

Wellpoint Full Dual Advantage Support (HMO D-SNP) *Evidence of Coverage*

January 1 - December 31, 2027

Your Health and Drug Coverage under Wellpoint Full Dual Advantage Support (HMO D-SNP)

Evidence of Coverage Introduction

This *Evidence of Coverage* tells you about your coverage under our plan through December 31, 2027. It explains health care services, behavioral health (mental health and substance use disorder) services, drug coverage, and long-term services and supports. Key terms and their definitions appear in alphabetical order in **Chapter 12** of this *Evidence of Coverage*.

This is an important legal document. Keep it in a safe place.

When this *Evidence of Coverage* says “we,” “us,” “our,” or “our plan,” it means Wellpoint Full Dual Advantage Support (HMO D-SNP).

This document is available for free in Spanish and Arabic.

You can get this document for free in other formats, such as large print, braille, and/or audio by calling Member Services at 1-844-614-3225 (TTY 711), 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free.

When calling, let us know if you want this to be a standing order. That means we will send the same documents in your requested format and language every year. You can also call us to change or cancel a standing order. You can also find your documents online at www.wellpoint.com.

We have free interpreter services to answer any questions that you may have about our health or drug plan. To get an interpreter just call us at 1-844-614-3225. Someone that speaks Arabic, Armenian, Cambodian, Chinese, Farsi, French, French Creole, Hindi, Hmong, Italian, German, Japanese, Korean, Laotian, Mien, Polish, Portuguese, Punjabi, Russian, Spanish, Tagalog, Thai, Ukrainian, or Vietnamese can help you. This is a free service.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A. Welcome to our plan

Our plan provides Medicare and TennCare services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

B. Information about Medicare and TennCare

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. TennCare

TennCare is the name of Tennessee's Medicaid program. TennCare is run by the state and is paid for by the state and the federal government. TennCare helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of Tennessee approved our plan. You can get Medicare and TennCare services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of Tennessee allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and TennCare services isn't affected.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

C. Advantages of our plan

You'll now get all your covered Medicare and TennCare services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - o Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - o Your test results are shared with all of your doctors and other providers, as appropriate.

D. Our plan's service area

Our service area includes these counties in Tennessee: Anderson, Bedford, Benton, Bledsoe, Blount, Bradley, Campbell, Cannon, Carroll, Carter, Cheatham, Chester, Claiborne, Clay, Cocke, Coffee, Crockett, Cumberland, Davidson, Decatur, DeKalb, Dickson, Dyer, Fayette, Fentress, Franklin, Gibson, Giles, Grainger, Greene, Grundy, Hamblen, Hamilton, Hancock, Hardeman, Hardin, Hawkins, Haywood, Henderson, Henry, Hickman, Houston, Humphreys, Jackson, Jefferson, Johnson, Knox, Lake, Lauderdale, Lawrence, Lewis, Lincoln, Loudon, Macon, Madison, Marion, Marshall, Maury, McMinn, McNairy, Meigs, Monroe, Montgomery, Moore, Morgan, Obion, Overton, Perry, Pickett, Polk, Putnam, Rhea, Roane, Robertson, Rutherford, Scott, Sequatchie, Sevier, Shelby, Smith, Stewart, Sullivan, Sumner, Tipton, Trousdale, Unicoi, Union, Van Buren, Warren, Washington, Wayne, Weakley, White, Williamson, and Wilson.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Evidence of Coverage* for more information about the effects of moving out of our service area.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or national, or an eligible non-citizen, **and**
- are currently eligible for TennCare, **and**
- are eligible for Long Term Care CHOICES benefits in groups 1, 2, or 3 or ECF CHOICES groups 4, 5, 6, 7 or 8.

Call Member Services for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail. We'll reach out to you annually to see if any of your needs have changed.

We'll send you more information about this HRA.

You may continue to see your previous provider or receive previous services for at least 30 days to ensure continuity of care pending the provider enrolling under the health plan or finding a new provider under the health plan to facilitate a seamless transition of those services.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care/support coordinator, your specialists, or other health professionals that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS services using a person-centered approach to your needs assessment and care planning.

Your care plan includes:

- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of Important Costs

Our plan has no premium.

H1. Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in **Section E** above to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most Wellpoint Full Dual Advantage Support (HMO D-SNP) members, Medicaid pays for your Medicare Part A premium (if you don't qualify for it automatically) and for your Medicare Part B premium.

If Medicaid isn't paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. This includes your premium for Medicare Part B. You may also pay a premium for Medicare Part A if you aren't eligible for premium-free Medicare Part A. **In addition, please contact Member Services or your care coordinator and inform them of this change.**

H2. Medicare Prescription Payment Amount

If you're participating in the Medicare Prescription Payment Plan, you'll get a bill from our plan for your drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 2 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

I. This Evidence of Coverage

This *Evidence of Coverage* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of this *Evidence of Coverage* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for an *Evidence of Coverage* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Evidence of Coverage* found on our website at the web address at the bottom of the page.

The contract is in effect for the months you're enrolled in our plan between January 1 and December 31, 2027.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and TennCare services, including LTSS, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your TennCare card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Evidence of Coverage* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

The *Provider and Pharmacy Directory* lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), and support providers (such as Adult Day Center services and Home Health providers) you may see as a member of our plan. We also list the pharmacies you may use to get your prescription drugs.

When first enrolled or when there's a change to your provider, you can continue to receive your service or Medicaid for at least 30 days.

Definition of network providers

- Our network providers include:
 - o doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - o clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and,**
 - o LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or TennCare.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

List of Durable Medical Equipment (DME)

We included our List of DME with this *Evidence of Coverage*. This list tells you the brands and makers of DME that we cover. The most recent list of brands, makers, and suppliers is also available on our website at the address at the bottom of the page. Refer to **Chapter 3 and Chapter 4** of this *Evidence of Coverage* to learn more about DME equipment.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they've been removed and replaced as described in **Chapter 5, Section C**. Medicare approved the Wellpoint Full Dual Advantage Support (HMO D-SNP) *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Evidence of Coverage* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take. **Chapter 6** of this *Evidence of Coverage* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**
- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

TennCare Connect is an online tool for Tennesseans to apply and manage their TennCare benefits. You can access the website: www.tennconnect.tn.gov or call TennCare Member Services at 1-855-259-0701.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Evidence of Coverage*.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

B. Your Care Coordinator

At Wellpoint Full Dual Advantage Support (HMO D-SNP), you will have the support of a care coordinator to assist you before, during and after a health event.

When you become a Wellpoint Full Dual Advantage Support (HMO D-SNP) member, you will be assigned to a care coordinator.

- A care coordinator is one main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.
- A care coordinator will reach out to you to make sure you have what you need. If you enter the hospital, a care coordinator can help arrange for services that make it possible to recover at home.
- If you feel that you could use the help of a care coordinator, you can contact Member Services and ask to speak to a care coordinator.
- If you are not comfortable with your care coordinator, you can call Member Services at 1-844-614-3225 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. to find a care coordinator to meet your needs.

Contact your care coordinator to get help with:

- questions about your health care
- questions about getting behavioral health (mental health and substance use disorder) services
- questions about transportation
- questions about TennCare Long-Term Services and Supports including the following:
 - CHOICES - TennCare CHOICES in Long-Term Services and Supports (or CHOICES for short) is for adults (age 21 and older) with a physical disability and seniors (age 65 and older). CHOICES offers services to help a person live in their own home or in the community. These services are called Home and Community Based Services or HCBS. These services can be provided in the home, on the job, or in the community to assist with daily living activities and allow people to work and be actively involved in their local community. CHOICES also provides care in a nursing facility if it's needed.
 - Employment Community First CHOICES (ECF CHOICES) - ECF CHOICES is for people of all ages who have an intellectual or developmental disability (I/DD). This includes people who have significant disabilities. Services help people with I/DD gain as much independence as possible. People are supported to live with their family or in the community, not in an institution. Residential services are available for adults with I/DD who don't live with family but need supports where they live.
 - ECF CHOICES can help the person with I/DD explore the possibility of working. Services can also help people learn skills for work, find a job, and keep a job. This could be a part-time job, a full-time job or self-employment. Other services help people learn and do things at home and in the community that help people achieve their goals. If a person lives at home with their family, the services help the family support the person to become as independent as possible. Services also help people get actively involved in their communities and include peer supports for the person and for their family.
- **Your Care Coordinator will also:**
 - Make sure your plan of care is carried out and working the way that it needs to.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o Monitor to make sure you're getting what you need and that gaps in care are addressed right away.

C. TN SHIP (TN State Health Insurance Assistance Program)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In Tennessee, the SHIP is called TN SHIP.

TN SHIP is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

 - o think your hospital stay is ending too soon, **or**
 - o think your home health care, skilled nursing facility care, or comprehensive outpatient rehabilitation facility (CORF) services are ending too soon.

E. Medicare

Medicare is the federal health insurance program for people 65 years of age or over, some people under age 65 with disabilities, and people with end-stage renal disease (permanent kidney failure requiring dialysis or a kidney transplant).

The federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services, or CMS. This agency contracts with Medicare Advantage organizations including our plan.

G. Tennessee State Long-Term Care (LTC) Ombudsman

The Tennessee State LTC Ombudsman helps people get information about nursing homes and resolve problems between nursing homes and residents or their families.

Tennessee State LTC Ombudsman program offers assistance to persons living in nursing homes or other community-based residential settings, like an assisted living or critical adult care home. A Long-Term Care Ombudsman **doesn't** work for the facility, the state, or Wellpoint. This helps them to be fair and objective in resolving problems and concerns.

The Long-Term Care Ombudsman in each area of the state can:

- Provide information about admission to and discharge from long-term services and supports facilities.
- Provide education about resident rights and responsibilities.
- Help residents and their families resolve questions or problems they have been unable to address on their own with the facility. Concerns can include things like:
 - o quality of care;
 - o resident rights; or
 - o admissions, transfers, and discharges

To find out more about the Long-Term Care Ombudsman program, or to contact the Ombudsman in your area, call the Department of Disability and Aging.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. H. Programs to Help People Pay for Drugs

The Medicare website (www.medicare.gov/basics/costs/help/drug-costs) provides information on how to lower your drug costs. For people with limited incomes, there are also other programs to assist, as described below.

H1. Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and are getting "Extra Help" from Medicare to pay for your drug plan costs. You don't need to do anything to get this "Extra Help."

CALL	1-800-MEDICARE (1-800-633-4227) Calls to this number are free, 24 hours a day, 7 days a week.
TTY	1-877-486-2048 This call is free. This number is for people who have difficulty with hearing or speaking. You must have special telephone equipment to call it.
WEBSITE	www.medicare.gov

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of your proper copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Please fax or mail a copy of your paperwork, showing you qualify for a subsidy, using the fax number or address shown on the back cover of this document. Below are examples of the paperwork you can provide:

- A copy of your Medicaid card if it includes your eligibility date during the period of time in question;
- A copy of a letter from the state or SSA showing Medicare Low-Income Subsidy status;
- A copy of a state document that confirms active Medicaid status during the period of time in question;
- A screen print from the state's Medicaid systems showing Medicaid status during the period of time in question;
- Evidence of recent point-of-sales Medicaid billing and payment in the pharmacy's patient profile, backed up by one of the above indicators after the point-of-sale.

If you have been a resident of a long-term care (LTC) facility (like a nursing home), instead of providing one of the items above, you should provide one of the items listed below. If you do, you may be eligible for the highest level of subsidy.

- A remittance from the facility showing Medicaid payment for a full calendar month for you during the period of time in question;
- A copy of a state document that confirms Medicaid payment to the facility for a full calendar month on your behalf; or
- A screen print from the state's Medicaid systems showing your institutional status, based on at least a full calendar month stay, for Medicaid payment purposes during the period of time in question.

Once we have received your paperwork and verified your status, we will call you so you can begin filling your prescriptions at the low-income copayment.

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services at the number at the bottom of the page if you have questions.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

H2. State Pharmaceutical Assistance Program (SPAP) - CoverRX

If you're enrolled in a SPAP, or any other program that provides coverage for Medicare Part D drugs other than "Extra Help" you still get the 70 percent discount on covered brand name drugs. Also, the plan pays five percent of the cost of brand drugs in the coverage gap. The 70 percent discount and the five percent paid by the plan are both applied to the price of the drug before any SPAP or other coverage.

