of our plan you must continue to live in our service area. The service area is described below.

Our service area includes these counties in **California**: Alameda, Los Angeles, Orange, Sacramento, San Diego, San Francisco, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Ventura, Yolo.

If you move out of our plan's service area, you can't stay a member of this plan. Call Member Services at

1-833-570-6670 (TTY users call **711**) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at **1-800-772-1213** (TTY users call **1-800-325-0778**).

Section 2.3 U.S. citizen or lawful presence

You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify Aetna Medicare Eagle (PPO) if you're not eligible to stay a member of our plan on this basis. Aetna Medicare Eagle (PPO) must disenroll you if you don't meet this requirement.

SECTION 3 Important membership materials

Section 3.1 Our plan membership card

Use your membership card whenever you get services covered by our plan. You should also show the provider your Medicaid card, if you have one. Sample plan membership card:

Medicare Plan Type		Website	
		Customer Service	1-XXX-XXX-XXXX
PLAN NAME LINE		24 Hour Nurse Line	1-XXX-XXX-XXXX
PLAN# 000000-00XX0000		Provider Services	1-XXX-XXX-XXXX
ID 10XXXXXXXXXX		TDD/TTY	711
NAME SAMPLE SAMPLETON		Send claims to:	
BIN 610502 PCN PARTBAET		Claims	
		PO Box XXXXXX	
		City, State, Zip Code	
ISSUER (80840)	PCP \$XX	This card does not guarantee coverage.	
	ER \$XX	Payer ID# 60054	
Printed on: xx/xx/xxxx	HXXXX-PBP		

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your Aetna Medicare Eagle (PPO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies (also called clinical trials).

If our plan membership card is damaged, lost, or stolen, call Member Services at **1-833-570-6670** (TTY users call **711**) right away and we'll send you a new card.

Section 3.2 Provider Directory

The *Provider Directory* ([AetnaMedicare.com/findprovider](https://www.aetna.com/findprovider)) lists our current network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

As a member of our plan, you can choose to get care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. See Chapter 3 (*Using our plan for your medical services*) for more specific

information.

Get the most recent list of providers and suppliers on our website at [AetnaMedicare.com/findprovider](https://www.aetna.com/medicare/findprovider).

If you don't have a *Provider Directory*, you can ask for a copy (electronically or in paper form) from Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). Requested paper *Provider Directories* will be mailed to you within 3 business days.

SECTION 4 Summary of Important Costs for 2026

	Your costs in 2026
Monthly plan premium* *Your premium can be higher than this amount. Go to Section 4.1 for details.	\$0
Deductible	\$0
Maximum out-of-pocket amount This is the <u>most</u> you'll pay out-of-pocket for covered services. (Go to Chapter 4 Section 1 for details.)	From network providers: \$6,750 From in-network and out-of-network providers combined: \$9,500
Primary care office visits	\$0 per visit
Specialist office visits	\$40 per visit
Inpatient hospital stays	\$430 per day, days 1-4; \$0 per day, days 5-90; \$0 copay for additional days for each medically necessary covered inpatient stay.

Your costs can include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)

Section 4.1 Plan Premium

You don't pay a separate monthly plan premium for Aetna Medicare Eagle (PPO).

Medicare Part B premiums differ for people with different incomes. If you have questions about these premiums, check your copy of *Medicare & You 2026* handbook, the section called *2026 Medicare Costs*. Download a copy from the Medicare website ([medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you)) or order a printed copy by phone at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048).

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Part B Premium Reduction

In 2026, we will reduce the Part B premium that you pay to the Social Security Administration by **\$65** per month. If you pay your Part B premium on a monthly basis, you will see this dollar amount credited in your Social Security check. If you pay your Part B premium quarterly, you will see an amount equaling three

Chapter 1. Get started as a member

months of reductions credited on your quarterly Part B premium statement. It may take a few months to see these reductions credited to either your Social Security check or premium statement, but you will be reimbursed for any credits you did not receive during this waiting period.

You must continue paying your Medicare premiums to stay a member of our plan. This includes your premium for Part B. You may also pay a premium for Part A if you aren't eligible for premium-free Part A.

SECTION 5 More information about your monthly plan premium

Section 5.1 Our monthly plan premium won't change during the year

We're not allowed to change our plan's monthly plan premium amount during the year. If the monthly plan premium changes for next year, we'll tell you in September and the new premium will take effect on January 1.

SECTION 6 Keep our plan membership record up to date

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage.

The doctors, hospitals, and other providers in our plan's network **use your membership record to know what services are covered and your cost-sharing amounts.** Because of this, it's very important to help us keep your information up to date.

If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you participate in a clinical research study. (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so.)

If any of this information changes, let us know by calling Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at [1-800-772-1213](tel:1-800-772-1213) (TTY users call [1-800-325-0778](tel:1-800-325-0778)).

SECTION 7 How other insurance works with our plan

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits.**

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read this information carefully. If it's correct, you don't have to do anything. If the information isn't correct, or if you have other coverage that's not listed, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). You may need to give our plan member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first (the "primary payer"), pays up to the limits of its coverage. The insurance that pays second (the "secondary payer"), only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you're under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
 - If you're over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

You can also visit Medicare.gov to tell Medicare about any complaints you have about Aetna Medicare Eagle (PPO). To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. Refer to **Appendix A** at the back of this document for the name and contact information of the State Health Insurance Assistance Program in your state.

SHIP is an independent state program (not connected with any insurance company or health plan) that

gets money from the federal government to give free local health insurance counseling to people with Medicare.

SHIP counselors can help you understand your Medicare rights, make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. SHIP counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices, and answer questions about switching plans.

SECTION 4 Quality Improvement Organization (QIO)

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. Refer to **Appendix A** at the back of this document for the name and contact information of the Quality Improvement Organization in your state.

The Quality Improvement Organization has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. The Quality Improvement Organization is an independent organization. It's not connected with our plan.

Contact the Quality Improvement Organization in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending too soon.

SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment.

If you move or change your mailing address, contact Social Security to let them know.

Social Security – Contact Information	
Call	1-800-772-1213 Calls to this number are free. Available 8 am to 7 pm, Monday through Friday. Use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.

SECTION 6 Medicaid

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid. Medicaid offers programs to help people with Medicare pay their Medicare costs, such as their Medicare premiums.

These **Medicare Savings Programs** include:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualifying Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and Medicaid Savings Programs, contact your state Medicaid agency. Refer to **Appendix A** at the back of this document for the name and contact information for the Medicaid agency in your state.

SECTION 7 Railroad Retirement Board (RRB)

The Railroad Retirement Board is an independent federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you get Medicare through the Railroad Retirement Board, let them know if you move or change your mailing address. For questions about your benefits from the Railroad Retirement Board, contact the agency.

Railroad Retirement Board (RRB) – Contact Information

SECTION 8 If you have group insurance or other health insurance from an employer

If you (or your spouse or domestic partner) get benefits from your (or your spouse or domestic partner's) employer or retiree group as part of this plan, call the employer/union benefits administrator or Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) with any questions. You can ask about your (or your spouse or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. You can call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) with questions about your Medicare coverage under this plan. TTY users call [1-877-486-2048](tel:1-877-486-2048).

CHAPTER 3:

Using our plan for your medical services

SECTION 1 How to get medical care as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care covered.

For details on what medical care our plan covers and how much you pay when you get care, go to the Medical Benefits Chart in Chapter 4.

Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **Covered services** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4.

Section 1.2 Basic rules for your medical care to be covered by our plan

As a Medicare health plan, Aetna Medicare Eagle (PPO) must cover all services covered by Original Medicare and follow Original Medicare’s coverage rules.

Aetna Medicare Eagle (PPO) will generally cover your medical care as long as:

- **The care you get is included in our plan’s Medical Benefits Chart** in Chapter 4.
- **The care you get is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You get your care from a provider who's eligible to provide services under Original Medicare.** As a member of our plan, you can get care from either a network provider or an out-of-network provider (go to Section 2 for more information).
 - The providers in our network are listed in the *Provider Directory* ([AetnaMedicare.com/findprovider](https://www.aetna.com/findprovider)).
 - If you use an out-of-network provider, your share of the costs for your covered services may be higher.
 - Note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we can't pay a provider who isn't eligible to participate in Medicare. If you go to a provider who isn't eligible to participate in Medicare, you'll be responsible for the full cost of the services you get. Check with your provider before getting services to confirm that they're eligible to participate in Medicare.

SECTION 2 Use network and out-of-network providers to get medical care

Section 2.1 You may choose a Primary Care Provider (PCP) to provide and oversee your medical care

What is a PCP and what does the PCP do for you?

As a member of our plan, you do not have to choose a network PCP, **however, we strongly encourage you to choose a PCP and let us know who you chose.** Your PCP can help you stay healthy, treat illnesses

and coordinate your care with other health care providers.

Depending on where you live, the following types of providers may act as a PCP:

- General Practitioner
- Internist
- Family Practitioner
- Geriatrician
- Physician Assistants (Not available in all states)
- Nurse Practitioners (Not available in all states)

Please refer to your *Provider Directory* or go to our website at [AetnaMedicare.com/findprovider](https://www.aetna.com/medicare/findprovider) for a complete listing of PCPs in your area.

What is the role of a PCP?

Your PCP will provide most of your care, and when you need more specialized services, they will coordinate your care with other providers. They will help you find a specialist and will arrange for covered services you get as a member of our plan. Some of the services that the PCP will coordinate include:

- X-rays
- Laboratory tests
- Therapies
- Care from doctors who are specialists
- Hospital admissions

“Coordinating” your services includes consulting with other plan providers about your care and how it is progressing. Since your PCP will provide and coordinate most of your medical care, we recommend that you have your past medical records sent to your PCP’s office.

What is the role of the PCP in making decisions about or obtaining prior authorization (PA), if applicable?

In some cases, your PCP or other provider or you as the enrollee (member) of the plan may need to get approval in advance from our Medical Management Department for certain types of services or tests (this is called getting “prior authorization”). Obtaining prior authorization is the responsibility of the PCP, treating provider, or you as the member. Services and items requiring prior authorization are listed in Chapter 4.

