B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What's a Medi-Medi Plan?	A Medi-Medi Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It's for people age 21 and older. A Medi-Medi Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. It also has care coordinators to help you manage all your providers and services and supports. They all work together to provide the care you need.
Will I get the same Medicare and Medi-Cal benefits in Anthem Full Dual Advantage Aligned (HMO D-SNP) that I get now?	You'll get most of your covered Medicare and Medi-Cal benefits directly from Anthem Full Dual Advantage Aligned (HMO D-SNP). You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Supportive Services (IHSS), specialty mental health and substance use disorder services, or regional center services. When you enroll in Anthem Full Dual Advantage Aligned (HMO D-SNP), you and your care team will work together to develop an Individualized Plan of Care <i>or</i> a care plan to address your health and support needs, reflecting your personal preferences and goals.
Will I get the same Medicare and Medi-Cal benefits in Anthem Full Dual Advantage Aligned (HMO D-SNP) that I get now? If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Anthem Full Dual Advantage Aligned (HMO D-SNP) and have a contract with us, you can keep going to them. • Providers with an agreement with us are "in-network." Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You will be notified within 30 calendar days before the end of the continuity of care period to transition your care to an in-network provider. What are Long-term Services and Supports (LTSS)?	Long-term Services and Supports (LTSS) are help for people who need assistance to do everyday tasks like bathing, toileting, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. In some cases, a county or other agency may administer these services, and your care coordinator or care team will work with that agency.
What's a Multipurpose Senior Services Program (MSSP)?	A MSSP provides on-going care coordination with health care providers beyond what your health plan already provides and can connect you to other needed community services and resources. You can ask for an Independent Medical Review (IMR) from the Help Center at the California Department of Managed Health Care (DMHC). An IMR is available for any Medi-Cal covered service or item that is medical in nature. An IMR is a review of your case by doctors who are not part of our plan. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

In most cases, you must file an appeal with us before requesting an IMR. You must apply for an IMR within 6 months after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reasons such as you had a medical condition that prevented you from asking for the IMR within 6 months, or you did not get adequate notice from us of the IMR process.

To ask for an IMR:

- Fill out the Independent Medical Review Application/Complaint Form available at: www.dmhc.ca.gov/fileacomplaint/submitanindependentmedicalreviewcomplaintform.aspx or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center cannot return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at: www.dmhc.ca.gov/Portals/0/Docs/HC/AccessibleAAFormEnglish%20%285SG%29.pdf. Or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-591-2078** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare/ca> or call **1-844-591-2078** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