H3. AIDS Drug Assistance Program (ADAP)

ADAP helps ADAP-eligible people living with HIV/AIDS have access to life-saving HIV drugs. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the Tennessee Ryan White Part B Program.

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of the state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to receive assistance for information on eligibility criteria, covered drugs, or how to enroll in the program, please call 615-532-6509.

H4. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January- December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same plan, you don't need to do anything to continue this option. "Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. To learn more about this payment option, call Member Services at the phone number at the bottom of the page or visit www.Medicare.gov.

I. Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment.

If you move or change your mailing address, it's important that you contact Social Security to let them know.

K. Group insurance or other insurance from an employer

If you (or your spouse or domestic partner) get benefits from your (or your spouse's or domestic partner's) employer or retiree group as part of this plan, call the employer/union benefits administrator or Member Services at the phone number at the bottom of the page with any questions. You can ask about your (or your spouse's or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. You can also call 1-800-MEDICARE (1-800-633-4227) with questions about your Medicare coverage under this plan. TTY users call 1-877-486-2048.

If you have other drug coverage through your (or your spouse's or domestic partner's) employer or retiree group, contact **that group's benefits administrator**. The benefits administrator can help you understand how your current drug coverage will work with our plan.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 3: Using our plan's coverage for your health care and other covered services

Introduction

This chapter has specific terms and rules you need to know to get health care and other covered services with our plan. It also tells you about your care coordinator, how to get care from different kinds of providers and under certain special circumstances (including from out-of-network providers or pharmacies), what to do if you're billed directly for services we cover, and the rules for owning Durable Medical Equipment (DME). Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

The call is free. **For more information**, visit www.wellpoint.com.

A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Evidence of Coverage*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Evidence of Coverage*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment which includes cost sharing as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and TennCare. This includes certain behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (go to Section D1 for more information).
 - In most cases, your network PCP or our plan must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services.
 - You don't need referrals from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (go to **Section D1** for more information).

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **You must get your care from network providers** (for more information, go to **Section D.** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for the services you get. Here are some cases when this rule doesn't apply:
 - o If you need emergency or urgently needed care from an out-of-network provider (for more information, go to **Section I**).
 - o If you need care from a Specialist that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. You **MUST** get prior approval for these services. In this situation, we cover the care as if you got it from a network provider at no additional cost to you. For information about getting approval to use an out-of-network provider, go to **Section D4.**
 - o If you need kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. The cost-sharing you pay for dialysis can never be higher than the cost-sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider that is outside the plan's network, your cost-sharing can't be higher than the cost-sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from an out-of-network provider your cost-sharing for the dialysis may be higher. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
 - o If you were already getting care or treatment when your TennCare started, you may be able to keep getting the care without an approval or referral.

C. Your care coordinator

We're responsible for managing all of your physical health, behavioral health (mental health or substance use disorder) and long-term services and supports needs, and the services that you receive to address these needs. This is called care coordination. We'll assign you a care coordinator when you enroll in our plan.

C1. What's a care coordinator

Your care coordinator will play a very important role. Your care coordinator is your primary contact person and is the first person that you should go to if you have any questions about your services. Your care coordinator will:

- Provide information about your coverage and answer your questions.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Help you get the right kind of long-term services and supports in the right setting for you to address your needs.
- Coordinate all of your physical health, behavioral health (mental health or substance use disorder) and long-term services and supports needs.
- Help to fix problems and answer questions that you have about your care.
- Check at least once a year to make sure that you continue to need the level of care provided in a nursing home or, for Group 3, continue to be “at risk” of going into a nursing home.
- Communicate with your providers to make sure they know what’s happening with your health care and to coordinate your service delivery.

C2. How you can contact your care coordinator

Contact your care coordinator by calling Member Services. In many situations, the care coordinator may provide you with their direct contact information.

C3. How you can change your care coordinator

If you would prefer to be seen by a different care coordinator, call Member Services to share your concerns and ask for another care coordinator.

D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a primary care provider (PCP) to provide and manage your care.

Definition of a PCP and what a PCP does do for you

Your PCP is your main health care provider. You’ll see your PCP for your regular checkups. If you get sick, your PCP will be the first person you contact. He or she will prescribe medicines for you and give you referrals to specialists or other providers if needed.

Your PCP can be:

- A family doctor
- OB/GYN
- Specialist who gives primary care
- A local health department or similar community clinic

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Your choice of PCP

Your relationship with your PCP is important. So when you choose your PCP, try to think about the reasons below to help you. When you choose a PCP, you should:

- Choose a provider that you use now, **or**
- Choose a provider that someone you trust has suggested, **or**
- Choose a provider that is close to your home.

When you enroll with Wellpoint Full Dual Advantage Support (HMO D-SNP), you will select a PCP by using our Provider and Pharmacy Directory. PCPs are listed by city and county, so you can find one close to where you live or work. The directory also shows you what languages are spoken in the PCP's office. If you need help choosing a PCP, call Member Services at 1-844-614-3225 (TTY: 711), 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free.

When you select your PCP, you are also choosing the hospital(s) and specialty network(s) associated with your PCP. When you choose a PCP, you will be referred to the specialists, hospitals and other providers associated with your PCP and/or medical group.

The name and phone number of your PCP is printed on your membership card.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

To change your PCP, call Member Services at 1-844-614-3225, (TTY: 711) 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. When you call, be sure to tell Member Services if you are using a specialist or getting other services that need your PCP's approval.

You can start using your PCP on the first day of the month after your request. For example, if you ask to change your PCP on September 13, you can start using your new primary care doctor on October 1.

We'll send you a new Wellpoint Full Dual Advantage Support (HMO D-SNP) Member ID Card with your new PCP's name and phone number.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers.
- Urgently needed covered services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711), 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our network is temporarily unavailable.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. Call Member Services before you leave the service area. We can help you get dialysis while you're away.
- Flu shots and COVID-19 vaccines as well as hepatitis B vaccines and pneumonia vaccines as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Additionally, if eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

For certain services provided by specialists, either your PCP or specialist will need to get prior approval from us. This is called getting "prior authorization." (For more information about this, see the Medical Benefits Chart in Chapter 4.) When we give our decision, we base it on two things. First there are Medicare's and the state Medicaid program's rules. Second, there are generally accepted standards of medical practice. These standards are proven and accepted by those who practice and study medicine. We also need to make sure you get the most cost effective care. This means it doesn't cost more than another option that will work just as well. But we also need it to be right for you. And that you get it in the right place and the right number of times. Finally, we cannot approve a service just because it is more convenient than another option. You must get our approval before getting care from providers not in our plan unless it's for urgent care, emergency care or renal dialysis outside the service area. To find a provider in our plan, check our Find a Doctor tool online or call Member Services. If you are referred or feel you need to use a provider who is not in our plan, you must call us to get approval before you get care.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We will help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about the available periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or TennCare.

- We can't pay a provider who isn't eligible to participate in Medicare and/or TennCare.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

This plan does not provide coverage for services received from out-of-network providers, except emergency, urgently needed care and end-stage renal disease services. You are not responsible for obtaining authorization for emergency, urgently needed care or end-stage renal disease services received from out-of-network providers.

You must receive your care from a network provider (for more information about this, see Section D1 in this chapter.) In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. This means that you will have to pay the provider in full for the services furnished. *Here are three exceptions:*

- If you need medical care that Medicare or Medicaid requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. You should obtain authorization from the plan prior to seeking care. In this situation, we will cover these services at no cost to you. For information about getting approval to see an out-of-network doctor. For instructions on how to obtain a prior authorization contact Member Services or your health care provider.
- The plan covers emergency care or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Chapter 12 definitions.
- The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay the plan for dialysis can never exceed the cost sharing in Original Medicare. If you are outside the plan's service area and obtain the dialysis from a provider that is outside the plan's network, your cost sharing cannot exceed the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from a provider outside the plan's network the cost sharing for the dialysis may be higher.

E. Long-term services and supports (LTSS)

TennCare CHOICES is Long-Term Services and Supports program (or CHOICES for short) for adults (age 21 and older) with a physical disability and seniors (age 65 and older). CHOICES offers services to help a person live in their own home or in the community. These services are called Home and Community Based Services or HCBS. These services can be provided in the home, on the job, or in the community to assist with daily living activities and allow people to work and be actively involved in their local community. CHOICES also provides care in a nursing home if it's needed.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

TennCare Employment Community First CHOICES is a Long-Term Services and Supports program (or ECF CHOICES for short) for people of all ages who have an intellectual or developmental disability (I/DD). This includes people who have significant disabilities. Services help people with I/DD gain as much independence as possible. People are supported to live with their family or in the community, not in an institution. Residential services are available for adults with I/DD who don't live with family but need supports where they live.

ECF CHOICES can help the person with I/DD explore the possibility of working. Services can also help people learn skills for work, find a job, and keep a job. This could be a part-time job, a full-time job or self-employment. Other services help people learn and do things at home and in the community that help people achieve their goals. If a person lives at home with their family, the services help the family support the person to become as independent as possible. Services also help people get actively involved in their communities and include peer supports for the person and for their family.

E1. How do I apply for CHOICES or ECF CHOICES?

Apply for CHOICES

If you think you need CHOICES, call us at 1-844-614-3225. We may use a short screening that will be done over the phone to help decide if you may qualify for CHOICES. If the screening shows that you don't appear to qualify for CHOICES, you'll get a letter that says how you can finish applying for CHOICES.

If the screening shows that you might qualify for CHOICES, or if we don't conduct a screening over the phone, we'll send a care coordinator to your home to do an assessment.

The purpose of the in-home assessment is to help you apply for CHOICES. It's also to find out:

- The kinds of help you need;
- The kinds of care being provided by family members and other caregivers to help meet your needs; **and**
- The gaps in care for which paid long-term services and supports may be needed.

If you want to receive care at home or in the community (instead of going to a nursing home), the assessment will help decide if your needs can be safely met in the home or community setting. For CHOICES Group 2 (you can read about all of the CHOICES Groups below), it will help decide if the cost of your care would exceed the cost of nursing home care.

This **doesn't** mean that you'll receive services up to the cost of nursing home care. CHOICES won't pay for more services than you must have to safely meet your needs at home. And CHOICES only pays for services to meet long-term services and supports needs that can't be met in other ways.

CHOICES services provided to you in your home or in the community won't take the place of care you get from family and friends or services you already receive.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

If you're getting help from community programs, receive services paid for by Medicare or other insurance, or have a family member that takes care of you, these services won't be replaced by paid care through CHOICES. Instead, the home care you receive through CHOICES will work together with the assistance you already receive to help you stay in your home and community longer. Care in CHOICES will be provided as cost-effectively as possible so that more people who need care will be able to get help.

However, if you've been getting services through the State-funded Options program, you won't qualify to get those services anymore. They're for people who don't get Medicaid. And if you've been getting services from programs funded by the Older Americans Act (like Meals on Wheels, homemaker, or the National Caregiver Family Support Programs) that you can now get through CHOICES, you'll get the care you need through CHOICES.

If you want home care, the care coordinator will also assess risk. This will help to identify any additional risks you may face as a result of choosing to receive care at home. It will also help to identify ways to help reduce those risks and to help keep you safe and healthy.

To see if you qualify to enroll in CHOICES, call us at 1-844-614-3225.

Does someone you know that isn't on TennCare want to apply for CHOICES? They should contact their local Area Agency on Aging and Disability (AAAD) for free at 866-836-6678. Their local AAAD will help them find out if they qualify for TennCare and CHOICES.

Apply for ECF CHOICES:

There's a limited amount of funding to serve people each year. This means that not everyone who wants to apply can enroll or get services right away.

There's a referral list for ECF CHOICES. To get on the referral list, a self-referral must be completed. Filling out the self-referral for ECF CHOICES doesn't mean you'll be enrolled in the program. You must qualify to enroll in the program. There must be room in the program to enroll you AND you must be in one of the groups that may qualify to get services now.

To complete a self-referral, visit www.perlss.tennicare.tn.gov/externalreferral. If you need help with a self-referral for ECF CHOICES, call us at 1-844-614-3225.

ECF CHOICES services provided to you in your home or in the community won't take the place of care you get from family and friends or services you already receive.