How to choose a PCP

You can select your PCP by using the *Provider Directory*, by accessing our website at [AetnaMedicare.com/findprovider](https://www.aetna.com/medicare/findprovider), or getting help from Member Services. You can change your PCP (as explained later in this section) for any reason, and at any time, by contacting Member Services.

How to change your PCP

You can change your PCP for any reason, at any time. It’s also possible that your PCP might leave our plan’s network of providers and you’d need to choose a new PCP or you’ll pay more for covered services.

To change your PCP, call Member Services **before** you set up an appointment with a new PCP. When you call, be sure to tell Member Services if you are seeing specialists or currently getting other covered services that were coordinated by your PCP (such as home health services and durable medical equipment). They will check to see if the PCP you want to switch to is accepting new patients. Member Services will change your membership record to show the name of your new PCP, let you know the effective date of your change request, and answer your questions about the change.

Section 2.2 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

What is the role of the PCP in referring members to specialists and other providers?

If you choose to select a PCP, your PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a plan member. Your PCP may refer you to a specialist, but you can go to any specialists in our network *without* a referral.

Prior authorization process

In some cases, your PCP, other provider, or you as the enrollee (member) of the plan, may need to get approval in advance from our Medical Management Department for certain types of services or tests that you receive in-network (this is called getting “prior authorization”). Obtaining prior authorization is the responsibility of the PCP, treating provider, or you as the member. Services and items requiring prior authorization are listed in the *Medical Benefits Chart* in Chapter 4, Section 2.

Prior authorization is not required for covered services received out-of-network; however, if we later determine that the services you received were not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. You or your doctor may ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary by calling Member Services.

When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing.
- If you find out your doctor or specialist is leaving your plan, contact us so we can help you choose a new provider to manage your care.
- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 7).

Section 2.3 How to get care from out-of-network providers

As a member of our plan, you can choose to receive care from out-of-network providers. However, providers that don't contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. However, **if you use an out-of-network provider, your share of the costs for your covered services may be higher.** Here are more important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider; however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we can't pay a provider who isn't eligible to participate in Medicare. If you get care from a provider who isn't eligible to participate in Medicare, you'll be responsible for the full cost of the services you get. Check with your provider before getting services to confirm that they are eligible to participate in Medicare.
- You don't need a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers ask for a pre-visit coverage decision to confirm that the services you get are covered and medically necessary (go to Chapter 7, Section 4). This is important because:
 - Without a pre-visit coverage decision, and if our plan later determines that the services aren't covered or weren't medically necessary, our plan may deny coverage and you'll be responsible for the entire cost. If we say we won't cover the services you got, you have the right to appeal our decision not to cover your care (go to Chapter 7).
- It's best to ask an out-of-network provider to bill our plan first. But, if you've already paid for the covered services, we'll reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill you think we should pay, you can send it to us for payment (go to Chapter 5).
- If you're using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount (go to Section 3).

SECTION 3 How to get services in an emergency, disaster, or urgent need for care

Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call Member Services (phone numbers are printed on your member ID card).

Covered services in a medical emergency

Our plan covers worldwide services outside the United States under the following circumstances:

- Emergency care
- Urgently needed care
- Emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility

Transportation back to the United States from another country is not covered. Pre-scheduled and/or elective procedures are not covered. See the Medical Benefits Chart in Chapter 4 for more information. Be sure to get a copy of all your medical records from your emergency care or urgent care provider before you leave; you may need them to file a claim or to help with claims processing. Without these records we may not be able to pay your claim. You may have to pay the provider at the time of service and submit for reimbursement. You will be reimbursed up to the annual maximum benefit amount less any applicable copay or cost share.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If you get your follow-up care from out-of-network providers, you'll pay the higher out-of-network cost sharing.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

However, after the doctor says it wasn't an emergency, the amount of cost sharing that you pay will depend on whether you get the care from network providers or out-of-network providers. If you get the care from network providers, your share of the costs will usually be lower than if you get the care from out-of-network providers.

Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

If you need to locate an urgent care facility, you can find an in-network urgent care center near you by using the *Provider Directory*, going to our website at [AetnaMedicare.com/findprovider](https://www.aetna.com/medicare/findprovider), or getting help from Member Services.

Our plan covers worldwide services outside the United States under the following circumstances:

- Emergency care
- Urgently needed care
- Emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility

Transportation back to the United States from another country is not covered. Pre-scheduled and/or elective procedures are not covered. See the Medical Benefits Chart in Chapter 4 for more information. Be sure to get a copy of all your medical records from your emergency care or urgent care provider before you leave; you may need them to file a claim or to help with claims processing. Without these records we may not be able to pay your claim. You may have to pay the provider at the time of service and submit for reimbursement. You will be reimbursed up to the annual maximum benefit amount less any applicable copay or cost share.

Section 3.3 Get care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit [AetnaMedicare.com](https://www.aetna.com) for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing.

SECTION 4 What if you're billed directly for the full cost of your covered services?

If you paid more than our plan cost sharing for covered services, or if you got a bill for the full cost of covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 5 for information about what to do.

Section 4.1 If services aren't covered by our plan, you must pay the full cost

Aetna Medicare Eagle (PPO) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services not covered by our plan, you're responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service. Any amounts you pay for services after a benefit limit has been reached do not count toward your out-of-pocket maximum. You can call Member Services when you want to know how much of your benefit limit you have already used.

SECTION 5 Medical services in a clinical research study

Section 5.1 What is a clinical research study

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study. If you tell us that you're in a qualified clinical trial, then you're only responsible for the in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network. (This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study not approved by Medicare, you'll be responsible for paying all costs for your participation in the study.

Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it's part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare pays its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you'll pay the same amount for services you get as part of the study as you would if you got these services from our plan. However, you must submit documentation showing how much cost sharing you paid. Go to Chapter 5 for more information on submitting requests for payments.

Example of cost sharing in a clinical trial: Let's say you have a lab test that costs \$100 as part of the research study. Your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan. In this case, Original Medicare would pay \$80 for the test, and you would pay the \$20 copay required under Original Medicare. You would notify our plan that you got a qualified clinical trial service and submit documentation, (like a provider bill) to our plan. Our plan would then directly pay you \$10. This makes your net payment for the test \$10, the same amount you'd pay under our plan's benefits.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free-of-charge for people in the trial.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 A religious non-medical health care institution

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 How to get care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that is **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers *non-religious* aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - – *and* – you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

Medicare Inpatient Hospital coverage has unlimited additional days (see *Medical Benefits Chart* in Chapter 4).

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

As a member of Aetna Medicare Eagle (PPO), we will transfer ownership of certain DME items. In Original Medicare, there is a rental policy up to the purchase price for certain types of DME after making copayments for the rental period. The rental period typically lasts between 10 to 13 months. Once the purchase price is met, you can use the equipment as long as it is needed. Once it is no longer needed, the issuing provider will need to pick it up.

Call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) to find out about the requirements you must meet and the documentation you will need to provide.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count. You'll have to make 13 payments to our plan before owning the item.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

If you qualify for Medicare oxygen equipment coverage Aetna Medicare Eagle (PPO) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Aetna Medicare Eagle (PPO) or no longer medically require oxygen equipment, the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for 5 years. During the first 36 months you rent the equipment. For the remaining 24 months the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

CHAPTER 4:

Medical Benefits Chart

(what's covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

The Medical Benefits Chart lists your covered services and shows how much you pay for each covered service as a member of Aetna Medicare Eagle (PPO). This section also gives information about medical services that aren't covered and also explains limits on certain services.

Section 1.1 Out-of-pocket costs you may pay for covered services

Types of out-of-pocket costs you may pay for covered services include:

- **Copayment:** the fixed amount you pay each time you get certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart tells you more about your copayments.)
- **Coinsurance:** the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program don't pay deductibles, copayments, or coinsurance. If you're in one of these programs, be sure to show your proof of Medicaid or QMB eligibility to your provider.

Section 1.2 What's the most you'll pay for covered medical services?

Under our plan, there are 2 different limits on what you pay out-of-pocket for covered medical services:

- Your **in-network maximum out-of-pocket amount (MOOP)** is **\$6,750**. This is the most you pay during the calendar year for covered plan services you got from network providers. The amounts you pay for deductibles, copayments, and coinsurance for covered services from network providers count toward this in-network maximum out-of-pocket amount. (The amounts you pay for services from out-of-network providers don't count toward this in-network maximum out-of-pocket amount. In addition, amounts you pay for some services don't count toward your in-network maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart.) If you pay **\$6,750** for covered services from network providers, you won't have any out-of-pocket costs for the rest of the year when you see our network providers. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).
- Your **combined maximum out-of-pocket amount** is **\$9,500**. This is the most you pay during the calendar year for covered plan services you got from both in-network and out-of-network providers. The amounts you pay for deductibles, copayments, and coinsurance for covered services count toward this combined maximum out-of-pocket amount. (In addition, amounts you pay for some services don't count toward your combined maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart.) If you pay **\$9,500** for covered services, you'll have 100% coverage and won't have any out-of-pocket costs for the rest of the year for covered services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Providers aren't allowed to balance bill you

As a member of Aetna Medicare Eagle (PPO), you have an important protection because you only have to pay your cost-sharing amount when you get services covered by our plan. Providers can't bill you for

additional separate charges, called **balance billing**. This protection applies even if we pay the provider less than the provider charges for a service and even if there's a dispute and we don't pay certain provider charges.

Here's how protection from balance billing works:

- If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), you pay only that amount for any covered services from a network provider. You'll generally have higher copayments when you get care from out-of-network providers.
- If your cost sharing is a coinsurance (a percentage of the total charges), you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you get covered services from a network provider, you pay the coinsurance percentage multiplied by our plan's reimbursement rate (this is set in the contract between the provider and our plan).
 - If you get covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you get covered services from an out-of-network provider who doesn't participate with Medicare, then you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.
- If you think a provider has balance billed you, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

SECTION 2 The Medical Benefits Chart shows your medical benefits and costs

The Medical Benefits Chart on the next pages lists the services Aetna Medicare Eagle (PPO) covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when these requirements are met:

- Your Medicare-covered services must be provided according to Medicare coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- Some services listed in the Medical Benefits Chart are covered as in-network services *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization).
 - Covered services that need approval in advance to be covered as in-network services are marked by a note in the Medical Benefits Chart.
 - You never need approval in advance for out-of-network services from out-of-network providers.
- While you don't need approval in advance for out-of-network services, you or your doctor can ask us to make a coverage decision in advance.

