This is a Dual Eligible Special Needs Plan (D-SNP)

Wellpoint Dual Advantage Plus (HMO D-SNP) is a Medicare Advantage plan. To join this plan, the following must apply to you[†]:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B and Tennessee TennCare (Medicaid) (the state's Medicaid program).
- You live in our service area.

Eligibility

To be enrolled in this plan, you must also receive some level of Medical Assistance from Tennessee TennCare (Medicaid) (the state Medicaid program) as described below:

Wellpoint Dual Advantage Plus (HMO D-SNP)

- If you have **Qualified Medicare Beneficiary (QMB)** status, you are eligible for the Tennessee TennCare (Medicaid) program, which pays your Medicare premiums, deductibles, and cost sharing, except for Medicare Part D.

[†] This plan is available to anyone who has both Medical Assistance from the State and Medicare.

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.

TennCare is not responsible for payment for these extra benefits, except for appropriate cost sharing amounts. TennCare is not responsible for guaranteeing the availability or quality of these benefits.

- Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.
- If Medicaid eligibility changes, your cost may also change. You must recertify your Medicaid enrollment to keep receiving your Medicare cost-sharing coverage.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Follow the steps listed.

Enter your ZIP code and county, and then select **View All Plans**. Next, select **Medicare Advantage** or **Medicare Advantage Special Needs** tab and choose **Add Providers**. If you receive Extra Help from Medicare, the Part D deductible does not apply to you.

If you do not qualify for Extra Help, the deductible is **\$105.00** per year for Part D prescription drugs. Drugs listed on Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug, and Tier 5: Specialty Tier are included in the Part D deductible.

Before making an enrollment decision, it is important that you fully understand our benefits and rules. Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.wellpoint.com/medicare> or call **1-844-615-5445** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