If you're getting help from community programs, receive services paid for by Medicare or other insurance, or have a family member that takes care of you, these services won't be replaced by paid care through ECF CHOICES. Instead, the home care you receive through ECF CHOICES will work together with the assistance you already receive to help you stay in your home and community longer. Care in ECF CHOICES will be provided as cost-effectively as possible so that more people who need care will be able to get help.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

However, if you've been getting services through the State-funded Family Support program, you won't qualify to get those services anymore. They are for people who don't get Medicaid. And if you've been getting services from programs funded by the other state or federal programs (like Meals on Wheels, homemaker, or the National Caregiver Family Support Programs) that you can now get through ECF CHOICES, you'll get the care you need through ECF CHOICES.

Meals on Wheels, homemaker, or the National Caregiver Family Support Programs) that you can now get through ECF CHOICES, you'll get the care you need through ECF CHOICES.

To see if you qualify to enroll in ECF CHOICES, call us at 1-844-614-3225.

Does someone you know that isn't on TennCare want to apply for ECF CHOICES? They can complete a self-referral by visiting www.perlss.tennCare.tn.gov/externalreferral. If they need help with the self-referral, they should contact the Department of Disability and Aging (DDA) Regional Intake office in their area of the state.

- West Tennessee (866) 372-5709
- Middle Tennessee (800) 654-4839
- East Tennessee (888) 531-9876

This office will help them find out if they qualify for TennCare and ECF CHOICES.

E2. Who can qualify to enroll in CHOICES or ECF CHOICES?

There are (3) groups of people who can qualify to enroll in CHOICES.

CHOICES Group 1 is for people of all ages who receive nursing home care.

To be in CHOICES Group 1, you must:

- Need the level of care provided in a nursing home, **and**
- qualify for Medicaid long-term services and supports, **and**
- receive nursing home services that TennCare pays for.

TennCare Long-Term Services and Supports will decide if you need the level of care provided in a nursing home. TennCare Member Services will decide if you qualify for Medicaid long-term services and supports. We'll help you fill out the papers TennCare needs to decide. What if TennCare says yes? If you're receiving nursing home services that TennCare will pay for, TennCare will enroll you into CHOICES Group 1. If TennCare says you don't qualify, you'll get a letter that says why. It will say how to appeal if you think it's a mistake.

CHOICES Group 2 is for certain people who qualify for nursing home care but choose to receive home care instead. To be in CHOICES Group 2, you must:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Need the level of care provided in a nursing home, **and**
- qualify for Medicaid long-term services and supports because you receive SSI payments OR because you'll need and will receive home care services instead of nursing home care, **and**
- be an adult 65 years of age or older, **or**
- be an adult 21 years of age or older with a physical disability.

If you need home care services but don't qualify in one of these groups, you can't be in CHOICES Group 2, but you may qualify for other kinds of long-term services and supports.

TennCare Long-Term Services and Supports will decide if you need the level of care provided in a nursing home. TennCare Member Services will decide if you qualify for Medicaid long-term services and supports for one of the reasons listed above. We'll help you fill out the papers they need to decide. If TennCare says yes, to enroll in CHOICES Group 2 and begin receiving home care services:

- We must be able to safely meet your needs at home.
- And the cost of your home care can't be more than the cost of nursing home care. The cost of your home care includes any home health or private duty nursing care you may need.

If we can't safely meet your needs at home, **or** if your care would cost more than nursing home care, you can't be in CHOICES Group 2. But you may qualify for other kinds of long-term services and supports.

If TennCare says you don't qualify, you'll get a letter that says why. It will say how to appeal if you think it's a mistake.

CHOICES Group 3 is for certain people who **don't qualify for nursing home care** but **need home care** to help them stay at home safely.

To be in CHOICES Group 3, you must:

- Be "at risk" of going into a nursing home unless you receive home care, **and**
- qualify for Medicaid long-term services and supports because you receive SSI payments OR because you don't receive SSI payments but you'll receive home care services instead of nursing home care and there's an available slot, **and**
- be an adult 65 years of age or older, **or**
- be an adult 21 years of age or older with a physical disability.

TennCare Long-Term Services and Supports will decide if you're "at risk" of going into a nursing home. TennCare Member Services will decide if you qualify for Medicaid long-term services and supports for one of the reasons listed above. We'll help you fill out the papers they need to decide.

If TennCare says yes, to enroll in CHOICES Group 3 and begin receiving home care services:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- We must be able to safely meet your needs at home with the care you'd get in CHOICES Group 3.
- If we can't safely meet your needs with the care that you'd get in CHOICES Group 3, you can't be in CHOICES Group 3. But TennCare may decide that you qualify for other kinds of long-term services and supports, including nursing home care.

There are five groups of people who can qualify to enroll in ECF CHOICES.

Essential Family Supports (This is sometimes called "Group 4.") - Family Support services are for families caring for a child under the age of 21 who has an intellectual or developmental disability (I/DD). The child must live at home with their family (not a foster family).

Adults age 21 with I/DD living at home with their family can also choose to enroll in this group if they qualify.

Essential Supports for Employment and Independent Living (This is sometimes called "Group 5.") - Essential Support services are for adults age 21 and older who have an I/DD but don't qualify for the level of care in a nursing home.

- A person age 18-21 with I/DD may be enrolled in this group if they can't live with their family anymore.
- A person who would qualify to receive care in a nursing home can choose to enroll in this group if ECF CHOICES Group 6 is full and their needs can be met with these services.

Comprehensive Supports for Employment and Community Living (This is sometimes called "Group 6.") - These services are only for adults age 21 and older who would qualify to get care in a nursing home. (This doesn't mean the person has to receive care in a nursing home. This program provides services at home and in the community. They just need to qualify for nursing home care.)

- A person age 18-21 with I/DD may be enrolled in this group if they can't live with their family anymore.
- Comprehensive Support services are for people who need more services to help them live in the community and achieve their employment and community living goals.

Intensive Behavioral Family Supports (This is sometimes called "Group 7.") - This group is for a small number of children under age 21 who live with their family and have I/DD and severe behavior support needs that place the child or others at risk of serious harm. The behaviors are so challenging that the child is at risk of being placed outside the home. This group provides mental health treatment and other services in the home with the family. (The family must be willing to be part of the child's treatment.) The services will train and support the family to support the child so they can keep living safely together. People are usually in this group short-term. Once the person is stable in the community, they'll move to a different benefit group that can safely meet their needs.

Comprehensive Behavioral Supports for Employment and Community Living (This is sometimes called "Group 8.") - This group is for a small number of adults who have I/DD and severe behavior support

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

needs and are moving into the community from a place with lots of structure and supervision. This could be coming from a mental health hospital, the foster care system, jail, or a nursing home. These services are mostly for adults age 21 or older. But sometimes, a person age 18-20 can get them too. They combine 24/7 residential services with mental health treatment and support. People are usually in this group short-term. Once the person is stable in the community, they'll move to a different benefit group that can safely meet their needs.

TennCare Long-Term Services and Supports will decide if you meet the level of care rules to enroll in ECF CHOICES. TennCare Member Services will decide if you meet the income and resource rules to qualify for Medicaid long-term services and supports through ECF CHOICES. We'll help you fill out the papers they need to decide. If TennCare says yes, to enroll in ECF CHOICES and begin receiving home care services:

- We must be able to safely meet your needs at home.
- And, the cost of your home care can't be more than the expenditure cap for your ECF CHOICES Group. The cost of your home care includes any home health or private duty nursing care you may need.

If we can't safely meet your needs at home, or if your care would cost more than the expenditure cap for your ECF CHOICES Group, you can't be in ECF CHOICES. But you may qualify for other kinds of long-term services and supports.

If TennCare says you don't qualify, you'll get a letter that says why. It will say how to appeal if you think it's a mistake.

E3. Limits on Enrollment into CHOICES Group 2 and 3 and ECF CHOICES

Not everyone who qualifies to enroll in CHOICES Group 2 or Group 3 may be able to enroll. There's an enrollment target for CHOICES Group 2 and Group 3. It's like a limit on the number of people who can be in the group at one time. (The number of people who can enroll is sometimes called "slots".) This helps to ensure that the program doesn't grow faster than the State's money to pay for home care. It also helps to ensure that there are enough home care providers to deliver needed services.

The enrollment target for the number of slots that can be filled in CHOICES Group 2 and Group 3 will be set by the state in TennCare Rules.

For CHOICES Group 2 it doesn't apply to people moving out of a nursing home. And, it **may** not apply to some people who are on TennCare that would have to go into a nursing home right away if less costly home care isn't available. We must decide if you would go into a nursing home right away and provide proof to TennCare. And we must show TennCare that there are home care providers ready to start giving you care at home.

Some slots will be held back (or reserved) for emergencies. This includes things like when a person is leaving the hospital and will be admitted to a nursing home if home care isn't available. Reserved slots won't be used until all the other slots have been filled. The number of reserved slots and the guidelines

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

to qualify in one of those slots is in TennCare Rules. If the only slots left are reserved, you'll have to meet the guidelines for reserved slots to enroll in CHOICES Group 2 or Group 3.

If you don't meet the guidelines for reserved slots or there are no slots available and you qualify to enroll in CHOICES Group 2 or Group 3, your name will be placed on a waiting list. Or, if you meet the guidelines for CHOICES Group 2, you can choose to enroll in CHOICES Group 1 and receive nursing home care. There's no limit on the number of people that can be enrolled in Group 1 and go into a nursing home. (But you don't have to receive nursing home care unless you want to. You can wait for home care instead.)

People enrolled in CHOICES Group 2 above the enrollment target must get the first slots that open up. (These are people who have moved out of nursing homes or people already on TennCare and would have gone into a nursing home right away if less costly home care wasn't available.)

When everyone in CHOICES Group 2 is under the enrollment target and there are still slots available, TennCare can enroll from the waiting list based on need.

Not everyone who qualifies to enroll in ECF CHOICES may be able to enroll. There is an enrollment target for ECF CHOICES Groups. It's like a limit on the number of people who can be in the group at one time. (The number of people who can enroll is sometimes called "slots".) This helps to ensure that the program doesn't grow faster than the State's money to pay for care. It also helps to ensure that there are enough home care providers to deliver needed services.

Some slots will be held back (or reserved) for emergencies. This includes things like when a person with an intellectual disability has a primary caregiver who is at least 75 years old, when a person with a developmental disability has a primary caregiver who is at least 80 years old, or the primary caregiver is permanently incapacitated or deceased. The number of reserved slots and the guidelines to qualify in one of those slots is in TennCare Rules. If the only slots left are reserved, you'll have to meet the guidelines for reserved slots to enroll in ECF CHOICES.

If you don't meet the guidelines for reserved slots or there are no slots available and you qualify to enroll in ECF CHOICES, your name will be placed on a referral list.

When there are slots available, TennCare can enroll from the referral list based on priority. These priority rules are in TennCare Rules.

E4. Receiving Services in the CHOICES Program or ECF CHOICES Program

Receiving Services in the CHOICES Program

The covered long-term services and supports you can receive in CHOICES depend on the CHOICES Group you're enrolled in. If you enroll in CHOICES, TennCare will tell you which CHOICES Group you're in.

There are three (3) CHOICES Groups.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

People in **CHOICES Group 1** receive nursing home care.

People in **CHOICES Group 2** need the level of care provided in a nursing home but receive home care (or HCBS) instead of nursing home care. Everyone in CHOICES Group 2 has an individual cost neutrality cap which is usually related to the average cost of nursing home care. This amount is updated every year.

People in **CHOICES Group 3** receive home care (or HCBS) to prevent or delay the need for nursing home care. There is an expenditure cap with a yearly limit on services in CHOICES Group 3.

The kinds of home care covered in CHOICES Group 2 and Group 3 are included below. Some of these services have limits. This means that TennCare will pay for only a certain amount of these services. The kind and amount of care you get in CHOICES depends on your needs.

These services include:

Personal care visits (up to 2,580 hours per calendar year) - This means someone will help you with personal care needs and support in your home, on the job, or in the community. This can be things like helping with household chores such as fixing meals, cleaning, or laundry. Or they can run errands for you, like grocery shopping or picking up your medicine.

This Personal Care service is only for you. Personal Care will do these services if no one else in the household can do them for you. This isn't for other family members who aren't enrolled in CHOICES.

Community Transportation (Up to \$225 per month if you get this service through consumer direction) - Helps you get to work or to other places in the community when public transportation isn't available, and you don't have any other way to get there

Home-delivered meals (up to one meal per day).

Personal Emergency Response System - A call button so you can get help in an emergency when your caregiver isn't around.