Other important things to know about our coverage:

- For benefits where your cost sharing is a coinsurance percentage, the amount you pay depends on what type of provider you receive the services from:
 - If you receive the covered services from a network provider, you pay the coinsurance

Chapter 4. Medical Benefits Chart (what's covered and what you pay)

percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).

- If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
- If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.
- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at [Medicare.gov](https://www.medicare.gov) or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.)
- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you. However, if you're also treated or monitored for an existing medical condition during the visit when you get the preventive service, a copayment will apply for the care you got for the existing medical condition.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.

For more information on the Aetna Medicare Extra Benefits Card, see the Aetna Medicare Extra Benefits Card section in Chapter 4.		
Dental services In general, preventive dental services (such as cleanings, routine dental exams, and dental x-rays) aren't covered by Original Medicare. However, Medicare pays for dental services in a limited number of circumstances, specifically when that service is an integral part of specific treatment of a person's primary medical condition. Examples include reconstruction of the jaw after a fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams prior to organ transplantation. In addition, we cover the following non-Medicare covered benefits:	\$40 copay for each Medicare-covered dental service. Preventive dental services (non-Medicare covered): For details on cost-sharing for covered preventive services, see the dental schedule. Comprehensive dental services (non-Medicare covered): For details on cost-sharing for covered comprehensive services, see the dental schedule.	50% coinsurance for each Medicare-covered dental service. Dental services <i>(continued)</i> Preventive dental services (non-Medicare covered): For a list of covered preventive services, see the dental schedule. Comprehensive dental services (non-Medicare covered): For a list of covered comprehensive services, see the dental schedule. You get an annual benefit amount (allowance) of \$3,000 for covered comprehensive dental services. Covered preventive dental services do not count toward your annual benefit amount. Covered services will be paid to the provider up to the annual benefit amount (allowance). If you exceed the benefit amount for covered comprehensive services, you will be responsible for those costs and will not be reimbursed. This dental benefit offers both in-network and out-of-network dental coverage. Out-of-network dentists are not required to accept the plan's payment as payment in full for covered services. Out-of-network claims are reimbursed up to the plan's allowable amount for each covered service. That means your plan will pay its portion for covered services. If your out-of-network provider charges over the allowable amount for a covered service, you may receive a bill and you will be responsible for payment of that bill. For the lowest potential out-of-pocket costs on covered dental services, see a provider in our dental network. Dental services you receive from an out-of-network provider are subject to any in-network benefit maximums, limitations and/or exclusions that may apply. See dental schedule for more details. To find a provider in the dental network, visit AetnaMedicare.com/H5521-369 or call the Member Services number on your member ID card. Note: Your dental network is different than your medical network. *Amounts you pay for preventive dental services do not apply to your in-network or combined maximum out-of-pocket amount. *Amounts you pay for comprehensive dental services do not apply to your in-network or combined maximum out-of-pocket amount.

Durable medical equipment (DME) and related supplies (For a definition of durable medical equipment, go to Chapter 10 and Chapter 3.) Covered items include, but aren't limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers. We cover all medically necessary DME covered by Original Medicare. Your provider must provide a prescription for covered DME and obtain prior authorization if required. In Original Medicare, there is a rental policy up to the purchase price for certain types of DME after making copayments for the rental period. The rental period typically lasts between 10 to 13 months. Once the purchase price is met, you can use the equipment as long as it is needed. Once it is no longer needed, the issuing provider will need to pick it up. Under certain limited circumstances we will transfer ownership of the DME item to you. Dexcom and FreeStyle Libre continuous glucose monitors and sensors are available without a prior authorization at network pharmacies with a history of insulin usage in the past 6 months. For those not using insulin as part of their treatment plan, prior authorization will be required for monitors and sensors. Prior authorization for monitors and sensors may apply as well as exception requests if exceeding quantity limits that align to Medicare coverage guidance. Prior authorization may be required and is the responsibility of your provider.		
Emergency care Emergency care refers to services that are: - Furnished by a provider qualified to furnish emergency services, and - Needed to evaluate or stabilize an emergency medical condition. A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse. Cost sharing for necessary emergency services you get out-of-network is the same as when you get these services in-network. In addition to Medicare-covered benefits, we also offer: - Emergency care (worldwide)	\$130 copay for emergency care. Hearing services Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when you get them from a physician, audiologist, or other qualified provider. In addition to Medicare-covered benefits, we also offer: • Routine hearing exams: one exam every year • Hearing aid fitting/evaluation: one hearing aid fitting/evaluation every year • Hearing aids: You get an annual benefit amount (allowance) of \$1,500 per ear, every year. This benefit amount can only be used to purchase hearing aids through a NationsHearing® network provider. If the cost is over the benefit amount, you pay the difference. Routine hearing exam: We have teamed up with NationsHearing to provide your hearing exam. You can schedule your hearing exam with a NationsHearing provider by calling 1-877-225-0137 (TTY: 711). Representatives are available 8:00 am to 8:00 pm local time, 7 days a week, with the exception of holidays. Note: If you get an exam with a provider outside of the NationsHearing network, you may be responsible for a cost share. Hearing aids: We have teamed up with NationsHearing to provide your hearing aids. Your hearing aid benefit amount can only be used to purchase hearing aids through a NationsHearing network provider. The benefit amount is applied to the hearing aids at the time of purchase. If the cost is more than the benefit amount, you pay the difference. Note: If you receive a hearing exam from a provider outside of the NationsHearing network and need hearing aids, that provider must call NationsHearing at 1-877-226-8992 (TTY: 711) to get your hearing aids. Hospice care You're eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You can get care from any Medicare-certified hospice program. Our plan is obligated to help you find Medicare-certified hospice programs in our plan's service area, including programs we own, control, or have a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider. Covered services include: - Drugs for symptom control and pain relief - Short-term respite care - Home care When you're admitted to a hospice you have the right to stay in our plan; if you stay in our plan you must continue to pay plan premiums. For hospice services and services covered by Medicare Part A or B that are related to your terminal prognosis: Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you're in the hospice program, your hospice provider will bill Original Medicare for the services <i>This benefit is continued on the next page.</i>	When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not Aetna Medicare Eagle (PPO). Hospice care <i>(continued)</i> Original Medicare pays for. You'll be billed Original Medicare cost sharing. For services covered by Medicare Part A or B not related to your terminal prognosis: If you need non-emergency, non-urgently needed services covered under Medicare Part A or B that aren't related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (like if there's a requirement to get prior authorization). • If you get the covered services from a network provider and follow plan rules for getting service, you pay only our plan cost-sharing amount for in-network services • If you get the covered services from an out-of-network provider, you pay the cost-sharing under Original Medicare. For services that are covered by Aetna Medicare Eagle (PPO) but not covered by Medicare Part A or B: Aetna Medicare Eagle (PPO) will continue to cover plan-covered services that aren't covered under Part A or Part B whether or not they're related to your terminal prognosis. You pay our plan cost-sharing amount for these services. Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services. Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit.		
 Immunizations Covered Medicare Part B services include: • Pneumonia vaccines • Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu/influenza shots (or vaccines) if medically necessary • Hepatitis B vaccines if you're at high or intermediate risk of getting Hepatitis B • COVID-19 vaccines	There is no coinsurance, copayment, or deductible for the pneumonia, flu/influenza, Hepatitis B, and COVID-19 vaccines. 0% - 20% coinsurance for all other vaccines covered under Medicare Part B.	0% coinsurance for the pneumonia, flu/influenza, Hepatitis B, and COVID-19 vaccines. 50% coinsurance for all other vaccines covered under Medicare Part B.

Vision care — eyewear (non-Medicare covered) With this plan you get an annual benefit amount (allowance) of \$500 every year for prescription eyewear including: • Contact lenses • Eyeglasses including lenses and frames • Eyeglass lenses • Eyeglass frames • Upgrades (including UV protection and scratch coating) We have teamed up with EyeMed to provide this benefit. You can use your benefit amount (allowance) to purchase covered eyewear at an EyeMed provider. Your benefit amount is applied at the time of purchase. If your eyewear purchase is more than your benefit amount, you'll just need to pay the difference. You can choose to use a provider outside of the EyeMed network, but you may be responsible for additional costs. To find a participating EyeMed provider, you can search online at AetnaMedicareVision.com or call Aetna vision customer service at 1-844-486-3485 (TTY: 711). *Amounts you pay for additional eyewear services do not apply to your in-network or combined maximum out-of-pocket amount.	Covered prescription eyewear: • Contact lenses: \$0 copay • Eyeglasses (lenses and frames): \$0 copay • Eyeglass lenses: \$0 copay • Eyeglass frames: \$0 copay • Upgrades (including UV protection and scratch coating): \$0 copay	Covered prescription eyewear: • Contact lenses: \$0 copay • Eyeglasses (lenses and frames): \$0 copay • Eyeglass lenses: \$0 copay • Eyeglass frames: \$0 copay • Upgrades (including UV protection and scratch coating): \$0 copay
 Welcome to Medicare preventive visit Our plan covers the one-time Welcome to Medicare preventive visit. The visit includes a review of your health, as well as education and counseling about preventive services you need (including certain screenings and shots (or vaccines)), and referrals for other care if needed. Important: We cover the Welcome to Medicare preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you want to schedule your Welcome to Medicare preventive visit.	There is no coinsurance, copayment, or deductible for the Welcome to Medicare preventive visit. \$0 copay for a Medicare-covered EKG following the Welcome to Medicare preventive visit.	50% coinsurance for the Welcome to Medicare preventive visit. \$0 copay for a Medicare-covered EKG following the Welcome to Medicare preventive visit.

