# CHAPTER 1:

## Get started as a member

### SECTION 1 You're a member of Simply Integrated Platinum (HMO D-SNP)

---

#### Section 1.1 You're enrolled in Simply Integrated Platinum (HMO D-SNP), which is a Medicare Special Needs Plan

You're covered by both Medicare and Medicaid:

- **Medicare** is the federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (kidney failure).
- **Medicaid** is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid coverage varies depending on the state and the type of Medicaid you have. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people also get coverage for additional services and drugs that aren't covered by Medicare.

You've chosen to get your Medicare health care and your drug coverage through our plan, Simply Integrated Platinum (HMO D-SNP). Our plan covers all Part A and Part B services. However, cost sharing and provider access in our plan differ from Original Medicare.

Simply Integrated Platinum (HMO D-SNP) is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means benefits are designed for people with special health care needs. Simply Integrated Platinum (HMO D-SNP) is designed for people who have Medicare and are entitled to help from Medicaid.

Because you are enrolled in Simply Integrated Platinum (HMO D-SNP) you pay nothing for your Medicare health services. Medicaid may also provide other benefits by covering health services that aren't usually covered under Medicare. You will also receive Extra Help from Medicare to pay for the costs of your Medicare drugs. Simply Integrated Platinum (HMO D-SNP) will help you manage all these benefits, so you get the health services and payment help that you're entitled to.

Simply Integrated Platinum (HMO D-SNP) is run by a private company. Like all Medicare Advantage Plans, this Medicare Special Needs Plan is approved by Medicare. The plan also has a contract with the Florida Medicaid program to coordinate your Medicaid benefits. We're pleased to provide your Medicare coverage, including drug coverage.

**Chapter 1 Get started as a member**

---

**Section 1.2 Legal information about the *Evidence of Coverage***

This *Evidence of Coverage* is part of our contract with you about how Simply Integrated Platinum (HMO D-SNP) covers your care. Other parts of this contract include your enrollment form, the *List of Covered Drugs* (formulary), and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or *amendments*.

The contract is in effect for the months you're enrolled in Simply Integrated Platinum (HMO D-SNP) between January 1, 2026 and December 31, 2026.

Medicare allows us to make changes to our plans we offer each year. This means we can change the costs and benefits of Simply Integrated Platinum (HMO D-SNP) after December 31, 2026. We can also choose to stop offering our plan in your service area, after December 31, 2026.

Medicare (the Centers for Medicare & Medicaid Services) and Agency for Healthcare Administration must approve Simply Integrated Platinum (HMO D-SNP) each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare renews approval of our plan.

**SECTION 2 Plan eligibility requirements**

---

**Section 2.1 Eligibility requirements**

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B
- You live in our geographic service area (described in Section 2.3). People who are incarcerated aren't considered to be living in the geographic service area even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States.
- You meet the special eligibility requirements described below.

**Special eligibility requirements for our plan**

Our plan is designed to meet the needs of people who get certain Medicaid benefits. (Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.) To be eligible for our plan you must be eligible for both Medicare and Medicaid.

Note: If you lose your eligibility but can reasonably be expected to regain eligibility within 6-month(s), then you're still eligible for membership. Chapter 4, Section 2 tells you about coverage and cost sharing during a period of deemed continued eligibility.

## Chapter 1 Get started as a member

### Section 2.2 Medicaid

Medicaid is a joint federal and state government program that helps with medical and long-term care costs for certain people who have limited incomes and resources. Each state decides what counts as income and resources, who's eligible, what services are covered, and the cost for services. States also can decide how to run its program as long as they follow the federal guidelines.

In addition, Medicaid offers programs to help people pay their Medicare costs, such as their Medicare premiums. These Medicare Savings Programs help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary Plus (QMB+):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). QMB+ are also eligible for full Medicaid benefits.
- **Specified Low-Income Medicare Beneficiary Plus (SLMB+):** Helps pay Part B premiums. Eligible beneficiaries are also eligible for full Medicaid benefits. In some situations, you may receive assistance from your state Medicaid to help pay Medicare cost share. If the service is covered by both Medicare and Medicaid, your cost share could be \$0. There may be times when you are responsible for cost sharing if a service or benefit is not covered by Medicaid.
- **Full Benefit Dual Eligible (FBDE):** An individual who is not QMB or SLMB, but is eligible for full Medicaid benefits either categorically or through optional coverage groups.

### Section 2.3 Plan service area for Simply Integrated Platinum (HMO D-SNP)

Simply Integrated Platinum (HMO D-SNP) is only available to people who live in our plan service area. To stay a member of our plan, you must continue to live in our plan service area. The service area is described below.

Our service area includes these counties in Florida: Orange, Osceola, Seminole, Volusia.

If you plan to move to a new state, you should also contact your state's Medicaid office and ask how this move will affect your Medicaid benefits. Phone numbers for Medicaid are in Chapter 2, Section 6 of this document.

If you move out of our plan's service area, you can't stay a member of this plan. Call Member Services at 1-877-577-0115 (TTY users call 711) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

## Chapter 1 Get started as a member

### Section 2.4 U.S. citizen or lawful presence

You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify Simply Integrated Platinum (HMO D-SNP) if you're not eligible to stay a member of our plan on this basis. Simply Integrated Platinum (HMO D-SNP) must disenroll you if you don't meet this requirement.

## SECTION 3 Important membership materials

### Section 3.1 Our plan membership card

Use your membership card whenever you get services covered by our plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card. Sample membership card:

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your Simply Integrated Platinum (HMO D-SNP) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials).

If our plan membership card is damaged, lost, or stolen, call Member Services at 1-877-577-0115 (TTY users call 711) right away and we'll send you a new card.

### Section 3.2 Provider/Pharmacy Directory

The *Provider/Pharmacy Directory* [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) lists our current network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

Chapter 1 Get started as a member

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization, you'll have to pay in full. The only exceptions are emergencies, urgently needed services when the network isn't available (that is situations where it's unreasonable or not possible to get services in-network), out-of-area dialysis services, and cases when Simply Integrated Platinum (HMO D-SNP) authorizes use of out-of-network providers.

The most recent list of providers and suppliers is available on our website at [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare).

The *Provider/Pharmacy Directory* [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) lists our network pharmacies. **Network pharmacies** are all of the pharmacies that have agreed to fill covered prescriptions for our plan members. Use the *Provider/Pharmacy Directory* to find the network pharmacy you want to use. See Chapter 5, Section 2.4 for information on when you can use pharmacies that are not in the plan's network.

If you don't have a *Provider/Pharmacy Directory*, you can ask for a copy (electronically or in paper form) from Member Services at 1-877-577-0115 (TTY users call 711). Requested paper *Provider/Pharmacy Directory* will be mailed to you within 3 business days.

Section 3.3 Drug List (formulary)

Our plan has a *List of Covered Drugs* (also called the Drug List or formulary). It tells which prescription drugs are covered under the Part D benefit included in Simply Integrated Platinum (HMO D-SNP). The drugs on this list are selected by our plan, with the help of doctors and pharmacists. The Drug List must meet Medicare's requirements. Drugs with negotiated prices under Medicare Drug Price Negotiation Program will be included on your Drug List unless they have been removed and replaced as described in Chapter 5, Section 6. Medicare approved the Simply Integrated Platinum (HMO D-SNP) Drug List.

The Drug List also tells if there are any rules that restrict coverage for a drug.

We'll give you a copy of the Drug List. To get the most complete and current information about which drugs are covered, visit [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) or call Member Services at 1-877-577-0115 (TTY users call 711).

Chapter 1 Get started as a member

	Your Costs in 2026
	<ul style="list-style-type: none"><li>During this payment stage, you pay nothing for your covered Part D drugs <b>and for excluded drugs that are covered under our enhanced benefit.</b></li></ul>

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Part D Late Enrollment Penalty (Section 4.3)
- Income Related Monthly Adjusted Amount (Section 4.4)
- Medicare Prescription Payment Plan Amount (Section 4.5)

Section 4.1 Plan premium

You don’t pay a separate monthly plan premium for Simply Integrated Platinum (HMO D-SNP).

If you already get help from one of these programs, **the information about premiums in this Evidence of Coverage may not apply to you.** We sent you a separate document, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don’t have this insert, please call Member Services 1-877-577-0115 (TTY users call 711) and ask for the *LIS Rider*.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in Section 2 above, to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most Simply Integrated Platinum (HMO D-SNP) members, Medicaid pays for your Part A premium (if you don’t qualify for it automatically) and Part B premium.

**If Medicaid isn’t paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan.** This includes your premium for Part B. You may also pay a premium for Part A if you aren’t eligible for premium-free Part A.

## Chapter 1 Get started as a member

---

### Section 4.3 Part D Late Enrollment Penalty

Because you're dually-eligible, the LEP doesn't apply as long as you maintain your dually-eligible status, but if you lose your dually-eligible status, you may incur an LEP. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there was a period of 63 days or more in a row when you didn't have Part D or other creditable drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You'll have to pay this penalty for as long as you have Part D coverage.

You **don't** have to pay the Part D late enrollment penalty if:

- You get Extra Help from Medicare to help pay your drug costs.
- You went less than 63 days in a row without creditable coverage.
- You had creditable drug coverage through another source (like a former employer, union, TRICARE, or Veterans Health Administration (VA)). Your insurer or human resources department will tell you each year if your drug coverage is creditable coverage. You may get this information in a letter or a newsletter from that plan. Keep this information, because you may need it if you join a Medicare drug plan later.
  - **Note:** Any letter or notice must state that you had creditable prescription drug coverage that's expected to pay as much as Medicare's standard drug plan pays.
  - **Note:** Prescription drug discount cards, free clinics, and drug discount websites aren't creditable prescription drug coverage.

**Medicare determines the amount of the Part D late enrollment penalty.** Here's how it works:

- First, count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months you didn't have creditable drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you did not have creditable coverage. For example, if you go 14 months without coverage, the penalty percentage will be 14%.
- Then Medicare determines the amount of the average monthly plan premium for Medicare drug plans in the nation from the previous year (national base beneficiary premium). For 2026, this average premium amount is \$38.99.
- To calculate your monthly penalty, multiply the penalty percentage by the national base beneficiary and round it to the nearest 10 cents. In the example here, it would be 14% times \$38.99, which equals \$5.46. This rounds to \$5.50. This amount would be added **to the monthly plan premium for someone with a Part D late enrollment penalty**.

Three important things to know about the monthly Part D late enrollment penalty:

- **The penalty may change each year**, because the national base beneficiary premium can change each year.

## Chapter 1 Get started as a member

---

- **You'll continue to pay a penalty** every month for as long as you're enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- If you're *under* 65 and enrolled in Medicare, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months you don't have coverage after your initial enrollment period for aging into Medicare.

**If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review.** Generally, you must ask for this review **within 60 days** from the date on the first letter you get stating you have to pay a late enrollment penalty. However, if you were paying a penalty before you joined our plan, you may not have another chance to ask for a review of that late enrollment penalty.

### Section 4.4 Income Related Monthly Adjustment Amount

If you lose eligibility for this plan because of changes to income, some members may be required to pay an extra charge for their Medicare plan, known as the Part D Income Related Monthly Adjustment Amount (IRMAA). The extra charge is calculated using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit [www.medicare.gov/drug-health-drug-plans/part-d/basics/costs](http://www.medicare.gov/drug-health-drug-plans/part-d/basics/costs).

If you have to pay an extra IRMAA, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay our plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you'll get a bill from Medicare. **You must pay the extra IRMAA to the government. It can't be paid with your monthly plan premium. If you don't pay the extra IRMAA, you'll be disenrolled from our plan and lose prescription drug coverage.**

If you disagree about paying an extra IRMAA, you can ask Social Security to review the decision. To find out how to do this, call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

### Section 4.5 Medicare Prescription Payment Plan Amount

If you're participating in the Medicare Prescription Payment Plan, each month you'll pay our plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

## Chapter 1 Get started as a member

---

Chapter 2, Section 7 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

## SECTION 5 More information about your monthly plan premium

---

### Section 5.1 Our monthly plan premium won't change during the year

We're not allowed to change our plan's monthly plan premium amount during the year. If the monthly plan premium changes for next year, we'll tell you in September, and the new premium will take effect on January 1.

However, in some cases, you may be able to stop paying a late enrollment penalty, if you owe one, or you may need to start paying a late enrollment penalty. This could happen if you become eligible for Extra Help or lose your eligibility for Extra Help during the year.

- If you currently pay a Part D late enrollment penalty and become eligible for Extra Help during the year, you'd be able to stop paying your penalty.
- If you lose Extra Help, you may be subject to the Part D late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Find out more about Extra Help in Chapter 2, Section 7.

## SECTION 6 Keep our plan membership record up to date

---

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage including your Primary Care Provider (PCP).

The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important to help us keep your information up to date.

### If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes

## Chapter 1 Get started as a member

---

- If you participate in a clinical research study (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so.)

If any of this information changes, let us know by calling Member Services 1-877-577-0115 (TTY users call 711).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

## SECTION 7 How other insurance works with our plan

---

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read this information carefully. If it's correct, you don't need to do anything. If the information isn't correct, or if you have other coverage that's not listed, call Member Services 1-877-577-0115 (TTY users call 711). You may need to give our plan member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first (the "primary payer") pays up to the limits of its coverage. The insurance that pays second, (the "secondary payer"), only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
  - If you're under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
  - If you're over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

**Chapter 1 Get started as a member**

---

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare and/or employer group health plans have paid.

## SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In Florida, the SHIP is called Florida Serving Health Insurance Needs of Elders (SHINE).

## Chapter 2 Phone numbers and resources

Florida Serving Health Insurance Needs of Elders (SHINE) is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

Florida Serving Health Insurance Needs of Elders (SHINE) counselors can help you understand your Medicare rights, make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. Florida Serving Health Insurance Needs of Elders (SHINE) counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices, and answer questions about switching plans.

## SECTION 4 Quality Improvement Organization (QIO)

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. For Florida, the Quality Improvement Organization is called Acentra Health - Florida's Quality Improvement Organization.

Acentra Health - Florida's Quality Improvement Organization has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. Acentra Health - Florida's Quality Improvement Organization is an independent organization. It's not connected with our plan.

Contact Acentra Health - Florida's Quality Improvement Organization in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.

## SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment. Social Security is also responsible for determining who has to pay an extra amount for Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount, or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, contact Social Security to let them know.

SECTION 6 Medicaid

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.

Simply Integrated Platinum (HMO D-SNP) will cover all of your current Medicare and most of your Medicaid-covered services, if you are eligible for Medicaid-only services, under this one plan. Some Medicaid benefits, such as long-term services, will continue to be covered by Medicaid directly. You will also receive “Extra Help” from Medicare to pay for the costs of your Medicare prescription drugs. Our plan will help manage all of these benefits for you, so that you get the health care services and payment assistance that you are entitled to.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These "Medicare Savings Programs" help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary Plus (QMB+):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). QMB+ are also eligible for full Medicaid benefits.
- **Specified Low-Income Medicare Beneficiary Plus (SLMB+):** Helps pay Part B premiums. Eligible beneficiaries are also eligible for full Medicaid benefits. In some situations, you may receive assistance from your state Medicaid to help pay Medicare cost share. If the service is covered by both Medicare and Medicaid, your cost share could be \$0. There may be times when you are responsible for cost sharing if a service or benefit is not covered by Medicaid.
- **Full Benefit Dual Eligible (FBDE):** An individual who is not QMB or SLMB, but is eligible for full Medicaid benefits either categorically or through optional coverage groups.

If you have questions about the help you get from Medicaid, contact Agency for Healthcare Administration.

**SECTION 7 Programs to help people pay for prescription drugs**

The Medicare website ([www.Medicare.gov/basics/costs/help/drug-costs](http://www.Medicare.gov/basics/costs/help/drug-costs)) has information on ways to lower your prescription drug costs. The programs below can help people with limited incomes.

**Extra Help from Medicare**

Because you're eligible for Medicaid, you qualify for and get Extra Help from Medicare to pay for your prescription drug plan costs. You don't need to do anything further to get this Extra Help.

If you have questions about Extra Help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048;
- The Social Security Office at 1-800-772-1213, between 8 am and 7 pm, Monday through Friday. TTY users call 1-800-325-0778; or
- Your State Medicaid Office at 1-877-711-3662.

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of your proper copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

You may show evidence of Extra Help at the pharmacy by providing any of the following:

- A copy of your Medicaid card with your name and eligibility date during a month after June of the previous calendar year;
- One of the following letters from the Social Security Administration (SSA), showing extra help status (Important Information, Award Letter, Notice of Change or Notice of Action);
- A copy of a state document that confirms active Medicaid status during a month after June of the previous calendar year;
- A print out from the state electronic enrollment file showing Medicaid status during a month after June of the previous calendar year;

## Chapter 2 Phone numbers and resources

---

- A letter from SSA showing that the individual received SSI;
- A remittance from a facility showing Medicaid payment for a full calendar month for that individual during a month after June of the previous calendar year;
- A copy of a State document that confirms Medicaid payment on behalf of the individual to a facility for a full calendar month after June of the previous calendar year.
- A screen print from the State Medicaid system showing that the individual's institutional status, based on at least a full calendar month stay for Medicaid payment purposes during a month after June of the previous calendar year.

This Extra Help evidence must be confirmed by a pharmacist, CMS representative, state Medicaid official, or a Simply Healthcare, benefit consultant. The Extra Help evidence must also reflect the date for the time period in question.

Once we have updated your information at the pharmacy, please mail a copy of the evidence to the following address to maintain this copayment level:

Simply Healthcare

11430 NW 20th Street, Suite 300

Miami, FL 33172

We will also follow-up with you with a letter requesting that the evidence be mailed to us within 30 days of the date of the letter.

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back, either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services 1-877-577-0115 (TTY users call 711) if you have questions.

### **What if you have Extra Help and coverage from an AIDS Drug Assistance Program (ADAP)?**

The AIDS Drug Assistance Program (ADAP) helps people living with HIV/AIDS access life-saving HIV medications. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through The AIDS Drug Assistance Program (ADAP).

**Note:** To be eligible for the ADAP in your State, people must meet certain criteria, including proof of state residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to get help. For information on eligibility criteria, covered drugs, or how to enroll in the program, call The AIDS Drug Assistance Program (ADAP).

### Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across **the calendar year** (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.** Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. To learn more about this payment option, call Member Services at 1-877-577-0115 (TTY users call 711) or visit [www.Medicare.gov](http://www.Medicare.gov).

## CHAPTER 3:

# Using our plan for your medical and other covered services

### SECTION 1 How to get medical care and other services as a member of our plan

---

This chapter explains what you need to know about using our plan to get your medical care and other services covered. For details on what medical care and other services our plan covers, go to the Medical Benefits Chart in Chapter 4.

#### Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay nothing for covered services.
- **Covered services** include all the medical care, health care services, supplies, equipment, and prescription drugs that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

#### Section 1.2 Basic rules for your medical care and other services to be covered by our plan

As a Medicare health plan, Simply Integrated Platinum (HMO D-SNP) must cover all services covered by Original Medicare and may offer other services in addition to those covered under Original Medicare. Please see the Medical Benefits Chart in Chapter 4.

