# About this plan

**Aetna Medicare Eagle Giveback (PPO)** is a PPO plan. This is a Medicare Advantage plan that does not cover prescription drugs. You can use in-network and out-of-network providers. You will typically pay more for out-of-network care. Please take a moment to review the following important information:

- **Primary care provider (PCP):** You have the option to choose a PCP. We recommend choosing a PCP because when we know who your provider is, we can better support your care.
- **Referrals:** Aetna Medicare Eagle Giveback (PPO) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your PCP in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services.
- **Helpful resources:** To find provider directories and other plan information, visit [AetnaMedicare.com/H5521-487](https://www.aetna.com/H5521-487). For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [Medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

# Plan premium, deductible, and maximum out-of-pocket (MOOP)

## Understanding out-of-pocket costs

- **Plan premium:** the amount you pay monthly to keep your health insurance active.
- **Deductible:** the amount you must pay for health care before our plan pays.
- **Maximum out-of-pocket:** the most you'll pay out of pocket in a plan year for covered care.

| Eligibility requirements | If you have an acute inpatient facility stay due to a qualifying diagnosis, and an Aetna care manager determines you have an inability to complete and need assistance with at least one activity of daily living (ADL) and/or instrumental activity of daily living (IADL), you may be eligible for in-home support services offered through this program under our plan. Enrollment in this plan does not guarantee eligibility. If you qualify, a care manager will work with our authorized vendor, The Helper Bees®, to set up the in-home support services that must be used within 30 days of discharge and expire after the 30-day period ends. |
| Benefits                 | The Recovery at Home Program provides in-home support services up to 60 hours once per qualifying diagnosis, per year. The in-home support services can provide help with meal preparation, light housekeeping, medication reminders, and more.                                                                                                                                                                                                                                                                                                                                                                                                         |

## Disclaimers

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our DSNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.

See *Evidence of Coverage* for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our member services number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

Aetna is part of the CVS Health® family of companies.

Participating health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

# Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-509-6254 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

## Understanding the benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-844-509-6254 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

## Understanding important rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