Covered Service	What you pay in-network	What you pay out-of-network
Wigs You get a \$400 benefit amount (allowance) every year for covered wigs needed for hair loss due to chemotherapy. You can purchase wigs through a durable medical equipment (DME) supplier or a supplier of your choice. You are responsible for any costs over the benefit amount. To find a DME supplier you can call the phone number on your member ID card or visit our online directory at aetna.com/search. If you choose to use a supplier that is not in the DME network, you will need to pay out-of-pocket and submit a claim for reimbursement along with the receipt. You will only be reimbursed up to the benefit amount. You can find the reimbursement form at AetnaMedicare.com/forms.	\$0 copay for a wig.	\$0 copay for a wig.

**2026 Deluxe PPO Mandatory
Dental Schedule of Benefits**

Our plan offers supplemental dental benefits. This Schedule of Benefits describes your covered benefits and services. You are responsible for cost shares listed in the table below when you're treated by a dentist. If you get a service not listed in the table, you will have to pay the full cost. You can take this document to verify your coverage with your dentist. To locate a participating dentist, you can call Member Services or go online at [AetnaMedicare.com/dental](https://www.aetna.com/dental).

Out-of-pocket costs

You will be responsible for payment of services and charges billed by a provider that exceed coverage limitations. You may also be required to pay your cost share at the time of service. Billing arrangements are between you and the provider. In addition, if you obtain services from a dental provider that is not part of our network, you may be required to pay up to the cost of the service at the time services are provided. And then submit for reimbursement. The reimbursement request will be reviewed and a decision will be made based upon the information provided. Reimbursement is not guaranteed. You can submit a Medical Member Reimbursement Form to Aetna Medicare, PO Box 981106, El Paso, TX 79998-1106. You can get this form by calling Member Services or you can fill out and submit the form online at [AetnaMedicare.com/forms](https://www.aetnamedicare.com/forms). In addition, if you obtain services from a dental provider that is not part of our network, you will be responsible for payment of the full cost of the services.

Limitations & Exclusions

1. Coverage is limited to the services and service frequencies listed in the Schedule of Benefits. If a service is not listed, it is not covered.
2. Any dental services received outside of the U.S. or U.S. territories are not covered under the supplemental dental benefit.
3. Fees related to missed appointments, preparing or copying dental reports, duplication of x rays, itemized bills or claim forms are not covered.

4. Treatment for injuries or conditions covered by Workers' Compensation or employer liability laws, and treatment provided without cost to you by any municipality, county, or other political subdivision is not covered.
5. Treatment as a result of civil insurrection, duty as a member of the armed forces of any state or country, engaging in an act of declared or undeclared war, intentional or unintentional nuclear explosion or other release of nuclear energy, whether in peacetime or wartime, is not covered.
6. Any treatment covered under an individual or group medical plan, auto insurance, no fault auto insurance or uninsured motorist policy, to the extent permitted by federal or state statute, is not covered.
7. Orthodontic and all orthodontic related services are not covered
8. Implants and all implant related services are not covered
9. Maxillofacial prosthetics are not covered
10. Dental services performed for cosmetic and/or aesthetic reasons are not covered
11. Tooth bleaching and/or enamel microabrasion services are not covered
12. Unspecified services by report (Dental codes: D###99) are not covered
13. Dental services related to temporomandibular joint syndrome (TMJ) are not covered, unless the related dental code is listed in the schedule of benefits
14. Elective services are not covered
15. General anesthesia or conscious sedation is not a covered service unless it is based on clinical review of documentation provided and administered by a dentist or health care practitioner in conjunction with covered oral surgical procedures, periodontal and osseous surgical procedures, or periarticular surgical procedures for covered services.
16. Altering vertical dimension of teeth, or restoration/maintenance of occlusion including bite registration or bite analysis are not covered.
17. Splinting teeth, including multiple abutments, or any services to stabilize periodontally weakened teeth are not covered.
18. Replacing tooth structures lost as a result of abrasion, attrition, erosion or abfraction are not covered.
19. Plan frequency limitations will still apply when there is a replacement of a device or appliance that is lost, missing, stolen, or damaged due to abuse, misuse or neglect.
20. Dental procedures are only covered when performed by a dentist licensed in the US or any US territory.
21. Periodontal maintenance is not covered unless there is a history of scaling and root planing or surgical periodontal therapy.
22. Denture adjustments performed within 6 months of denture placement/installation, relines, or rebase are not covered.
23. Denture relines and rebase, if listed as covered in your schedule of benefits, performed within 6 months following the placement of a complete or immediate denture are not covered.
24. Tissue conditioning performed within 6 months of denture placement, relines, or rebase are not covered.
25. For covered dental procedures listed in your schedule of benefits, the treatment date for billing purposes is defined by completion of specific procedures.
For removable dentures (complete and partial), this is the delivery date. For inlays, onlays, crowns, veneers and bridges, it's the date of final cementation. For root canals, it's the date the final fill is placed.
26. Procedures that are considered experimental, investigational or unproven are not covered. This includes pharmacological regimens not accepted by the American Dental Association Council on dental therapeutics.
27. If this policy is terminated or the covered dental services for this plan change, this plan will not cover ongoing care or treatment. This includes all multi-appointment procedures.
28. Services and supplies provided in connection with treatment or care that is not covered under the plan are not covered.

Medical Necessity

Your plan covers clinically appropriate dental care services. This is a requirement for you to receive a covered benefit under this plan. Dental care services that we determine a provider using prudent clinical judgment would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that we determine are:

1. Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or disease
2. Not primarily for the convenience of the patient, dentist, or other health care provider
3. Not more costly than an alternative service or sequence of services at least as likely to produce the same benefit or diagnostic results for the diagnosis or treatment of that patient's illness, injury or disease.

Medical necessity is determined using criteria that are:

- *Consistent with generally accepted standards of medical and dental practice*
- *Based on evidence from peer-reviewed literature and clinical guidelines*
- *Applied uniformly and without regard to cost considerations*

Alternate Benefits

The alternate benefit provision applies when more than one dental service is suitable to treat a dental condition. In these cases, Aetna will cover the lower-cost treatment option (alternate benefit). That means you are responsible for any coinsurance amounts applicable to the alternate benefit, **plus** any difference in cost between the alternate benefit and the actual service received. To ensure you understand your treatment options and costs, you can work with your dental provider to submit an advance claim review.

An advance claim review

The purpose of an advance claim review is to provide an estimate, of what we may pay for proposed services. Knowing ahead of time which services are eligible dental services and what your plan may pay helps you and your dentist make informed decisions about the care you are considering. The estimate is not a guarantee of coverage and payment. In estimating the amount of benefits payable, we will look at alternate procedures, services, or courses of treatment for the dental condition in question in order to meet the expected result. The estimate is voluntary.

When to get an advance claim review

To understand your cost share for a course of dental treatment you can request an advance claim review. Here are the steps for getting an advance claim review:

1. Ask your dentist to write down a full description of the treatment you need. They must either use an Aetna claim form or an American Dental Association (ADA) approved claim form.
2. Your dentist should send the form to us before treating you.
3. We may request supporting images and other diagnostic records.
4. Once all of the information has been gathered, we will review the proposed treatment plan and provide you and your dentist with a statement outlining the estimated benefits payable and your out-of-pocket costs.
5. You and your dentist can then decide how to proceed.

What is a course of dental treatment? A course of dental treatment is a planned program of one or more services or supplies. The services or supplies are provided by one or more dentists to treat a dental condition that was diagnosed by the attending dentist as a result of an oral examination. A course of treatment starts on the date your dentist first renders a service to correct or treat the diagnosed dental condition.

Section 2.1Get care using our plan’s optional visitor/traveler benefit

When you are continuously absent from our plan’s service area for more than 6 months, we usually must disenroll you from our plan. However, we offer as a supplemental benefit a visitor/traveler program that is available within the United States that will allow you to stay enrolled in our plan when you’re in the visitor/traveler area and outside of our plan’s service area for up to 12 months. This program is available to all Aetna Medicare Eagle (PPO) members who are temporarily in the visitor/traveler area and outside our plan’s service area. Under our visitor/traveler program you can get all plan-covered services at in-network cost sharing when you see a network provider. In most cases, when you receive non-urgent/non-emergency care from an out-of-network provider (a provider who is not an Aetna Medicare provider), your share of the costs for your covered services may be higher (See Chapter 3, Section 2.3 for more information). Contact our plan for help in locating a provider when using the visitor/traveler benefit.

If you’re in the visitor/traveler area and outside the plan’s service area, you can stay enrolled in our plan for up to 12 months. If you don’t return to our plan’s service area within 12 months, you'll be disenrolled from the plan. Please be sure to notify us when you will be out of our plan’s service area for more than 6 months.

SECTION 3Services that aren't covered by our plan (exclusions)

This section tells you what services are *excluded* from Medicare coverage and therefore, aren’t covered by this plan.

The chart below lists services and items that either aren’t covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself, except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered and our plan won’t pay for them. The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we made to not cover a medical service, go to Chapter 7, Section 5.3.)

Services not covered by Medicare	Covered only under specific conditions
Acupuncture	Available for people with chronic low back pain under certain circumstances.
Cosmetic surgery or procedures	- Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member. - Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.

Services not covered by Medicare	Covered only under specific conditions
Custodial care Custodial care is personal care that doesn't require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	Not covered under any condition.
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community.	• May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. • (Go to Chapter 3, Section 5 for more information on clinical research studies.)
Fees charged for care by your immediate relatives or members of your household.	Not covered under any condition.
Full-time nursing care in your home.	Not covered under any condition.
Home-delivered meals	Not covered under any condition.
Homemaker services include basic household help, including light housekeeping or light meal preparation.	Not covered under any condition.
Naturopath services (uses natural or alternative treatments).	Not covered under any condition.
Non-routine dental care	• Dental care required to treat illness or injury may be covered as inpatient or outpatient care.
Orthopedic shoes or supportive devices for the feet	• Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with diabetic foot disease.
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television.	Not covered under any condition.