Simply Integrated Platinum (HMO D-SNP) will generally cover your medical care as long as:

## Chapter 3 Using our plan for your medical and other covered services

---

- **The care you get is included in our plan's Medical Benefits Chart** in Chapter 4.
- **The care you get is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You have a network primary care provider (a PCP) providing and overseeing your care.** As a member of our plan, you must choose a network PCP (go to Section 2.2 for more information).
  - In most situations, your network PCP must give you approval in advance (a referral) before you can use other providers in our plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. For more information, go to Section 2.3.
  - You don't need referrals from your PCP for emergency care or urgently needed services. To learn about other kinds of care you can get without getting approval in advance from your PCP, go to Section 2.2.
- **You must get your care from a network provider** (go to Section 2). In most cases, care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. This means that you will have to pay the provider in full for services you get. Here are three exceptions:
  - Our plan covers emergency care or urgently needed services you get from an out-of-network provider. For more information, and to see what emergency or urgently needed services are, go to Section 3.
  - If you need medical care that Medicare requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. The medical care will be coordinated for you with an out-of-network provider. **Prior authorization from our plan must be obtained PRIOR to obtaining services.** In this situation, we'll cover these services at no cost to you. For information about getting approval to see an out-of-network doctor, go to Section 2.4.
  - Our plan covers kidney dialysis services you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay our plan for dialysis can never be higher than the cost sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider that is outside our plan's network, your cost sharing can't be higher than the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from a provider outside our plan's network, your cost sharing for the dialysis may be higher.

**Chapter 3 Using our plan for your medical and other covered services**

---

**SECTION 2 Use providers in our plan's network to get your medical care and other services**

---

**Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your care****What is a PCP and what does the PCP do for you?**

- When you become a member of our plan, you must choose a plan physician to be your Primary Care Provider (PCP). Your PCP is a licensed physician who meets state requirements and is trained to give you basic medical care.
- Your plan's *Provider/Pharmacy Directory* will indicate which physicians may act as your PCP.
- As we explain below, you will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. For example, in order to see a specialist or obtain other medical services/procedures, you usually need to get your PCP's approval first (this is called obtaining a "referral" to be seen by the specialist or have the medical services(s)/procedure(s)).
- Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes:
  - Your X-rays
  - Laboratory tests
  - Rehabilitative therapy
  - Care from doctors who are specialists
  - Hospital admissions
  - Follow-up care
- "Coordinating" your services includes checking or consulting with other plan providers about your care and how it is going. If you need certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral). In some cases, your PCP will need to obtain a prior authorization (prior approval) from the plan. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

**How to choose a PCP?**

The PCP you choose will be listed on your enrollment form at the time of enrollment. If you do not choose a PCP, we will select one for you who is located close to where you live. You can change your PCP at any time (as explained later in this section). If there is a particular plan specialist or hospital you want to use, check first to make sure your PCP makes referrals to that specialist, or uses that hospital. The name and office telephone number of your PCP is printed on your member ID card.

**Chapter 3 Using our plan for your medical and other covered services**

---

**How to change your PCP**

You can change your PCP for any reason, at any time. It's also possible that your PCP might leave our plan's network of providers, and you'd need to choose a new PCP.

Change requests received by the 15th day of the month will become effective the first day of the following month. If you need assistance changing your PCP or to find out if the PCP you selected is available and accepting new patients, please contact Member Services at 1-877-577-0115 (TTY 711). Hours are from 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Please be sure to tell Member Services when you call if you are seeing a specialist or getting other covered services that need your PCP's approval (such as durable medical equipment or home health care). Member Services will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will also check to be sure the PCP you want to switch to is accepting new patients. Member Services will change your membership record to show the name of your new PCP, and tell you when the PCP change will be effective.

Member Services will send you a new membership card that includes the name and phone number of your new PCP.

**Section 2.2 Medical care and other services you can get without a PCP referral**

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, including breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams.
- Flu shots, COVID-19 vaccines, Hepatitis B vaccinations, and pneumonia vaccinations.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed plan-covered services are services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area. If possible, call Member Services at 1-877-577-0115 (TTY users call 711) before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.

**Chapter 3 Using our plan for your medical and other covered services**

---

- For additional covered services that do not require a referral and/or prior authorization/approval; see Chapter 4, Medical Benefits Chart.

**Section 2.3 How to get care from specialists and other network providers**

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer
- Cardiologists care for patients with heart conditions
- Orthopedists care for patients with certain bone, joint, or muscle conditions

If your PCP thinks that you need specialized treatment, he/she will give you a referral (approval in advance) to see a plan specialist or certain other providers.

For some types of referrals your PCP may need to get an approval in advance from our plan (this is called obtaining “prior authorization”). Your PCP will contact our plan to get prior authorization. Our clinical staff, including nurses and physicians, review clinical information sent by the provider, and make a decision on the prior authorization request. Covered services that require prior authorization are listed in the Chapter 4 benefit chart. If you are seeing a specialist for your care, you may need to return to your PCP for a referral for additional services.

It is very important to get a referral (approval in advance) from your PCP before you see a plan specialist or certain other providers. If you don’t have a referral (approval in advance) before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for more care, check first to be sure that the referral (approval in advance) you got from your PCP for the first visit covers more visits to the specialist. If it does not cover additional visits, a new referral (approval in advance) will need to be obtained.

When we give our decision, we base it on two things. First there are Medicare’s rules. Second, there are generally accepted standards of medical practice. These standards are proven and accepted by those who practice and study medicine. We also need to make sure you get the most cost effective care. This means it doesn’t cost more than another option that will work just as well. But we also need it to be right for you. And that you get it in the right place and the right number of times. Finally, we cannot approve a service just because it is more convenient than another option. You must get our approval before getting care from providers not in our plan unless it’s for urgent care, emergency care or renal dialysis outside the service area. To find a provider in our plan, check our Find a Doctor tool online or call Member Services. If you are referred or feel you need to use a provider who is not in our plan, you must call us to get approval before you get care.

If there is a specific plan network specialist you want to use, find out whether your PCP sends patients to this specialist. Each plan PCP has certain plan specialist you may see. You may generally change your PCP at any time if you want to see a plan specialist that your current PCP does not refer to. If there is a specific plan network hospital you want to use, you must first find out whether your PCP or the doctors you will be seeing use these hospitals.

## Chapter 3 Using our plan for your medical and other covered services

---

### When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
  - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.
  - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing. You should obtain authorization from the plan prior to seeking care.
- If you find out your doctor or specialist is leaving our plan, contact us so we can help you choose a new provider to manage your care.
- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 9).

### Section 2.4 How to get care from out-of-network providers

Your PCP or the plan must give you approval in advance before you can use providers not in the plan's network. This is called giving you a "referral." Failure to receive a referral (approval in advance) before you obtain these services from an out-of-network provider may result in you having to pay for the services yourself. For some services, your doctor may need to get approval in advance from our plan (this is called getting "prior authorization"). See Chapter 4, Section 2.1 for more information about which services require prior authorization.

## Chapter 3 Using our plan for your medical and other covered services

---

- Emergency or urgently needed services. If you use an out-of-network provider for emergency care or urgently needed care, you will pay the same as you would pay if you got the care from a network provider. See Section 3 of this chapter for more information.
- Kidney dialysis services that you get from an out-of-network, Medicare-certified dialysis facility. If you use an out-of-network provider for kidney dialysis services, you will pay the same as you would pay if you got the care from a network provider. See Section 2.2 of this chapter for more information.
- When providers of specialized services are not available in our network. If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider. Authorization must be obtained from the plan prior to seeking care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, talk to your PCP.

### SECTION 3 How to get services in an emergency, disaster, or urgent need for care

---

#### Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States, its territories or worldwide, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call Member Services at the number on the back of our plan membership card.

#### Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

## Chapter 3 Using our plan for your medical and other covered services

---

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we'll try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

### What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care—thinking that your health is in serious danger—and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

However, after the doctor says it wasn't an emergency, we'll cover additional care *only* if you get the additional care in one of these 2 ways:

- You go to a network provider to get the additional care.
- The additional care you get is considered urgently needed services and you follow the rules below for getting this urgent care.

### Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

If you need help finding a network urgent care center, please call Member Services at the number listed on your membership card, or visit our website to access our online, searchable directory. If you would like a *Provider/Pharmacy Directory* mailed to you, you may call Member Services, or request one at our website.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances: if you're traveling outside of the United States for less than six months. Prescriptions purchased outside of the country are not covered even for urgent or emergency care. For more information, see the Medical Benefits Chart in Chapter 4 of this document.

**Chapter 3 Using our plan for your medical and other covered services**

---

**Section 3.3 Get care during a disaster**

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit: [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing. If you can't use a network pharmacy during a disaster, you may be able to fill your prescriptions at an out-of-network pharmacy. Go to Chapter 5, Section 2.4.

**SECTION 4 What if you're billed directly for the full cost of covered services?**

---

If you paid for your covered services, or if you get a bill for covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 7 for information about what to do.

**Section 4.1 If services aren't covered by our plan**

Simply Integrated Platinum (HMO D-SNP) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services that aren't covered by our plan, or you get services out-of-network without authorization, you're responsible for paying the full cost of services. Before paying for the cost of the service, members should check if the service is covered by Medicaid.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service. When the benefit limit has been reached, the costs you pay will not count toward your out-of-pocket maximum.

**SECTION 5 Medical services in a clinical research study**

---

**Section 5.1 What is a clinical research study**

A clinical research study (also called a clinical trial) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

**If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study.** If you tell us that you're in a qualified clinical trial,

## Chapter 3 Using our plan for your medical and other covered services

---

you're only responsible for the in-network cost sharing for the services in that trial. If you paid more—for example, if you already paid the Original Medicare cost-sharing amount—we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network. (This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study not approved by Medicare, you'll be responsible for paying all costs for your participation in the study.

### Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare has paid its share of the cost for these services, our plan will pay the rest. Like for all covered services, you'll pay nothing for the covered services you get in the clinical research study.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free-of-charge for people in the trial.

## **SECTION 6 Rules for getting care in a religious non-medical health care institution**

---

### **Section 6.1 A religious non-medical health care institution**

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

### **Section 6.2 How to get care from a religious non-medical health care institution**

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that's **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
  - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
  - – *and* – you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

You are covered for an unlimited number of medically necessary inpatient hospital days. For more information, see Chapter 4 Medical Benefits chart (what is covered).

**Chapter 3 Using our plan for your medical and other covered services**

---

**SECTION 7 Rules for ownership of durable medical equipment**

---

**Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan**

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, you will acquire ownership of the DME items following a rental period not to exceed 13 months. Your copayments will end when you obtain ownership of the item.

**What happens to payments you made for durable medical equipment if you switch to Original Medicare?**

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count. You'll have to make 13 payments to our plan before owning the item.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive new payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

**Section 7.2 Rules for oxygen equipment, supplies, and maintenance**

If you qualify for Medicare oxygen equipment coverage Simply Integrated Platinum (HMO D-SNP) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Simply Integrated Platinum (HMO D-SNP) or no longer medically require oxygen equipment, the oxygen equipment must be returned.

**Chapter 3 Using our plan for your medical and other covered services**

---

**What happens if you leave our plan and return to Original Medicare?**

Original Medicare requires an oxygen supplier to provide you services for 5 years. During the first 36 months, you rent the equipment. For the remaining 24 months, the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years, you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

# CHAPTER 4:

## Medical Benefits Chart (what's covered)

### SECTION 1 Understanding covered services

---

The Medical Benefits Chart lists your covered services as a member of Simply Integrated Platinum (HMO D-SNP). This section also gives information about medical services that aren't covered and explains limits on certain services.

#### Section 1.1 You pay nothing for your covered services

Because you get help from Medicaid, you pay nothing for your covered services as long as you follow our plans' rules for getting your care. (Go to Chapter 3 for more information about our plans' rules for getting your care.)

#### Section 1.2 What's the most you'll pay for Medicare Part A and Part B covered medical services?

**Note:** Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum. You're not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Medicare Advantage Plans have limits on the amount you have to pay out-of-pocket each year for medical services covered under Medicare Part A and Part B. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. **For calendar year 2026 the MOOP amount is \$500.00.**

**Chapter 4 Medical Benefits Chart (what's covered)**

---

**SECTION 2    The Medical Benefits Chart shows your medical benefits and costs**

---

The Medical Benefits Chart on the next pages lists the services Simply Integrated Platinum (HMO D-SNP) covers (Part D drug coverage is in Chapter 5). The services listed in the Medical Benefits Chart are covered only when these requirements are met:

- Your Medicare covered services must be provided according to Medicare coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- You get your care from a network provider. In most cases, care you get from an out-of-network provider won't be covered unless it's emergency or urgent care, or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get.
- You have a primary care provider (a PCP) providing and overseeing your care. In most situations, your PCP must give you approval in advance (a referral) before you can see other providers in our plan's network.
- Some services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization). Covered services that need approval in advance are marked in the Medical Benefits Chart.
- If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider's recommendation.

Other important things to know about our coverage:

- You're covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost sharing for Medicare services. Medicaid also covers services Medicare doesn't cover.
- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at [www.Medicare.gov](http://www.Medicare.gov) or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227) TTY users call 1-877-486-2048.)

## Chapter 4 Medical Benefits Chart (what's covered)

---

- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.
- In addition to the Medicare services described in the following Benefits chart, this plan provides Medicaid benefits to individuals with full Medicaid coverage. These benefits can be found in the Medicaid chart later in this chapter.
- If you're within our plan's 6-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we won't cover Medicaid benefits that are included under the Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable.

You don't pay anything for the services listed in the Medical Benefits Chart, as long as you meet the coverage requirements described above.

### Important Benefit Information for Enrollees with Chronic Conditions

If you're diagnosed with any of the chronic condition(s) listed below and your condition:

1. Is life threatening or significantly limits your overall health or function; AND

**Dental services – Supplemental Limitations and Exclusions**

Our plan partners with Liberty Dental to provide your dental benefits.

**Please note:** Crown services, retainer crowns, and pontics require clinical review for prior authorization before treatment is performed to determine if they are appropriate, meet industry standards, and clinical criteria and guidelines. Treatment requests which are not medically necessary or do not meet clinical criteria and guidelines will not be covered. If prior authorization is denied, the service will not be covered and you will be responsible for all associated costs.

To locate a network provider or for questions related to Liberty Dental Plan's clinical guidelines, you may call **Liberty Dental** Member Services at **1-888-700-0992** or search the Liberty Dental website at **<https://client.libertydentalplan.com/Simply>**. It is recommended you work with your in-network dentist to check benefit coverage prior to obtaining dental services. Services performed by an out-of-network provider are only covered if listed in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart.

Coverage is limited to the services listed in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart with the following additional limitations and exclusions:

**Chapter 4 Medical Benefits Chart (what's covered)**

---

**Crown Services-**

1. Requires prior authorization through Liberty Dental.
2. Requests for crowns require the tooth/teeth to have a good long-term restorative, endodontic, and periodontal (at least 50% bone support) prognosis for approval.
3. Requests for crowns on teeth without root canal treatment must show evidence of decay, fracture, failing restoration, etc., undermining more than 50% of the tooth to be considered for coverage.
4. Replacement of existing crowns which, in the opinion of Liberty Dental staff dentist or dental director is satisfactory or can be made to a satisfactory condition, is not covered.
5. Cosmetic or experimental dental services and/or procedures not generally performed in a general dentist's office are not covered.
6. Crowns for the purposes of esthetics or as a result of normal wear & attrition, recession, abfraction and/or abrasion are not covered.
7. Core Buildup, including any pins when required (CDT Code D2950), must show evidence that the tooth requires additional structure critical to support and retain a crown or bridge. Otherwise, the service will be considered included as part of the crown restoration.
8. Providers must submit all necessary documents to prove the services meet plan criteria and are medically necessary. This includes full mouth X-rays and treatment plan. Missing documents will lead to a denial of services. Services lacking enough documentation to show necessity, according to Liberty Dental's criteria, will be denied.

**Bridges (Retainer Crowns and Pontics) -**

1. Bridges (retainers crowns and pontics) require prior authorization through Liberty Dental.
2. Requests for bridges require a missing tooth in the arch with at least one strong tooth on each side and enough space for a replacement tooth.
3. Requests for bridges require the supporting teeth to have a good long-term restorative, endodontic, and periodontal (at least 50% bone support) prognosis for approval.
4. Requests for a "cantilevered pontic" or only one supporting tooth next to a missing tooth will not be covered for the replacement of a missing back tooth.
5. Requests for bridges must be between teeth that are alike. Bridges with a fake tooth, such as an implant, on one side and a natural tooth on the other side will not be covered.
6. Replacement of an existing bridge which, in the opinion of Liberty Dental staff dentist or dental director, is satisfactory or that can be made satisfactory is not covered.
7. Cosmetic or experimental dental services and/or procedures not generally performed in a general dentist office are not covered.
8. Core Buildup, including any pins when required (CDT Code D2950), must show evidence that the tooth requires additional structure critical to support and retain a crown or bridge. Otherwise, the service will be considered included as part of the crown restoration.

**Chapter 4 Medical Benefits Chart (what's covered)**

---

9. Providers must submit all necessary documents to prove the services meets plan criteria and are medically necessary. This includes full mouth X-rays and treatment plan. Missing documents will lead to a denial of services. Services lacking enough documentation to show necessity, according to Liberty Dental's criteria, will be denied.

**Other Limitations and Exclusions**

- Providers must submit all necessary documents to prove the service meets the plan's criteria and is medically necessary. This includes full mouth X-rays and a treatment plan. Missing documents will lead to a denial of service. Services lacking enough documentation to show necessity, according to Liberty Dental's criteria, will be denied.
- Any procedure not specifically listed as a covered benefit in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart is not covered.
- Services related to a denied service will also be denied.
- Any treatment covered under an individual or group medical plan, auto insurance, no fault auto insurance or uninsured motorist policy, to the extent permitted by federal or state statute, is not covered.
- Treatment is not covered if it's due to civil insurrection, military service, acts of war, or nuclear incidents.
- Services for injuries and/or conditions which are paid or payable under Worker's Compensation or Employer Liability Laws, and treatment provided without cost to you by any municipality, county, or other political subdivision is not covered.
- Fees for missed appointments, preparing or copying dental reports, duplicate X-rays, itemized bills, or claim forms are not covered.

Liberty Dental's criteria utilized for medical necessity determination were developed from information collected from American Dental Association's Code Manuals, clinical articles and guidelines, as well as dental schools, practicing dentists, insurance companies, other dental related organizations, and local state or health plan requirements.

Dental procedure codes and descriptions provided are based on CDT codes guidelines and intended for informational purposes only. These codes can change annually according to the updates released by the American Dental Association's Current Dental Terminology (CDT). These updates may introduce new codes, alter existing ones, or eliminate others. We recommend that you confirm the relevant procedure codes with our contracted dental vendor and dental provider before undergoing treatment to ensure they have the latest and most accurate information. The organization assumes no liability for claims denied due to the use of outdated or incorrect codes.

**SECTION 3 Services covered outside of Simply Integrated Platinum (HMO D-SNP)**

---

There are services that are not covered or may not be fully covered by Simply Integrated Platinum (HMO D-SNP), but are available through Medicaid. If you have questions about the Medicaid assistance you get please review your Medicaid Member Handbook or contact your state Medicaid office at the phone number listed in Chapter 2, Section 6 of this document.

