Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **800-833-2364 (TTY: 711)**.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary (Drug Guide) to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part A/Part B premiums may be paid for by Alabama Medicaid Agency.
- Benefits, premiums and/or copays/coinsurance may change on January 1, 2027.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. This plan may enroll FBDE, QDWI, QI, QMB, QMB+, SLMB, SLMB+.

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/Find-Care** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/medicaredruglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

Humana Dual Select H5619-093 (HMO D-SNP) has been approved by the National Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until 12/31/2026 based on a review of the Humana Dual Select H5619-093 (HMO D-SNP) Model of Care.

If you get Medicare cost-share assistance, Humana Dual Select H5619-093 (HMO D-SNP) providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments – even when Medicaid payment is zero or a provider chooses to not submit to Medicaid. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment.

If you are billed or asked to pay an in-network provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services, tell your provider you are cost-share protected and can't be charged. If you have already made payment, you have the right to a refund. If your provider will not stop billing, you can call us at 800-457-4708 or you can call Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048). Humana or Medicare can ask your provider to stop billing you and refund any payment you have made.