Services not covered by Medicare	Covered only under specific conditions
Private room in a hospital	• Covered only when medically necessary.
Reversal of sterilization procedures and or non-prescription contraceptive supplies.	Not covered under any condition.
Routine chiropractic care	• Manual manipulation of the spine to correct a subluxation is covered.
Routine dental care, such as cleanings, fillings or dentures.	• Our plan provides some coverage for dental services as described in the Medical Benefits Chart.
Routine eye examinations, eyeglasses, radial keratotomy, LASIK surgery, and other low vision aids.	• One pair of eyeglasses with standard frames (or one set of contact lenses) covered after each cataract surgery that implants an intraocular lens. • Routine eye exams: Our plan provides some coverage for routine eye exams as described in the Medical Benefits Chart. • Eyewear: Our plan provides some additional coverage for eyewear as described in the Medical Benefits Chart.
Routine foot care	• Some limited coverage provided according to Medicare guidelines (e.g., if you have diabetes).
Routine hearing exams, hearing aids, or exams to fit hearing aids.	• Routine hearing exams: Our plan provides some coverage for routine hearing exams as described in the Medical Benefits Chart. • Hearing aid fitting and evaluations: Our plan provides some coverage for hearing aid fitting and evaluations as described in the Medical Benefits Chart. • Hearing aids: Our plan provides some coverage for hearing aids as described in the Medical Benefits Chart.
Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition.

CHAPTER 5:

Asking us to pay our share of a bill for covered medical services

SECTION 1 Situations when you should ask us to pay our share for covered services

Sometimes when you get medical care, you may need to pay the full cost. Other times, you may find you pay more than you expected under the coverage rules of our plan, or you may get a bill from a provider. In these cases, you can ask our plan to pay you back (reimburse you). It's your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First, try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

1. When you got medical care from a provider who's not in our plan's network

When you got care from a provider who isn't part of our network, you're only responsible for paying your share of the cost. (Your share of the cost may be higher for an out-of-network provider than for a network provider.) Ask the provider to bill our plan for our share of the cost.

- Emergency providers are legally required to provide emergency care. You're only responsible for paying your share of the cost for emergency or urgently needed services.
- If you pay the entire amount yourself at the time you get the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you made.
- You may get a bill from the provider asking for payment you think you don't owe. Send us this bill, along with documentation of any payments you already made.
 - If the provider is owed anything, we'll pay the provider directly.
 - If you already paid more than your share of the cost of the service, we'll determine how much you owed and pay you back for our share of the cost.
- While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we can't pay a provider who isn't eligible to participate in Medicare. If the provider isn't eligible to participate in Medicare, you'll be responsible for the full cost of the services you get.

Chapter 5. Asking us to pay our share of a bill for covered medical services

2. When a network provider sends you a bill you think you shouldn't pay

Network providers should always bill our plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get covered services. We don't allow providers to add additional separate charges, called **balance billing**. This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there's a dispute and we don't pay certain provider charges.
- Whenever you get a bill from a network provider you think is more than you should pay, send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, but feel you paid too much, send us the bill along with documentation of any payment you made and ask us to pay you back the difference between the amount you paid and the amount you owed under our plan.

3. If you're retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services after your enrollment date, you can ask us to pay you back for our share of the costs. You need to submit paperwork such as receipts and bills for us to handle the reimbursement.

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for our share of the cost for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 7 has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or pay a bill you got

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your medical and Part B vaccine claims to us within 12 months** of the date you got the service, item, or Part B drug.

To make sure you're giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it'll help us process the information faster. The form requires you to provide information such as: name, address, Aetna ID number, provider name, provider NPI (national provider identifier), provider TIN (taxpayer identification number), provider address, date of service, reimbursement type, description of service(s), and charge(s).
- Download a copy of the form from our website ([AetnaMedicare.com](https://www.aetna.com)) or call Member Services at **1-833-570-6670** (TTY users call **711**) and ask for the form.

For medical claims (including vaccines for preventing COVID-19, Flu/influenza, Pneumonia): Mail your request for payment together with any bills or paid receipts to us at this address:

Aetna Medicare
PO Box 981106
El Paso, TX 79998-1106

SECTION 3 We'll consider your request for payment and say yes or no

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care is covered and you followed all the rules, we'll pay for our share of the cost. If you already paid for the service, we'll mail your reimbursement of our share of the cost to you. If you haven't paid for the service yet, we'll mail the payment directly to the provider.
- If we decide that the medical care is *not* covered, or you did *not* follow all the rules, we won't pay for our share of the cost. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

Section 3.1 If we tell you we won't pay for all or part of the medical care, you can make an appeal

If you think we made a mistake in turning down your request for payment or the amount we're paying, you can make an appeal. If you make an appeal, it means you're asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 7.

CHAPTER 6:

Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities

Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan may meet these accessibility requirements include but aren't limited to provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in languages other than English including Spanish, and braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call our plan for information on where to go to get this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with Member Services (phone numbers are printed on the back cover of this document). You can also call to file a complaint with Medicare by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) or directly with the Office for Civil Rights [1-800-368-1019](tel:1-800-368-1019) or TTY [1-800-537-7697](tel:1-800-537-7697).

Sección 1.1 Debemos proporcionarle información de una manera que sea conveniente para usted y compatible con sus sensibilidades culturales (en otros idiomas además de español, en braille, en tamaño de letra grande o en otros formatos alternativos, etc.).

Nuestro plan está obligado a garantizar que todos los servicios, tanto clínicos como no clínicos, se presten de forma culturalmente competente y sean accesibles a todos los inscritos, incluidos los que tienen un dominio limitado del inglés, una capacidad limitada de lectura, una incapacidad auditiva o un origen cultural y étnico diverso. Entre los ejemplos de cómo nuestro plan puede cumplir con estos requisitos de accesibilidad se incluyen, entre otros, proveer servicios de traducción, servicios de interpretación, teletipos o TTY (teléfono o teléfono de teletipo).

Nuestro plan cuenta con servicios de interpretación gratuitos disponibles para responder las preguntas de los miembros que no hablan inglés. También podemos brindarle información en otros idiomas además de inglés, incluido español y braille, en letra grande u otros formatos alternativos, sin costo alguno si lo necesita. Tenemos la obligación de brindarle información sobre los beneficios de nuestro plan en un formato que sea accesible y apropiado para usted. Para obtener información nuestra de una manera que sea conveniente para usted, llame a Servicios para Miembros al [1-833-570-6670](tel:1-833-570-6670) (los usuarios de TTY

deben llamar al [711](#)).

Nuestro plan está obligado a brindar a las mujeres inscritas la opción de acceso directo a un especialista en salud de la mujer dentro de la red para servicios de atención médica preventiva y de rutina para las mujeres.

Si no hay proveedores de una especialidad disponibles en la red de nuestro plan, es responsabilidad de nuestro plan localizar proveedores especializados fuera de la red que le proporcionen la atención necesaria. En este caso, usted solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la que no hay especialistas en la red de nuestro plan que cubran el servicio que necesita, llame al plan para obtener información sobre dónde puede obtener este servicio al costo compartido dentro de la red.

Si tiene algún problema para obtener información de nuestro plan en un formato que sea accesible y apropiado para usted, para consultar a un especialista en salud de la mujer o para encontrar un especialista de la red, llame para presentar una queja ante el Servicio para Miembros al [1-833-570-6670](#) (los usuarios de TTY deben llamar al [711](#)). También puede presentar un reclamo ante Medicare llamando al 1-800-MEDICARE ([1-800-633-4227](#)) o directamente ante la Oficina de Derechos Civiles llamando al [1-800-368-1019](#) o, si es usuario de TTY, al [1-800-537-7697](#).

Section 1.2 We must ensure you get timely access to covered services

You have the right to choose a provider in our plan's network. You also have the right to go to a women's health specialist (such as a gynecologist) without a referral and still pay the in-network cost-sharing amount.

You have the right to get appointments and covered services from your providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care.

If you think you aren't getting your medical care within a reasonable amount of time, Chapter 7 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we're required to get written permission from you or someone you have given legal power to make decisions for you first*.
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
 - We're required to release health information to government agencies that are checking on

quality of care.

- Because you're a member of our plan through Medicare, we're required to give Medicare your health information. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held by our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine. You have the right to make recommendations regarding our organizations member rights and responsibilities policy.

If you have questions or concerns about the privacy of your personal health information, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of Aetna Medicare Eagle (PPO), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)):

- **Information about our plan.** This includes, for example, information about our plan's financial condition.
- **Information about our network providers.** You have the right to get information about the qualifications of the providers in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services.
- **Information about why something is not covered and what you can do about it.** Chapter 7 provides information on asking for a written explanation on why a medical service isn't covered or if your coverage is restricted. Chapter 7 also provides information on asking us to change a decision, also called an appeal.
- **Information from interpreters.** Our plan interpreter services are available in all languages including American Sign Language. Interpreter services are available for on-site interpretation during a medical appointment. If you require these services, please contact Member Services at least two weeks in advance of your scheduled appointment.

Section 1.5 You have the right to know your treatment options and participate in decisions about your care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether they're covered by our plan.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. If you refuse treatment, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what's to be done if you can't make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you're in this situation. This means, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance in these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

How to set up an advance directive to give instructions:

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:1-833-570-6670)) to ask for the forms.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

Filling out an advance directive is your choice (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

If your instructions aren't followed

If you sign an advance directive, and you believe that a doctor or hospital didn't follow the instructions in it, you can file a complaint with the state agency that oversees advance directives. To find the appropriate agency in your state, contact your State Health Insurance Assistance Program (SHIP). Contact information is in **Appendix A** at the back of this document.

Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

If you have any problems, concerns, or complaints and need to ask for coverage or make an appeal, Chapter 7 of this document tells what you can do. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint — **we’re required to treat you fairly.**

Section 1.7 If you believe you’re being treated unfairly or your rights aren’t being respected

If you believe you’ve been treated unfairly or your rights haven’t been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services’ **Office for Civil Rights** at [1-800-368-1019](tel:1-800-368-1019) (TTY users call [1-800-537-7697](tel:1-800-537-7697)), or call your local Office for Civil Rights.