## Chapter 4 Medical Benefits Chart (what's covered)

### Medicaid Benefits

The benefits listed in this chart reflect Medicaid coverage at the time this Evidence of Coverage was published. Medicaid benefits may change during the year based on state or federal requirements. For the most current Medicaid benefit information, please contact Member Services or visit your state Medicaid website <https://www.flmedicaidmanagedcare.com/home/index>.

In addition to the Medicare services described above, Simply Healthcare provides the following Medicaid benefits based on the level of your Medicaid coverage. For eligibility rules and additional information about these services, please visit <http://ahca.myflorida.com/Medicaid/flmedicaid.shtml>. There may be instances when the Medicaid limit is greater than the Medicare limit. In those instances where the Medicare limit has been exhausted, the Plan shall cover the difference for those eligible recipients.

**SECTION 4 Services that aren't covered by our plan (exclusions)**

This section tells you what services are excluded.

The chart below lists services and items that aren't covered by our plan under any conditions or are covered by our plan only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided: upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 6.3.)

<b>Services not covered by Medicare</b>	<b>Covered only under specific conditions</b>
Acupuncture	Available for people with chronic low back pain under certain circumstances.
Cosmetic surgery or procedures	Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member.

**Chapter 4 Medical Benefits Chart (what's covered)**

Services not covered by Medicare	Covered only under specific conditions
	Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Custodial care Custodial care is personal care that doesn't require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	Not covered under any condition.
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community.	May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (Go to Chapter 3, Section 5 for more information on clinical research studies.)
Fees charged for care by your immediate relatives or members of your household.	Not covered under any condition.
Full-time nursing care in your home.	Not covered under any condition.
Home-delivered meals	Medicare doesn't cover home-delivered meals. This plan covers home-delivered meals as a supplemental benefit. To utilize this benefit, you must use a provider who participates in our network. Any supplemental benefit offered is not covered under the Original Medicare program but as extra benefits under this plan.

Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition.

## CHAPTER 5:

# Using plan coverage for Part D drugs

### How can you get information about your drug costs?

Because you're eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you're in the Extra Help program, **some information in this Evidence of Coverage about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call Member Services at 1-877-577-0115 (TTY users call 711) and ask for the *LIS Rider*. (Phone numbers for Member Services are printed on the back cover of this document.)

In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits. The Medicaid Drug List is available at [http://ahca.myflorida.com/medicaid/prescribed\\_drug/pharm\\_thera/fmpdl.shtml](http://ahca.myflorida.com/medicaid/prescribed_drug/pharm_thera/fmpdl.shtml).

Our plan will generally cover your drugs as long as you follow these rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription that's valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription (Go to Section 2 *or you can fill your prescription through our plan's mail-order service.*)
- Your drug must be on our plan's Drug List (Go to Section 3).
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that's either approved by the FDA or supported by certain references. (Go to Section 3 for more information about a medically accepted indication.)
- Your drug may require approval from our plan based on certain criteria before we agree to cover it. (Go to Section 4 for more information)

**Chapter 5 Using plan coverage for Part D drugs**

---

**SECTION 2 Fill your prescription at a network pharmacy or through our plan's mail-order service**

---

In most cases, your prescriptions are covered *only* if they're filled at our plan's network pharmacies. (Go to Section 2.4 for information about when we cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered drugs. The term "covered drugs" means all the Part D drugs on our plan's Drug List.

**Section 2.1 Network pharmacies****Find a network pharmacy in your area**

To find a network pharmacy, go to your *Provider/Pharmacy Directory*, visit our website ([www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare)), and/or call Member Services at 1-877-577-0115 (TTY users call 711).

You may go to any of our network pharmacies.

**If your pharmacy leaves the network**

If the pharmacy you use leaves our plan's network, you'll have to find a new pharmacy in the network. To find another pharmacy in your area, get help from Member Services at 1-877-577-0115 (TTY users call 711) or use the *Provider/Pharmacy Directory*. You can also find information on our website at [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare).

**Specialized pharmacies**

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy. Our plan will cover home infusion therapy if:
  - Your prescription drug is on our plan's formulary, or a formulary exception has been granted for your prescription drug.
  - Your prescription drug is not otherwise covered under our plan's medical benefit.
  - Our plan has approved your prescription for home infusion therapy.
  - Your prescription is written by an authorized prescriber.

If you need help finding a home infusion pharmacy provider in your area, please call Member Services at the number listed on your membership card, or visit our website to access our online, searchable directory. If you would like a *Provider/Pharmacy Directory* mailed to you, you may call Member Services, or request one at our website.

- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have difficulty getting your Part D

## Chapter 5 Using plan coverage for Part D drugs

---

drugs in an LTC facility, call Member Services at 1-877-577-0115 (TTY users call 711). Please refer to your *Provider/Pharmacy Directory* to find out if your long-term-care pharmacy is part of our network.

- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network. Please refer to your *Provider/Pharmacy Directory* to find an I/T/U pharmacy in your area. For more information, contact Member Services.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on its use. To locate a specialized pharmacy, go to your Provider/Pharmacy Directory [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) or call Member Services at 1-877-577-0115 (TTY users call 711).

### Section 2.2 Our plan's mail-order service

For certain kinds of drugs, you can use our plan's network mail-order service. Generally, the drugs provided through mail order are drugs you take on a regular basis, for a chronic or long-term medical condition. These drugs are marked as **mail-order drugs** in our Drug List.

Our plan's mail-order service allows you to order **at least a 30-day supply of the drug and no more than a 90 or 100-day supply**.

To get order forms and information about filling your prescriptions by mail call our mail-order Member Services at 1-833-203-1735. TTY users should call 711. Hours are 24 hours a day, 7 days a week. Our Interactive Voice Response (IVR) Service is available 24 hours a day, seven days a week.

Usually, a mail-order pharmacy order will be delivered to you in no more than 14 days. If for some reason your mail-order prescription is delayed, please contact Member Services at 1-833-203-1735. Pharmacy processing time will average about two to five business days; however, you should allow additional time for postal service delivery. It is advisable for first-time users of the mail-order pharmacy to have at least a 30-day supply of medication on hand when a mail-order request is placed. If the prescription order has insufficient information, or if we need to contact the prescribing physician, delivery could take longer.

It is advisable for first-time users of the mail-order pharmacy to ask the doctor for two signed prescriptions:

- One for an initial supply to be filled at their local retail participating pharmacy.
- The second for up to a three-month supply with refills to send to the mail-order pharmacy.

#### **New prescriptions the pharmacy gets directly from your doctor's office.**

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or

## Chapter 5 Using plan coverage for Part D drugs

---

- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You can ask for automatic delivery of all new prescriptions at any time by providing consent on your first new home delivery prescription, sent in by your physician.

If you get a prescription automatically by mail that you don't want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling the Member Services phone number on your membership card.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It's important to respond each time you're contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

**Refills on mail-order prescriptions.** For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, contact your pharmacy 30 days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling the Member Services phone number on your membership card.

If you get a refill automatically by mail that you don't want, you may be eligible for a refund.

### Section 2.3 How to get a long-term supply of drugs

When you get a long-term supply of drugs, your cost sharing may be lower. Our plan offers 2 ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your *Provider/Pharmacy Directory* [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Member Services at 1-877-577-0115 (TTY users call 711) for more information.
2. You can also get maintenance drugs through our mail-order program. Go to Section 2.2 for more information.

## Chapter 5 Using plan coverage for Part D drugs

---

### Section 2.4 Using a pharmacy that's not in our plan's network

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We also have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. **Check first with Member Services at 1-877-577-0115 (TTY users call 711)** to see if there's a network pharmacy nearby.

We cover prescriptions filled at an out-of-network pharmacy only in these circumstances:

- You are traveling within the United States and its territories and become ill, or lose or run out of your prescription drugs.
- The prescription is for a medical emergency or urgent care.
- You are unable to obtain a covered drug in a timely manner within our service area because a network pharmacy that provides 24-hour service is not available within a 25-mile driving distance.
- You are filling a prescription for a covered drug that is not regularly stocked at an accessible network retail pharmacy (for example, an orphan drug or other specialty pharmaceutical).

If you must use an out-of-network pharmacy, you'll generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse for our share of the cost. (Go to Chapter 7, Section 2 for information on how to ask our plan to pay you back.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

## SECTION 3 Your drugs need to be on our plan's Drug List

---

### Section 3.1 The Drug List tells which Part D drugs are covered

Our plan has a *List of Covered Drugs* (formulary). In this *Evidence of Coverage*, **we call it the Drug List**.

The drugs on this list are selected by our plan with the help of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The Drug List only shows drugs covered under Medicare Part D. In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits. The Medicaid Drug List is available at [http://ahca.myflorida.com/medicaid/prescribed\\_drug/pharm\\_thera/fmpdl.shtml](http://ahca.myflorida.com/medicaid/prescribed_drug/pharm_thera/fmpdl.shtml).

We generally cover a drug on our plan's Drug List as long as you follow the other coverage rules explained in this chapter and use of the drug for a medically accepted indication. A medically accepted indication is a use of the drug that's *either*:

- Approved by the FDA for the diagnosis or condition for which it's prescribed, or

## Chapter 5 Using plan coverage for Part D drugs

---

- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

The Drug List includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On the Drug List, when we refer to drugs, this could mean a drug or a biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as the brand name or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Go to Chapter 12 for definitions of types of drugs that may be on the Drug List.

### Drugs that aren't on the Drug List

Medicaid-covered drugs are not included on our drug list, unless they are Medicare-covered drugs. Members can find the list of Medicaid-covered drugs at [http://ahca.myflorida.com/medicaid/prescribed\\_drug/pharm\\_thera/fmpdl.shtml](http://ahca.myflorida.com/medicaid/prescribed_drug/pharm_thera/fmpdl.shtml).

Our plan doesn't cover all prescription drugs.

- In some cases, the law doesn't allow any Medicare plan to cover certain types of drugs. (For more information, go to Section 7.)
- In other cases, we decided not to include a particular drug on the Drug List.
- In some cases, you may be able to get a drug that isn't on our Drug List. (For more information, go to Chapter 9.)

### Section 3.2 *There are Six cost-sharing tiers for drugs on the Drug List*

Every drug on our plan's Drug List is in one of six cost-sharing tiers. In general, the higher the tier, the higher your cost for the drug:

## Chapter 5 Using plan coverage for Part D drugs

---

- **Cost-Sharing Tier 1:** includes preferred generic drugs. This is a cost-sharing tier with low copays.
- **Cost-Sharing Tier 2:** includes generic drugs.
- **Cost-Sharing Tier 3:** includes preferred brand-name drugs. It may also include some non-preferred generic drugs that are priced similarly to the original brand drug.
- **Cost-Sharing Tier 4:** includes non-preferred drugs. It may also include some non-preferred generic drugs that are priced similarly to the original brand drug.
- **Cost-Sharing Tier 5:** includes specialty drugs. Drugs in this cost-sharing tier generally cost you more than drugs in the other cost-sharing tiers.
- **Cost-Sharing Tier 6:** includes supplemental drugs (excluded drugs only).

To find out which cost-sharing tier your drug is in, look it up in our plan's Drug List.

The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6.

### Section 3.3 How to find out if a specific drug is on the Drug List

To find out if a drug is on our Drug List, you have these options:

- Check the most recent Drug List we provided electronically.
- Visit our plan's website ([www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare)). The Drug List on the website is always the most current.
- Call Member Services at 1-877-577-0115 (TTY users call 711) to find out if a particular drug is on our plan's Drug List or ask for a copy of the list.
- Use our plan's "Real-Time Benefit Tool" ([www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare)) to search for drugs on the Drug List to get an estimate of what you'll pay and see if there are alternative drugs on the Drug List that could treat the same condition. You can also call Member Services at 1-877-577-0115 (TTY users call 711). Within your secure online account at [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare), select Prescriptions – Price a Medication and type the prescription name in the search.

## SECTION 4 Drugs with restrictions on coverage

---

### Section 4.1 Why some drugs have restrictions

For certain prescription drugs, special rules restrict how and when our plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the

## Chapter 5 Using plan coverage for Part D drugs

---

most effective way. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option.

Note that sometimes a drug may appear more than once in our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for example, 10 mg versus 100 mg; one per day versus 2 per day; tablet versus liquid).

### Section 4.2 Types of restrictions

**If there's a restriction for your drug, it usually means that you or your provider have to take extra steps for us to cover the drug.** Call Member Services at 1-877-577-0115 (TTY users call 711) to learn what you or your provider can do to get coverage for the drug. **If you want us to waive the restriction for you, you need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (Go to Chapter 9.)

#### Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan based on specific criteria before we agree to cover the drug for you. This is called **prior authorization**. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get this approval, your drug might not be covered by our plan. Our plan's prior authorization criteria can be obtained by calling Member Services at 1-877-577-0115 (TTY users call 711) or on our website [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare).

#### Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before our plan covers another drug. For example, if Drug A and Drug B treat the same medical condition and Drug A is less costly, our plan may require you to try Drug A first. If Drug A doesn't work for you, our plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**. Our plan's step therapy criteria can be obtained by calling Member Services at 1-877-577-0115 (TTY users call 711) or on our website [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare).

#### Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it's normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

**Chapter 5 Using plan coverage for Part D drugs**

---

**SECTION 5 What you can do if one of your drugs isn't covered the way you'd like**

---

There are situations where a prescription drug you take, or that you and your provider think you should take, isn't on our Drug List or has restrictions. For example:

- The drug might not be covered at all. Or a generic version of the drug may be covered but the brand name version you want to take isn't covered.
- The drug is covered, but there are extra rules or restrictions on coverage.
- The drug is covered, but in a cost-sharing tier that makes your cost sharing more expensive than you think it should be.

**If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.1 to learn what you can do.**

**If your drug isn't on the Drug List or is restricted, here are options for what you can do:**

- You may be able to get a temporary supply of the drug.
- You can change to another drug.
- You can ask for an **exception** and ask our plan to cover the drug or remove restrictions from the drug.

**You may be able to get a temporary supply**

Under certain circumstances, our plan must provide a temporary supply of a drug you're already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you take **must no longer be on our plan's Drug List OR is now restricted in some way.**

- **If you're a new member,** we'll cover a temporary supply of your drug during the first **90 days** of your membership in our plan.
- **If you were in our plan last year,** we'll cover a temporary supply of your drug during the first **90 days** of the calendar year.
- This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of 30 days of medication. The prescription must be filled at a network pharmacy. (Note that a long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For members who've been in our plan for more than 90 days and live in a long-term care facility and need a supply right away:** We'll cover one 34-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

## Chapter 5 Using plan coverage for Part D drugs

---

For questions about a temporary supply, call Member Services at 1-877-577-0115 (TTY users call 711).

**During the time when you're using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have 2 options:**

### **Option 1. You can change to another drug**

Talk with your provider about whether a different drug covered by our plan may work just as well for you. Call Member Services at 1-877-577-0115 (TTY users call 711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

### **Option 2. You can ask for an exception**

**You and your provider can ask our plan to make an exception and cover the drug in the way you'd like it covered.** If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception. For example, you can ask our plan to cover a drug even though it's not on our plan's Drug List. Or you can ask our plan to make an exception and cover the drug without restrictions.

**If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 to learn what to do.** It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

## **Section 5.1 What to do if your drug is in a cost-sharing tier you think is too high**

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

### **You can change to another drug**

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower cost-sharing tier that might work just as well for you. Call Member Services at 1-877-577-0115 (TTY users call 711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

### **You can ask for an exception**

**You and your provider can ask our plan to make an exception in the cost-sharing tier for the drug so that you pay less for it.** If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception to the rule.

**If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 for what to do.** It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our **Tier 5 - Specialty Tier** aren't eligible for this type of exception. We don't lower the cost-sharing amount for drugs in this tier.

**Chapter 5 Using plan coverage for Part D drugs**

---

**SECTION 6 Our Drug List can change during the year**

---

Most changes in drug coverage happen at the beginning of each year (January 1). However, during the year, our plan can make some changes to the Drug List. For example, our plan might:

- **Add or remove drugs from the Drug List.**
- **Move a drug to a higher or lower cost-sharing tier.**
- **Add or remove a restriction on coverage for a drug.**
- **Replace a brand name drug with a generic version of the drug.**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

We must follow Medicare requirements before we change our plan's Drug List.

**Information on changes to drug coverage**

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. Sometimes you'll get direct notice if changes were made for a drug that you take.

**Changes to drug coverage that affect you during this plan year**

- **Adding new drugs to the Drug List and immediately removing or making changes to a like drug on the Drug List.**
  - We may immediately remove a like drug from the Drug List, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
  - We'll make these immediate changes only if we add a new generic version of a brand name or add certain new biosimilar versions of an original biological product that was already on the Drug List.
  - We may make these changes immediately and tell you later, even if you take the drug that we remove or make changes to. If you take the like drug at the time we make the change, we'll tell you about any specific change we made.
- **Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List with advance notice.**
  - When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new restrictions, or both. The version of the drug that we add will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.

## Chapter 5 Using plan coverage for Part D drugs

---

- We'll make these changes only if we add a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
- We'll tell you at least 30 days before we make the change or tell you about the change and cover an 30-day fill of the version of the drug you're taking.
- **Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
  - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you're taking that drug, we'll tell you after we make the change.
- **Making other changes to drugs on the Drug List.**
  - We may make other changes once the year has started that affect drugs you are taking. For example, we based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
  - We'll tell you at least 30 days before we make these changes or tell you about the change and cover an additional 30-day fill of the drug you take.

If we make any of these changes to any of the drugs you take, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or ask for a coverage decision to satisfy any new restrictions on the drug you're taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, go to Chapter 9.

### Changes to the Drug List that don't affect you during this plan year

We may make certain changes to the Drug List that aren't described above. In these cases, the change won't apply to you if you're taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that won't affect you during the current plan year are:

- We move your drug into a higher cost-sharing tier.
- We put a new restriction on the use of your drug.
- We remove your drug from the Drug List.

If any of these changes happen for a drug you take (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use until January 1 of the next year.

## Chapter 5 Using plan coverage for Part D drugs

---

We won't tell you about these types of changes directly during the current plan year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to drugs you take that will impact you during the next plan year.

### SECTION 7 Types of drugs we don't cover

---

Some kinds of prescription drugs are *excluded*. This means Medicare doesn't pay for these drugs.

If you appeal and the drug asked for is found not to be excluded under Part D, we'll pay for or cover it. (For information about appealing a decision, go to Chapter 9.) If the drug excluded by our plan is also excluded by Medicaid, you must pay for it yourself (except for certain excluded drugs covered under our enhanced drug coverage).

Here are 3 general rules about drugs that Medicare drug plans won't cover under Part D:

- Our plan's Part D drug coverage can't cover a drug that would be covered under Medicare Part A or Part B.
- Our plan can't cover a drug purchased outside the United States or its territories.
- Our plan can't cover *off-label* use of a drug when the use isn't supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the FDA.

In addition, by law, the following categories of drugs listed below aren't covered by Medicare. However, some of these drugs may be covered for you under your Medicaid drug coverage.

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer requires associated tests or monitoring services be purchased only from the manufacturer as a condition of sale
- For more information about Medicaid benefits, call Member Services (phone numbers are printed on the back cover of this booklet).