Adult day care (up to 2,080 hours per calendar year) - A place that provides supervised care and activities during the day.

In-home respite care (up to 216 hours per calendar year) - Someone to come and stay with you in your home for a short time so your caregiver can get some rest.

In-patient respite care (up to nine days per calendar year) - A short stay in a nursing home or assisted care living facility so your caregiver can get some rest.

Assistive technology (up to \$900 per calendar year) - Certain low-cost items or devices that help you do things easier or safer in your home like grabbers to reach things.

Minor home modifications (up to \$6,000 per project; \$10,000 per calendar year; and \$20,000 per lifetime) - Certain changes to your home that will help you get around easier and safer in your home like grab bars or a wheelchair ramp.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Pest control (up to nine units per calendar year) - Spraying your home for bugs or mice.

Assisted Care Living Facility - A place you live that helps with personal care needs, homemaker services and taking your medicine. You must pay for your room and board.

Critical Adult Care Home – A home where you and no more than 4 other people live with a health care professional that takes care of special health and long-term care needs. (Under state law, available only for people who are ventilator dependent or who have traumatic brain injury. You must pay for your room and board.) Critical Adult Care Homes are available for Group 2 members ONLY.

Companion Care – Someone you hire who lives with you in your home to help with personal care or light housekeeping whenever you need it. (Available only for people in Consumer Direction who are in Group 2 and who need care off and on during the day and night that can't be provided by unpaid caregivers. And only when it costs no more than other kinds of home care that would meet your needs.)

Community Living Supports (CLS) – A shared home or apartment where you and no more than three other people live. The level of support provided depends on your needs and can include hands-on assistance, supervision, transportation and other supports needed to remain in the community.

Community Living Supports – Family Model (CLS-FM) – A shared home or apartment where you and no more than three other people live with a trained host family. The level of support provided depends on your needs and can include hands-on assistance, supervision, transportation and other supports needed to remain in the community.

Enabling Technology is a new service – (up to \$5,000 per calendar year) – Enabling technology is the use of various forms of devices and technology to support independent living such as sensors, mobile applications, remote support systems and other smart devices. Enabling Technology can support a person in navigating their jobs and communities, gain more control of their environment, and provide remote support and reminders to assist a person in independent living.

Employment Supports – There are many different kinds of services to help you get and keep a job. They'll help you:

- Decide if you want to work and the kinds of jobs you might like and be really good at.
- Try out certain jobs to see what they're like and what you need to do to get ready for those jobs.
- Write a plan to get a job (or start your own business) and carry out that plan.
- Have a job coach to support you when you start your job until you can do the job by yourself or with help from co-workers.
- Get a better job, earning more money.
- Understand how the money you earn from working will impact other benefits you get, including Social Security and TennCare.

Employment services are available to all individuals in CHOICES Groups 2 and 3.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

The goal in this program is “individual, integrated, competitive employment.” Here’s what that means.

“Individual” means that you’re employed by yourself and not as part of a small group of people with disabilities. This doesn’t mean you can’t work with other people or be part of a team on your job. You could also be “self-employed.” This means you have a business and work for yourself.

“Integrated” means your work (or your business if you’re self-employed) is in the community. You work with (or provide services to) people who don’t have disabilities.

“Competitive” means the wage you earn for your work (or from your business, after expenses) is at least the minimum wage. And it should be the same wage that’s paid to people who don’t have disabilities that do the same work.

For some people, a job may be “customized.” This means that your employment provider helps find or develop a job that’s just for you. They match the kinds of things you like and are good at with the needs of an employer.

There will be a special agreement between you and your employer to make sure both of your needs are met. The employer may agree to change things about the job to make it work for you. You may only do parts of a job, share parts of the job with someone else, or do things that no one else does. The agreement may also cover things like:

- Where you work.
- The hours you work.
- The supports you need.
- How much you’re paid.

If you have greater support needs, “customized employment” may help find a job that’s right for you.

What if you don’t think you want to work? Before you make up your mind, we want to help you explore the kinds of jobs you might like and be good at. We want to help you understand the benefits of work and answer any questions you have. This is called Employment Informed Choice. It means you have the facts you need to make a good decision about working.

You can get Exploration to help you make an informed choice about employment.

Exploration – Helps you decide if you want to work and the kinds of jobs you might like and be really good at by visiting job sites that match your skills and interests. Also helps you (and your family) understand the benefits of working and helps answer your questions about work.

Receiving Services in the ECF CHOICES Program

The services you can receive in ECF CHOICES depend on which benefit group you’re in. **There are five benefit groups:**

Essential Family Supports

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Or “Family Support services” for short. (This is sometimes called “**Group 4.**”) Family Support services are only for people who live at home with their family. They'll help you plan for and get a job, and live as independently as possible in the community. They'll help you do things in the community that you want to do—to help you build relationships and reach your goals. They'll also help your family support you in planning for and reaching your goals.

The total cost of Family Support services you get can't exceed the cost cap each year. The cost cap is set by TennCare every year. It starts on January 1 each year and ends on December 31 each year. Only in Essential Family Supports, your cost cap doesn't include the cost of any Minor Home Modifications. We also won't count the cost of Family-to-Family Support.

Essential Supports for Employment and Independent Living

Or “Essential Support services” for short. (This is sometimes called “**Group 5.**”)

These services are only for adults age 21 and older. They'll help you get or keep a job and live as independently as possible in the community. They'll help you do things in the community that you want to do—to help you build relationships and reach your goals.

The total cost of Essential Support services you get can't exceed the cost cap each year. The cost cap is set by TennCare every year. It starts on January 1 each year and ends on December 31 each year. What if you have an emergency and need more services to stay in the community? You may be able to get more Essential Support services for that year. But they can't cost more than \$6,000.

You may also be able to go over your cap to get employment services OR if you need more help for a short time to transition safely to living in the community.

Comprehensive Supports for Employment and Community Living

Or “Comprehensive Support services” for short. (This is sometimes called “**Group 6.**”) These services are only for adults age 21 and older who would qualify to get care in a nursing home. (But these services are provided **in the community.**)

They'll help you get or keep a job and live as independently as possible in the community. They'll help you do things in the community that you want to do—to help you build relationships and reach your goals.

You'll have a limit (or “cost cap”) on the total cost of Comprehensive Support services you can get each year. Your yearly cost cap is based on an assessment of your “level of need”. Your “level of need” tells us how much support you need. Everyone in the Comprehensive Support Services group (ECF CHOICES Group 6) will have an assessed “level of need.” The assessment isn't done by TennCare or your health plan.

The total cost of Comprehensive Support services you get can't be more than your cost cap each year. It starts on January 1 each year and ends on December 31 each year. What if you have an emergency and need more services to stay in the community? **ONLY** if you have a low, moderate, or high level of need

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

(but not exceptional medical or behavioral needs), you may be able to get more Comprehensive Support services for that year. But they can't cost more than \$7,500.

ONLY if you have a low, moderate, or high level of need (but not exceptional medical or behavioral needs), you may also be able to go over your cap to get employment services. Except for these, no one can get Comprehensive Support services that cost more than their cost cap each year.

Only if you're assessed to have exceptional medical and/or behavioral needs: you'll have a higher cost cap. The amount is based on the average yearly cost of care in an institution you would qualify to receive.

- If you have an **intellectual disability**: Your cost cap is based on the average yearly cost of services in a private ICF/IID (Intermediate Care Facility for Individuals with Intellectual Disabilities).
- If you have a **developmental disability**: Your cost cap is based on the average yearly cost of nursing home care plus the average cost of special services a person with a developmental disability would need in a nursing home.
- These average yearly costs change every year.
- This **doesn't** mean you will get services in an ICF/IID or nursing home. Employment and Community First CHOICES provides services in the community. These amounts are used to set the yearly limit on the total cost of support services you can receive **in the community**—your cost cap (but **only** when you have exceptional medical or behavioral needs).
- If your cost cap is based on the cost of care in an ICF/IID or nursing home, any home health or private duty nursing TennCare pays for **will** also **count** against your cap. This is the only time other TennCare services count against your cost cap. **Except** for home health and private duty nursing for people with exceptional medical or behavioral needs, other TennCare services don't count against your cost cap.
- TennCare will get your assessment and tell you how much your cost cap will be. If you have questions, ask your Support Coordinator.

Intensive Behavioral Family Supports (This is sometimes called "**Group 7.**") This group is for a small number of children under age 21 who live with their family and have I/DD and severe behavior support needs that place the child or others at risk of serious harm. The behaviors are so challenging that the child is at risk of being placed outside the home. This group provides mental health treatment and other services in the home with the family. support services you can receive in the community—your cost cap (but only when you have exceptional medical or behavioral needs).

Any home health or private duty nursing TennCare pays for **will** also count against your cap. Comprehensive Behavioral Supports for Employment and Community Living

(This is sometimes called “**Group 8.**”)

This group is for a small number of adults who have I/DD and severe behavior support needs and are moving into the community from a place with lots of structure and supervision. This could be coming from a mental health hospital, the foster care system, jail, or a nursing home. These services are mostly for adults age 21 or older. But sometimes, a person age 18-20 can get them too. They combine 24/7 residential services with mental health treatment and support. People are usually in this group short-term. Once the person is stable in the community, they'll move to a different benefit group that can safely meet their needs.

- For the first year, your cost cap is based on the average yearly cost of services in a public ICF/IID (Intermediate Care Facility for Individuals with Intellectual Disabilities).
- For the second year and every year after, your cost cap is based on the average yearly cost of services in a private ICF/IID.
- These average yearly costs change every year.
- This **doesn't** mean you will get services in an ICF/IID. Employment and Community First CHOICES provides services **in the community**. These amounts are used to set the yearly limit on the total cost of support services you can receive in the community—your cost cap (but only when you have exceptional medical or behavioral needs).
- If your cost cap is based on the cost of care in an ICF/IID or nursing home, any home health or private duty nursing TennCare pays for **will** also **count** against your cap. This is the only time other TennCare services count against your cost cap. **Except** for home health and private duty nursing for people with exceptional medical or behavioral needs, other TennCare services don't count against your cost cap.
- TennCare will get your assessment and tell you how much your cost cap will be. If you have questions, ask your Support Coordinator.
- For the first year that you're in Employment and Community First CHOICES, your cost cap will be “pro-rated.” This means your yearly cost cap will be divided by the 365 days in a year and then multiplied by the number of days you'll actually be in the program that year.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- No matter how much your cost cap is, it **doesn't** mean that you'll get services up to the cost cap amount. Employment and Community First CHOICES will only pay for services you must have to meet your needs at home or in your community.
- This includes services you need to work, live as independently as possible, be part of your community, and reach your goals.
- We'll help you use or develop "natural supports" when you can. These are people who can help provide the support you need without being paid—like family, friends and co-workers. Using natural supports can help you build relationships and be part of your community.

The **kinds** of support services covered in Employment and Community First CHOICES are listed in Benefits Chart in **Chapter 4**. Some of these services have limits. This means that TennCare will only pay for a certain amount of these services. The chart tells you how each service can help you, what benefit groups cover it, and the limits of that service. If you have questions about a service, ask your Support Coordinator.

Employment Supports

There are many different kinds of services to help you get and keep a job. They'll help you:

- Decide if you want to work and the kinds of jobs you might like and be really good at.
- Try out certain jobs to see what they're like and what you need to do to get ready for those jobs.
- Write a plan to get a job (or start your own business) and carry out that plan.
- Have a job coach to support you when you start your job until you can do the job by yourself or with help from co-workers.
- Get a better job, earning more money.
- Understand how the money you earn from working will impact other benefits you get, including Social Security and TennCare.

Employment services are available to individuals of working age in all five benefit groups. In Tennessee, the working age starts at 16.

The goal in this program is "individual, integrated, competitive employment." Here's what that means.

"Individual" means that you're employed by yourself and not as part of a small group of people with disabilities. This doesn't mean you can't work with other people or be part of a team on your job. You could also be "self-employed." This means you have a business and work for yourself.

"Integrated" means your work (or your business if you're self-employed) is in the community. You work with (or provide services to) people who don't have disabilities.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

“Competitive” means the wage you earn for your work (or from your business, after expenses) is at least the minimum wage and it should be the same wage that’s paid to people who don’t have disabilities that do the same work.

For some people, a job may be “customized.” This means that your employment provider helps find or develop a job that’s just for you. They match the kinds of things you like and are good at with the needs of an employer.