If you believe you’ve been treated unfairly or your rights haven’t been respected, *and it’s not* about discrimination, you can get help dealing with the problem you’re having from these places:

- **Call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711))**
- **Call your local SHIP.** Phone numbers are listed in **Appendix A** at the back of this document.
- **Call Medicare** at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)), (TTY users call [1-877-486-2048](tel:1-877-486-2048))

Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

- **Call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711))**
- **Call your local SHIP.** Phone numbers are listed in **Appendix A** at the back of this document.
- **Contact Medicare.**
 - Visit www.Medicare.gov to read the publication *Medicare Rights & Protections* (available at: www.medicare.gov/publications/11534-medicare-rights-and-protections.pdf.)
 - Call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY users call [1-877-486-2048](tel:1-877-486-2048))

SECTION 2 Your responsibilities as a member of our plan

Things you need to do as a member of our plan are listed below. For questions, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what’s covered and the rules you need to follow to get covered services.
 - Chapters 3 and 4 give details about medical services.
- **If you have any other health coverage in addition to our plan, or separate prescription drug coverage, you’re required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you’re enrolled in our plan.** Show our plan membership card whenever you get medical care.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
 - Make sure your doctors know all the drugs you’re taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have questions, be sure to ask and get an answer you can understand.

- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - You must continue to pay your Medicare Part B premiums to stay a member of our plan.
 - For most of your medical services covered by our plan, you must pay your share of the cost when you get the service.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**

CHAPTER 7:

If you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 What to do if you have a problem or concern

This chapter explains 2 types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints** (also called grievances).

Both processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The information in this chapter will help you identify the right process to use and what to do.

Section 1.1 Legal terms

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

SECTION 2 Where to get more information and personalized help

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) for help. In some situations, you may always want help or guidance from someone who isn't connected with us. Two organizations that can help you are:

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers and website URLs in **Appendix A** at the back of this document.

Medicare

You can also contact Medicare help.

- Call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048).
- Visit [Medicare.gov](https://www.Medicare.gov).

SECTION 3 Which process to use for your problem

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services, and/or Part B drugs) are covered or not, the way they're covered, and problems related to payment for medical care.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

Yes.

Go to **Section 4, A guide to coverage decisions and appeals.**

No.

Go to **Section 9, How to make a complaint about quality of care, waiting times, customer service or other concerns.**

Coverage decisions and appeals

SECTION 4 A guide to coverage decisions and appeals

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions before you get services

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization not connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 5.4** for more information about Level 2 appeals.

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.1 Get help asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call Member Services at 1-833-570-6670 (TTY users call 711).**
- **Get free help** from your State Health Insurance Assistance Program (SHIP).
- **Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they need to be appointed as your representative. Call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.)
 - For medical care or Part B drugs, your doctor can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.) This form gives that person permission to act on your behalf. It must be signed by you and by the person you want to act on your behalf. You must give us a copy of the signed form.
 - We can accept an appeal request from a representative without the form, but we can't complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- **You also have the right to hire a lawyer.** You can contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.2 Rules and deadlines for different situations

There are 3 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give the details for each of these situations:

- **Section 5:** Medical care: How to ask for a coverage decision or make an appeal
- **Section 6:** How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

- **Section 7:** How to ask us to keep covering certain medical services if you think your coverage is ending too soon (*Applies only to these services:* home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which information applies to you, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). You can also get help or information from your State Health Insurance Assistance Program (SHIP).

SECTION 5 Medical care: How to ask for a coverage decision or make an appeal**Section 5.1 What to do if you have problems getting coverage for medical care or want us to pay you back for our share of the cost of your care**

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we'll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you're in any of the 5 following situations:

1. You aren't getting certain medical care you want, and you believe this is covered by our plan. **Ask for a coverage decision. Section 5.2.**
2. Our plan won't approve the medical care your doctor or other medical provider wants to give you, and you believe this care is covered by our plan. **Ask for a coverage decision. Section 5.2.**
3. You got medical care that you believe should be covered by our plan, but we have said we won't pay for this care. **Make an appeal. Section 5.3.**
4. You got and paid for medical care that you believe should be covered by our plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
5. You're told that coverage for certain medical care you've been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 5.3.**

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, go to Sections 6 and 7. Special rules apply to these types of care.

Section 5.2 How to ask for a coverage decision**Legal Terms:**

A coverage decision that involves your medical care is called an **organization determination**.

A fast coverage decision is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other medical items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. To get a fast coverage decision, you must meet 2 requirements:

- You may *only* ask for coverage for medical items and/or services (not requests for payment for items and/or services you already got).

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to regain function*.
- **If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.
 - Explains that if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
 - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision asked for.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.***For standard coverage decisions we use the standard deadlines.***

This means we'll give you an answer within 7 calendar days after we get your request for a medical item or service that is subject to our prior authorization rules. If your requested medical item or service is not subject to our prior authorization rules, we'll give you an answer within 14 calendar days after we get your request. If your request is for a Part B drug, we'll give you an answer within 72 hours after we get your request.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we shouldn't take extra days, you can file a *fast complaint*. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 9 of this chapter for information on complaints.)

For fast coverage decisions we use an expedited timeframe.

A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days**, if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we shouldn't take extra days, you can file a fast complaint. (Go to Section 9 for information on complaints.) We'll call you as soon as we make the decision.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

Section 5.3 How to make a Level 1 appeal**Legal Terms:**

An appeal to our plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 5.2.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you're asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

Step 3: We consider your appeal and we give you our answer.

- When our plan is reviewing your appeal, we take a careful look at all the information. We check to see if we were following all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.
 - If we don't give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request to Level 2 of the appeals

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeals process.

- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it gets your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
 - If you believe we shouldn't take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (Go to Section 9 of this chapter for information on complaints.)
 - If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Part B drug.
- **If our plan says no to part or all of your appeal**, we'll automatically send your appeal to the independent review organization for a Level 2 appeal.

Section 5.4 The Level 2 appeal process**Legal Term:**

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file**.
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all the information about your appeal.

If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal within **72 hours** of when it gets your appeal.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.

- For the standard appeal, if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it gets your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

Step 2: The independent review organization gives you its answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within **72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have 72 hours from the date we receive the decision from the independent review organization.
- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **24 hours** from the date we get the decision from the independent review organization.
- **If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:
 - Explains the decision.
 - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Tells you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 explains the Level 3, 4, and 5 appeals processes.

Section 5.5 If you're asking us to pay for our share of a bill you got for medical care

Chapter 5 describes when you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. To make

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

this decision, we'll check to see if the medical care you paid for is covered. We'll also check to see if you followed the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed the rules, we'll send you the payment for our share of cost typically within 30 calendar days, but no later than 60 calendar days after we get your request. If you haven't paid for the medical care, we'll send the payment directly to the provider.
- **If we say no to your request:** If the medical care is *not* covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we won't pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals in Section 5.3. For appeals concerning reimbursement, note:

- We must give you our answer within 60 calendar days after we get your appeal. If you're asking us to pay you back for medical care you already got and paid for, you aren't allowed to ask for a fast appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the provider within 60 calendar days.

SECTION 6 How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 6.1 During your inpatient hospital stay, you'll get a written notice from Medicare that tells you about your rights

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call Member Services at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY users call [1-877-486-2048](tel:1-877-486-2048)).

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

1. Read this notice carefully and ask questions if you don't understand it. It tells you:

- Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.
- Where to report any concerns you have about the quality of your hospital care.
- Your right to **request an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so we'll cover your hospital care for a longer time.

2. You'll be asked to sign the written notice to show that you got it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice.
- Signing this notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice **doesn't mean** you're agreeing on a discharge date.

3. Keep your copy of the notice so you have the information about making an appeal (or reporting a concern about quality of care) if you need it.

- If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
- To look at a copy of this notice in advance, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) or 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048). You can also get the notice online at www.CMS.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Section 6.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover your inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). Or call your State Health Insurance Assistance Program (SHIP), for personalized help. Refer to **Appendix A** at the back of this document for the name and contact information of the State Health Insurance Assistance Program (SHIP) in your state.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

Organization for your state in **Appendix A** at the back of this document.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you can stay in the hospital *after* your discharge date *without* paying for it while you wait to get the decision from the Quality Improvement Organization.
 - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay all the costs* for hospital care you get after your planned discharge date.
- Once you ask for an immediate review of your hospital discharge, the Quality Improvement Organization will contact us. By noon of the day after we're contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it's right (medically appropriate) for you to be discharged on that date.
- You can get a sample of the **Detailed Notice of Discharge** by calling Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) or 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) TTY users call [1-877-486-2048](tel:1-877-486-2048). Or you can get a sample notice online at www.CMS.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the *reviewers*) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want.
- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.
- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it's right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**What happens if the answer is yes?**

- If the independent review organization says *yes*, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary**.
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the independent review organization says *no*, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the independent review organization says *no* to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going to *Level 2* of the appeals process.

Section 6.3 How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information about your appeal.

Step 3: Within 14 calendar days of receipt of your request for Level 2 appeal, the reviewers will decide on your appeal and tell you its decision.

If the independent review organization says yes:

- **We must reimburse you** for our share of the costs of hospital care you got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the independent review organization says no:

- It means they agree with the decision they made on your Level 1 appeal. This is called upholding the decision.
- The notice you get will tell you in writing what you can do if you want to continue with the review process.

Step 4: If the answer is no, you need to decide whether you want to take your appeal further by going to Level 3.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 7 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it's time to stop covering any of these 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying our share of the cost for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 7.1 We'll tell you in advance when your coverage will be ending**Legal Term:**

Notice of Medicare Non-Coverage. It tells you how you can ask for a **fast-track appeal**. Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

- 1. You get a notice in writing** at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:
 - The date when we'll stop covering the care for you.
 - How to request a *fast-track appeal* to ask us to keep covering your care for a longer period of time.
- 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got.** Signing the notice shows *only* that you got the information about when your coverage will stop. **Signing it doesn't mean you agree** with our plan's decision to stop care.