## Chapter 5 Using plan coverage for Part D drugs

---

- Some drugs used for the relief of cough and cold symptoms, certain quantity restrictions apply.
- Some prescription vitamins, such as folic acid and Vitamin D 50000 IU, certain quantity restrictions apply.

If you **get Extra Help from Medicare** to pay for your prescriptions, Extra Help won't pay for drugs that aren't normally covered. (Go to our plan's Drug List or call Member Services at 1-877-577-0115 (TTY users call 711) for more information.) If you have drug coverage through Medicaid, the plan may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact the plan to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Member Services in Chapter 2, Section 1.)

### SECTION 8 How to fill a prescription

---

To fill your prescription, provide our plan membership information (which can be found on your membership card) at the network pharmacy you choose. The network pharmacy will automatically bill our plan for our share of the costs of your drug. You'll need to pay the pharmacy *your* share of the cost when you pick up your prescription.

If you don't have our plan membership information with you, you or the pharmacy can call our plan to get the information, or you can ask the pharmacy to look up our plan enrollment information.

If the pharmacy can't get the necessary information, **you may have to pay the full cost of the prescription when you pick it up**. You can then **ask us to reimburse you** for our share. Go to Chapter 7, Section 2 for information about how to ask our plan for reimbursement.

### SECTION 9 Part D drug coverage in special situations

---

#### Section 9.1 In a hospital or a skilled nursing facility for a stay covered by our plan

If you're admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we'll generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, our plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this chapter.

#### Section 9.2 As a resident in a long-term care (LTC) facility

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all its residents. If you're a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it's part of our network.

## Chapter 5 Using plan coverage for Part D drugs

---

Check your *Provider/Pharmacy Directory* [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) to find out if your LTC facility's pharmacy or the one it uses is part of our network. If it isn't, or if you need more information or help, call Member Services at 1-877-577-0115 (TTY users call 711). If you're in an LTC facility, we must ensure that you're able to routinely get your Part D benefits through our network of LTC pharmacies.

If you're a resident in an LTC facility and need a drug that isn't on our Drug List or restricted in some way, go to Section 5.1 for information about getting a temporary or emergency supply.

### Section 9.3 If you're in Medicare-certified hospice

Hospice and our plan don't cover the same drug at the same time. If you're enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that aren't covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in getting these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

## SECTION 10 Programs on drug safety and managing medications

---

We conduct drug use reviews to help make sure our members get safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems like:

- Possible medication errors
- Drugs that may not be necessary because you take another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you're allergic to
- Possible errors in the amount (dosage) of a drug you take
- Unsafe amounts of opioid pain medications

**Chapter 5 Using plan coverage for Part D drugs**

---

If we see a possible problem in your use of medications, we'll work with your provider to correct the problem.

**Section 10.1 Drug Management Program (DMP) to help members safely use opioid medications**

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You'll have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we'll automatically send your case to an independent reviewer outside of our plan. Go to Chapter 9 for information about how to ask for an appeal.

You won't be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you're getting hospice, palliative, or end-of-life care, or live in a long-term care facility.

**Section 10.2 Medication Therapy Management (MTM) program to help members manage medications**

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program is voluntary and free. A team of

**Chapter 5 Using plan coverage for Part D drugs**

---

pharmacists and doctors developed the program for us to help make sure our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help them use opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will get information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we'll automatically enroll you in the program and send you information. If you decide not to participate, notify us and we'll withdraw you. For questions about this program, call Member Services at 1-877-577-0115 (TTY users call 711).

## CHAPTER 6:

# What you pay for Part D drugs

### SECTION 1 What you pay for Part D drugs

---

We use “drug” in this chapter to mean a Part D prescription drug. Not all drugs are Part D drugs. Some drugs are excluded from Part D coverage by law. Some of the drugs excluded from Part D coverage are covered under Medicare Part A or Part B.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5 explains these rules. When you use our plan’s “Real-Time Benefit Tool” to look up drug coverage ([www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare)), the cost you see shows an estimate of the out-of-pocket costs you’re expected to pay. You can also get information provided in the “Real-Time Benefit Tool” by calling Member Services at 1-877-577-0115 (TTY users call 711).

#### How can you get information about your drug costs?

Because you’re eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you have Extra Help, **some information in this Evidence of Coverage about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don’t have this insert, call Member Services at 1-877-577-0115 (TTY users call 711) and ask for the *LIS Rider*.

#### Section 1.1 Types of out-of-pocket costs you may pay for covered drugs

There are 3 different types of out-of-pocket costs for covered Part D drugs that you may be asked to pay:

- **Deductible** is the amount you pay for drugs before our plan starts to pay our share.
- **Copayment** is a fixed amount you pay each time you fill a prescription.
- **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

## Chapter 6 What you pay for Part D drugs

---

### Section 1.2 How Medicare calculates your out-of-pocket costs

Medicare has rules about what counts and what doesn't count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

---

#### **These payments are included in your out-of-pocket costs**

Your out-of-pocket costs **include** the payments listed below (as long as they're for covered Part D drugs and you followed the rules for drug coverage explained in Chapter 5):

- The amount you pay for drugs when you're in the following drug payment stages:
  - The Deductible Stage
  - The Initial Coverage Stage
- Any payments you made during this calendar year as a member of a different Medicare drug plan before you joined our plan
- Any payments for your drugs made by family or friends
- Any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, and most charities

#### **Moving to the Catastrophic Coverage Stage:**

When you (or those paying on your behalf) have spent a total of \$2,100 in out-of-pocket costs within the calendar year, you move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

---

#### **These payments aren't included in your out-of-pocket costs**

Your out-of-pocket costs **don't include** any of these types of payments:

- Drugs you buy outside the United States and its territories
- Drugs that aren't covered by our plan
- Drugs you get at an out-of-network pharmacy that don't meet our plan's requirements for out-of-network coverage
- Prescription drugs covered by Part A or Part B
- Payments you make toward drugs covered under our additional coverage but not normally covered in a Medicare Drug Plan
- Payments you make toward drugs not normally covered in a Medicare Drug Plan

## Chapter 6 What you pay for Part D drugs

---

- Payments for your drugs made by certain insurance plans and government-funded health programs such as TRICARE and the Veterans Health Administration (VA)
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation)
- Payments made by drug manufacturers under the Manufacturer Discount Program

*Reminder:* If any other organization like the ones listed above pays part or all your out-of-pocket costs for drugs, you're required to tell our plan by calling Member Services at 1-877-577-0115 (TTY users call 711).

---

### Tracking your out-of-pocket total costs

- The *Part D Explanation of Benefits* (EOB) you get includes the current total of your out-of-pocket costs. When this amount reaches \$2,100, the *Part D EOB* will tell you that you left the Initial Coverage Stage and moved to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Go to Section 3.1 to learn what you can do to help make sure our records of what you spent are complete and up to date.

## SECTION 2 Drug payment stages for Simply Integrated Platinum (HMO D-SNP) members

---

There are **3 drug payment stages** for your drug coverage under Simply Integrated Platinum (HMO D-SNP). How much you pay for each prescription depends on what stage you're in when you get a prescription filled or refilled. Details of each stage are explained in this chapter. The stages are:

- **Stage 1: Yearly Deductible Stage**
- **Stage 2: Initial Coverage Stage**
- **Stage 3: Catastrophic Coverage Stage**

## SECTION 3 Your *Part D Explanation of Benefits* explains which payment stage you're in

---

Our plan keeps track of your prescription drug costs and the payments you make when you get prescriptions at the pharmacy. This way, we can tell you when you move from one drug payment stage to the next. We track 2 types of costs:

- **Out-of-Pocket Costs:** this is how much you paid. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments

## Chapter 6 What you pay for Part D drugs

---

made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).

- **Total Drug Costs:** this is the total of all payments made for your covered Part D drugs. It includes what our plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you filled one or more prescriptions through our plan during the previous month, we'll send you a *Part D EOB*. The *Part D EOB* includes:

- **Information for that month.** This report gives payment details about prescriptions you filled during the previous month. It shows the total drug costs, what our plan paid, and what you and others paid on your behalf.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This displays the total drug price, and information about changes in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This shows information about other available drugs with lower cost sharing for each prescription claim, if applicable

### Section 3.1 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps make sure we know about the prescriptions you fill and what you pay.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we won't automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts. **Examples of when you should give us copies of your drug receipts:**
  - When you purchase a covered drug at a network pharmacy at a special price or use a discount card that's not part of our plan's benefit.
  - When you pay a copayment for drugs provided under a drug manufacturer patient assistance program.
  - Any time you buy covered drugs at out-of-network pharmacies or pay the full price for a covered drug under special circumstances.
  - If you're billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.

## Chapter 6 What you pay for Part D drugs

---

- **Send us information about the payments others make for you.** Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you get the Part D EOB, look it over to be sure the information is complete and correct. If you think something is missing or have questions, call Member Services at 1-877-577-0115 (TTY users call 711). Be sure to keep these reports.

### SECTION 4 The Deductible Stage

---

Because most of our members get Extra Help with their prescription drug costs, the Deductible Stage doesn't apply to most members. If you get Extra Help, this payment stage doesn't apply to you.

Look at the separate insert (the *LIS Rider*) for information about your deductible amount.

If you don't get Extra Help, the Deductible Stage is the first payment stage for your drug coverage. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. You'll pay a yearly deductible of \$615 on **Tier 2: Generic, Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug, and Tier 5: Specialty Tier**. **You must pay the full cost of your Tier 2: Generic, Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug, and Tier 5: Specialty Tier drugs** until you reach our plan's deductible amount. For all other drugs, you won't have to pay any deductible. The **full cost** is usually lower than the normal full price of the drug since our plan negotiated lower costs for most drugs at network pharmacies. The full cost cannot exceed the maximum fair price plus dispensing fees for drugs with negotiated prices under the Medicare Drug Price Negotiation Program.

Once you pay \$615 for your **Tier 2: Generic, Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug, and Tier 5: Specialty Tier** drugs, you leave the Deductible Stage and move on to the Initial Coverage Stage.

### SECTION 5 The Initial Coverage Stage

---

#### Section 5.1 What you pay for a drug depends on the drug and where you fill your prescription

During the Initial Coverage Stage, our plan pays its share of the cost of your covered drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

## Chapter 6 What you pay for Part D drugs

---

### Our plan has six cost-sharing tiers

Every drug on our plan's Drug List is in one of six cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- **Tier 1** : includes preferred generic drugs. This is a cost-sharing tier with low copays.
- **Tier 2** : includes generic drugs.
- **Tier 3** : includes preferred brand-name drugs. It may also include some non-preferred generic drugs that are priced similarly to the original brand drug. **If you receive Extra Help**, you pay \$0.00 - \$12.65 per month supply of each covered insulin product on this tier. **If you do not qualify for Extra Help**, you won't pay more than \$35.00 per month supply of each covered insulin product on this tier.
- **Tier 4** : includes non-preferred drugs. It may also include some non-preferred generic drugs that are priced similarly to the original brand drug.
- **Tier 5** : includes specialty drugs. Drugs in this cost-sharing tier generally cost you more than drugs in the other cost-sharing tiers.
- **Tier 6** : includes supplemental drugs (excluded drugs only).

To find out which cost-sharing tier your drug is in, look it up in our plan's Drug List.

### Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy
- A pharmacy that isn't in our plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Go to Chapter 5, Section 2.5 to find out when we'll cover a prescription filled at an out-of-network pharmacy.
- Our plan's mail-order pharmacy.

For more information about these pharmacy choices and filling your prescriptions, go to Chapter 5 and our plan's *Provider/Pharmacy Directory* [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare).

### Section 5.2 Your costs for a *one-month* supply of a covered drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

The amount of the copayment or coinsurance depends on the cost-sharing tier.

## Chapter 6 What you pay for Part D drugs

Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

### Your costs for a *one-month* supply of a covered Part D drug

Tier	Standard retail in-network cost sharing (up to a 30-day supply)	Mail-order cost sharing (up to a 30-day supply)	Long-term care (LTC) cost sharing (up to a 34-day supply)	Out-of-network cost sharing (Coverage is limited to certain situations; go to Chapter 5 for details.) (up to a 30-day supply)
<b>Cost-Sharing Tier 1</b> (Preferred Generic)	\$0.00			
<b>Cost-Sharing Tier 2</b> (Generic)	\$0.00 - \$12.65 OR 25%*			
<b>Cost-Sharing Tier 3</b> (Preferred Brand)	\$0.00 - \$12.65 OR 25%*			
<b>Cost-Sharing Tier 4</b> (Non-Preferred Drug)	\$0.00 - \$12.65 OR 25%*			
<b>Cost-Sharing Tier 5</b> (Specialty Tier)	\$0.00 - \$12.65 OR 25%*			
<b>Cost-Sharing Tier 6</b> (Supplemental Drugs)	\$0.00			

\*If you receive Extra Help, the amount you pay is determined by your Extra Help low-income subsidy (LIS) coverage and whether you use a generic or brand drug. Please refer to your *LIS Rider* for your specific copayment amount. If you do not qualify for Extra Help, you pay the coinsurance.

#### Insulin Cost Sharing:

**If you receive Extra Help**, you pay \$0.00 - \$12.65 for Tier 3 for a one-month supply of each covered insulin product.

**If you do not qualify for Extra Help**, you won't pay more than \$35.00 for Tier 3 for a one-month supply of each covered insulin product, even if you haven't paid your deductible.

Chapter 6 What you pay for Part D drugs

Go to Section 8 for more information on cost sharing for Part D vaccines.

**Section 5.3      If your doctor prescribes less than a full month’s supply, you may not have to pay the cost of the entire month’s supply**

Typically, the amount you pay for a drug covers a full month’s supply. There may be times when you or your doctor would like you to have less than a month’s supply of a drug (for example, when you’re trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month’s supply if this will help you better plan refill dates.

If you get less than a full month’s supply of certain drugs, you won’t have to pay for the full month’s supply.

- If you’re responsible for coinsurance, you pay a percentage of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- If you’re responsible for a copayment for the drug, you only pay for the number of days of the drug that you get instead of a whole month. We calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you get.

**Section 5.4      Your costs for a *long-term* (up to a 90 or 100-day) supply of a covered Part D drug**

For some drugs, you can get a long-term supply (also called an extended supply). A long-term supply is up to a 90 or 100-day supply.

**Your costs for a long-term (up to a 90 or 100-day) supply of a covered Part D drug**

Tier	Standard retail cost sharing (in-network)	Mail-order cost sharing
<b>Cost-Sharing Tier 1</b> (Preferred Generic) up to a 100-day supply	\$0.00	
<b>Cost-Sharing Tier 2</b> (Generic) up to a 90-day supply	\$0.00 - \$12.65 OR 25%*	
<b>Cost-Sharing Tier 3</b> (Preferred Brand)	\$0.00 - \$12.65 OR 25%*	

Tier	Standard retail cost sharing (in-network)	Mail-order cost sharing
up to a 90-day supply		
<b>Cost-Sharing Tier 4</b> (Non-Preferred Drug)	A long-term supply is not available for drugs in Tier 4.	
<b>Cost-Sharing Tier 5</b> (Specialty Tier)	A long-term supply is not available for drugs in Tier 5.	
<b>Cost-Sharing Tier 6</b> (Supplemental Drugs) up to a 90-day supply		\$0.00

\*If you receive Extra Help, the amount you pay is determined by your Extra Help low-income subsidy (LIS) coverage and whether you use a generic or brand drug. Please refer to your *LIS Rider* for your specific copayment amount. If you do not qualify for Extra Help, you pay the coinsurance.

**Insulin Cost Sharing:**

**If you receive Extra Help,** you will pay \$0.00 - \$12.65 for Tier 3 for a 2 or 3 month supply of each covered insulin product.

**If you do not qualify for Extra Help,** you won’t pay more than \$70.00 for Tier 3 for a 2-month supply and \$105.00 for Tier 3 for a 3-month supply of each covered insulin product, even if you haven’t paid your deductible.

**Section 5.5      You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach \$2,100**

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach \$2,100. You then move to the Catastrophic Coverage Stage.

We offer additional coverage on some prescription drugs that aren’t normally covered in a Medicare Drug Plan. Payments made for these drugs don’t count toward your total out-of-pocket costs.

The *Part D EOB* that you get will help you keep track of how much you, our plan, and any third parties have spent on your behalf during the year. Not all members will reach the \$2,100 out-of-pocket limit in a year.

We’ll let you know if you reach this amount. Go to Section 1.3 for more information on how Medicare calculates your out-of-pocket costs.

## Chapter 6 What you pay for Part D drugs

---

### SECTION 6 The Catastrophic Coverage Stage

---

In the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs. You enter the Catastrophic Coverage Stage when your out-of-pocket costs reach the \$2,100 limit for the calendar year. Once you're in the Catastrophic Coverage Stage, you stay in this payment stage until the end of the calendar year.

- During this payment stage, you pay nothing for your covered Part D drugs and for excluded drugs covered under our enhanced benefit.
- For excluded drugs covered under our enhanced benefit, you pay the copayment or the contracted cost of the drug, whichever is the lower amount.

### SECTION 7 Additional benefits information

---

We offer additional coverage of some prescription drugs not normally covered in a Medicare prescription drug plan (We call this enhanced drug coverage). These drugs will take a tier 6 copay throughout the entire benefit year.

- Some drugs used for the relief of cough and cold symptoms, certain quantity restrictions apply.
- Some prescription vitamins, such as folic acid and Vitamin D 50000 IU, certain quantity restrictions apply.
- Some erectile dysfunction drugs such as Sildenafil (generic for Viagra), or Tadalafil (generic for Cialis), limited to 6 tablets per month.

You pay \$0 for Tier 6: (Supplemental drugs) during all drug stages. Certain quantity restrictions apply. Please refer to your plan's Drug List for information about all drugs covered under this benefit.

### SECTION 8 What you pay for Part D vaccines

---

**Important message about what you pay for vaccines** - Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs. You can find these vaccines listed in our plan's Drug List. Our plan covers most adult Part D vaccines at no cost to you even if you haven't paid your deductible. Go to our plan's Drug List or call Member Services at 1-877-577-0115 (TTY users call 711) for coverage and cost-sharing details about specific vaccines.

There are 2 parts to our coverage of Part D vaccines:

- The first part is the cost of **the vaccine itself**.
- The second part is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccine depend on 3 things:

**Chapter 6 What you pay for Part D drugs**

---

**1. Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).**

- Most adult Part D vaccines are recommended by ACIP and cost you nothing.

**2. Where you get the vaccine.**

- The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.

**3. Who gives you the vaccine.**

- A pharmacist or another provider may give the vaccine in the pharmacy. Or, a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccine can vary depending on the circumstances and what **drug payment stage** you're in.

- When you get a vaccine, you may have to pay the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you'll be reimbursed the entire cost you paid.
- Other times, when you get a vaccine, you pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you pay nothing.

Below are 3 examples of ways you might get a Part D vaccine.

*Situation 1:* You get the Part D vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states don't allow pharmacies to give certain vaccines.)

- For most adult Part D vaccines, you pay nothing.
- For other Part D vaccines, you pay the pharmacy your coinsurance or copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

*Situation 2:* You get the Part D vaccine at your doctor's office.

- When you get the vaccine, you may have to pay the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any coinsurance or copayment for the vaccine (including administration), and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.)