There will be a special agreement between you and your employer to make sure both of your needs are met. The employer may agree to change things about the job to make it work for you. You may only do parts of a job, share parts of the job with someone else, or do things that no one else does. The agreement may also cover things like:

- Where you work.
- The hours you work.
- The supports you need.
- How much you’re paid.

If you have greater support needs, “customized employment” may help find a job that’s right for you.

What if you don’t think you want to work? Before you make up your mind, we want to help you explore the kinds of jobs you might like and be good at. We want to help you understand the benefits of work and answer any questions you have. This is called Employment Informed Choice. It means you have the facts you need to make a good decision about working.

There are 2 services you can get to help you make an informed choice about employment:

- **Exploration** – Helps you decide if you want to work and the kinds of jobs you might like and be really good at by visiting job sites that match your skills and interests. Also helps you (and your family) understand the benefits of working and helps answer your questions about work.
- **Peer-to-Peer Self-Direction, Employment and Community Support and Navigation** – Guidance and support from another person with disabilities who has experience and training to help you and answer your questions. Includes support to help you:
 - o Direct your support plan.
 - o Direct your services (hire and supervise your own staff in Consumer Direction).
 - o Think about and try employment or community living options.

Are you between the ages of 16 and 62? You must agree to complete the Employment Informed Choice process before you can get certain kinds of Independent Community Living Supports. Then, you can get other kinds of services at the **same time**. These include:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **Community Integration Support Services** – Helps you do things in the community that you want to do. Take a class, join a club, volunteer, get or stay healthy, do something fun, build relationships, and reach your goals.
- **Independent Living Skills Training** – Helps you learn new things so you can live more independently. These skills can help you take care of yourself, your home, or your money.

To complete the Employment Informed Choice process, you must receive at least the Exploration service. You can also choose to receive the Peer-to-Peer Support service.

What if you get at least the Exploration service and still don't want to work right now?

Then you must sign a page that says you've received all of the facts and still don't want to work. Then, if you need Community Integration Support Services or Independent Living Skills Training, you can get them. But they'll be limited to no more than 20 hours a week combined. You can only get these services if you don't get residential services like Community Living Supports (including Family Model). If you get Community Living Supports, help to do these things are part of the residential service you receive.

Enabling technology

Enabling technology is a service (up to \$5,000 per calendar year in combination with Assistive Technology) – Enabling technology is the use of various forms of devices and technology to support independent living such as sensors, mobile applications, remote support systems and other smart devices. Enabling Technology can support a person in navigating their jobs and communities, gain more control of their environment, and provide remote support and reminders to assist a person in independent living.

Coverage decisions for Long-Term Services and Supports

Sometimes you may have to ask us if we cover your medical care or behavioral health (mental health or substance use disorder) services before you receive them even if a doctor says you need the services. This is called a coverage decision. Please review Chapter 9 for more information on what to do, if this occurs.

Using Long-Term Services and Supports Providers Who Work with Wellpoint Full Dual Advantage Support (HMO D-SNP)

Just like health care and behavioral health services, you must use providers who work with us for most long-term services and supports. You can find the Provider Directory online at www.wellpoint.com. Or call us at 1-844-614-3225 to get a list. Providers may have signed up or dropped out after the list was printed. But the online Provider Directory is updated every week. You can also call us at 1-844-614-3225 to find out if a provider is in our network.

In most cases, you must receive services from a long-term services and supports provider on this list so that TennCare will pay for your long-term services and supports. However, there are times when TennCare will pay for you to get care from a long-term services and supports provider who doesn't usually work with us. But, we must first say that it's OK to use a long-

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

term services and supports provider who doesn't usually work with Wellpoint Full Dual Advantage Support (HMO D-SNP).

F. Behavioral health (mental health and substance use disorder) services

You **don't** need to see your PCP before getting behavioral health services. But, you'll need to get your care from someone who is in our network.

A Community Mental Health Center (CMHC) is one place you can go for mental health or substance use disorder services. Most CMHCs take TennCare.

G. How to get consumer directed care

G1. What consumer directed care is

Consumer Direction is a way of getting some of the kinds of home care you need. It offers more choice and control over **who** gives your home care and **how** your care is given. In CHOICES, the services available through Consumer Direction are:

- personal care visits;
- in-home respite
- companion care (only if you qualify for and are enrolled in CHOICES Group 2)
- community transportation

In ECF CHOICES, the services available through Consumer Direction are:

- personal assistance
- supportive home care
- respite
- community transportation

G2. Who can provide consumer directed care

In Consumer Direction, you actually employ the people who give some of your home care services—they work **for you** (instead of a provider). You must be able to do the things that an employer would do. These include things like:

1. Hiring and training your workers
 - o Find, interview and hire workers to provide care for you.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o Define workers' job duties.
 - o Develop a job description for your workers.
 - o Train workers to deliver your care based on your needs and preferences.
2. Setting and managing your workers' schedule
- o Set the schedule at which your workers will give your care.
 - o Make sure your workers clock in and out using an Electronic Visit Verification (EVV) system **every** time they work.
 - o Make sure your workers provide only as much care as you're approved to receive.
 - o Make sure that no hourly worker gives you more than 40 hours of care in a week.
3. Supervising your workers
- o Supervise your workers.
 - o Evaluate your workers' job performance.
 - o Address problems or concerns with your workers' performance.
 - o Fire a worker when needed.
4. Overseeing workers' pay and service notes
- o Decide how much your workers will be paid (within limits set by the state).
 - o Review the time your workers report to be sure it's right.
 - o Ensure there are good notes kept in your home about the care your workers provide.
5. Having and using a back-up plan when needed
- o Develop a back-up plan to address times that a scheduled worker doesn't show up (you can't decide to just go without services).
 - o Activate the back-up plan when needed.

G3. Representative for Consumer Direction (if applicable)

If you can't do some or all of these things? Then you can choose a family member, friend, or someone close to you to do these things for you. It's called a "Representative for Consumer Direction." It's important that you pick someone who knows you very well that you can depend on. To be your Representative for Consumer Direction, the person must:

- Be at least 18 years of age.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Know you very well.
- Understand the kinds of care you need and how you want care to be given.
- Know your schedule and routine.
- Know your health care needs and the medicine you take.
- Be willing and able to do all of the things that are required to be in Consumer Direction.
- Live with you in your home or be present in your home often enough to supervise staff. This usually means at least part of every worker's shift. But it may be less as long as it's enough to be sure you're getting the quality of care you need.
- Be willing to sign a Representative Agreement, saying they agree to do these things.

Your Representative can't get paid for doing these things.

You or your Representative will have help doing some of the things you must do as an employer. The help will be provided by a Fiscal Employer Agent (also called FEA). There are 2 kinds of help you'll receive:

1. The FEA will help you and your workers fill out all of the paperwork that you must complete. They'll pay your workers for the care they give. And, they'll fill out and file the payroll tax forms that you must fill out as an employer.
2. The FEA will hire or contract with a Supports Broker for you. A Supports Broker is a person who will help you with the other kinds of things you must do as an employer. These are things like:
 - o Writing job descriptions;
 - o Helping you and your workers with paperwork and training;
 - o Scheduling workers based on your support plan; and
 - o Developing an initial back-up plan to address times when a scheduled worker doesn't show up.

But, your Supports Broker can't help you supervise your workers. You or your Representative must be able to do that by yourself.

The kind and amount of care you'll get depends on what you need. Those services are listed in your support plan. You won't be able to get more services by choosing to be in Consumer Direction. You can only get the services you need that are listed in your support plan.

You can choose to get some of these services through Consumer Direction **and** get some home care from providers that work with your TennCare health plan. But, you must use providers that work with Wellpoint for care that you can't get through Consumer Direction.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Can you pay a family member or friend to provide care in Consumer Direction? Yes, you can pay a family member, but you can't:

- Pay your spouse to provide care;
- Pay someone who lives with you to provide personal care, personal assistance, in-home respite services, respite, supportive home care, or transportation;
- Pay an immediate family member to provide Companion Care. An immediate family member is a spouse, parent, grandparent, child, grandchild, sibling, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, and son-in-law. Adopted and step members are included in this definition;
- Pay someone who lives with you now or in the last 5 years to provide Companion Care;
- Pay a Representative for Consumer Direction, legal guardian, Conservator, or Power of Attorney (if they're your Employer of Record)

And, you can't pay family members or others to provide care they would have given for free. CHOICES and ECF CHOICES only pays for care to meet needs that can't be met by family members or others who help you. The services you need are listed in your support plan.

If you're in CHOICES or ECF CHOICES and need services that can be consumer directed your care coordinator will talk with you about Consumer Direction. If you want to be in Consumer Direction, your care coordinator will work with you to decide which of the services you'll direct and start the process to enroll you in Consumer Direction. Until Consumer Direction is set up, you'll get the services that are in your support plan from a provider who works with Wellpoint Full Dual Advantage Support (HMO D-SNP), unless you choose to wait for your Consumer Directed workers to start. If you choose to wait for your Consumer Directed workers to start, you must have supports in place to give you the care you need.

You can decide to be in Consumer Direction at any time. If you're directing one or more services and decide not to be in Consumer Direction anymore, you won't stop getting long-term services and supports. You'll still be in CHOICES or ECF CHOICES. You'll get the services you need from a provider who works with Wellpoint instead.

H. Transportation services

If you don't have a way to get to your health care visits, you may be able to get a ride from TennCare.

You can get help with a ride:

- Only for services covered by TennCare, and
- Only if you don't have any other way to get there.

You can have someone ride with you to your appointment if:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You're a child under the age of 21 or
- You have a disability or need help to get the service (like someone to open doors for you, push your wheelchair, help you with reading or decision making).

Try to call **at least two business days** before your health care appointment to make sure that you can get a ride. If you change times or cancel your health care appointment, you must change or cancel your ride too.

If you need a ride to your appointment or have questions about having someone ride with you, call us at 1-844-614-3225.

I. Covered services in a medical emergency, when urgently needed, or during a disaster

I1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**
- In the case of a pregnant woman in active labor, when:
 - o There isn't enough time to safely transfer you to another hospital before delivery.
 - o A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license even if they're not part of your network.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. For more information call Member Services at **1-844-614-3225** (TTY: 711) 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. You can find this information on the back of your Member ID Card.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

Wellpoint Full Dual Advantage Support (HMO D-SNP) offers limited supplemental emergency medical care coverage for occasions when you are outside of the United States. Please refer to the Benefits Chart in **Chapter 4** for more details.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by us. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. If you need an ambulance to get to the emergency room, our plan covers that. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4**.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

12. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it's not possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. Cost sharing for necessary urgently needed services furnished out-of-network is the same as for such services furnished in-network. Urgently needed service coverage is worldwide.

Wellpoint Full Dual Advantage Support (HMO D-SNP) offers limited supplemental urgently needed services coverage for occasions when you are outside of the United States. Please refer to the Benefits Chart in **Chapter 4** for more details.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Show your Wellpoint Full Dual Advantage Support (HMO D-SNP) card when you get the urgently needed care. Ask the provider to send the bill to Wellpoint Full Dual Advantage Support (HMO D-SNP). If the provider says no, ask if they'll send the bill to you at home. Or if you have to pay for the care, get a receipt.

When you get home, call us and tell us you had to pay for your health care or that you have a bill for it. We'll work with you and the provider to put in a claim for your care.

Our plan covers emergency services if you're traveling outside of United States and its territories for less than six months. Coverage is limited to \$100,000 per year for worldwide emergency services. This is a supplemental benefit. It's not covered by the Federal Medicare program. You must pay all costs over \$100,000 and all costs to return to your service area. You may be able to buy added travel insurance through an authorized agency. \$0 copay for each covered worldwide urgent care visit, emergency ground transportation, or emergency room visit.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

13. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster:
www.wellpoint.com.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Evidence of Coverage* for more information.

J. What if you're billed directly for covered services

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Evidence of Coverage* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

You won't have to pay for services that are covered by Medicaid. If you choose to pay out of pocket for a covered service, you **WON'T** be reimbursed. Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Evidence of Coverage*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Evidence of Coverage* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your Care Manager to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study, as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (<https://www.medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf>). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

L. How your health care services are covered in a religious non-medical health care institution

Sometimes your provider can't give you the care or treatment you need because of their conscience/ethical/moral or religious reasons. Call us at 1-844-614-3225. We can help you find a provider who can give you the care or treatment you need.

