### Do you have questions?

You can learn more on our website, **[shop.anthem.com/medicare](https://shop.anthem.com/medicare)**. Or call us toll-free **1-844-592-8067** (TTY: **711**). Hours of operation: 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

The Summary of Benefits does not include every service, limit, or exclusion, but the Evidence of Coverage does. Just give us a call to request a copy.

Anthem Kidney Care (HMO-POS C-SNP) is a Medicare Advantage Special Needs Plan. It includes hospital, medical, and prescription drug benefits in one plan. To join this plan, the following must apply to you:

- ☐ You're entitled to Medicare Part A.
- ☐ You're enrolled in Medicare Part B.
- ☐ You have chronic kidney disease (CKD) or you have end-stage renal disease (ESRD).
- ☐ You live in our service area.

You can use doctors and facilities outside this plan's network for certain services. If you go outside the network, your out-of-pocket cost may be higher.

# Anthem Kidney Care (HMO-POS C-SNP)

## Medicare coverage that goes beyond Original Medicare

- ☐ Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.
- ☐ Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.

## This is a Health Maintenance Organization Point of Service Special Needs Plan (HMO-POS SNP). That means:

- ☐ You will choose a primary care physician (PCP) in the plan's network of doctors for covered services. We recommend you choose a primary care physician (PCP) who works with your DaVita Integrated Kidney Care team. Your PCP can help coordinate the care you need.
- ☐ Before you visit a specialist, we recommend you talk to your PCP first. They know your health history and can help you find the right care. You can use doctors who aren't in this plan for limited services, but your costs may be higher.

## Is your PCP or nephrologist in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps listed.

## How to find a doctor/PCP in our plan:

- ☐ Go to **shop.anthem.com/medicare**
  1. Select **Useful Tools** and choose **Find a Doctor**.
  2. Enter your ZIP code, county, and the date you want your coverage to begin.
  3. Fill in the details (city, doctor's name, distance, etc.).
  4. Be sure to check that the doctor is listed as "In-Network" for this plan.
- ☐ Or you can ask us for the Provider Directory. The phone number is on page 2.

## Find a pharmacy

Our plans include the majority of pharmacies in America, so you're likely to find one near you. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in the plan (or find a new one), see the Pharmacy Directory on our website at **shop.anthem.com/medicare**.

Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Preferred pharmacies are noted to the right of the pharmacy name. Or you can give us a call and we'll send you the directory.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs.

## How to check if your prescriptions (or an acceptable alternative) are covered and what they'll cost:

- ☐ Visit **shop.anthem.com/medicare**
  1. Select **Useful Tools** and choose **Find Your Covered Drugs**.
  2. Enter your ZIP code, county, and beginning coverage date.
  3. Enter your drug name, dosage, quantity, and refill frequency, and select **Add Drug** or **Next**.
  4. Select your pharmacy, and then select **View All Plans**.
  5. Choose **Plan Details** and then **Drug Cost** to view the drug's tier, specific cost, and coverage details.
- ☐ You can also call us at the number on page 2 for a copy of the Formulary.

### Don't miss out on some Extra Help

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty.

## To find out if you qualify for Extra Help, call:

- Our helpful representatives at **1-844-592-8067** (TTY: **711**) 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

# **Summary of 2026 medical benefits**

# Anthem Kidney Care (HMO-POS C-SNP)

## How much is my premium (monthly payment)?

**\$0.00** per month

You must continue to pay your Medicare Part B premium.

## How much is my deductible?

This plan does not have a medical deductible.

**\$350.00** deductible per year for Part D prescription drugs.

Drugs listed on Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug and Tier 5: Specialty Tier are included in the Part D deductible.

The amount you pay is determined by the covered Part D prescription and if you receive Extra Help low-income subsidy coverage. Please refer to your 2026 LIS Rider for the specific amount if you receive Extra Help.

The Part D deductible does not apply to Insulin drugs.

## Is there a limit on how much I will pay for my covered medical services? (does not include Part D drugs)

**\$9,250.00** per year from doctors and facilities in our plan

**\$13,900.00** per year from doctors or facilities both in and out of our plan

Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.

Services you receive from doctors or facilities, both in and out of our plan, go toward your yearly limit. If you reach the limit on out-of-pocket costs, you will not have to pay any out-of-pocket costs for covered Part A and Part B services (in or outside of our plan) for the rest of the year.

Out-of-network/non-contracted providers are under no obligation to treat Anthem Kidney Care (HMO-POS C-SNP) members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross and Blue Shield will pay for it.

Other physicians not affiliated with DaVita Integrated Kidney Care are available in our network.

Benefits with a 6: The benefits mentioned are Special Supplemental Benefits for the Chronically Ill (SSBCI). You may qualify for SSBCI if you have a high risk for hospitalization and require intensive care coordination to manage chronic conditions such as Chronic Kidney Diseases, Chronic Lung Disorders, Cardiovascular Disorders, Chronic Heart Failure, or Diabetes. For a full list of chronic conditions or to learn more about other eligibility requirements needed to qualify for SSBCI benefits, please refer to Chapter 4 in the plan's Evidence of Coverage.

## Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare> or call **1-844-592-8067** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

☐