Section 7.2 How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. Refer to **Appendix A** at the back of this document for the name and contact information of the State Health Insurance Assistance Program (SHIP) in your state.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.

How can you contact this organization?

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in **Appendix A** at the back of this document.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the *Notice of Medicare Non-Coverage*.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact the Quality Improvement Organization using the contact information on the *Notice of Medicare Non-Coverage*. The name, address, and phone number of the Quality Improvement Organization for your state may also be found in **Appendix A** at the back of this document.

Step 2: The Quality Improvement Organization conducts an independent review of your case.**Legal Term:**

Detailed Explanation of Non-Coverage. Notice that gives details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.
- By the end of the day the reviewers tell us of your appeal, you'll get the **Detailed Explanation of Non-Coverage** from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need, the reviewers will tell you its decision.**What happens if the reviewers say yes?**

- If the reviewers say yes to your appeal, then **we must keep providing your covered services for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say *no*, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you'll have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say *no* to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Section 7.3 How to make a Level 2 appeal to have our plan cover your care for a longer time

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information about your appeal.

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you its decision.***What happens if the independent review organization says yes?***

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the independent review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.

- There are 3 additional levels of appeal after Level 2, for a total of 5 levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 8 Taking your appeal to Levels 3, 4 and 5

Section 8.1 Appeal Levels 3, 4, and 5 for Medical Service Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal, it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We'll decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.
 - If we decide to appeal the decision, we'll let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Making complaints

SECTION 9 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 9.1 What kinds of problems are handled by the complaint process?

The complaint process is *only* used for certain types of problems. This includes problems related to quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Quality of your medical care	• Are you unhappy with the quality of the care you got (including care in the hospital)?
Respecting your privacy	• Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service, or other negative behaviors	• Has someone been rude or disrespectful to you? • Are you unhappy with our Member Services? • Do you feel you're being encouraged to leave our plan?
Waiting times	• Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors or other health professionals? Or by our Member Services or other staff at our plan? ◦ Examples include waiting too long on the phone, in the waiting or exam room.
Cleanliness	• Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	• Did we fail to give you a required notice? • Is our written information hard to understand?
Timeliness (These types of complaints are all about the <i>timeliness</i> of our actions related to coverage decisions and appeals)	If you asked for a coverage decision or made an appeal, and you think we aren't responding quickly enough, you can make a complaint about our slowness. Here are examples: • You asked us for a <i>fast coverage decision</i> or a <i>fast appeal</i>, and we said no; you can make a complaint. • You believe we aren't meeting the deadlines for coverage decisions or appeals; you can make a complaint. • You believe we aren't meeting the deadlines for covering or reimbursing you for certain medical items or services that were approved; you can make a complaint. • You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 9.2**How to make a complaint**

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)**Legal Term:**

A **complaint** is also called a **grievance**.

Making a complaint is called **filing a grievance**.

Using the process for complaints is called **using the process for filing a grievance**.

A **fast complaint** is called an **expedited grievance**.

Step 1: Contact us promptly — either by phone or in writing.

- **Calling Member Services at 1-833-570-6670 (TTY users call 711) is usually the first step.** If there's anything else you need to do, Member Services will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we'll respond to your complaint in writing.
- To use our grievance (complaint) process, you should call or send us your written complaint using one of the contact methods listed in Chapter 2: *Important Phone Numbers and Resources (How to contact us when you are making a complaint about your medical care)*.
 - Please be sure you provide all pertinent information, including any supporting documents you believe are appropriate. Your complaint must be received by us within 60 calendar days of the event or incident that resulted in you filing your complaint.
 - Your issue will be investigated by a member of our complaint team. If you submit your complaint verbally, we will inform you of the result of our review and our decision verbally or in writing. If you submit a verbal complaint and request your response to be in writing, we will respond in writing. If you send us a written complaint, we will send you a written response, stating the result of our review. Our notice will include a description of our understanding of your complaint and our decision in clear terms.
 - We must address your complaint as quickly as your case requires based on your health status, but no later than 30 calendar days after receiving your complaint. We may extend the timeframe by up to 14 calendar days if we justify a need for additional information and the delay is in your best interest.
 - You also have the right to ask for a fast "expedited" grievance. A fast "expedited" grievance is a type of complaint that must be resolved within 24 hours from the time you contact us. You have the right to request a fast "expedited" grievance if you disagree with:
 - Our plan to take a 14-calendar-day extension on an organization/coverage determination or reconsideration/redetermination (appeal); or
 - Our denial of your request to expedite an organization determination or reconsideration (appeal) for health services
- The fast "expedited" grievance process is as follows:
 - You or an authorized representative can call, fax, or mail your complaint and mention that you want the fast complaint or expedited grievance process. Call the phone number, fax, or write your complaint and send it to the address listed in Chapter 2: *Important Phone Numbers and Resources (How to contact us when you're making a complaint about your medical care)*. The fastest way to submit a fast complaint is to call or fax us. The fastest way to file a grievance is to call us. When we receive your complaint, we will promptly investigate the issue you have identified. If we agree with your complaint, we will cancel the 14-calendar-day extension, or expedite the determination or appeal as you originally requested. Regardless of whether we agree or not, we will investigate your complaint and notify you of our decision within 24 hours.
- The **deadline** for making a complaint is **60 calendar days** from the time you had the problem that you want to complain about.

Chapter 7. If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: We look into your complaint and give you our answer.

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, **we can take up to 14 more calendar days** (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.
- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you **an answer within 24 hours.**
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

Section 9.3 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about *quality of care*, you have 2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization.**
The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. **Appendix A** at the back of this document has the contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 9.4 You can also tell Medicare about your complaint

You can submit a complaint about Aetna Medicare Eagle (PPO) directly to Medicare. To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. You can also call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY/TDD users call [1-877-486-2048](tel:1-877-486-2048).

CHAPTER 8:

Ending membership in our plan

SECTION 1 Ending your membership in our plan

Ending your membership in Aetna Medicare Eagle (PPO) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and you'll continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1 You can end your membership during the Open Enrollment Period

You can end your membership during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- **The Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without drug coverage,
 - Original Medicare *with* a separate Medicare drug plan,
 - Original Medicare *without* a separate Medicare drug plan.
- Your **membership will end in our plan** when your new plan's coverage starts on January 1.

Section 2.2 You can end your membership during the Medicare Advantage Open Enrollment Period

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period each year**.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and for new enrollees in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage Plan with or without drug coverage.
 - Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

Section 2.3 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, members of Aetna Medicare Eagle (PPO) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples. For the full list you can contact our plan, call Medicare, or visit [Medicare.gov](https://www.medicare.gov):

- Usually, when you move
- If you have Medicaid
- If we violate our contract with you
- If you’re getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE)

Enrollment time periods vary depending on your situation.

To find out if you’re eligible for a Special Enrollment Period, call Medicare at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048). If you’re eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage
- Original Medicare *with* a separate Medicare drug plan
- Original Medicare *without* a separate Medicare drug plan.

Your membership will usually end on the first day of the month after we get your request to change our plan.

Section 2.4

Get more information about when you can end your membership

If you have questions about ending your membership you can:

- **Call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).**
- Find the information in the **Medicare & You 2026** handbook.
- Call **Medicare** at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). (TTY users call [1-877-486-2048](tel:1-877-486-2048)).

SECTION 3

How to end your membership in our plan?

The table below explains how you can end your membership in our plan.

To switch from our plan to:	Here’s what to do:
Another Medicare health plan.	• Enroll in the new Medicare health plan. • You’ll automatically be disenrolled from Aetna Medicare Eagle (PPO) when your new plan’s coverage starts.

To switch from our plan to:	Here's what to do:
Original Medicare <i>with</i> a separate Medicare drug plan.	• Enroll in the new Medicare drug plan. • You'll automatically be disenrolled from Aetna Medicare Eagle (PPO) when your new drug plan's coverage starts.
Original Medicare <i>without</i> a separate Medicare drug plan.	• Send us a written request to disenroll. Call Member Services at 1-833-570-6670 (TTY users call 711) if you need more information on how to do this. • You can also call Medicare, at 1-800-MEDICARE (1-800-633-4227), and ask to be disenrolled. TTY users call 1-877-486-2048. • You'll be disenrolled from Aetna Medicare Eagle (PPO) when your coverage in Original Medicare starts.

Note: If you also have creditable prescription drug coverage (e.g., a separate Medicare drug plan) and disenroll from that coverage, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later after going without creditable prescription drug coverage for 63 days or more in a row.

SECTION 4 Until your membership ends, you must keep getting your medical items and services through our plan

Until your membership ends, and your new Medicare coverage starts, you must continue to get your medical items and services through our plan.

- **Continue to use our network providers to get medical care.**
- **If you're hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you're discharged** (even if you're discharged after your new health coverage starts).

SECTION 5 Aetna Medicare Eagle (PPO) must end our plan membership in certain situations

Aetna Medicare Eagle (PPO) must end your membership in our plan if any of the following happen:

- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you're away from our service area for more than 12 months.
 - If you move or take a long trip, you need to call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)) to find out if the place you're moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison).
- If you're no longer a United States citizen or lawfully present in the United States.
- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan. (We can't make you leave our plan for this reason)

unless we get permission from Medicare first.)

- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

If you have questions or want more information on when we can end your membership, call Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)).

Section 5.1 We can't ask you to leave our plan for any health-related reason

Aetna Medicare Eagle (PPO) isn't allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you're being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) TTY users call [1-877-486-2048](tel:1-877-486-2048).

Section 5.2 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 9:

Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

SECTION 2 Notice about non discrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at [1-800-368-1019](tel:1-800-368-1019) (TTY [1-800-537-7697](tel:1-800-537-7697)) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at www.HHS.gov/ocr/index.html.