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply. For more information, please see the Benefits Chart in Chapter 4.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

M2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Evidence of Coverage*. This chapter also explains limits on some services.

Because you get help from TennCare, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Evidence of Coverage* for details about our plan's rules.

If you need help understanding what services are covered, call Member Services at 1-844-614-3225 (TTY: 711) 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Evidence of Coverage* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. (Drug coverage is in **Chapter 5**.) It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You don't pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and TennCare covered services according to the rules set by Medicare and TennCare.
- The services (including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs) must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get. **Chapter 3** of this *Evidence of Coverage* has more information about using network and out-of-network providers.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with a footnote.
- If your plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.
- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2027* handbook. View it online at www.Medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.)
- If Medicare adds coverage for any new services during 2027, either Medicare or our plan will cover those services.

If you lose your TennCare eligibility but can be expected to regain it within six months, we'll continue to provide all Medicare benefits covered by Wellpoint Full Dual Advantage Support (HMO D-SNP). When your Tennessee TennCare (Medicaid) coverage ends, we won't pay for your TennCare benefits. During this time, your costs may go up. You may have to pay Medicare premiums, copays, coinsurance, or deductibles that Medicaid used to pay for you. Your cost sharing for supplemental benefits from the plan will not increase.

For additional information about how a change in your TennCare eligibility may affect your benefits and cost sharing, please contact Member Services.

We'll assist you to regain your TennCare eligibility. If your TennCare eligibility is restored while you're still enrolled with us for your Medicare coverage, we'll resume paying for your TennCare benefits and your enrollment with us will continue. If you can't regain TennCare within six months we'll disenroll you from Wellpoint Full Dual Advantage Support (HMO D-SNP). If you regain TennCare eligibility after being disenrolled, you'll need to contact us to reenroll in the plan.

D. Our plan's Benefits Chart

Covered Service	What you pay
 Abdominal aortic aneurysm screening We pay for a one-time ultrasound screening for people at risk. Our plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant (PA), nurse practitioner (NP), or clinical nurse specialist (CNS).	\$0
Acupuncture We pay for up to 12 acupuncture visits in 90 days if you have chronic low back pain, defined as: • lasting 12 weeks or longer; • not specific (having no systemic cause that can be identified, such as not associated with metastatic, inflammatory, or infectious disease); • not associated with surgery; • not associated with pregnancy. In addition, we pay for an additional eight sessions of acupuncture for chronic low back pain if you show improvement. You may not get more than 20 acupuncture treatments for chronic low back pain each year. Acupuncture treatments must be stopped if you don't get better or if you get worse. Provider Requirements: This benefit continues on the next page.	\$0

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Covered Service	What you pay
Acupuncture (continued) Physicians may furnish acupuncture in accordance with applicable state requirements. Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have: • a master's or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, • a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia. Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations <i>Talk to your provider to get a prior authorization.</i>	
 Alcohol misuse screening and counseling We pay for one alcohol-misuse screening (SABIRT) for adults who misuse alcohol but aren't alcohol dependent. This includes pregnant women. If you screen positive for alcohol misuse, you can get up to four brief, face-to-face counseling sessions each year (if you're able and alert during counseling) with a qualified primary care provider (PCP) or practitioner in a primary care setting.	\$0
Ambulance services Covered ambulance services, whether for an emergency or non-emergency situation, include ground and air (airplane and helicopter), and ambulance services. The ambulance will take you to the nearest place that can give you care. This benefit continues on the next page.	\$0

If you were born between 1945-1965 and aren't considered high risk, we pay for a screening once. If you're at high risk (for example, you've continued to use illicit injection drugs since your previous negative Hepatitis C screening test), we cover yearly screenings.	

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Covered Service	What you pay
 Sexually transmitted infections (STIs) screening and counseling We pay for screenings for chlamydia, gonorrhea, syphilis, and hepatitis B. These screenings are covered for pregnant women and for some people who are at increased risk for an STI. A primary care provider must order the tests. We cover these tests once every 12 months or at certain times during pregnancy. We also pay for up to two face-to-face, high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. Each session can be 20 to 30 minutes long. We pay for these counseling sessions as a preventive service only if given by a primary care provider. The sessions must be in a primary care setting, such as a doctor's office.	\$0
SilverSneakers – Supplemental SilverSneakers can help you live a healthier, more active life through fitness and social connection. You are covered for a fitness benefit through SilverSneakers online and at participating locations¹. You have access to a nationwide network of participating locations where you can take classes² and use exercise equipment and other amenities. Enroll in as many locations as you like, at any time. You also have access to instructors who lead specially designed group exercise classes in-person and online, seven days a week. Covered Service	What you pay
Urgently needed care (continued) • a non-emergency that requires immediate medical care, or • an unforeseen illness, or • an injury, or • a condition that needs care right away. If you require urgently needed care, you should first try to get it from a network provider. However, you can use out-of-network providers when you can't get to a network provider because given your time, place, or circumstances, it's not possible, or it's unreasonable, to get this service from network providers (for example, when you're outside the plan's service area and you require medically needed immediate services for an unseen condition but it's not a medical emergency). World-wide emergency/urgent care - Supplemental: This plan covers worldwide urgent care services if you're traveling outside of the United States for less than six months. Coverage is limited to \$100,000.00 per year for worldwide urgent care and emergency services. This is a supplemental benefit. It's not covered by the Federal Medicare program. You must pay all costs over \$100,000.00 and all costs to return to your service area. You may be able to buy added travel insurance through an authorized agency.	Any costs you pay for Medicare Non-covered Services will not count toward your maximum out-of-pocket amount.
Video Doctor Visits - Supplemental LiveHealth Online lets you see board-certified doctors and licensed therapists/psychologists through live, two-way video on your smartphone, tablet or computer. It's easy to get started! You can sign up at livehealthonline.com or download the free LiveHealth Online mobile app and register. Make sure you have your health insurance card ready – you'll need it to answer some questions. Sign up for Free: This benefit is continued on the next page.	Any costs you pay for Medicare Non-covered Services will not count toward your maximum out-of-pocket amount. \$0.00 copay for video doctor visits using LiveHealth Online.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Covered Service	What you pay
Video Doctor Visits - Supplemental (continued) - You must enter your health insurance information during enrollment, so have your member ID card ready when you sign up. Benefits of a video doctor visit: - The visit is just like seeing your regular doctor face-to-face, but just by web camera. - It's a great option for medical care when your doctor can't see you. Board-certified doctors can help 24/7 for most types of care and common conditions like the flu, colds, pink eye and more. - The doctor can send prescriptions to the pharmacy of your choice, if needed. - If you're feeling stressed, worried or having a tough time, you can make an appointment to talk to a licensed therapist or psychologist from your home or on the road. In most cases, you can make an appointment and talk with a therapist or make an appointment and talk with a psychiatrist from the privacy of your home. Video doctor visits are intended to complement face-to-face visits with a board-certified physician and are available for most types of care. LiveHealth Online is offered through an arrangement with Amwell, a separate company, providing telehealth services on behalf of your health plan. ¹Prescription is prescribed based on physician recommendations and state regulations (rules). ²Appointments are typically scheduled within seven days, but may vary based on therapist/psychologist availability. Video psychologists or therapists cannot prescribe medications. ³Appointments are typically scheduled within 28 days, but may vary based on psychiatrist availability. Video psychiatrists cannot prescribe controlled substances.	

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Covered Service	What you pay
 Vision care We pay for outpatient doctor services for the diagnosis and treatment of diseases and injuries of the eye. For example, treatment for age-related macular degeneration. For people at high risk of glaucoma, we pay for one glaucoma screening each year. People at high risk of glaucoma include: • people with a family history of glaucoma • people with diabetes • African-Americans who are 50 and over • Hispanic Americans who are 65 and over For people with diabetes, we pay for screening for diabetic retinopathy once per year. We pay for one pair of glasses or contact lenses after each cataract surgery when the doctor inserts an intraocular lens. If you have two separate cataract surgeries, you must get one pair of glasses after each surgery. You can't get two pairs of glasses after the second surgery, even if you didn't get a pair of glasses after the first surgery. Vision care - Supplemental The plan provides additional vision coverage not covered by Original Medicare. This plan covers 1 routine eye exam(s) every year. This plan covers up to \$650.00 for eyeglasses or contact lenses every year. The amount the plan covers for eyewear is deductible from the total charge amount billed to insurance. After plan paid benefits for eyewear are applied, you are responsible for any remaining costs, including non-covered services. Benefits available under this plan cannot be combined with any other in-store discounts.	\$0 Any costs you pay for Medicare Non-covered Services will not count toward your maximum out-of-pocket amount.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Covered Service	What you pay
 “Welcome to Medicare” preventive visit We cover the one-time “Welcome to Medicare” preventive visit. The visit includes: • a review of your health, • education and counseling about preventive services you need (including screenings and shots), and • referrals for other care if you need it. Note: We cover the “Welcome to Medicare” preventive visit only during the first 12 months that you have Medicare Part B. When you make your appointment, tell your doctor’s office you want to schedule your “Welcome to Medicare” preventive visit.	\$0

Dental services – supplemental limitations and exclusions

Our plan partners with a dental vendor to provide your dental benefits.

Please note: Crown services, retainer crowns, and pontics require clinical review for prior authorization before treatment is performed to determine if they are appropriate and meet industry standards, clinical criteria, and guidelines. Treatment requests which are not medically necessary or do not meet clinical criteria and guidelines will not be covered. If prior authorization is denied, the service will not be covered and you will be responsible for all associated costs.

To locate a network provider or for questions related to our dental vendor plan’s clinical guidelines you may call the dental vendor's Member Services or search the dental vendor's website. It is recommended you work with your in-network dentist to check benefit coverage prior to obtaining dental services. Services performed by an out-of-network provider are only covered if listed in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart.

Coverage is limited to the services listed in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart with the following additional limitations and exclusions:

Crown Services

1. Requires prior authorization through the dental vendor.
2. Requests for crowns require the tooth/teeth to have a good long-term restorative, endodontic, and periodontal (at least 50% bone support) prognosis for approval.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

3. Requests for crowns on teeth without root canal treatment must show evidence of decay, fracture, failing restoration, etc., undermining more than 50% of the tooth to be considered for coverage.
4. Replacement of existing crowns which, in the opinion of the dental vendor's staff dentist or dental director is satisfactory or can be made to a satisfactory condition, is not covered.
5. Cosmetic or experimental dental services and/or procedures not generally performed in a general dentist's office are not covered.
6. Crowns for the purposes of esthetics, or as a result of normal wear & attrition, recession, abfraction and/ or abrasion are not covered.
7. Core Buildup, including any pins when required (CDT Code D2950), must show evidence that the tooth requires additional structure critical to support and retain a crown or bridge. Otherwise, the service will be considered included as part of the crown restoration.
8. Providers must submit all necessary documents to prove the services meet plan criteria and are medically necessary. This includes full mouth X-rays and treatment plan. Missing documents will lead to a denial of services. Services lacking enough documentation to show necessity, according to the dental vendor's criteria, will be denied.

Bridges (Retainer Crowns and Pontics) - A fixed partial denture is also called a bridge.

1. Bridges (retainers crowns and pontics) require prior authorization through the dental vendor.

Requests for bridges require a missing tooth in the arch with at least one strong tooth on each side and enough space for a replacement tooth. If a removable denture can fix how your teeth look and work, a bridge may not be covered. Bridges are generally not covered when you are missing teeth on both sides of your mouth unless.

2. Requests for bridges require the supporting teeth to have a good long-term restorative, endodontic, and periodontal (at least 50% bone support) prognosis for approval. They should last at least 5 years. Bridges are not covered if you have untreated gum disease or if the supporting teeth are not strong enough.

- You have a medical reason you cannot wear a removable denture, and
- Your dental records show that a removable denture did not work for you.

