

# Summary of Benefits 2027

## **January 1, 2027 through December 31, 2027**

This is a summary of your plan's costs and coverage. For a complete list of what we cover and any limitations, review the plan's *Evidence of Coverage* (EOC) at [AetnaMedicare.com/H1609-028](https://www.aetna.com/H1609-028) or call us to request a copy.

## **Your questions are important to us, and we're here to help**

### **If you are an Aetna plan member, call:**

**[1-833-570-6670](tel:1-833-570-6670) (TTY: [711](tel:1-833-570-6670))**

8 AM to 8 PM, 7 days a week

### **If you are not yet an Aetna plan member, call:**

**[1-844-509-6254](tel:1-844-509-6254) (TTY: [711](tel:1-844-509-6254))**

October 1–March 31: 8 AM to 8 PM, 7 days a week

April 1–September 30: 8 AM to 8 PM, Monday–Friday

An Aetna team member will answer your call.

2027-H1609.028.1

# About this plan

**Aetna Medicare Select Extra (HMO-POS)** is a POS plan. This is a Medicare Advantage plan that covers prescription drugs. You can use in-network and out-of-network providers. Some limitations apply to out-of-network care, and you will typically pay more for it. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal.
- **Network:** Our plan has a network of select providers to provide you with patient-centered care, coordinated services and enhanced provider communication. To locate a network provider you may contact Member Services or search the online provider directory.
- **Referrals:** Aetna Medicare Select Extra (HMO-POS) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your PCP in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit [AetnaMedicare.com/H1609-028](https://www.aetna.com/H1609-028). For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [Medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

## Are you eligible to enroll?

To join **Aetna Medicare Select Extra (HMO-POS)**, you'll need to meet the following criteria:

- Be entitled to Medicare Part A
- Have Medicare Part B
- Live in the plan's service area, which includes the following counties:  
**Florida:** Charlotte, Clay, Duval, Hillsborough, Manatee, Marion, Osceola, Pinellas, Polk, Sarasota, Seminole

## Plan premium, deductible, and maximum out-of-pocket (MOOP)

### Understanding out-of-pocket costs

- **Plan premium:** the amount you pay monthly to keep your health insurance active.
- **Deductible:** the amount you must pay for health care before our plan pays.
- **Maximum out-of-pocket:** the most you'll pay out of pocket in a plan year for covered care.

| Out-of-pocket costs  |                                                                                                                                                      |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Monthly plan premium | \$0<br><br>You must continue to pay your Medicare Part B premium.                                                                                    |
| Plan deductible      | No in-network deductible<br>\$500 for certain out-of-network services<br><br>Your deductible is what you'll pay before we begin to pay for services. |

## Out-of-pocket costs

|      |                                                                                                                                                                                                                                                                          |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MOOP | <p>\$6,750 for in-network services<br/>\$10,100 for in- and out-of-network services combined</p> <p>Once you reach the maximum out-of-pocket, our plan pays 100% of covered medical services. Your premium and prescription drug costs don't count toward your MOOP.</p> |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Medical and hospital benefits

### Hospital coverage

Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit                                  | Your in-network costs                                                    | Your out-of-network costs                         |
|------------------------------------------|--------------------------------------------------------------------------|---------------------------------------------------|
| Inpatient (unlimited number of days)     | \$375 per day, days 1-5; \$0 per day, days 6-90; \$0 for additional days | 50% per stay after your plan deductible is met    |
| Outpatient hospital observation services | \$375 copay                                                              | 50% coinsurance after your plan deductible is met |
| Outpatient hospital                      | \$350 copay                                                              | 50% coinsurance after your plan deductible is met |
| Ambulatory surgical center               | \$300 copay                                                              | 50% coinsurance after your plan deductible is met |

### Primary care provider (PCP) and specialist services

| Benefit    | Your in-network costs | Your out-of-network costs                    |
|------------|-----------------------|----------------------------------------------|
| PCP        | \$0 copay             | Not Covered                                  |
| Specialist | \$38 copay            | \$70 copay after your plan deductible is met |

### Preventive, emergency, and urgent care

| Benefit                                                                     | Your in-network costs                                                                                                                                                                                                                                                                    | Your out-of-network costs                                                                           |
|-----------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Preventive care                                                             | <p>\$0 copay</p> <p>For a full list of preventive services available, see the EOC. Some covered services may have an associated cost.</p>                                                                                                                                                | \$0 copay                                                                                           |
| Emergency and urgent care (inside the U.S.)                                 | <p>\$130 copay for emergency care<br/>\$30 copay for urgent care</p>                                                                                                                                                                                                                     | <p>\$130 copay for emergency care<br/>\$30 copay for urgent care</p>                                |
| Emergency and urgent care, including emergency ambulance (outside the U.S.) | <p>\$130 copay for emergency care<br/>\$130 copay for urgent care<br/>\$250 copay for ambulance</p> <p>Maximum coverage: \$250,000. This is the most we will pay for the combined cost of emergency care, urgent care, and emergency ambulance services received outside of the U.S.</p> | <p>\$130 copay for emergency care<br/>\$130 copay for urgent care<br/>\$250 copay for ambulance</p> |