**Chapter 6 What you pay for Part D drugs**

---

*Situation 3:* You buy the Part D vaccine itself at the network pharmacy and take it to your doctor's office where they give you the vaccine.

- For most adult Part D vaccines, you pay nothing for the vaccine itself.
- For other Part D vaccines, you pay the pharmacy your coinsurance or copayment for the vaccine itself.
- When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
- You can then ask our plan to pay our share of the cost by using the procedures in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any coinsurance or copayment for the vaccine administration, and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.)

Note: When you get the Part D vaccination at your doctor's office (see Situation 2 above), you **do not** have to pay for the entire cost of the vaccine and its administration yourself. You have the option of having your provider bill the vendor directly for the cost of the vaccine and its administration. Please talk to your provider about these payment options prior to services being rendered to select the best option for you.

## CHAPTER 7:

# Asking us to pay our share of a bill for covered medical services or drugs

### SECTION 1 Situations when you should ask us to pay our share for covered services or drugs

---

Our network providers bill our plan directly for your covered services and drugs. If you get a bill for the full cost of medical care or drugs you got, send this bill to us so that we can pay it. When you send us the bill, we'll look at the bill and decide whether the services and drugs should be covered. If we decide they should be covered, we'll pay the provider directly.

**If you already paid for a Medicare service or item covered by our plan**, you can ask our plan to pay you back (paying you back is often called **reimburse** you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter. When you send us a bill you've already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First, try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost-sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

#### **1. When you got emergency or urgently needed medical care from a provider who's not in our plan's network**

- You can get emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases, ask the provider to bill our plan.
- If you pay the entire amount yourself at the time you get the care, ask us to pay you back. Send us the bill, along with documentation of any payments you made.

**Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs**

---

- You may get a bill from the provider asking for payment that you think you don't owe. Send us this bill, along with documentation of any payments you made.
  - If the provider is owed anything, we'll pay the provider directly.
  - If you already paid for the service, we'll pay you back.

**2. When a network provider sends you a bill you think you shouldn't pay**

Network providers should always bill our plan directly. But sometimes they make mistakes and ask you to pay for your services.

- Whenever you get a bill from a network provider send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, send us the bill along with documentation of any payment you made. Ask us to pay you back for your covered services.

**3. If you're retroactively enrolled in our plan**

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out of pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You need to submit paperwork such as receipts and bills for us to handle the reimbursement.

**4. When you use an out-of-network pharmacy to fill a prescription**

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out-of-network pharmacies in limited circumstances. Go to Chapter 5, Section 2.4 to learn more about these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

**5. When you pay the full cost for a prescription because you don't have our plan membership card with you**

If you don't have our plan membership card with you, you can ask the pharmacy to call our plan or look up our plan enrollment information. If the pharmacy can't get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

## Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs

---

### 6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find the drug isn't covered for some reason.

- For example, the drug may not be on our plan's Drug List or it could have a requirement or restriction you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

### 7. When you get emergency care outside the United States

The plan covers you for up to \$100,000 of emergency care world-wide, less your copayment amount. However, you will need to follow some rules for requesting reimbursement:

- You will need to pay the medical charges yourself and request reimbursement from the plan. The plan will consider reimbursement for up to 100% of Medicare allowable less cost sharing.
- Send us the itemized bill from the foreign medical provider or providers.
- Send us a copy of the complete medical records related to the services.
- The complete medical records and the itemized bill must be translated by a certified translator into English.

Contact Member Services at the phone number listed on the back of this booklet if you have any questions.

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for our share of the cost for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 9 has information about how to make an appeal.

## SECTION 2 How to ask us to pay you back or pay a bill you got

---

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you've made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within one year** of the date you got the service, item, or drug.

**Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs**

---

To make sure you're giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it'll help us process the information faster. With your request include:
  - Itemized bill with dates of service and amount charged for each service.
  - Receipt of payment.
  - Medical records (if the medical records are not written in English, a certified translation of the documents should be provided if available).
  - Itinerary (if the services were received on a cruise ship).
  - Appointment of Representation (AOR) or Power of Attorney form (if someone other than the member is submitting the request).
- Download a copy of the form from our website [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) or call Member Services at 1-877-577-0115 (TTY users call 711) and ask for the form.

Mail your request for payment **for medical services**, together with any bills or paid receipts to us at this address:

Simply Healthcare  
P.O. Box 61010  
Virginia Beach, VA 23466-1010

Mail your request for payment **for Part D prescription drugs**, together with any bills or receipts, to us at this address:

CarelonRx  
Claims Department - Part D Services  
P.O. Box 52077  
Phoenix, AZ 85072-2077

---

**SECTION 3 We'll consider your request for payment and say yes or no**

---

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care or drug is covered and you followed all the rules, we'll pay for our share of the cost for the service or drug. If you already paid for the service or drug, we'll mail your reimbursement of our share of the cost to you. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you haven't paid for the service or drug yet, we'll mail the payment directly to the provider.

**Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs**

---

- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we won't pay for our share of the cost of the care or drug. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

**Section 3.1 If we tell you we won't pay for all or part of the medical care or drug, you can make an appeal**

If you think we made a mistake in turning down your request for payment or the amount we're paying, you can make an appeal. If you make an appeal, it means you're asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9.

## **CHAPTER 8:**

# **Your rights and responsibilities**

### **SECTION 1 Our plan must honor your rights and cultural sensitivities**

---

#### **Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)**

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan may meet these accessibility requirements include, but aren't limited to, provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. This document is available for free in Spanish. We can also give you materials in braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call Member Services at 1-877-577-0115 (TTY users call 711).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call our plan for information on where to go to get this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with Member Services at 1-877-577-0115 (TTY users call 711) or by writing us at: Civil Rights Coordinator, Mailstop: OH0205-A537; 4361 Irwin Simpson Rd, Mason, OH 45040. You can also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

## Chapter 8 Your rights and responsibilities

### **Debemos brindarle información de manera que le sea útil y coherente con su sensibilidad cultural (en idiomas distintos del inglés, en braille, en letra grande u otros formatos alternativos, etc.).**

Su plan debe garantizar que todos los servicios, tanto clínicos como no clínicos, se proporcionen de una manera que sea culturalmente competente y estén disponibles para todos los inscritos, incluidos aquellos con un dominio limitado del inglés, habilidades de lectura limitadas, discapacidad auditiva o aquellos con antecedentes culturales y étnicos diversos. Los ejemplos de cómo un plan puede cumplir con estos requisitos de accesibilidad incluyen, entre otros, la provisión de servicios de traducción, servicios de interpretación, teletipos o conexión para TTY (teléfono de texto o teletipo).

Nuestro plan cuenta con servicios gratuitos de interpretación para contestarles preguntas a los miembros que no hablen inglés. También podemos brindarle información en braille, en letra grande o en otros formatos alternativos, sin costo, en el caso de que lo necesite. Nosotros debemos brindarle la información sobre los beneficios del plan en un formato que sea comprensible y apropiado para usted. Para que le brindemos información de un modo adecuado para usted, llame a Servicios para miembros.

Nuestro plan debe ofrecerles a las mujeres inscritas la opción de un acceso directo a un especialista en salud de la mujer dentro de la red para los servicios de cuidado de rutina y cuidado médico preventivo.

Si para una especialidad determinada no se encuentran disponibles proveedores dentro de la red del plan, es responsabilidad del plan encontrar proveedores de la especialidad fuera de la red que puedan brindarle el cuidado que necesita. En este caso, usted solo pagará los costos compartidos dentro de la red. Si no encuentra especialistas dentro de la red del plan que cubran un servicio que necesita, llame al plan para obtener información sobre dónde puede dirigirse para obtener este servicio abonando los costos compartidos dentro de la red.

Si tiene algún problema para obtener información de nuestro plan en un formato que sea accesible y apropiado para usted, llámenos para presentar un reclamo al 1-877-577-0115; (Los usuarios de TTY deben llamar 711) o escríbanos a Civil Rights Coordinator (Coordinador de Derechos Civiles), Mailstop: OH0205-A537; 4361 Irwin Simpson Rd, Mason, OH 45040. También puede presentar una queja ante Medicare llamando al 1-800-MEDICARE (1-800-633-4227) o directamente ante la Oficina de Derechos Civiles llamando al 1-800-368-1019 o TTY 1-800-537-7697.

### **Section 1.2 We must ensure you get timely access to covered services and drugs**

You have the right to choose a primary care provider (PCP) in our plan's network to provide and arrange for your covered services.

You also have the right to go to a women's health specialist (such as a gynecologist) without a referral.

You have the right to get appointments and covered services from our plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

## Chapter 8 Your rights and responsibilities

---

If you think that you aren't getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

### Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

#### How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you've given legal power to make decisions for you first.*
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
  - We are required to release health information to government agencies that are checking on quality of care.
  - Because you're a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

#### You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held at our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your personal health information, call Member Services at 1-877-577-0115 (TTY users call 711).

Below is the Notice of Privacy Practices as of June 2022.

## **Chapter 8 Your rights and responsibilities**

---

### **Notice of privacy practices**

Important information about your rights and our responsibilities

Protecting your personal health information is important. Each year, we're required to send you specific information about your rights and some of our duties to help keep your information safe. This notice combines three of these required yearly communications:

- State notice of privacy practices
- Health Insurance Portability and Accountability Act (HIPAA) notice of privacy practices
- Breast reconstruction surgery benefits

Would you like to go paperless and read this online or on your mobile app? Go to [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare) and sign up to get these notices by email.

### **State notice of privacy practices**

When it comes to handling your health information, we follow relevant state laws, which are sometimes stricter than the federal HIPAA privacy law. This notice:

- Explains your rights and our duties under state law.
- Applies to health, dental, vision and life insurance benefits you may have.

Your state may give additional rights to limit sharing your health information. Please call the Member Services phone number on your ID card for more details.

### **Your personal information**

Your nonpublic (private) personal information (PI) identifies you and it's often gathered in an insurance matter. You have the right to see and correct your PI. We may collect, use and share your PI as described in this notice. Our goal is to protect your PI because your information can be used to make judgments about your health, finances, character, habits, hobbies, reputation, career and credit.

We may receive your PI from others, such as doctors, hospitals or other insurance companies. We may also share your PI with others outside our company – without your approval, in some cases. But we take reasonable measures to protect your information. If an activity requires us to give you a chance to opt out, we'll let you know and we'll let you know how to tell us you don't want your PI used or shared for an activity you can opt out of.

THIS NOTICE DESCRIBES HOW MEDICAL, VISION AND DENTAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO THIS INFORMATION WITH REGARD TO YOUR HEALTH BENEFITS. PLEASE READ CAREFULLY.

## Chapter 8 Your rights and responsibilities

### HIPAA notice of privacy practices

We keep the health and financial information of our current and former members private as required by law, accreditation standards and our own internal rules. We're also required by federal law to give you this notice to explain your rights and our legal duties and privacy practices.

### Your protected health information

There are times we may collect, use and share your Protected Health Information (PHI) as allowed or required by law, including the HIPAA Privacy rule. Here are some of those times:

**Payment:** We collect, use and share PHI to take care of your account and benefits, or to pay claims for health care you get through your plan.

**Health care operations:** We collect, use and share PHI for our health care operations.

**Treatment activities:** We don't provide treatment, but we collect, use and share information about your treatment to offer services that may help you, including sharing information with others providing you treatment.

Examples of ways we use your information:

- We keep information on file about your premium and deductible payments.
- We may give information to a doctor's office to confirm your benefits.
- We may share explanation of benefits (EOB) with the subscriber of your plan for payment purposes.
- We may share PHI with your doctor or hospital so that they may treat you.
- We may use PHI to review the quality of care and services you get.
- We may use PHI to help you with services for conditions like asthma, diabetes or traumatic injury.
- We may collect and use publicly and/or commercially available data about you to support you and help you get health plan benefits and services.
- We may use your PHI to create, use or share de-identified data as allowed by HIPAA.
- We may also use and share PHI directly or indirectly with health information exchanges for payment, health care operations and treatment. If you don't want your PHI to be shared in these situations, visit <http://www.simplyhealthcareplans.com/medicare/privacy-notice> for more information.

**Sharing your PHI with you:** We must give you access to your own PHI. We may also contact you about treatment options or other health-related benefits and services. When you or your dependents reach a certain age, we may tell you about other plans or programs for which you may be eligible, including individual coverage. We may also send you reminders about routine medical checkups and tests. You

## Chapter 8 Your rights and responsibilities

---

may get emails that have limited PHI, such as welcome materials. We'll ask your permission before we contact you.

**Sharing your PHI with others:** In most cases, if we use or share your PHI outside of treatment, payment, operations or research activities, we have to get your okay in writing first. We must also get your written permission before:

- Using your PHI for certain marketing activities.
- Selling your PHI.
- Sharing any psychotherapy notes from your doctor or therapist.

We may also need your written permission for other situations not mentioned above. You always have the right to cancel any written permission you have given at any time.

You have the right and choice to tell us to:

- Share information with your family, close friends or others involved with your current treatment or payment for your care.
- Share information in an emergency or disaster relief situation.

If you can't tell us your preference, for example in an emergency or if you're unconscious, we may share your PHI if we believe it's in your best interest. We may also share your information when needed to lessen a serious and likely threat to your health or safety.

### **Other reasons we may use or share your information:**

We are allowed, and in some cases required, to share your information in other ways - usually for the good of the public, such as public health and research. We can share your information for these specific purposes:

- Helping with public health and safety issues, such as:
  - Preventing disease
  - Helping with product recalls
  - Reporting adverse reactions to medicines
  - Reporting suspected abuse, neglect or domestic violence
  - Preventing or reducing a serious threat to anyone's health or safety
- Doing health research.
- Obeying the law, if it requires sharing your information.
- Responding to organ donation groups for research and certain reasons.

## Chapter 8 Your rights and responsibilities

---

- Addressing worker's compensation, law enforcement and other government requests, and to alert proper authorities if we believe you may be a victim of abuse or other crimes.
- Responding to lawsuits and legal actions.

If you're enrolled with us through an employer, we may share your PHI with your group health plan. If the employer pays your premium or part of it, but doesn't pay your health insurance claims, your employer can only have your PHI for permitted reasons and is required by law to protect it.

**Authorization:** We'll get your written permission before we use or share your PHI for any purpose not stated in this notice. You may cancel your permission at any time, in writing. We will then stop using your PHI for that purpose. But if we've already used or shared your PHI with your permission, we cannot undo any actions we took before you told us to stop.

**Genetic information:** We cannot use your genetic information to decide whether we'll give you coverage or decide the price of that coverage.

**Race, ethnicity, language, sexual orientation and gender identity:** We may receive race, ethnicity, language, sexual orientation and gender identity information about you and protect this information as described in this notice. We may use this information to help you, including identifying your specific needs, developing programs and educational materials and offering interpretation services. We don't use race, ethnicity, language, sexual orientation and gender identity information to decide whether we'll give you coverage, what kind of coverage and the price of that coverage. We don't share this information with unauthorized persons.

### Your rights

Under federal law, you have the right to:

- Send us a written request to see or get a copy of your PHI, including a request for a copy of your PHI through email. Remember, there's a risk your PHI could be read by a third party when it's sent unencrypted, meaning regular email. So we will first confirm that you want to get your PHI by unencrypted email before sending it to you. We will provide you a copy of your PHI usually within 30 days of your request. If we need more time, we will let you know.
- Ask that we correct your PHI that you believe is wrong or incomplete. If someone else, such as your doctor, gave us the PHI, we'll let you know so you can ask him or her to correct it. We may say "no" to your request, but we'll tell you why in writing within 60 days.
- Send us a written request not to use your PHI for treatment, payment or health care operations activities. We may say "no" to your request, but we'll tell you why in writing.
- Request confidential communications. You can ask us to send your PHI or contact you using other ways that are reasonable. Also, let us know if you want us to send your mail to a different address if sending it to your home could put you in danger.

## **Chapter 8 Your rights and responsibilities**

---

- Send us a written request to ask us for a list of those with whom we've shared your PHI. We will provide you a list usually within 60 days of your request. If we need more time, we will let you know.
- Ask for a restriction for services you pay for out of your own pocket: If you pay in full for any medical services out of your own pocket, you have the right to ask for a restriction. The restriction would prevent the use or sharing of that PHI for treatment, payment or operations reasons. If you or your provider submits a claim to us, we may not agree to a restriction (see "Your rights" above). If a law requires sharing your information, we don't have to agree to your restriction.
- Call Member Services at the phone number on your ID card to use any of these rights. A representative can give you the address to send the request. They can also give you any forms we have that may help you with this process.

### **How we protect information**

We're dedicated to protecting your PHI, and we've set up a number of policies and information practices to help keep your PHI secure and private. If we believe your PHI has been breached, we must let you know.

We keep your oral, written and electronic PHI safe using the right procedures, and through physical and electronic ways. These safety measures follow federal and state laws. Some of the ways we keep your PHI safe include securing offices that hold PHI, password-protecting computers, and locking storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. These policies limit access to PHI to only those employees who need the data to do their jobs. Employees are also required to wear ID badges to help keep unauthorized people out of areas where your PHI is kept. Also, where required by law, our business partners must protect the privacy of data we share with them as they work with us. They're not allowed to give your PHI to others without your written permission, unless the law allows it and it's stated in this notice.

### **Potential impact of other applicable laws**

HIPAA, the federal privacy law, generally doesn't cancel other laws that give people greater impact of other privacy protections. As a result, if any state or federal privacy law requires us to give your applicable laws more privacy protections, then we must follow that law in addition to HIPAA.

### **To see more information**

To read more information about how we collect and use your information, your privacy rights, and details about other state and federal privacy laws, please visit our Privacy web page at <http://www.simplyhealthcareplans.com/medicare/privacy-notice>.

### **Calling or texting you**

We, including our affiliates and/or vendors, may call or text you by using an automatic telephone dialing system and/or an artificial voice. But we only do this in accordance with the Telephone Consumer Protection Act (TCPA). The calls may be about treatment options or other health-related

benefits and services for you. If you don't want to be contacted by phone, just let the caller know or call **1-844-203-3796** to add your phone number to our Do Not Call list. We will then no longer call or text you.

### **Complaints**

If you think we haven't protected your privacy, you can file a complaint with us at the Member Services phone number on your ID Card. You may also file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by visiting [hhs.gov/ocr/privacy/hipaa/complaints/](https://hhs.gov/ocr/privacy/hipaa/complaints/). We will not take action against you for filing a complaint.

### **Contact information**

You may call us at the Member Services phone number on your ID card. Our representatives can help you apply your rights, file a complaint or talk with you about privacy issues.

### **Copies and changes**

You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to ask for a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you, as well as any PHI we may get in the future. We're required by law to follow the privacy notice that's in effect at this time. We may tell you about any changes to our notice through a newsletter, our website or a letter.

### **Effective date of this notice**

The original effective date of this Notice was April 14, 2003.

### **Breast reconstruction surgery benefits**

A mastectomy that's covered by your health plan includes benefits that comply with the Women's Health and Cancer Rights Act of 1998, which provides for:

- Reconstruction of the breast(s) that underwent a covered mastectomy.
- Surgery and reconstruction of the other breast to restore a symmetrical appearance.
- Prostheses and coverage for physical complications related to all stages of a covered mastectomy, including lymphedema.