3. Requests for a "cantilevered pontic" or only one supporting tooth next to a missing tooth will not be covered for the replacement of a missing back tooth. Bridges may be considered for front teeth because they do not take as much pressure when you bite. This may include:

- One missing upper front tooth, or
- Two missing lower front teeth to each other

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

4. Requests for bridges must be between teeth that are alike. Bridges with a fake tooth, such as an implant, on one side and a natural tooth on the other side will not be covered. Wisdom teeth are not usually replaced unless they are needed for chewing.
5. Replacement of an existing bridge is not covered which, in the opinion of the dental vendor's staff dentist or dental director is satisfactory or that can be repaired. If replacement is requested, your dentist must submit documentation showing why the bridge cannot be repaired. The documentation must include a treatment plan and current dental X-rays or other supporting recordings, such as photographs, that show damage, decay gaps, or other conditions supporting the need for replacement. The dental vendor may request additional information before making a coverage decision.
6. Cosmetic or experimental dental services and/or procedures not generally performed in a general dentist's office are not covered.
7. Core Buildup, including any pins when required (CDT Code D2950), must show evidence that the tooth requires additional structure critical to support and retain a crown or bridge. Otherwise, the service will be considered included as part of the crown restoration.
8. Providers must submit all necessary documents to prove the services meet plan criteria and are medically necessary. This includes a treatment plan and full mouth X-rays that clearly show the condition of the tooth or teeth, including decay, damage, bone loss or gaps. A dental reviewer may ask for more information about your treatment plan. Missing documents will lead to a denial of services. Services lacking enough documentation to show necessity, according to the dental vendor's criteria, will be denied.
9. Providers must use correct billing codes for bridges. Codes for single crowns cannot be used instead.

Other Limitations and Exclusions:

- Providers must submit all necessary documents to prove the service meets the plan's criteria and is medically necessary. This includes full mouth X-rays and a treatment plan. Missing documents will lead to a denial of service. Services lacking enough documentation to show necessity, according to the dental vendor's criteria, will be denied.
- Any procedure not specifically listed as a covered benefit in the Dental services – Supplemental section of the Chapter 4 Medical Benefits Chart is not covered.
- Services related to a denied service will also be denied.
- Any treatment covered under an individual or group medical plan, auto insurance, no fault auto insurance or uninsured motorist policy, to the extent permitted by federal or state statute, is not covered.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Treatment is not covered if it's due to civil insurrection, military service, acts of war, or nuclear incidents.
- Services for injuries and/or conditions which are paid or payable under Worker's Compensation or Employer Liability Laws, and treatment provided without cost to you by any municipality, county, or other political subdivision is not covered.
- Fees for missed appointments, preparing or copying dental reports, duplicate X-rays, itemized bills, or claim forms are not covered.

The dental vendor's criteria utilized for medical necessity determination were developed from information collected from American Dental Association's Code Manuals, clinical articles, and guidelines, as well as dental schools, practicing dentists, insurance companies, other dental related organizations, and local state or health plan requirements.

Dental procedure codes and descriptions provided are based on CDT codes guidelines and intended for informational purposes only. These codes can change annually according to the updates released by the American Dental Association's Current Dental Terminology (CDT). These updates may introduce new codes, alter existing ones, or eliminate others. We recommend that you confirm the relevant procedure codes with our contracted dental vendor and dental provider before undergoing treatment to ensure they have the latest and most accurate information. The organization assumes no liability for claims denied due to the use of outdated or incorrect codes.

For more information about covered dental procedure codes, log into www.wellpoint.com and visit plan documents section.

E. Benefits covered outside of our plan

We don't cover the following services, but they're available through Medicare or TennCare.

- Gastric Bypass/Obesity Surgery/Bariatrics: Bariatrics is a branch of medicine dealing with prevention, control, and treatment of obesity. Gastric bypass/obesity surgery is surgery on the stomach and/or intestines to help the patient with extreme obesity lose weight.
- Genetic Testing: Genetic testing services evaluate the possibility of a genetic disorder, diagnose such disorders, counsel members regarding such disorders, and follow members with known or suspected disorders.
- Injectable Drugs: A medicine or other chemical substance which has a physiological effect when introduced into the body; used to treat, cure, prevent, or diagnose a disease or to promote well-being.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

E1. Population Health

Population Health services provide you with information on how to stay healthy. If you have an ongoing illness or unmet health needs, Population Health services can help you do things like:

- understand your illness and how to feel better
- help you or your child find a primary care doctor and get to your appointments
- develop a plan of care based on your doctor's or your child's doctor's advice for medical and behavioral health needs
- be a partner to you or your child to coordinate care with all of your health care providers
- have a healthy pregnancy and healthy delivery
- help with getting your prescription medications
- help keep you or your child out of the hospital by getting care in the community
- identify community organizations that can provide non-medical supports and resources to improve the health and well-being of you or your child
- help you with lifestyle changes that you want to make like quitting smoking or managing your weight
- help explain important health information to you or to your doctors

Population Health services are provided whether you're well, have an ongoing health problem or have a terrible health episode. Population Health services are available to you depending on your health risks and need for the service.

Population Health can provide you with a care manager. A care manager can help you get all the care you need. You may be able to have a care manager if you:

- go to the ER a lot, or if you have to go into the hospital a lot, or
- need health care before or after you have a transplant, or
- have a lot of different doctors for different health problems, or
- have an ongoing illness that you don't know how to deal with

To see if you can have a care manager, or if you want to participate in the Population Health services, you (or someone on your behalf) can call your plan.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

E2. Sterilization

Sterilization is the medical treatment or surgery that makes you not able to have children. To have this treatment, you must:

- be an adult age 21 or older
- be mentally stable and able to make decisions about your health
- not be in a mental institution or in prison
- fill out a paper that gives your OK. This is called a Sterilization Consent Form. You must fill this out with your provider.

You have to fill the paper out at least 30 days before you have the treatment. But in an emergency like premature delivery or abdominal surgery, you can fill the paper out at least 72 hours before you have the treatment.

E3. Abortion

Abortions may only be covered by TennCare in limited cases, like if you have a physical illness that you could die from without an abortion.

Your doctor must fill out a paper called Certification of Medical Necessity for Abortion.

TennCare may only cover abortions in specific circumstances, such as if a physical illness poses a life-threatening risk without an abortion, or if the pregnancy results from rape or incest.

E4. Hysterectomy

A hysterectomy is a medical surgery that removes reproductive organs. A hysterectomy can be covered when you must have it to fix other medical problems. After a hysterectomy, you won't be able to have children. But, TennCare won't pay for this treatment if you have it just so you won't have children. TennCare pays for this treatment only if it's for a covered reason and medically necessary.

You have to be told in words and in writing that having a hysterectomy means you aren't able to have children. You have to sign a paper called Hysterectomy Acknowledgement Form.

E5. CHOICES

Tennessee's CHOICES program provides older adults (age 65 and older) & adults with physical disabilities (age 21 and older) who are eligible for needed long-term services and supports in the home/community setting or in a nursing facility.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

CHOICES offers services to help a person live in their own home or in the community; these services are considered Home and Community Based Services (HCBS). These services assist individuals with daily living activities and allow people to work and be actively involved in their local community. If needed, CHOICES also provides care in a nursing facility as an alternative to HCBS.

All members in CHOICES are assigned to a group. There are three groups (1, 2 and 3) which provide specific services based on the individual's needs.

- Group 1 : For people of all ages who receive nursing home care.
- Group 2: For adults (age 21 and older) with a physical disability and seniors (age 65 and older) who qualify to receive nursing home care but choose to receive home care services instead.
- Group 3: For adults (age 21 and older) with a disability and seniors (age 65 and older) who don't qualify for nursing home care but still need care to delay or prevent the need for nursing home care.

For a complete list of services, please download the CHOICES Benefit Table

(<https://www.tn.gov/content/dam/tn/tenncare/documents/CHOICESMemberBenefitTable.pdf>).

E6. Employment and Community First CHOICES

Employment and Community First CHOICES is for people of all ages who have an intellectual or developmental disability (I/DD). This includes people who have significant disabilities.

Services help people with I/DD gain as much independence as possible. People are supported to live with their family or in the community, not in an institution. Residential services are available for adults with I/DD who don't live with family but need supports where they live.

Employment and Community First CHOICES can help the person with I/DD explore the possibility of working. Services can also help people learn skills for work, find a job, and keep a job. This could be a part-time job, a full-time job or self-employment. Working helps people earn money, learn new skills, meet new people, and play an important role in their communities. Work can also help people stay healthy and build self-confidence.

Other services help people learn and do things at home and in the community that help people achieve their goals. If a person lives at home with their family, the services help the family support the person to become as independent as possible. Services also help people get actively involved in their communities and include peer supports for the person and for their family.

All members in Employment and Community First CHOICES are assigned a group. There are five groups (4,5,6,7, or 8), which **provide specific services based on an individual's needs.**

- Group 4: Essential Family Supports
- Group 5: Essential Supports for Employment and Independent Living

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Group 6: Comprehensive Supports for Employment and Community Living
- Group 7: Intensive Behavioral Family-Centered Treatment, Stabilization and Supports
- Group 8: Intensive Behavioral Community Transition and Stabilization Services

Please view the [Member Benefit Table](#) for a complete list of services covered in each benefit group, how they can help, and any limits.

F. Benefits not covered by our plan, Medicare, or TennCare

This section tells you about benefits excluded by our plan. “Excluded” means that we don’t pay for these benefits. Medicare and TennCare don’t pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don’t pay for excluded medical benefits listed in this section (or anywhere else in this *Evidence of Coverage*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won’t pay for the services. If you think that our plan should pay for a service that isn’t covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Evidence of Coverage*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn’t cover the following items and services:

- services considered not “reasonable and medically necessary”, according to Medicare and TennCare, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Evidence of Coverage* for more information on clinical research studies. Experimental treatment and items are those that aren’t generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- full-time nursing care in your home
- fees charged by your immediate relatives or members of your household
- elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- cosmetic surgery or other cosmetic work, unless it's needed because of an accidental injury or to improve a part of the body that isn't shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it
- routine foot care, except as described in Podiatry service in the Benefits Chart in **Section D**
- orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we'll reimburse the veteran for the difference. You're still responsible for your cost-sharing amounts.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and TennCare.

Chapter 6 of your *Evidence of Coverage* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section F3** "If you're in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or TennCare's Terminated Provider List.

You generally must use a network pharmacy to fill your prescription. (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter.)

- If it's not on the Drug List, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug.

Your drug may require approval from our plan based on certain criteria before we'll cover it. Refer to **Section C** in this chapter.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Evidence of Coverage*.
- If you need help getting a prescription filled, contact Member Services.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Our plan will cover home infusion therapy if:
 - o Your prescription drug is on our plan's formulary, or a formulary exception has been granted for your prescription drug.
 - o Your prescription drug is not otherwise covered under our plan's medical benefit.
 - o Our plan has approved your prescription for home infusion therapy.
 - o Your prescription is written by an authorized prescriber
 - o Please refer to your Provider/Pharmacy Directory to find a home infusion pharmacy provider in your area. For more information, call Member Services.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - o Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - o If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A6. Using mail-order services to get your drugs

Our plan's mail-order service requires you to order at least a 30-day supply of the drug and no more than a 90- or 100-day supply. A 90- or 100-day supply has the same copay as a one-month supply if you receive Extra Help.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, call our mail-order Member Services at 1-833-203-1735 TTY users should call 711. Hours are 24 hours a day, 7 days a week. Our Interactive Voice Response (IVR) Service is available 24 hours a day, seven days a week.

Usually, a mail-order prescription arrives within 14 days. Pharmacy processing time will average about two to five business days; however, you should allow additional time for postal service delivery. It is advisable for first-time users of the mail-order pharmacy to have at least a 30-day supply of medication on hand when a mail-order request is placed. If the prescription order has insufficient information, or if we need to contact the prescribing physician, delivery could take longer. If your mail-order shipment is delayed, please call the mail-order pharmacy number provided in the Provider/Pharmacy Directory. It is advisable for first-time users of the mail-order pharmacy to ask the doctor for two signed prescriptions:

- One for an initial supply to be filled at their local retail participating pharmacy.
- The second for up to a three-month supply with refills to send to the mail-order pharmacy.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

If you used mail order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact us by calling the Member Services phone number on your membership card. If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allow you to cancel or delay the order before it is shipped. It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping. To opt out of automatic deliveries of new prescriptions received directly from your health care provider's office, please contact us by calling the Member Services phone number on your membership card.

2. New prescriptions the pharmacy gets from your provider's office

The pharmacy automatically fills and delivers new prescriptions it gets from health care providers, without checking with you first, if:

- You used mail-order services with our plan in the past, or

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by providing consent on your first new home delivery prescription, sent in by your physician.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling the Member Services phone number on your membership card.