## Diagnostic services, labs, and imaging

Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit                                                    | Your in-network costs                                                                                                                                                                                                                                                                                                                                                                 | Your out-of-network costs                         |
|------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|
| Diagnostic tests and procedures                            | <p>\$0 - \$200 copay</p> <p>\$0 copay for services performed at a non-hospital facility</p> <p>\$200 copay for services performed at a hospital facility</p> <p>\$0 copay for certain Medicare-covered diagnostic tests and services including retinal fundus, spirometry, and peripheral arterial disease (PAD) testing</p>                                                          | 50% coinsurance after your plan deductible is met |
| Lab services                                               | <p>\$0 - \$30 copay</p> <p>\$0 copay for services performed at a non-hospital facility and for certain lab services including hemoglobin A1c, urine protein, prothrombin (protime), urine albumin, fecal immunochemical test (FIT), kidney health evaluation for members with diabetes (KED) and COVID-19 testing</p> <p>\$30 copay for services performed at a hospital facility</p> | 50% coinsurance after your plan deductible is met |
| Diagnostic radiology services, such as CT/CAT scan and MRI | <p>\$0 - \$200 copay</p> <p>\$0 copay for services performed at a non-hospital facility</p> <p>\$200 copay for services performed at a hospital facility</p>                                                                                                                                                                                                                          | 50% coinsurance after your plan deductible is met |
| Outpatient x-rays                                          | \$10 copay                                                                                                                                                                                                                                                                                                                                                                            | 50% coinsurance after your plan deductible is met |

## Hearing services

| Benefit                 | Your in-network costs                                                                                               | Your out-of-network costs |
|-------------------------|---------------------------------------------------------------------------------------------------------------------|---------------------------|
| Diagnostic hearing exam | \$38 copay                                                                                                          | Not Covered               |
| Routine hearing exam    | <p>\$0 copay</p> <p>You get one routine hearing exam every year with a provider in the NationsHearing® network.</p> | Not Covered               |

| Benefit      | Your in-network costs                                                                                                                                                                                                                                  | Your out-of-network costs |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Hearing aids | You get an annual benefit amount (allowance) of \$1,000 per ear. If the cost is over the benefit amount, you pay the difference. This benefit amount can only be used to purchase hearing aids through an authorized NationsHearing® network provider. | Not Covered               |

## Dental services

Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit                                | Your in-network costs                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Your out-of-network costs                                                   |
|----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| Dental services (non-Medicare covered) | <p>\$0 copay for covered services</p> <p>You get an annual benefit amount (allowance) of \$1,000 for covered services. You are responsible for any costs over this amount. Covered services include oral exams, cleanings, fillings, extractions, crowns, dentures, and more. We have teamed up with Liberty Dental to provide your dental coverage.</p> <p>This benefit uses the Liberty Dental network, which is different from your medical network, for covered services. If you choose a provider outside of the Liberty Dental network, services will not be covered.</p> <p>See EOC for details on exclusions and limitations.</p> | You must use an in-network provider for your dental services to be covered. |

## Vision services

| Benefit                                           | Your in-network costs                       | Your out-of-network costs |
|---------------------------------------------------|---------------------------------------------|---------------------------|
| Diagnostic eye exam (includes diabetic eye exams) | \$0 copay                                   | Not Covered               |
| Glaucoma screening                                | \$0 copay                                   | Not Covered               |
| Routine eye exam (one exam every year)            | \$0 copay with an iCare network optometrist | Not Covered               |

| Benefit                 | Your in-network costs                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Your out-of-network costs |

## Ambulance and routine transportation

Your provider needs approval from us before we cover non-emergency transportation. This is called prior authorization or precertification.

| Benefit                                 | Your in-network costs                                                                   | Your out-of-network costs                                                                                                                                   |
|-----------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ambulance (ground or air, one-way trip) | \$250 copay for ground ambulance services<br>20% coinsurance for air ambulance services | \$250 copay for ground ambulance services after your plan deductible is met<br>20% coinsurance for air ambulance services after your plan deductible is met |
| Routine, non-emergency transportation   | Not Covered                                                                             | Not Covered                                                                                                                                                 |

## Medicare Part B drugs

Medicare Part B only covers a limited number of medicines under certain conditions. These medicines are often given to you in your provider's office. They can include things like preventive vaccines, injections, and nebulizers, among others. They can also include medicines you take at home using special medical equipment. Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit            | Your in-network costs | Your out-of-network costs |
|--------------------|-----------------------|---------------------------|
| Chemotherapy drugs | 20% coinsurance       | Not Covered               |
| Part B Insulin     | \$35 copay            | Not Covered               |
| Other Part B drugs | 20% coinsurance       | Not Covered               |

## Medicare Part D drugs

Medicare Part D covers a wide range of prescription drugs. They can include medicines you take every day for conditions like high blood pressure or diabetes. Some drugs require prior authorization. This means you must get approval from us first before we'll cover them.