You'll pay your usual deductible, copay and/or coinsurance. For details, contact your plan administrator.

## Chapter 8 Your rights and responsibilities

---

### Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of Simply Integrated Platinum (HMO D-SNP), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call Member Services at 1-877-577-0115 (TTY users call 711):

- **Information about our plan.** This includes, for example, information about our plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapter 5 provides information about Part D drug coverage.
- **Information about why something isn't covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug isn't covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

### Section 1.5 You have the right to know about your treatment options and participate in decisions about your care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether they're covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave.

## Chapter 8 Your rights and responsibilities

---

You also have the right to stop taking your medication. If you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

### **You have the right to give instructions about what's to be done if you can't make medical decisions for yourself**

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you're in this situation. This means *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance in these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

### **How to set up an advance directive to give instructions:**

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

**Filling out an advance directive is your choice** (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

## Chapter 8 Your rights and responsibilities

---

### If your instructions aren't followed

If you sign an advance directive and you believe that a doctor or hospital did not follow the instructions in it, you can file a complaint with the Florida Health Care Advance Directives.

### Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

If you have any problems, concerns, or complaints and need to ask for coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do—ask for a coverage decision, make an appeal, or make a complaint—**we're required to treat you fairly.**

### Section 1.7 If you believe you're being treated unfairly, or your rights aren't being respected

If you believe you've been treated unfairly or your rights haven't been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY users call 1-800-537-7697), or call your local Office for Civil Rights.

If you believe you've been treated unfairly or your rights haven't been respected *and* it's *not* about discrimination, you can get help dealing with the problem you're having from these places:

- **Call our plan's Member Services at 1-877-577-0115 (TTY users call 711)**
- **Call your local SHIP** at 1-800-963-5337
- **Call Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

### Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

- **Call Member Services at 1-877-577-0115 (TTY users call 711)**
- **Call your local SHIP** at 1-800-963-5337
- **Contact Medicare**
  - Visit [www.Medicare.gov](http://www.Medicare.gov) to read the publication *Medicare Rights & Protections* (available at: Medicare Rights & Protections)
  - Call 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

### SECTION 2 Your responsibilities as a member of our plan

---

Things you need to do as a member of our plan are listed below. For questions, call Member Services at 1-877-577-0115 (TTY users call 711).

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this Evidence of Coverage to learn what's covered and the rules you need to follow to get covered services.
  - Chapters 3 and 4 give details about medical services.
  - Chapters 5 and 6 give details about Part D drug coverage.
- **If you have any other health coverage or drug coverage in addition to our plan, you're required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you're enrolled in our plan.** Show our plan membership card whenever you get medical care or Part D drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
  - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
  - Make sure your doctors know all the drugs you're taking, including over-the-counter drugs, vitamins, and supplements.
  - If you have questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
  - You must continue to pay your Medicare premiums to stay a member of our plan.
  - For most of your drugs covered by our plan, you must pay your share of the cost when you get the drug.
  - If you're required to pay the extra amount for Part D because of your yearly income, you must continue to pay the extra amount directly to the government to stay a member of our plan.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move outside our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**

## CHAPTER 9:

# If you have a problem or complaint (coverage decisions, appeals, complaints)

### SECTION 1 What to do if you have a problem or concern

---

This chapter explains the processes for handling problems and concerns. The process you use to handle your problem depends on the type of problem you're having:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints** (also called grievances).

Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

**Section 3** will help you identify the right process to use and what you should do.

#### Section 1.1 Legal terms

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

### SECTION 2 Where to get more information and personalized help

---

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call Member Services at 1-877-577-0115 (TTY users call 711) for help. In some situations, you may also want help or guidance from someone who isn't connected with us. Two organizations that can help are:

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**State Health Insurance Assistance Program (SHIP)**

Each state has a government program with trained counselors. The program isn't connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers and website URLs in Chapter 2, Section 3 of this document.

**Medicare**

You can also contact Medicare for help:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- Visit [www.Medicare.gov](http://www.Medicare.gov).

**SECTION 3 Understanding Medicare and Medicaid complaints and appeals**

---

You have Medicare and get help from Medicaid. Information in this chapter applies to **all** your Medicare and Medicaid benefits. This is called an integrated process because it combines, or integrates, Medicare and Medicaid processes.

Sometimes the Medicare and Medicaid processes aren't combined. In those situations, use a Medicare process for a benefit covered by Medicare and a Medicaid process for a benefit covered by Medicaid. These situations are explained in **Section 6.4**.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**SECTION 4 Which process to use for your problem**

---

If you have a problem or concern, read the parts of this chapter that apply to your situation. The information below will help you find the right section of this chapter for problems or complaints about **benefits covered by Medicare or Medicaid**.

**Is your problem or concern about your benefits or coverage?**

This includes problems about whether medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems related to payment for medical care.

**Yes.**

Go to **Section 5, A guide to coverage decisions and appeals**.

**No.**

Go to **Section 11, How to make a complaint about quality of care, waiting times, customer service, or other concerns**.

---

**Coverage decisions and appeals**

---

**SECTION 5 A guide to coverage decisions and appeals**

---

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

**Asking for coverage decisions before you get services**

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

**Making an appeal**

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances, a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization not connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 6.4** of this chapter for more information about Level 2 appeals for medical care.
- Part D appeals are discussed in Section 7 of this chapter.

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

**Section 5.1 Get help asking for a coverage decision or making an appeal**

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call Member Services at** 1-877-577-0115 (TTY users call 711)
- **Get free help** from your State Health Insurance Assistance Program
- **Your doctor or other health care provider can make a request for you.** If your doctor helps with an appeal past Level 2, they need to be appointed as your representative. Call Member

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

Services at 1-877-577-0115 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at [www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf).)

- For medical care, your doctor or other health care provider can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it'll be automatically forwarded to Level 2.
- If your doctor or other health provider asks that a service or item that you're already getting be continued during your appeal, you **may** need to name your doctor or other prescriber as your representative to act on your behalf.
- For Part D drugs, your doctor or other prescriber can ask for a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied, your doctor or prescriber can ask for a Level 2 appeal.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.

If you want a friend, relative, or other person to be your representative, call Member Services at 1-877-577-0115 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at [www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf).) This form gives that person permission to act on your behalf. It must be signed by you and the person you want to act on your behalf. You must give us a copy of the signed form.

We can accept an appeal request from a representative without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.

- **You also have the right to hire a lawyer.** You can contact your own lawyer or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

**Section 5.2 Rules and deadlines for different situations**

There are 4 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines, we give the details for each of these situations:

- **Section 6:** "Medical care: How to ask for a coverage decision or make an appeal"
- **Section 7:** "Part D drugs: How to ask for a coverage decision or make an appeal"

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- **Section 8:** “How to ask us to cover a longer inpatient hospital stay if you think you’re being discharged too soon”
- **Section 9:** “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (*Applies only to these services:* home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you’re not sure which information applies to you, call Member Services at 1-877-577-0115 (TTY users call 711). You can also get help or information from your SHIP.

## **SECTION 6 Medical care: How to ask for a coverage decision or make an appeal**

---

### **Section 6.1 What to do if you have problems getting coverage for medical care or want us to pay you back for your care**

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we’ll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you’re in any of the 5 following situations:

1. You aren’t getting certain medical care you want, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
2. Our plan won’t approve the medical care your doctor or other health care provider wants to give you, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
3. You got medical care that you believe our plan should cover, but we said we won’t pay for this care. **Make an appeal. Section 6.3.**
4. You got and paid for medical care that you believe our plan should cover, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 6.5.**
5. You’re told that coverage for certain medical care you’ve been getting (that we previously approved) will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 6.3.**

**Note:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, go to Sections 8 and 9. Special rules apply to these types of care.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 6.2 How to ask for a coverage decision****Legal Terms:**

A coverage decision that involves your medical care is called an **organization determination**.

A **fast coverage decision** is called an **expedited determination**.

**Step 1: Decide if you need a standard coverage decision or a fast coverage decision.**

**A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other medical items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, 24 hours for Part B drugs.**

- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
  - Explains that we'll use the standard deadlines.
  - Explains if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
  - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for.

**Step 2: Ask our plan to make a coverage decision or fast coverage decision.**

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

**Step 3: We consider your request for medical care coverage and give you our answer.**

***For standard coverage decisions we use the standard deadlines.***

**This means we'll give you an answer within 7 calendar days after we get your request for a medical item or service that is subject to our prior authorization rules. If your requested medical item or service is not subject to our prior authorization rules, we'll give you an answer within 14 calendar days after we get your request. If your request is for a Part B drug, we'll give you an answer within 72 hours after we get your request.**

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a fast complaint. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 11 for information on complaints.)

***For fast coverage decisions we use an expedited timeframe.***

**A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.**

- **However**, if you ask for more time, or if we need more that may benefit you, **we can take up to 14 more calendar days**. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we should *not* take extra days, you can file a fast complaint. (Go to Section 11 for information on complaints.) We'll call you as soon as we make the decision.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no.

**Step 4: If we say no to your request for coverage for medical care, you can appeal.**

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

### **Section 6.3 How to make a Level 1 appeal**

#### **Legal Terms:**

An appeal to our plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

**Step 1: Decide if you need a standard appeal or a fast appeal.**

**A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 48 hours.**

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.2.

**Step 2: Ask our plan for an appeal or a fast appeal**

- **If you're asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a free copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

***If we told you we were going to stop or reduce services or items that you were already getting, you may be able to keep those services or items during your appeal.***

- If we decided to change or stop coverage for a service or item that you currently get, we'll send you a notice before taking the proposed action.
- If you disagree with the action, you can file a Level 1 appeal. We'll continue covering the service or item if you ask for a Level 1 appeal within 10 calendar days of the postmark date on our letter or by the intended effective date of the action, whichever is later.
- If you meet this deadline, you can keep getting the service or item with no changes while your Level 1 appeal is pending. You'll also keep getting all other services or items (that aren't the subject of your appeal) with no changes.

**Step 3: We consider your appeal and we give you our answer.**

- When we are reviewing your appeal, we take a careful look at all the information. We check to see if we were following all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

***Deadlines for a fast appeal***

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- For fast appeals, we must give you our answer **within 48 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
  - If you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.
  - If we don't give you an answer within 48 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage we agreed to within 48 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it gets your appeal.

***Deadlines for a standard appeal***

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if your health condition requires us to.
  - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
  - If you believe we *shouldn't* take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, go to **Section 11**.)
  - If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal where an independent review organization will review the appeal. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage within **30 calendar days**, or **within 7 calendar days** if your request is for a Part B drug.
- **If our plan says no to part or all of your appeal, you have additional appeal rights.**

## Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we say no to part or all of what you asked for, we'll send you a letter.
  - If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the independent review organization for a Level 2 appeal.
  - If your problem is about coverage of a Medicaid service or item, the letter will tell you how to file a Level 2 appeal yourself.

### Section 6.4 The Level 2 appeal process

#### Legal Term

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

- If your problem is about a service or item that's usually **covered by Medicare**, we'll automatically send your case to Level 2 of the appeals process as soon as the Level 1 appeal is complete.
- If your problem is about a service or item that's usually **covered by Medicaid**, you can file a Level 2 appeal yourself. The letter will tell you how to do this. Information is also below.
- If your problem is about a service or item that could be **covered by both Medicare and Medicaid**, you'll automatically get a Level 2 appeal with the independent review organization. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Go to page 169 for information about continuing your benefits during Level 1 appeals.

- If your problem is about a service that's usually covered by Medicare only, your benefits for that service will not continue during the Level 2 appeals process with the independent review organization.
- If your problem is about a service that's usually covered by Medicaid, your benefits for that service will continue if you submit a Level 2 appeal within 10 calendar days after getting our plan's decision letter.

**If your problem is about a service or item Medicare usually covers:**

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 1: The independent review organization reviews your appeal.**

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a free copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

***If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.***

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

***If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.***

- For the standard appeal, if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it gets your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

**Step 2: The independent review organization gives you its answer.**

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage **within 72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **72 hours** from the date we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests**. For **expedited requests**

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

we have **24 hours** from the date we get the decision from the independent review organization

- **If the independent review organization says no to part or all of your appeal**, it means they agree with our plan that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:
  - Explains the decision.
  - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
  - Tells you how to file a Level 3 appeal.
- If your Level 2 appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go to Level 3 and make a third appeal. The details on how to do this are in the written notice you get after your Level 2 appeal.
  - The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** in this chapter explains the process for Level 3, 4, and 5 appeals.

**If your problem is about a service or item Medicaid usually covers:****Step 1: Ask for a Fair Hearing with the state.**

- Level 2 of the appeals process for services usually covered by Medicaid is a Fair Hearing with the state. You must ask for a Fair Hearing in writing or over the phone **within 120 calendar days** of the date that we sent the decision letter on your Level 1 appeal. The letter you get from us will tell you where to submit your hearing request.
- You can appeal by phone, by mail or fax, or online.  
Agency for Health Care Administration  
Medicaid Fair Hearing Unit  
P.O. Box 7237  
Tallahassee, FL 32314-7237  
1-877-254-1055 (toll-free)  
1-239-338-2642 (fax)  
MedicaidFairHearingUnit@ahca.myflorida.com
- If you request a fair hearing in writing, please include the following information:
  - Your name
  - Your member number

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- Your Medicaid ID number
- A phone number where you or your representative can be reached
- You may also include the following information if you have it:
  - Why you think the decision should be changed
  - The service(s) you think you need
  - Any medical information to support the request
  - Who you would like to help with your fair hearing
- After getting your fair hearing request, the Agency will tell you in writing that they got your fair hearing request. A hearing officer who works for the State will review the decision we made.

**Step 2: The Fair Hearing office gives you its answer.**

The Fair Hearing office will tell you its decision in writing and explain the reasons.

- **If the Fair Hearing office says yes to part or all of a request for a medical item or service,** we must authorize or provide the service or item within 72 hours after we get the decision from the Fair Hearing office.
- **If the Fair Hearing office says no to part or all of your appeal,** they agree with our plan that your request (or part of your request) for coverage for medical care should not be approved. (This is called **upholding the decision** or **turning down your appeal**.)

**If the decision is no for all or part of what you asked for, you can make another appeal.**

If the independent review organization or Fair Hearing office decision is no for all or part of what you asked for, you have **additional appeal rights**.

The letter you get from the Fair Hearing office will describe this next appeal option.

Go to **Section 10** for more information on your appeal rights after Level 2.

**Section 6.5 If you're asking us to pay you back for a bill you got for medical care**

**If you have already paid for a Medicaid service or item covered by our plan, ask our plan to pay you back** (reimburse you). It's your right to be paid back by our plan whenever you've paid for medical services or drugs that are covered by our plan. When you send us a bill you have already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Asking for reimbursement is asking for a coverage decision from us**

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. To make this decision, we'll check to see if the medical care you paid for is covered. We'll also check to see if you followed the rules for using your coverage for medical care.

If you want us to reimburse you for a **Medicare** service or item or you're asking us to pay a health care provider for a Medicaid service or item you paid for, ask us to make this coverage decision. We'll check to see if the medical care you paid for is a covered service. We'll also check to see if you followed all the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed the rules, we'll send you the payment for the cost typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- **If we say no to your request:** If the medical care *isn't* covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we'll not pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

**To make this appeal, follow the process for appeals in Section 6.3.** For appeals concerning reimbursement, note:

- We must give you our answer within 30 calendar days after we get your appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the health care provider within 60 calendar days.

**SECTION 7    Part D drugs: How to ask for a coverage decision or make an appeal**

---

**Section 7.1    This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug**

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (Go to Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs go to Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

section, instead of repeating *covered outpatient prescription drug* or *Part D* drug every time. We also use the term Drug List instead of *List of Covered Drugs* or formulary.

- If you don't know if a drug is covered or if you meet the rules, you can ask us. Some drugs require you to get approval from us before we'll cover it.
- If your pharmacy tells you that your prescription can't be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

**Part D coverage decisions and appeals****Legal Term:**

An initial coverage decision about your Part D drugs is called a **coverage determination**.

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your drugs. This section tells what you can do if you're in any of the following situations:

- Asking to cover a Part D drug that isn't on our plan's Drug List. **Ask for an exception. Section 7.2.**
- Asking to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization criteria, or the requirement to try another drug first). **Ask for an exception. Section 7.2.**
- Asking to pay a lower cost-sharing amount for a covered drug on a higher cost-sharing tier. **Ask for an exception. Section 7.2.**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 7.4.**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 7.4.**

If you disagree with a coverage decision we made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to ask for an appeal.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 7.2 Asking for an exception****Legal Terms:**

Asking for coverage of a drug that's not on the Drug List is a **formulary exception**.

Asking for removal of a restriction on coverage for a drug is a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is a **tiering exception**.

If a drug isn't covered in the way you'd like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are 3 examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug that's not on our Drug List.** If we agree to cover a drug not on the Drug List, you'll need to pay the cost-sharing amount that applies to drugs in **Tier 4** Non-Preferred Drug. You can't ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.
- 3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug List is in one of six cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you pay as your share of the cost of the drug.
  - If our Drug List contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost-sharing amount that applies to the alternative drug(s).
  - You can't ask us to change the cost-sharing tier for any drug in **Tier 5** - Specialty Tier.
  - If we approve your tiering exception request and there's more than one lower cost-sharing tier with alternative drugs you can't take, you usually pay the lowest amount.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 7.3 Important things to know about asking for exceptions****Your doctor must tell us the medical reasons**

Your doctor or other prescriber must give us a statement that explains the medical reasons you're asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List typically includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you're asking for and wouldn't cause more side effects or other health problems, we generally won't approve your request for an exception. If you ask us for a tiering exception, we generally **won't** approve your request for an exception unless all the alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

**We can say yes or no to your request**

- If we approve your request for an exception, our approval usually is valid until the end of our plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request, you can ask for another review by making an appeal.

**Section 7.4 How to ask for a coverage decision, including an exception****Legal term:**

A fast coverage decision is called an **expedited coverage determination**.

**Step 1: Decide if you need a standard coverage decision or a fast coverage decision.**

**Standard coverage decisions** are made within **72 hours** after we get your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we get your doctor's statement.

***If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet 2 requirements:***

- You must be asking for a *drug you didn't get yet*. (You can't ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we'll automatically give you a fast coverage decision.**

## Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

---

- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
  - Explains that we'll use the standard deadlines.
  - Explains if your doctor or other prescriber asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
  - Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for. We'll answer your complaint within 24 hours of receipt.

### Step 2: Ask for a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to ask us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request* form or on our plan's form, which are available on our website [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare). Chapter 2 has contact information. To help us process your request, include your name, contact information, and information that shows which denied claim is being appealed.

You, your doctor, (or other prescriber) or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you're asking for an exception, provide the supporting statement,** which is the medical reason for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

### Step 3: We consider your request and give you our answer.

#### **Deadlines for a fast coverage decision**

- We must generally give you our answer **within 24 hours** after we get your request.
  - For exceptions, we'll give you our answer within 24 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
  - If we don't meet this deadline, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage we agreed to within 24 hours after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

***Deadlines for a standard coverage decision about a drug you didn't get yet***

- We must give you our answer **within 72 hours** after we get your request.
  - For exceptions, we'll give you our answer within 72 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
  - If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we must **provide the coverage** we agreed to **within 72 hours** after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

***Deadlines for a standard coverage decision about payment for a drug you have already bought***

- We must give you our answer **within 14 calendar days** after we get your request.