If you have a disability and need help with access to care, call us at Member Services at [1-833-570-6670](tel:1-833-570-6670) (TTY users call [711](tel:711)). If you have a complaint, such as a problem with wheelchair access, Member Services can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Aetna Medicare Eagle (PPO), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

In some situations, other parties should pay for your medical care before your Medicare Advantage plan. In those situations, your Medicare Advantage plan may pay, but have the right to get the payments back from these other parties. Medicare Advantage plans may not be the primary payer for medical care you receive. These situations include those in which the Federal Medicare Program is considered a secondary payer under the Medicare Secondary Payer laws. For information on the Federal Medicare Secondary Payer program, Medicare has written a booklet with general information about what happens when people with Medicare have additional insurance. It's called *Medicare and Other Health Benefits: Your Guide to Who Pays First* (publication number 02179). You can get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)), 24 hours a day, 7 days a week. TTY users should call [1-877-486-2048](tel:1-877-486-2048). Or you can download a copy by visiting the Medicare.gov website.

The Plan's rights to recover in these situations are based on the terms of this health plan contract, as well as the provisions of the federal statutes governing the Medicare Program. Your Medicare Advantage plan coverage is always secondary to any payment made or reasonably expected to be made under:

- A workers' compensation law or plan of the United States or a State,

- Any non-fault based insurance, including automobile and non-automobile no-fault and medical payments insurance,
- Any liability insurance policy or plan (including a self-insured plan) issued under an automobile or other type of policy or coverage, and
- Any automobile insurance policy or plan (including a self-insured plan), including, but not limited to, uninsured and underinsured motorist coverages.

Since your Medicare Advantage plan is always secondary to any automobile no-fault (Personal Injury Protection) or medical payments coverage, you should review your automobile insurance policies to ensure that appropriate policy provisions have been selected to make your automobile coverage primary for your medical treatment arising from an automobile accident.

As outlined herein, in these situations, your Medicare Advantage plan may make payments on your behalf for this medical care, subject to the conditions set forth in this provision for the plan to recover these payments from you or from other parties. Immediately upon making any conditional payment, your Medicare Advantage plan shall be subrogated to stand in the place of all rights of recovery you have against any person, entity or insurer responsible for causing your injury, illness or condition or against any person, entity or insurer listed as a primary payer above.

In addition, if you receive payment from any person, entity or insurer responsible for causing your injury, illness or condition or you receive payment from any person, entity or insurer listed as a primary payer above, your Medicare Advantage plan has the right to recover from, and be reimbursed by you for all conditional payments the plan has made or will make as a result of that injury, illness or condition.

Your Medicare Advantage plan will automatically have a lien, to the extent of benefits it paid for the treatment of the injury, illness or condition, upon any recovery whether by settlement, judgment or otherwise. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the Plan including, but not limited to, you, your representatives or agents, any person, entity or insurer responsible for causing your injury, illness or condition or any person, entity or insurer listed as a primary payer above.

By accepting benefits (whether the payment of such benefits is made to you or made on your behalf to any health care provider) from your Medicare Advantage plan, you acknowledge that the plan's recovery rights are a first priority claim and are to be paid to the plan before any other claim for your damages. The plan shall be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the plan will result in a recovery to you which is insufficient to make you whole or to compensate you in part or in whole for the damages you sustained. Your Medicare Advantage plan is not required to participate in or pay court costs or attorney fees to any attorney hired by you to pursue your damage claims.

Your Medicare Advantage plan is entitled to full recovery regardless of whether any liability for payment is admitted by any person, entity or insurer responsible for causing your injury, illness or condition or by any person, entity or insurer listed as a primary payer above. The plan is entitled to full recovery regardless of whether the settlement or judgment received by you identifies the medical benefits the plan provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The Medicare Advantage plan is entitled to recover from any and all settlements or judgments, even those designated as for pain and suffering, non-economic damages and/or general damages only.

You, and your legal representatives, shall fully cooperate with the plan's efforts to recover its benefits paid. It is your duty to notify the plan within 30 days of the date when notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness or condition. You and your agents or representatives shall provide all information requested by the plan or its representatives. You shall do nothing to prejudice your

Medicare Advantage plan's subrogation or recovery interest or to prejudice the plan's ability to enforce the terms of this provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the plan.

Failure to provide requested information or failure to assist your Medicare Advantage plan in pursuit of its subrogation or recovery rights may result in you being personally responsible for reimbursing the plan for benefits paid relating to the injury, illness or condition as well as for the plan's reasonable attorney fees and costs incurred in obtaining reimbursement from you. For more information, see 42 U.S.C. § 1395y(b)(2)(A)(ii) and the Medicare statutes.

SECTION 4 Notice about recovery of overpayments

If the benefits paid by this *Evidence of Coverage*, plus the benefits paid by other plans, exceeds the total amount of expenses, Aetna has the right to recover the amount of that excess payment from among one or more of the following: (1) any person to or for whom such payments were made; (2) other Plans; or (3) any other entity to which such payments were made. This right of recovery will be exercised at Aetna's discretion. You shall execute any documents and cooperate with Aetna to secure its right to recover such overpayments, upon request by Aetna.

SECTION 5 National Coverage Determinations

Sometimes, Medicare adds coverage under Original Medicare for new services during the year. If Medicare adds coverage for any services during 2026, either Medicare or our plan will cover those services. When we receive coverage updates from Medicare, called National Coverage Determinations, we'll post the coverage updates on our website at [AetnaMedicare.com](https://www.aetna.com/medicare). You can also call Member Services to obtain the coverage updates that have been posted for the benefit year.

CHAPTER 10:

Definitions

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center doesn't exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or payment for services you already got. You may also make an appeal if you disagree with our decision to stop services that you're receiving.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than our plan's allowed cost-sharing amount. As a member of Aetna Medicare Eagle (PPO), you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We don't allow providers to balance bill or otherwise charge you more than the amount of cost sharing our plan says you must pay.

Benefit Period – The way that both our plan and Original Medicare measures your use of skilled nursing facility (SNF) services. A benefit period begins the day you go into a skilled nursing facility. The benefit period ends when you haven't gotten any skilled care in a SNF for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Calendar Year – A one year period between January 1 and December 31.

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare.

Chronic-Care Special Needs Plan (C-SNP) – C-SNPs are SNPs that restrict enrollment to MA eligible people who have specific severe and chronic diseases.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services.

Combined Maximum Out-of-Pocket Amount – This is the most you'll pay in a year for all services from both network (preferred) providers and out-of-network (non-preferred) providers. Go to Chapter 4 Section 1.2 for information about your combined maximum out-of-pocket.

Complaint – The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription. A copayment is a set amount (for example \$10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services are received. Cost sharing includes any combination of the following 3 types of payments: (1) any deductible amount a plan may impose before services are covered; (2) any fixed copayment amount that a plan requires when a specific service is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service that a plan requires when a specific service is received.

Covered Services – The term we use to mean all the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that's expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don't need skilled medical care or skilled nursing care. Custodial care, provided by people who don't have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Deductible – The amount you must pay for health care before our plan pays.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some Medicare costs, depending on the state and the person's eligibility.

Dually Eligible Individual – A person who is eligible for Medicare and Medicaid coverage.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: (1) provided by a provider qualified to furnish emergency services; and (2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Grievance – A type of complaint you make about our plan, providers, including a complaint concerning the quality of your care. This doesn't involve coverage or payment disputes.

Home Health Aide – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Independent Practice Association (IPA) – An IPA, or Independent Practice Association, is an independent group of physicians and other health care providers under contract to provide services to members of managed care organizations (see Chapter 1, Section 6).

Initial Enrollment Period – When you're first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

In-Network Maximum Out-of-Pocket Amount – The most you'll pay for covered services received from network (preferred) providers. After you have reached this limit, you won't have to pay anything when you get covered services from network providers for the rest of the contract year. However, until you reach your combined out-of-pocket amount, you must continue to pay your share of the costs when you seek care from an out-of-network (non-preferred) provider.

Institutional Special Needs Plan (I-SNP) – I-SNPs restrict enrollment to MA eligible people who live in the community but need the level of care a facility offers, or who live (or are expected to live) for at least 90 days straight in certain long-term facilities. I-SNPs include the following types of plans: Institutional-equivalent SNPs (IE-SNPs), Hybrid Institutional SNPs (HI-SNPs), and Facility-based Institutional SNPs (FI-SNPs).

Low Income Subsidy (LIS) – Go to Extra Help.

Medicaid (or Medical Assistance) – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an HMO, a PPO, a Private Fee-for-Service (PFFS) plan, or a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. Aetna Medicare Eagle (PPO) doesn't offer Medicare prescription drug coverage.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Drug coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medication Therapy Management (MTM) program – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (member of our plan, or plan member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Member Services – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Network – A group of doctors, hospitals, pharmacies, and other health care experts contracted by our plan to provide covered services to its members (go to Chapter 1, Section 3.2). Network providers are independent contractors and not agents of our plan.

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Non-Medicare Covered Services – Services that are not normally covered when you have Original Medicare. These are usually extra benefits you may receive as a member of a Medicare Advantage plan.

Open Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Optional Supplemental Benefits – Non-Medicare covered benefits that can be purchased for an additional premium and aren't included in your package of benefits. You must voluntarily elect Optional Supplemental Benefits in order to get them.

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government, and not a private health plan such as Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

Out-of-Pocket Costs – Go to the definition for cost sharing above. A member's cost-sharing requirement to pay for a portion of services received is also referred to as the member's out-of-pocket cost requirement.

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans get both their Medicare and Medicaid benefits through our plan.

Part C – Go to Medicare Advantage (MA) Plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Preferred Provider Organization (PPO) plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they're received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health coverage.

Preventive Services – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary Care Provider (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization – Approval in advance to get services based on specific criteria. In the network portion of a PPO, some in-network medical services are covered only if your doctor or other network provider gets prior authorization from our plan. In a PPO, you don't need prior authorization to get out-of-network services. However, you may want to check with our plan before getting services from out-of-network providers to confirm that the service is covered by our plan and what your cost-sharing responsibility is. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4.

Prosthetics and Orthotics – Medical devices including, but not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

Rehabilitation Services – These services include inpatient rehabilitation care, physical therapy (outpatient), speech and language therapy, and occupational therapy.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan's service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plan or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.
