B. Frequently asked questions

The following chart lists frequently asked questions.

Frequently Asked Questions (FAQs)	Answers
What’s a Fully Integrated Dual Eligible Special Needs Plan (FIDE SNP)?	A NJ Fully Integrated Dual Eligible Special Needs Plan (FIDE SNP) is a managed health care option for NJ FamilyCare members with Medicare. A NJ FIDE SNP covers all of your Medicare, NJ FamilyCare (Medicaid) and drug benefits, including Medicare Part D, and extra benefits, in one health plan, with one Member Identification (ID) Card, and no copays for medical services or drugs. A FIDE SNP coordinates all of your care. If you join a FIDE SNP, you do not lose any of your NJ FamilyCare, Managed Long Term Services and Supports (MLTSS), or Medicare benefits. Every service you have with NJ FamilyCare and Medicare is still available, along with access to some additional services. To be eligible to enroll in a FIDE SNP in New Jersey, you must be entitled to Medicare Parts A and B and eligible for full NJ FamilyCare benefits. You must also live in the plan’s “service area” (the counties where that plan is offered). The counties that make up Wellpoint Full Dual Advantage (HMO D-SNP)’s service area are listed in Section B of this document.

Frequently Asked Questions (FAQs)	Answers
Will I get the same Medicare and NJ FamilyCare benefits in Wellpoint Full Dual Advantage (HMO D-SNP) that I get now?	If you're coming to Wellpoint Full Dual Advantage (HMO D-SNP) from Original Medicare or another Medicare plan, you may get benefits or services differently. You'll get almost all of your covered Medicare and NJ FamilyCare benefits directly from Wellpoint Full Dual Advantage (HMO D-SNP). When you enroll in Wellpoint Full Dual Advantage (HMO D-SNP), you and your Care Team will work together to develop an individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D drugs that Wellpoint Full Dual Advantage (HMO D-SNP) doesn't normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for Wellpoint Full Dual Advantage (HMO D-SNP) to cover your drug if medically necessary.
Can I use the same health care providers I use now?	That's often the case. If your providers (including doctors, therapists, pharmacies, and other health care providers) work with Wellpoint Full Dual Advantage (HMO D-SNP) and have a contract with us, you can keep using them. ● Providers with an agreement with us are "in-network." You must use the providers in Wellpoint Full Dual Advantage (HMO D-SNP)'s network. ● If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Wellpoint Full Dual Advantage (HMO D-SNP)'s network. To find out if your providers are in the plan's network, call Member Services at the number at the bottom of this page or read Wellpoint Full Dual Advantage (HMO D-SNP)'s Provider and Pharmacy Directory. You can also visit our website at shop.wellpoint.com/medicare for the most current listing. If Wellpoint Full Dual Advantage (HMO D-SNP) is new for you, we'll work with you to develop an individualized Plan of Care to address your needs. You can keep using the providers you use now for 90 days or until your individualized Plan of Care is completed.

Frequently Asked Questions (FAQs)	Answers
What's a Care Manager?	A Care Manager is your main contact person at our plan. This person helps to manage all of your providers and services and make sure you get what you need.
What are Managed Long Term Care Services and Supports (MLTSS)?	Managed Long Term Services and Supports (MLTSS) are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Often these services are provided at your home or in your community, but they could also be provided in a nursing home when necessary. MLTSS is available to members who meet certain clinical and financial requirements.
What happens if I need a service but no one in Wellpoint Full Dual Advantage (HMO D-SNP)'s network can provide it?	Most services will be provided by our network providers. If you need a service that can't be provided within our network, Wellpoint Full Dual Advantage (HMO D-SNP) will cover services provided by an out-of-network provider.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-604-7101** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.wellpoint.com/medicare> or call **1-844-604-7101** to view a copy of the EOC.
- ☐ Review the *Provider and Pharmacy Directory* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the *Provider and Pharmacy Directory* to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the List of Covered Drugs (Formulary) to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Your Medicare Part B premium will be covered for you by NJ FamilyCare (Medicaid).
- ☐ Benefits may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the *Provider and Pharmacy Directory*).

- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. To be eligible for this plan, you must be eligible for Medicare and full Medicaid benefits.
- ☐ If you are currently enrolled in a NJ FamilyCare (Medicaid) plan, you will be automatically disenrolled. Wellpoint Full Dual Advantage (HMO D-SNP) will cover your Medicaid benefits.
- ☐ You will automatically be disenrolled from any Medicare Advantage and/or Medicare Part D plans you are currently enrolled in. Wellpoint Full Dual Advantage (HMO D-SNP) will cover your Medicare Part A and Part B benefits, as well as all of your Medicare Part D prescription drugs.