If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.

- **If our answer is yes to part or all of what you asked for**, we are also required to make payment to you within 14 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

**Step 4: If we say no to your coverage request, you can make an appeal.**

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you're going to Level 1 of the appeals process.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 7.5 How to make a Level 1 appeal****Legal Terms:**

An appeal to our plan about a Part D drug coverage decision is called a **plan redetermination**.

A fast appeal is called an **expedited redetermination**.

**Step 1: Decide if you need a standard appeal or a fast appeal.**

*A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 48 hours. If your health requires it, ask for a fast appeal.*

- If you're appealing a decision we made about a drug you didn't get yet, you and your doctor or other prescriber will need to decide if you need a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 7.4.

**Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.**

- **For standard appeals, submit a written request.** Chapter 2 has contact information.
- **For fast appeals, either submit your appeal in writing or call us at .** Chapter 2 has contact information.
- **We must accept any written request**, including a request submitted on the *CMS Model Redetermination Request Form*, which is available on our website [www.simplyhealthcareplans.com/medicare](http://www.simplyhealthcareplans.com/medicare). Include your name, contact information, and information about your claim to help us process your request.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal.

**Step 3: We consider your appeal and give you our answer.**

- When we review your appeal, we take another careful look at all the information about your coverage request. We check to see if we were following all the rules when we said no to your request.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- We may contact you or your doctor or other prescriber to get more information.

***Deadlines for a fast appeal***

- For fast appeals, we must give you our answer **within 48 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
  - If we don't give you an answer within 48 hours, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.5** explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 48 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

***Deadlines for a standard appeal for a drug you didn't get yet***

- For standard appeals, we must give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if you didn't get the drug yet and your health condition requires us to do so.
  - If we don't give you a decision within 7 calendar days, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.5** explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

***Deadlines for a standard appeal about payment for a drug you already bought***

- We must give you our answer **within 14 calendar days** after we get your request.
  - If we don't meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we are also required to make payment to you within 30 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make another appeal.**

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

**Legal Term**

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

**Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.**

- If we say no to your Level 1 appeal, the written notice we send you'll include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the independent review organization.
- **You must make your appeal request within 65 calendar days** from the date on the written notice.
- If we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding **at-risk** determination under our drug management program, we'll automatically forward your request to the IRE.
- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file**. We're allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the independent review organization additional information to support your appeal.

**Step 2: The independent review organization reviews your appeal.**

Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

***Deadlines for fast appeal***

- If your health requires it, ask the independent review organization for a fast appeal.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- If the independent review organization agrees to give you a fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** after it gets your appeal request.

***Deadlines for standard appeal***

- For standard appeals, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it gets your appeal if it is for a drug you didn't get yet. If you're asking us to pay you back for a drug you have already bought, the independent review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it gets your request.

**Step 3: The independent review organization gives you its answer.*****For fast appeals:***

- **If the independent review organization says yes to part or all of what you asked for**, we must provide the drug coverage that was approved by the independent review organization **within 24 hours** after we get the decision from the independent review organization.

***For standard appeals:***

- **If the independent review organization says yes to part or all of your request for coverage**, we must **provide the drug coverage** that was approved by the independent review organization **within 72 hours** after we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of your request to pay you back** for a drug you already bought, we're required to **send payment to you within 30 calendar days** after we get the decision from the independent review organization.

**What if the independent review organization says no to your appeal?**

**If the independent organization says no to part or all of your appeal**, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:

- Explains the decision.
- Lets you know about your right to a Level 3 appeal if the dollar value of the drug coverage you're asking for meets a certain minimum. If the dollar value of the drug coverage you're asking for is too low, you can't make another appeal and the decision at Level 2 is final.
- Tells you the dollar value that must be in dispute to continue with the appeals process.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.**

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal).
- If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about the process for Level 3, 4, and 5 appeals.

**SECTION 8 How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon**

---

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

**Section 8.1 During your inpatient hospital stay, you'll get a written notice from Medicare that tells you about your rights**

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call Member Services at 1-877-577-0115 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048).

**1. Read this notice carefully and ask questions if you don't understand it.** It tells you:

- Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.

## Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

---

- Where to report any concerns you have about the quality of your hospital care.
  - Your right to **ask for an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we'll cover your hospital care for a longer time.
- 2. You'll be asked to sign the written notice to show that you got it and understand your rights.**
- You or someone who is acting on your behalf will be asked to sign the notice.
  - Signing the notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice **doesn't mean** you're agreeing on a discharge date.
- 3. Keep your copy** of the notice so you have the information about making an appeal (or reporting a concern about quality of care) if you need it.
- If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
  - To look at a copy of this notice in advance, call Member Services at 1-877-577-0115 (TTY users call 711) or 1-800 MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can also get the notice online at [www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im](http://www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im).

### Section 8.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call Member Services at 1-877-577-0115 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP), for personalized help. SHIP contact information is available in Chapter 2, Section 3.

**During a Level 1 appeal, the Quality Improvement Organization reviews your appeal.** It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.*****How can you contact this organization?***

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

***Act quickly:***

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
  - **If you meet this deadline**, you can stay in the hospital *after* your discharge date *without* paying for it while you wait to get the decision from the Quality Improvement Organization.
  - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay all the costs* for hospital care you get after your planned discharge date.

Once you ask for an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we're contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You can get a sample of the **Detailed Notice of Discharge** by calling Member Services at 1-877-577-0115 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227). (TTY users call 1-877-486-2048.) Or you can get a sample notice online at [www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im](http://www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im).

**Step 2: The Quality Improvement Organization conducts an independent review of your case.**

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.
- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

**Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**

***What happens if the answer is yes?***

- If the independent review organization says yes, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

***What happens if the answer is no?***

- If the independent review organization says no, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day **after** the Quality Improvement Organization gives you its answer to your appeal.
- If the independent review organization says no to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

**Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.**

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going to **Level 2** of the appeals process.

**Section 8.3      How to make a Level 2 appeal to change your hospital discharge date**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

**Step 1: Contact the Quality Improvement Organization again and ask for another review.**

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said no to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 2: The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

**Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you its decision.*****If the independent review organization says yes:***

- **We must reimburse you** for our share of the costs of hospital care you got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

***If the independent review organization says no:***

- It means they agree with the decision they made on your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process.

**Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further by going to Level 3.**

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about Levels 3, 4, and 5 of the appeals process.

---

**SECTION 9 How to ask us to keep covering certain medical services if you think your coverage is ending too soon**

---

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 9.1 We'll tell you in advance when your coverage will be ending****Legal Term:**

**Notice of Medicare Non-Coverage.** It tells you how you can ask for a **fast-track appeal**. Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

- 1. You get a notice in writing** at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:
  - The date when we'll stop covering the care for you.
  - How to ask for a fast-track appeal to ask us to keep covering your care for a longer period of time.
- 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got it.** Signing the notice shows *only* that you got the information about when your coverage will stop. **Signing it *doesn't* mean you agree** with our plan's decision to stop care.

**Section 9.2 How to make a Level 1 appeal to have our plan cover your care for a longer time**

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call Member Services at 1-877-577-0115 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. SHIP contact information is available in Chapter 2, Section 3.

**During a Level 1 appeal, the Quality Improvement Organization reviews your appeal.** It decides if the end date for your care is medically appropriate. The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.**

***How can you contact this organization?***

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

***Act quickly:***

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the Notice of Medicare Non-Coverage.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact your Quality Improvement Organization.

**Step 2: The Quality Improvement Organization conducts an independent review of your case.**

**Legal Term:**

**Detailed Explanation of Non-Coverage.** Notice that gives details on reasons for ending coverage.

***What happens during this review?***

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.
- By the end of the day the reviewers told us of your appeal, you'll get the *Detailed Explanation of Non-Coverage* from us that explains in detail our reasons for ending our coverage for your services.

**Step 3: Within one full day after they have all the information they need; the reviewers will tell you its decision.**

***What happens if the reviewers say yes?***

- If the reviewers say yes to your appeal, then **we must keep providing your covered service for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments if these apply). There may be limitations on your covered services.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

***What happens if the reviewers say no?***

- If the reviewers say no, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** this date when your coverage ends, **you'll have to pay the full cost** of this care yourself.

**Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.**

- If reviewers say no to your Level 1 appeal - and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 appeal.

**Section 9.3      How to make a Level 2 appeal to have our plan cover your care for a longer time**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

**Step 1: Contact the Quality Improvement Organization again and ask for another review.**

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date your coverage for the care ended.

**Step 2: The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

**Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you its decision.*****What happens if the independent review organization says yes?***

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

***What happens if the independent review organization says no?***

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

**Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.**

- There are 3 additional levels of appeal after Level 2, for a total of 5 levels of appeal. If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 of this chapter tells more about the process for Level 3, 4, and 5 appeals.

---

**SECTION 10 Taking your appeal to Levels 3, 4 and 5**

---

**Section 10.1 Appeal Levels 3, 4 and 5 for Medical Service Requests**

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

**Level 3 appeal**

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal, it will go to a Level 4 appeal.

## Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

---

- If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.
- If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may or may not* be over.**
  - If you decide to accept the decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

### Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process *may or may not* be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We'll decide whether to appeal this decision to Level 5.
  - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.
  - If we decide to appeal the decision, we'll let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process *may or may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

### Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes or no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Section 10.2 Additional Medicaid appeals**

You also have other appeal rights if your appeal is about services or items that Medicaid usually covers. The letter you get from the Fair Hearing office will tell you what to do if you want to continue the appeals process.

**Section 10.3 Appeal Levels 3, 4 and 5 for Part D Drug Requests**

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go to additional levels of appeal. If the dollar amount is less, you can't appeal any further. The written response you get to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

**Level 3 appeal**

**An Administrative Law Judge or an attorney adjudicator who works for the federal government** will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge or attorney adjudicator **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

**Level 4 appeal**

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.

- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over.**
  - If you decide to accept the decision that turns down your appeal, the appeals process is over.
  - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

**Level 5 appeal**

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

**Making complaints**

---

**SECTION 11 How to make a complaint about quality of care, waiting times, customer service, or other concerns**

---

**Section 11.1 What kinds of problems are handled by the complaint process**

The complaint process is *only* used for certain types of problems. This includes problems about quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none"><li>• Are you unhappy with the quality of the care you got (including care in the hospital)?</li></ul>
Respecting your privacy	<ul style="list-style-type: none"><li>• Did someone not respect your right to privacy or share confidential information?</li></ul>
Disrespect, poor customer service, or other negative behaviors	<ul style="list-style-type: none"><li>• Has someone been rude or disrespectful to you?</li><li>• Are you unhappy with our Member Services?</li><li>• Do you feel you're being encouraged to leave our plan?</li></ul>

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

Complaint	Example
<b>Waiting times</b>	<ul style="list-style-type: none"> <li>• Are you having trouble getting an appointment, or waiting too long to get it?</li> <li>• Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Member Services or other staff at our plan? <ul style="list-style-type: none"> <li>○ Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.</li> </ul> </li> </ul>
<b>Cleanliness</b>	<ul style="list-style-type: none"> <li>• Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?</li> </ul>
<b>Information you get from us</b>	<ul style="list-style-type: none"> <li>• Did we fail to give you a required notice?</li> <li>• Is our written information hard to understand?</li> </ul>
<b>Timeliness</b> (These types of complaints are about the <i>timeliness</i> of our actions related to coverage decisions and appeals)	<p>If you asked for a coverage decision or made an appeal, and you think we aren't responding quickly enough, you can make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"> <li>• You asked us for a <i>fast coverage decision</i> or a <i>fast appeal</i>, and we said no; you can make a complaint.</li> <li>• You believe we aren't meeting the deadlines for coverage decisions or appeals; you can make a complaint.</li> <li>• You believe we aren't meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint.</li> <li>• You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.</li> </ul>

**Section 11.2 How to make a complaint****Legal Terms:**

A **complaint** is also called a **grievance**.

**Making a complaint** is called **filing a grievance**.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

**Using the process for complaints** is called **using the process for filing a grievance**.

A **fast complaint** is called an **expedited grievance**.

**Step 1: Contact us promptly – either by phone or in writing.**

- **Calling Member Services at 1-877-577-0115 (TTY users call 711) is usually the first step.** If there's anything else you need to do, Member Services will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we'll respond to your complaint in writing.
  - You or someone you name may file a grievance. The person you name would be your "representative". You may name a relative, friend, lawyer, advocate, doctor or anyone else to act for you.
  - If you want someone to act for you who is not already authorized by the court or under state law, then you and that person must sign and date a statement that gives the person legal permission to be your representative. To learn how to name your representative, you may call Member Services.
  - A grievance must be filed either verbally or in writing within 60 days of the event or incident. We must address your grievance as quickly as your case requires based on your health status, but no later than 30 days after receiving your complaint. We may extend the time frame by up to 14 days if you ask for the extension, or if we justify a need for additional information and the delay is in your best interest.
  - A fast grievance can be filed concerning a plan decision not to conduct a fast response to a coverage decision or appeal, or if we take an extension on a coverage decision or appeal. We must respond to your expedited grievance within 24 hours.
- **Whether you call or write, you should call Member Services at 1-877-577-0115 (TTY users call 711) right away.** You can make the complaint at any time after you had the problem you want to complain about.

**Step 2: We look into your complaint and give you our answer.**

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.

**Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**

---

- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you **an answer within 24 hours**.
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

**Section 11.3 You can also make complaints about quality of care to the Quality Improvement Organization**

When your complaint is about *quality of care*, you also have 2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization.** The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

*Or*

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

**Section 11.4 You can also tell Medicare and Medicaid about your complaint**

You can submit a complaint about Simply Integrated Platinum (HMO D-SNP) directly to Medicare. To submit a complaint to Medicare, go to [www.Medicare.gov/my/medicare-complaint](http://www.Medicare.gov/my/medicare-complaint). You can also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users call 1-877-486-2048.

You can also contact the state's Medicaid with a complaint by calling the Agency for Health Care Administration Florida Statewide Medicaid Managed Care at 1-877-711-3662 (TTY: 1-866-467-4970).

## CHAPTER 10:

# Ending membership in our plan

### SECTION 1 Ending your membership in our plan

---

Ending your membership in Simply Integrated Platinum (HMO D-SNP) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and prescription drugs and you'll continue to pay your cost share until your membership ends.

### SECTION 2 When can you end your membership in our plan?

---

#### Section 2.1 You may be able to end your membership because you have Medicare and Medicaid

Most people with Medicare can end their membership only during certain times of the year. Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare *with* a separate Medicare prescription drug plan,
- Original Medicare *without* a separate Medicare prescription drug plan (If you choose this option and receive Extra Help, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

**Note:** If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for a continuous period of 63 days or more, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- Call your State Medicaid Office at 1-877-711-3662 to learn about your Medicaid plan options.

## Chapter 10 Ending membership in our plan

---

- Other Medicare health plan options are available during the **Open Enrollment Period**. Section 2.2 tells you more about the Open Enrollment Period.
- **Your membership will usually end on the first day of the month after we get your request to change your plans.** Your enrollment in your new plan will also begin on this day.

### Section 2.2 You can end your membership during the Open Enrollment Period

You can end your membership during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- The **Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
  - Another Medicare health plan, with or without drug coverage.
  - Original Medicare *with* a separate Medicare drug plan.
  - Original Medicare *without* a separate Medicare drug plan.
  - If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

**You get Extra Help from Medicare to pay for your prescription drugs:** If you switch to Original Medicare and don't enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you've opted out of automatic enrollment.

**Note:** If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

### Section 2.3 You can end your membership during the Medicare Advantage Open Enrollment Period

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period** each year.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the Medicare Advantage Open Enrollment Period** you can:
  - Switch to another Medicare Advantage Plan with or without drug coverage.

## Chapter 10 Ending membership in our plan

---

- Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan, or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

### Section 2.4 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, you may be eligible to end your membership at other times of the year. This is known as a **Special Enrollment Period**.

**You may be eligible to end your membership during a Special Enrollment Period** if any of the following situations apply to you. These are just examples. For the full list you can contact our plan, call Medicare, or visit [www.Medicare.gov](http://www.Medicare.gov).

- Usually, when you move
- If you have Medicaid
- If you're eligible for Extra Help paying for your Medicare drug coverage
- If we violate our contract with you
- If you're getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE)
- **Note:** If you're in a drug management program, you may not be able to change plans. Chapter 5, Section 10 tells you more about drug management programs.
- **Note:** Section 2.1 tells you more about the special enrollment period for people with Medicaid.

**Enrollment time periods vary** depending on your situation.

**To find out if you're eligible for a Special Enrollment Period**, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. If you're eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage,
- Original Medicare *with* a separate Medicare drug plan,
- Original Medicare *without* a separate Medicare drug plan.
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Chapter 10 Ending membership in our plan

**Note:** If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

**If you get Extra Help from Medicare to pay for your drug coverage drugs:** If you switch to Original Medicare and don’t enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you opt out of automatic enrollment.

**Your membership will usually end** on the first day of the month after your request to change our plan.

**Note:** Section 2.1 and Section 2.2 tell you more about the special enrollment period for people with Medicaid and Extra Help.

Section 2.5 Get more information about when you can end your membership

If you have questions about ending your membership you can:

- Call Member Services at 1-877-577-0115 (TTY users call 711)
- Find the information in the *Medicare & You 2026* handbook
- Call Medicare at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

**Note:** If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

For questions about your Florida Medicaid program benefits, contact Agency for Health Care Administration (AHCA), at toll-free 1-888-419-3456, (TTY users should call 1-800-955-8771) available Monday through Friday, 8:00 am to 5:00 pm Eastern Standard Time. Contact your State Medicaid Office for assistance with questions about your Medicaid plan benefits (telephone numbers are in Chapter 2, Section 6 of this document). Ask how joining another plan or returning to Original Medicare affects how you get your Florida Medicaid program coverage.

SECTION 4    **Until your membership ends, you must keep getting your medical items, services and drugs through our plan**

Until your membership ends, and your new Medicare coverage starts, you must continue to get your medical items, services and prescription drugs through our plan.

- **Continue to use our network providers to get medical care.**
- **Continue to use our network pharmacies or mail order to get your prescriptions filled.**
- **If you’re hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you’re discharged** (even if you’re discharged after your new health coverage starts).