## Prescription drug costs

Your costs may be lower if you qualify for "Extra Help."

**Formulary name:** B2 (you can use this when referencing our list of covered drugs).

|                                |                                                                                                                                       |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Deductible phase</u></b> | You'll pay the plan's negotiated drug cost up to the deductible limit of \$700. The deductible applies to drugs on Tiers 3, 4, and 5. |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|

|                        |                                                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Initial coverage phase | The plan will pay its share of the cost and you'll pay a copayment or coinsurance (your share of the cost) for each prescription filled. You will pay the lesser of the listed copay/coinsurance below or the negotiated cost of the drug. These cost shares may also apply to home infusion drugs when obtained through your Part D benefit. Costs may differ based on pharmacy type or status. |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| Home health care, such as part-time skilled nursing and health aide services, and physical therapy | \$0 copay for Medicare-covered home health care services<br><br>Non-Medicare covered home health care services are not covered. | 50% coinsurance for Medicare-covered home health care services after your plan deductible is met |

## Medical equipment and supplies

Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit                                                                              | Your in-network costs | Your out-of-network costs |
|--------------------------------------------------------------------------------------|-----------------------|---------------------------|
| Durable medical equipment (DME), such as wheelchairs, crutches, and oxygen equipment | 20% coinsurance       | Not Covered               |
| Prosthetics, such as braces and artificial limbs                                     | 20% coinsurance       | Not Covered               |

## Resources For Living®

| Benefit               | Your costs in our plan                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Resources For Living® | Resources For Living® helps connect you with local community services such as caregiver support, meal and in-home care services, volunteer activities, and transportation. These services are not the same as the benefits covered by your Aetna plan, and Aetna does not provide the services. If you use services that have costs, you'll need to pay for those. Resources For Living® also offers one-on-one coaching at no added cost to support your personal goals, such as improving physical wellness, building social connections, or focusing on personal growth. |

## Substance use disorder services

Your provider may need approval from us before we cover these services. This is called prior authorization or precertification.

| Benefit                                    | Your in-network costs                                               | Your out-of-network costs  |
|--------------------------------------------|---------------------------------------------------------------------|----------------------------|
| Outpatient substance use disorder services | \$35 copay for individual sessions<br>\$30 copay for group sessions | Not Covered<br>Not Covered |

**24-Hour Nurse Line**

You can talk to a registered nurse anytime to discuss health-related questions. While only your doctor can diagnose, prescribe, or give medical advice, the 24-Hour Nurse Line can provide information on a variety of health topics.

| Benefit            | Your costs in our plan |
|--------------------|------------------------|
| 24-Hour Nurse Line | \$0                    |

**Special supplemental benefits**

Our plan offers additional benefits to qualifying members. See the EOC for a full list of eligibility criteria.

| Recovery at Home Program |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eligibility requirements | If you have an acute inpatient facility stay due to a qualifying diagnosis, and an Aetna care manager determines you have an inability to complete and need assistance with at least one activity of daily living (ADL) and/or instrumental activity of daily living (IADL), you may be eligible for in-home support services offered through this program under our plan. Enrollment in this plan does not guarantee eligibility. If you qualify, a care manager will work with our authorized vendor, The Helper Bees®, to set up the in-home support services that must be used within 30 days of discharge and expire after the 30-day period ends. |
| Benefits                 | The Recovery at Home Program provides in-home support services up to 80 hours once per qualifying diagnosis, per year. The in-home support services can provide help with meal preparation, light housekeeping, medication reminders, and more.                                                                                                                                                                                                                                                                                                                                                                                                         |

## Disclaimers

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our DSNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.

See *Evidence of Coverage* for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our member services number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

Aetna is part of the CVS Health® family of companies.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

The Aetna Medicare pharmacy network includes limited lower-cost, preferred pharmacies in: Rural Nebraska, Rural North Dakota, Suburban West Virginia, Urban Kansas, and Urban Missouri. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, members please call the number on your ID card, non-members please call **1-844-509-6254** (TTY: **711**) or consult the online pharmacy directory at [AetnaMedicare.com/findpharmacy](https://www.aetna.com/medicare/findpharmacy).

For mail order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 10 days. You can call **1-833-570-6670** (TTY: **711**) 8 AM to 8 PM, 7 days a week if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign up for automated mail-order delivery.

Participating health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot

be guaranteed, and provider network composition is subject to change.

# Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-509-6254 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

## Understanding the benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-844-509-6254 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

## Understanding important rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
