Anthem Medicare Advantage 4 (HMO) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits. To join this plan, the following must apply to you:

- ☐ You're entitled to Medicare Part A.
- ☐ You're enrolled in Medicare Part B.
- ☐ You live in our service area.

You need to visit doctors and facilities in this plan's network. This is very important. If you go outside the network, the services may not be covered.

Anthem Medicare Advantage 4 (HMO)

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.
- Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.

This is a Health Maintenance Organization (HMO) plan. That means:

- You must choose a primary care physician (PCP) in the plan's network of doctors for covered services. Your PCP provides most of your medical care, including routine care and hospitalizations. They can help you save time and money by directing you to specialists when needed.
- Before you visit a specialist, we recommend you talk to your PCP first. They know your health history and can help you find the right care.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps listed.

How to find a doctor/PCP in our plan:

- ☐ Go to **shop.anthem.com/medicare**
 1. Select **Useful Tools** and choose **Find a Doctor**.
 2. Enter your ZIP code, county, and the date you want your coverage to begin.
 3. Fill in the details (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor is listed as "In-Network" for this plan.
- ☐ Or you can ask us for the Provider Directory. The phone number is on page 2.

Find a pharmacy

Our plans include the majority of pharmacies in America, so you're likely to find one near you. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in the plan (or find a new one), see the Pharmacy Directory on our website at **shop.anthem.com/medicare**.

Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Preferred pharmacies are noted to the right of the pharmacy name. Or you can give us a call and we'll send you the directory.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs.

How to check if your prescriptions (or an acceptable alternative) are covered and what they'll cost:

- ☐ Visit **shop.anthem.com/medicare**
 1. Select **Useful Tools** and choose **Find Your Covered Drugs**.
 2. Enter your ZIP code, county, and beginning coverage date.
 3. Enter your drug name, dosage, quantity, and refill frequency, and select **Add Drug** or **Next**.
 4. Select your pharmacy, and then select **View All Plans**.
 5. Choose **Plan Details** and then **Drug Cost** to view the drug's tier, specific cost, and coverage details.
- ☐ You can also call us at the number on page 2 for a copy of the Formulary.

Don't miss out on some Extra Help

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-600-9921** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare> or call **1-844-600-9921** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