**Chapter 10 Ending membership in our plan**

---

**SECTION 5 Simply Integrated Platinum (HMO D-SNP) must end our plan membership in certain situations**

---

**Simply Integrated Platinum (HMO D-SNP) must end your membership in our plan if any of the following happen:**

- If you no longer have Medicare Part A and Part B
- If you're no longer eligible for Medicaid. As stated in Chapter 1, Section 2.1, our plan is for people who are eligible for both Medicare and Medicaid. To remain enrolled in the plan, Medicare requires that you continue to be eligible for both Medicare and Medicaid. If the plan is notified of your loss of Medicaid eligibility, we will notify you in writing. The plan will continue to provide care for 6 full calendar months for members who lose Medicaid eligibility, as long as the plan can provide appropriate care and the individual can reasonably be expected to again meet eligibility requirements within 6 months. If the member does not re-qualify within the plan's period of deemed continued eligibility (6 months), the member will be involuntarily disenrolled from the plan, with proper notice, at the end of this period. The period of deemed continued eligibility begins the first of the month following the month in which information regarding the loss is available to the organization and communicated to the enrollee, including cases of retroactive Medicaid terminations. If you lose your eligibility for Medicaid assistance you will no longer meet the eligibility requirements of our plan. Your membership in this plan will end after a grace period. When we are notified that you have lost your eligibility for Medicaid assistance, you will receive a letter explaining that we must disenroll you from our plan if you do not regain your eligibility for Medicaid assistance within the grace period.
- If you move out of our service area
- If you're away from our service area for more than 6 months
  - If you move or take a long trip, call Member Services at 1-877-577-0115 (TTY users call 711) to find out if the place you're moving or traveling to is in our plan's area
- If you become incarcerated (go to prison)
- If you're no longer a United States citizen or lawfully present in the United States
- If you lie or withhold information about other insurance, you have that provides drug coverage
- If you intentionally give us incorrect information when you're enrolling in our plan, and that information affects your eligibility for our plan (We can't make you leave our plan for this reason unless we get permission from Medicare first)
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan (We can't make you leave our plan for this reason unless we get permission from Medicare first)
- If you let someone else use your membership card to get medical care (We can't make you leave our plan for this reason unless we get permission from Medicare first)

**Chapter 10 Ending membership in our plan**

---

- If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General
- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan.

If you have questions or want more information on when we can end your membership, call Member Services at 1-877-577-0115 (TTY users call 711).

**Section 5.1 We can't ask you to leave our plan for any health-related reason**

Simply Integrated Platinum (HMO D-SNP) isn't allowed to ask you to leave our plan for any health-related reason.

**What should you do if this happens?**

If you feel that you're being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

**Section 5.2 You have the right to make a complaint if we end your membership in our plan**

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

# CHAPTER 11:

## Legal notices

### SECTION 1 Notice about governing law

---

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

### SECTION 2 Notice about nondiscrimination

---

**We don't discriminate** based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at [www.HHS.gov/ocr/index.html](http://www.HHS.gov/ocr/index.html).

If you have a disability and need help with access to care, call Member Services at 1-877-577-0115 (TTY users call 711). If you have a complaint, such as a problem with wheelchair access, Member Services can help.

### SECTION 3 Notice about Medicare Secondary Payer subrogation rights

---

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Simply Integrated Platinum (HMO D-SNP), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

## Chapter 11 Legal notices

---

### Additional Legal notices

#### Collecting member payments

Under certain circumstances, if we pay the health care provider amounts that are your responsibility, such as deductibles, copayments or coinsurance, we may collect such amounts directly from you. You agree that we have the right to collect such amounts from you.

#### Assignment

The benefits provided under this *Evidence of Coverage* are for the personal benefit of the member and cannot be transferred or assigned. Any attempt to assign this contract will automatically terminate all rights under this contract.

#### Notice of claim

You have 36 months from the date the prescription was filled to file a paper claim. This applies to claims you submit, and not to pharmacy or provider filed claims.

In the event that a service is rendered for which you are billed, you have at least 12 months from the date of service to submit such claims to your plan. According to CMS Pub 100-02 Benefit Policy, Chapter 15, Section 40, physicians and practitioners are required to submit claims on behalf of beneficiaries for all items and services they provide for which Medicare payment may be made under Part B. Also, they **are not allowed to charge beneficiaries in excess of the limits on charges that apply to the item or service being furnished**. However, a physician or practitioner (as defined in §40.4) may opt out of Medicare. A physician or practitioner who opts out is not required to submit claims on behalf of beneficiaries and also is excluded from limits on charges for Medicare covered services.

You may submit such claims to:

Simply Healthcare

P.O. Box 61010

Virginia Beach, VA 23466-1010

#### Entire contract

This *Evidence of Coverage* and applicable riders attached hereto, and your completed enrollment form, constitute the entire contract between the parties and as of the effective date hereof, supersede all other agreements between the parties.

#### Waiver by agents

No agent or other person, except an executive officer of Simply Healthcare, has authority to waive any conditions or restrictions of this *Evidence of Coverage* or the Medical Benefits Chart in Chapter 4. No change in this *Evidence of Coverage* shall be valid unless evidenced by an endorsement signed by an authorized executive officer of the company or by an amendment to it signed by the authorized company officer.

## Chapter 11 Legal notices

---

### Cessation of operation

In the event of the cessation of operation or dissolution of your plan in the area in which you reside, this *Evidence of Coverage* will be terminated. You will receive notice 90 days before the *Evidence of Coverage* is terminated. **Please note:** If the *Evidence of Coverage* terminates, your coverage will also end.

In that event, the company will explain your options at that time. For example, there may be other health plans in the area for you to join if you wish. Or you may wish to return to Original Medicare and possibly obtain supplemental insurance. In the latter situation, Simply Healthcare would arrange for you to obtain, without health screening or a waiting period, a supplemental health insurance policy to cover Medicare coinsurance and deductibles.

Whether you enroll in another prepaid health plan or not, there would be no gap in coverage.

### Refusal to accept treatment

You may, for personal or religious reasons, refuse to accept procedures or treatment recommended as necessary by your primary care physician. Although such refusal is your right, in some situations it may be regarded as a barrier to the continuance of the provider/patient relationship, or to the rendering of the appropriate standard of care.

When a member refuses a recommended, necessary treatment or procedure, and the primary care physician believes that no professionally acceptable alternative exists, the member will be advised of this belief.

In the event you discharge yourself from a facility against medical advice, your plan will pay for covered services rendered up to the day of self-discharge. Fees pertaining to that admission will be paid on a per diem basis or appropriate Diagnostic Related Grouping (DRG), whichever is applicable.

### Limitations of actions

No legal action may be taken to recover benefits within 60 days after the service is rendered. No such action may be taken later than three years after the service, upon which the legal action is based, was provided.

### Circumstances beyond plan control

If there is an epidemic, catastrophe, general emergency, or other circumstance beyond the company's control, neither your plan nor any provider shall have any liability or obligation except the following, as a result of reasonable delay in providing services:

- Because of the occurrence, you may have to obtain covered services from a non-network provider, instead of a network provider. Your plan will reimburse you up to the amount that would have been covered under this *Evidence of Coverage*.
- Your plan may require written statements, from you and the medical personnel who attended you, confirming your illness or injury and the necessity for the treatment you received.

### Plan's sole discretion

## Chapter 11 Legal notices

---

The plan may, at its sole discretion, cover services and supplies not specifically covered by the *Evidence of Coverage*.

This applies if the plan determines such services and supplies are in lieu of more expensive services and supplies that would otherwise be required for the care and treatment of a member.

### Disclosure

You are entitled to ask for the following information from your plan:

- Information on your plan's physician incentive plans.
- Information on the procedures your plan uses to control utilization of services and expenditures.
- Information on the financial condition of the company.
- General coverage and comparative plan information.

To obtain this information, call Member Services at 1-877-577-0115, or, if you are hearing or speech impaired and have a TTY telephone line, 711. The Member Services department is available from 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The plan will send this information to you within 30 days of your request.

### Information about advance directives

(Information about using a legal form such as a “living will” or “power of attorney” to give directions in advance about your health care in case you become unable to make your own health care decisions).

You have the right to make your own health care decisions. *But what if you had an accident or illness so serious that you became unable to make these decisions for yourself?*

If this were to happen:

- You might want a particular person you trust to make these decisions for you.
- You might want to let health care providers know the types of medical care you would *want* and *not want* if you were not able to make decisions for yourself.
- You might want to do both - to appoint someone else to make decisions for you, and to let this person and your health care providers know the kinds of medical care you would want if you were unable to make these decisions for yourself.

If you wish, you can fill out and sign a special form that lets others know what you want done if you cannot make health care decisions for yourself. This form is a legal document. It is sometimes called an “advance directive,” because it lets you give directions in advance about what you want to happen if you ever become unable to make your own health care decisions.

## **Chapter 11 Legal notices**

---

There are different types of advance directives and different names for them depending on your state or local area. For example, documents called “living will” and “power of attorney for health care” are examples of advance directives.

It's your choice whether you want to fill out an advance directive. The law forbids any discrimination against you in your medical care based on whether or not you have an advance directive.

### **How can you use a legal form to give your instructions in advance?**

If you decide that you want to have an advance directive, there are several ways to get this type of legal form. You can get a form from your lawyer, from a social worker, and from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare, such as your SHIP (which stands for State Health Insurance Assistance Program). Chapter 2 of this document tells how to contact your SHIP. SHIPs have different names depending on which state you are in.

Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it. It is important to sign this form and keep a copy at home. You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can't.

You may want to give copies to close friends or family members as well. If you know ahead of time that you are going to be hospitalized, take a copy with you.

### **If you are hospitalized, they will ask you about an advance directive**

If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you. If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

It is your choice whether to sign or not. If you decide not to sign an advance directive form, you will not be denied care or be discriminated against in the care you are given.

### **What if providers don't follow the instructions you have given?**

If you believe that a doctor or hospital has not followed the instructions in your advance directive, you may file a complaint with your state Department of Health.

### **Continuity and coordination of care**

Simply Healthcare has policies and procedures in place to promote the coordination and continuity of medical care for our members. This includes the confidential exchange of information between primary care physicians and specialists, as well as behavioral health providers. In addition, Simply Healthcare helps coordinate care with a practitioner when the practitioner's contract has been discontinued and works to enable a smooth transition to a new practitioner.

### **Subrogation and reimbursement**

**Chapter 11 Legal notices**

---

These provisions apply when we pay benefits as a result of injuries or illness you sustained, and you have a right to a recovery or have received a recovery. We have the right to recover payments we make on your behalf, or take any legal action against, any party responsible for compensating you for your injuries. We also have a right to be repaid from any recovery in the amount of benefits paid on your behalf. The following apply:

- The amount of our recovery will be calculated pursuant to 42 C.F.R. 411.37, and pursuant to 42 C.F.R. 422.108(f), no state laws shall apply to our subrogation and reimbursement rights.
- Our subrogation and reimbursement rights shall have first priority, to be paid before any of your other claims are paid. Our subrogation and reimbursement rights will not be affected, reduced, or eliminated by the “made whole” doctrine or any other equitable doctrine.
- You must notify us promptly of how, when and where an accident or incident, resulting in personal injury or illness to you, occurred and all information regarding the parties involved, and you must notify us promptly if you retain an attorney related to such an accident or incident. You and your legal representative must cooperate with us, do whatever is necessary to enable us to exercise our rights, and do nothing to prejudice our rights.
- If you fail to repay us, we shall be entitled to deduct any of the unsatisfied portion of the amount of benefits we have paid or the amount of your recovery whichever is less, from any future benefit under the plan.

**Presidential or Gubernatorial emergencies**

In the event of a Presidential or Gubernatorial emergency or major disaster declaration or an announcement of a public health emergency by the Secretary of Health and Human Services, your plan will make the following exceptions to assure adequate care during the emergency:

- Approve services to be furnished at specified non-contracted facilities that are considered Medicare-certified facilities;
- Temporarily reduce cost sharing for plan-approved out-of-network services to the in-network cost-sharing amounts; and
- Waive in full the requirements for a primary physician referral where applicable.

Typically, the source that declared the disaster will clarify when the disaster or emergency is over. If, however, the disaster or emergency time frame has not been closed within 30 days from the initial declaration, and, if CMS has not indicated an end date to the disaster or emergency, your plan will resume normal operations 30 days from the initial declaration.

When a disaster or emergency is declared, it is specific to a geographic location (i.e., county). Your plan will apply the above exceptions only if you reside in the geographic location indicated.

## CHAPTER 12:

### Definitions

**Ambulatory Surgical Center** – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center doesn't exceed 24 hours.

**Appeal** – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already got. You may also make an appeal if you disagree with our decision to stop services that you're getting.

**Benefit Period** – The way that Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There's no limit to the number of benefit periods.

**Biological Product** – A prescription drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (go to “**Original Biological Product**” and “**Biosimilar**”).

**Biosimilar** – A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (go to “**Interchangeable Biosimilar**”).

**Brand Name Drug** – A prescription drug that's manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

**Catastrophic Coverage Stage** – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent \$2,100 for Part D covered drugs during the covered year. During this payment stage, you pay nothing for your covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.

**Centers for Medicare & Medicaid Services (CMS)** – The federal agency that administers Medicare.

**Coinsurance** – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs after you pay any deductibles.

## Chapter 12 Definitions

---

**Complaint** – The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

**Comprehensive Outpatient Rehabilitation Facility (CORF)** – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

**Copayment (or copay)** – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

**Cost Sharing** – Cost sharing refers to amounts that a member has to pay when services or drugs are gotten. Cost sharing includes any combination of the following 3 types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service or drug that a plan requires when a specific service or drug is received.

**Cost-Sharing Tier** – Every drug on the list of covered drugs is in one of 6 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

**Coverage Determination** – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you're required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under our plan, that isn't a coverage determination. You need to call or write to our plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

**Covered Drugs** – The term we use to mean all the drugs covered by our plan.

**Covered Services** – The term we use to mean all the health care services and supplies that are covered by our plan.

**Creditable Prescription Drug Coverage** – Prescription drug coverage (for example, from an employer or union) that's expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

**Custodial Care** – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don't need skilled medical care or skilled nursing care. Custodial care, provided by people who don't have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It

may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

**Daily cost-sharing rate** – A daily cost-sharing rate may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in our plan is 30 days, then your daily cost-sharing rate is \$1 per day.

**Deductible** – The amount you must pay for prescriptions before our plan pays.

**Disenroll or Disenrollment** – The process of ending your membership in our plan.

**Dispensing Fee** – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist's time to prepare and package the prescription.

**Dual Eligible Special Needs Plans (D-SNP)** – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some or all Medicare costs, depending on the state and the person's eligibility.

**Dually Eligible Individual** – A person who is eligible for Medicare and Medicaid coverage.

**Durable Medical Equipment (DME)** – Certain medical equipment that's ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

**Emergency** – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

**Emergency Care** – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

**Evidence of Coverage (EOC) and Disclosure Information** – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

**Exception** – A type of coverage decision that, if approved, allows you to get a drug that isn't on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also ask for an exception if our plan requires you to try another drug before getting the drug you're asking for, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you're asking for (a formulary exception).

## Chapter 12 Definitions

---

**Extra Help** – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

**Freestanding Radiology (Imaging) Center** – A freestanding facility that provides one or more of the following services on an outpatient basis for the prevention, diagnosis, and treatment of an injury or illness: X - rays; nuclear medicine; radiation oncology. This type of facility does not provide inpatient room and board and is Medicare - certified and licensed by the proper authority.

**Generic Drug** – A prescription drug that's approved by the FDA as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

**Grievance** – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This doesn't involve coverage or payment disputes.

**Home Health Aide** – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

**Hospice** – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums, you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

**Hospital Inpatient Stay** – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

**Income Related Monthly Adjustment Amount (IRMAA)** – If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

**Initial Coverage Stage** – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

**Initial Enrollment Period** – When you're first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

**Integrated D-SNP** – A D-SNP that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are also known as full-benefit dually eligible individuals.

## Chapter 12 Definitions

---

**Interchangeable Biosimilar** – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

**List of Covered Drugs (formulary or Drug List)** – A list of prescription drugs covered by our plan.

**Low Income Subsidy (LIS)** – Go to Extra Help.

**Manufacturer Discount Program** – A program under which drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the federal government and drug manufacturers.

**Maximum Fair Price** – The price Medicare negotiated for a selected drug.

**Maximum Out-of-Pocket Amount** – The most that you pay out-of-pocket during the calendar year for covered Part A and Part B services. Amounts you pay for your Medicare Part A and Part B premiums and prescription drugs don't count toward the maximum out-of-pocket amount. If you're eligible for Medicare cost-sharing assistance under Medicaid, you aren't responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. (**Note:** Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum.)

**Medicaid (or Medical Assistance)** – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

**Medically Accepted Indication** – A use of a drug that's either approved by the FDA or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

**Medically Necessary** – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

**Medicare** – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

**Medicare Advantage Open Enrollment Period** – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel its plan enrollment and switch to another Medicare Advantage plan or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

## Chapter 12 Definitions

---

**Medicare Advantage (MA) Plan** – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**.

**Medicare-Covered Services** – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

**Medicare Health Plan** – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

**Medicare Prescription Drug Coverage (Medicare Part D)** – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

**Medication Therapy Management (MTM) program** – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

**Medigap (Medicare Supplement Insurance) Policy** – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan isn't a Medigap policy.)

**Member (Member of our Plan, or Plan Member)** – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

**Member Services** – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

**Network Pharmacy** – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they're filled at one of our network pharmacies.

**Network Provider – Provider** is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

## Chapter 12 Definitions

---

**Observation** – A stay in a hospital for less than 4 hours if: (1) You have not been admitted as a registered bed patient; (2) you are physically detained in an emergency room, treatment room, observation room, or other such area; or (3) you are being observed to determine whether an inpatient admission will be required.

**Open Enrollment Period** – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

**Organization Determination** – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

**Original Biological Product** – A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

**Original Medicare (Traditional Medicare or Fee-for-Service Medicare)** – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

**Out-of-Network Pharmacy** – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies aren't covered by our plan unless certain conditions apply.

**Out-of-Network Provider or Out-of-Network Facility** – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

**Out-of-Pocket Costs** – Go to the definition for cost sharing above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's out-of-pocket cost requirement.

**Out-of-Pocket Threshold** – The maximum amount you pay out of pocket for Part D drugs.

**PACE plan** – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans get both their Medicare and Medicaid benefits through our plan.

**Part C** – Go to Medicare Advantage (MA) plan.

**Part D** – The voluntary Medicare Prescription Drug Benefit Program.

## Chapter 12 Definitions

---

**Part D Drugs** – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded from Part D coverage by Congress. Certain categories of Part D drugs must be covered by every plan.

**Part D Late Enrollment Penalty** – An amount added to your monthly plan premium for Medicare drug coverage if you go without creditable coverage (coverage that's expected to pay, on average, at least as much as standard Medicare drug coverage) for a continuous period of 63 days or more after you're first eligible to join a Part D plan. If you lose Extra Help, you may be subject to the late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

**Premium** – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

**Preventive services** – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

**Primary Care Provider (PCP)** – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

**Prior Authorization** – Approval in advance to get services or certain drugs. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria are posted on our website.

**Prosthetics and Orthotics** – Medical devices including, but not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

**Quality Improvement Organization (QIO)** – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

**Quantity Limits** – A management tool that's designed to limit the use of a drug for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

**"Real-Time Benefit Tool"** – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

**Referral** – A written order from your primary care doctor for you to visit a specialist or get certain medical services. Without a referral, our plan may not pay for services from a specialist.

## Chapter 12 Definitions

---

**Rehabilitation Services** – These services include inpatient rehabilitation care, physical therapy (outpatient), speech and language therapy, and occupational therapy.

**Selected Drug** – A drug covered under Part D for which Medicare negotiated a Maximum Fair Price.

**Service Area** – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan's service area.

**Skilled Nursing Facility (SNF) Care** – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

**Special Needs Plan** – A special type of Medicare Advantage plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

**Step Therapy** – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

**Supplemental Security Income (SSI)** – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

**Urgently Needed Services** – A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.
