Medicaid Eligibility

This plan is available to anyone who has Medicare and partial Medical Assistance from the state (Medicaid).

Premiums, copays, coinsurance, and deductibles may vary based on the level of Medicaid and *Extra Help* you receive. Contact us for further details.

If your category of Medicaid eligibility changes, your cost-share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

You can enroll in this plan if you are in one of these Medicaid categories:

Specified Low-Income Medicare Beneficiary

(SLMB): You do not have full Medicaid benefits as an SLMB. Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a member cost-share.

Qualifying Individual (QI): You do not have full Medicaid benefits as a QI, so Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a member cost-share.

Qualified Disabled and Working Individual

(QDWI): As a QDWI, you do not have full Medicaid benefits. Medicaid pays only your Part A premium. While Medicaid does not pay any cost-share amounts, you may find that some services do not require a member cost-share.
