About Medicare

Medicare is health insurance for people who are 65 years old or older, or who are under 65 years old with certain disabilities.

Original Medicare is a Federal Insurance Program. It pays a fee for your care directly to the doctors and hospitals you visit. Original Medicare does not cover most preventive care and has unpredictable out-of-pocket expenses.

Medicare Part A (Hospital Insurance) covers inpatient care in hospitals, skilled nursing facilities, hospice care, and some home health care services.

Medicare Part B (Medical Insurance) covers certain doctors' services, outpatient care, medical supplies and preventive services.

Medicare Part C (Medicare Advantage) is an all-in-one alternative to Original Medicare. Medicare Advantage plans include Parts A, B and usually Part D. Some Medicare Advantage plans may have lower out-of-pocket costs than Original Medicare and may cover extra benefits that Original Medicare doesn't – like dental, vision or hearing. Medicare pays a fixed fee to the plan for your care, and then the plan directly pays the doctors and hospitals. Medicare Advantage has predictable out-of-pocket expenses and offers preventive care and care coordination.

Medicare Part D (Prescription Drug Coverage) helps you pay for drugs you get from a pharmacy.

Medicaid Dual Eligibility Coverage Categories

- **Specified Low-Income Medicare Beneficiary (SLMB):** Apple Health pays your Medicare Part B premium only. You are not eligible for any other Apple Health benefits and must pay all of your cost sharing.
- **Qualifying Individual (QI):** Apple Health pays your Medicare Part B premium only. You are not otherwise eligible for any Apple Health benefits.
- **Qualified Disabled and Working Individual (QDWI):** Eligible for Apple Health payment of your Medicare Part A premium only. You are not otherwise eligible for any Apple Health benefits.

**Eligibility Changes:**

It is important to read and respond to all mail that comes from program administrators like Social Security, Department of Health and Social Services, Home and Community Services and the Health Care Authority. Agencies like these help you maintain your Apple Health eligibility status.

If your eligibility status changes, your cost share may also change from 0% to 30%* or from 30%* to 0%. If you lose Apple Health coverage entirely, there is a grace period for you to reapply for Apple Health and become reinstated if you still qualify.

If you no longer qualify for Apple Health, you may be involuntarily disenrolled from our HMO SNP plan. We may contact you to remind you to reapply for Apple Health when we see your eligibility has ended.

If you are currently entitled to receive full or partial Apple Health benefits, please see your Apple Health member handbook or other state Apple Health documents for full details on your Apple Health services limits, restrictions, and exclusions.

*Annual deductible for Part B services, and 30% coinsurance (as applicable), in addition to varying cost share amounts for Part A services apply when Member's cost share amount is not 0%.