If you get a prescription automatically by mail that you do not want, and you were not contacted to find out if you wanted it before it shipped, you may be eligible for a refund.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before you're billed and it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by calling the Member Services phone number on your membership card.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 30 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling the Member Services phone number on your membership card.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

When you get a long-term supply of drugs, your copay may be lower.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90- or 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

You can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- You are traveling within the United States and its territories and become ill or lose or run out of your prescription drugs.
- You are traveling within the United States and its territories, and the prescription is for a medical emergency or urgent care.
- You are unable to obtain a covered drug in a timely manner within our service area because a network pharmacy that provides 24-hour service is not available within a 25-mile driving distance.
- You are filling a prescription for a covered drug that is not regularly stocked at an accessible network retail pharmacy. (For example, an orphan drug or other specialty pharmaceutical.)
- You are unable to obtain a covered drug from a network pharmacy due to a declared disaster or emergency.

In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

A9. Paying you back for a prescription

Wellpoint Full Dual Advantage Support (HMO D-SNP) is unable to reimburse you for Medicaid-covered prescriptions. If you must use an out-of-network pharmacy, you must generally pay the full cost when

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

you get your prescription. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

To learn more about this, refer to **Chapter 7** of this *Evidence of Coverage*.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our Drug List includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under TennCare.

Our Drug List includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our Drug List, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the Drug List.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our Drug List, you can:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Visit our plan's website at www.wellpoint.com. The Drug List on our website is always the most current one.
- Call Member Services to find out if a drug is on our Drug List or to ask for a copy of the list.
- Use our "Real Time Benefit Tool" at www.wellpoint.com to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call Member Services.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs aren't on our Drug List because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our Drug List.
- In some cases, you may be able to get a drug that isn't on our Drug List. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called excluded drugs. If you get a prescription for an **excluded drug**, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Evidence of Coverage* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and TennCare drugs) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or TennCare can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss or weight gain
- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. Drug List cost-sharing tiers

Every drug on our *Drug List* is in one of five cost-sharing tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic drugs).

- **Tier 1 - Preferred Generic:** No-cost drugs, including common medication for ongoing conditions.
- **Tier 2 - Generic:** No to low-cost generic drugs and may include some brand name drugs.
- **Tier 3 - Preferred Brand:** Commonly used brand name drugs and may also include generic drugs.
- **Tier 4 - Non-Preferred Drug:** Brand name and generic drugs.
- **Tier 5 - Specialty Tier:** Drugs for complex or serious conditions.

To find out which cost-sharing tier your drug is in, look for the drug on our *Drug List*.

Chapter 6 of this *Evidence of Coverage* tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Evidence of Coverage*.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give, respectively, the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there's an available generic version.
- However, if your provider told us the medical reason that the generic drug won't work for you **or** wrote "No substitutions" on your prescription for a brand name drug **or** told us the medical reason that the generic drug or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug or interchangeable biosimilar.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at www.wellpoint.com for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A **doesn't** work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at www.wellpoint.com for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our Drug List. For the most up-to-date information, call Member Services or check our website at www.wellpoint.com. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Evidence of Coverage*.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.
- The drug is covered, but in a cost-sharing tier that makes your cost more expensive than you think it should be.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our *Drug List* **or**
 - was never on our *Drug List* **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year**.
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 34-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

If a drug you take will be taken off our Drug List or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of this *Evidence of Coverage*.

If you need help asking for an exception, contact Member Services.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our Drug List during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's Drug List. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our Drug List now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our Drug List changes, you can always:

- Check our current Drug List online at www.wellpoint.com **or**
- Call Member Services at the number at the bottom of the page to check our current Drug List.

Changes we may make to the Drug List that affect you during the current plan year

Some changes to the *Drug List* will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug*

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- o We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- o You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this *Evidence of Coverage* for more information on exceptions.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our Drug List. If you're taking the drug, we'll send you a notice after we make the change. Your prescriber will also know about this change and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our Drug List you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Evidence of Coverage*.

Changes to the Drug List that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking increase what you pay for the drug or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

We won't tell you about these types of changes directly during the current year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Evidence of Coverage*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Evidence of Coverage* for more information about the hospice benefit.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Member Services.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree, with our decision or the limitation, you and your prescriber can make an appeal. If you make appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Evidence of Coverage*.)

The DMP may not apply to you if you:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 6: What you pay for your Medicare and TennCare Medicaid drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medicaid, **and**
- Drugs and items covered by our plan as additional benefits.

Because you’re eligible for TennCare, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps with limited incomes and resources reduce Medicare Part D drug costs, such as premium, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - o We call this the Drug List. It tells you:
 - Which drugs we pay for
 - Which of the five tiers each drug is in.
 - If there are any limits on the drugs
 - o If you need a copy of our Drug List, call Member Services. You can also find the most current copy of our Drug List on our website at www.wellpoint.com.
- **Chapter 5** of this *Evidence of Coverage*.
 - o It tells how to get your outpatient drugs through our plan.
 - o It includes rules you need to follow. It also tells which types of drugs our plan doesn’t cover.
 - o When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the costs you’re expected to pay. You can call

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

The call is free. **For more information**, visit www.wellpoint.com.

A. The Explanation of Benefits (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for our share of the cost of the drug.

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Evidence of Coverage*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

B1. What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at Wellpoint Full Dual Advantage Support (HMO D-SNP) Member Services.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

B2. What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at Wellpoint Full Dual Advantage Support (HMO D-SNP) Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.
- TennCare Office of Inspector General (OIG) at 1-800-433-3982 or
P.O. Box 282368
Nashville, TN 37228
- Tennessee Bureau of Investigation (TBI) Medicaid Fraud unit at 1-800-433-5454
or 901 R.S. Glass Blvd
Nashville, TN 37216
- **Member Fraud:** www.tn.gov/finance/fa-oig/fa-oig-report-fraud.html
- **Provider Fraud:** www.tn.gov/tenncare/fraud-and-abuse/program-integrity.html

If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs

There are three payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the three stages:

Stage 1: Deductible Stage	Stage 2: Initial Coverage Stage	Stage 3: Catastrophic Coverage Stage
You start in this payment stage each calendar year. If you receive Extra Help, this payment stage doesn't apply to you.	During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.	During this stage, we pay all of the costs of your drugs through December 31, 2027. You begin this stage when you've paid a certain amount of out-of-pocket costs.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

D. Stage 1: The Deductible Stage

If you don't get Extra Help, the Deductible Stage is the first payment stage for your drug coverage. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. You'll pay a yearly deductible of \$105 on Tier 3: Preferred Brand, Tier 4: Non-Preferred Drugs, and Tier 5: Specialty Tier. You must pay the full cost of your Tier 3: Preferred Brand, Tier 4: Non-Preferred Drugs, and Tier 5: Specialty Tier until you reach our plan's deductible amount.

For all other drugs, you won't have to pay any deductible. The full cost is usually lower than the normal full price of the drug since our plan negotiated lower costs for most drugs at network pharmacies. The full cost cannot exceed the maximum fair price plus dispensing fees for drugs with negotiated prices under the Medicare Drug Price Negotiation Program. Once you pay \$105 for your Tier 3: Preferred Brand, Tier 4: Non-Preferred Drugs, and Tier 5: Specialty Tier, you leave the Deductible Stage and move on to the Initial Coverage Stage.

E. Stage 2: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's *Drug List* is in one of five cost-sharing tiers. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

- **Tier 1 - Preferred Generic:** No-cost drugs, including common medication for ongoing conditions.
- **Tier 2 - Generic:** No to low-cost generic drugs and may include some brand name drugs.
- **Tier 3 - Preferred Brand:** Commonly used brand name drugs and may also include generic drugs.
- **Tier 4 - Non-Preferred Drug:** Brand name and generic drugs.
- **Tier 5 - Specialty Tier:** Drugs for complex or serious conditions.

E1. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network retail pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of your *Evidence of Coverage* to find out when we do that.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Our plan’s mail-order pharmacy

To learn more about these pharmacy choices, refer to **Chapter 5** of this *Evidence of Coverage* and our *Provider and Pharmacy Directory*.

E2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90- or 100-day supply. It costs you the same as a one-month supply if you receive “Extra Help.”

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Evidence of Coverage* or our *Provider and Pharmacy Directory*.

E3. What you pay

During the Initial Coverage Stage, you may pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

Your share of the cost when you get a one-month supply of a covered prescription drug from:

	A network pharmacy A one-month supply	Our plan’s mail-order service A one-month supply	A network long-term care pharmacy A one-month supply	An out-of-network pharmacy A one-month supply. Coverage is limited to certain cases. Refer to Chapter 5 of this <i>Evidence of Coverage</i> .

E4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,400. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the \$2,400 limit. Many people don't reach it in a year.

F. Stage 3: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$2,400 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

G. Your drug costs if your doctor prescribes less than a full month's supply

In some cases, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
 - o Better plan when to refill your drugs,
 - o Coordinate refills with other drugs you take, **and**
 - o Take fewer trips to the pharmacy.

H. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of the vaccine itself.
2. The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

H1. What you need to know before you get a vaccine

We recommend that you call Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

H2. What you pay for a vaccine covered by Medicare Part D

What you pay for a vaccine depends on the type of vaccine (what you're being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's *Drug List*. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP) then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccine.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - For most adult Part D vaccines, you'll pay nothing.
 - For other Part D vaccines, you pay a copay for the vaccine.
2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
 - You pay a copay to the doctor for the vaccine.
 - Our plan pays for the cost of giving you the shot.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- The doctor's office should call our plan in this situation so we can make sure they know you only have to pay a copay for the vaccine.
3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
- For most adult Part D vaccines, you'll pay nothing for the vaccine itself.
 - For other Part D vaccines, you pay a copay for the vaccine.
 - Our plan pays for the cost of giving you the shot.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 7: Asking us to pay our share of a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

Table of Contents

A. Asking us to pay for your services or drugs	164
B. Sending us a request for payment.....	166
C. Coverage decisions	167
D. Appeals	167

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A. Asking us to pay for your services or drugs

You shouldn't get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow Wellpoint Full Dual Advantage Support (HMO D-SNP) providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to Section B.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid more than your share of the cost, it's your right to be paid back.
 - o If you paid for services covered by Medicare, we'll pay you back.
 - o If you paid for services covered by TennCare we can't pay you back, but the provider will. Member Services can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact Member Services if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back for our share of the cost. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - o If the provider should be paid, we'll pay the provider directly.
 - o If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

services or more than your share of the costs. **Call Member Services** at the number at the bottom of this page **if you get any bills**.

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Refer to **Chapter 5** of this *Evidence of Coverage* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full Medicare Part D prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs* (Drug List) on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Evidence of Coverage*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Evidence of Coverage*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Evidence of Coverage*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You must send your information to us within one year of the date you received the service, item, or drug.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- You can get the form on our website www.wellpoint.com, or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

Wellpoint
P.O. Box 61010
Virginia Beach, VA 23466-1010

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay for it. If you already paid for the service or drug, we'll mail you a check for what you paid. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Evidence of Coverage* explains the rules for getting your services covered. **Chapter 5** of this *Evidence of Coverage* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9, Section E**.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Evidence of Coverage*.

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A. Your right to get services and information in a way that meets your needs

We must ensure **all** services, both clinical and non-clinical, are provided to you in a culturally competent and accessible manner including for those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. We must also tell you about our plan's benefits and your rights in a way that you can understand. We must tell you about your rights each year that you're in our plan.

- To get information in a way that you can understand, call Member Services. Our plan has free interpreter services available to answer questions in different languages.

Our plan can also give you materials in languages other than English including Spanish and in formats such as large print, braille, or audio. To get materials in one of these alternative formats, please call Member Services at 1-844-614-3225 (TTY: 711) or write to **Wellpoint Member Services**, Wellpoint, P.O. Box 62947, Virginia Beach, VA, 23466-2947.

- To get information in a way that you can understand, call Member Services. Our plan has people who can answer questions in different languages. Our plan can also give you materials in languages other than English and in formats such as large print, braille, or audio. You can call Member Services and ask to have materials sent to you in Spanish.
- You can get this document for free in other languages and formats, such as large print, braille or audio. Call Member Services at the number listed on the bottom of this page. When calling, let us know if you want this to be a standing order. That means we will send the same documents in your requested format and language every year. You can also call us to change or cancel a standing order. You can also find your documents online at www.wellpoint.com.
- If English isn't your first language, you can ask for an interpreter when you get your care. This is a free service for you. **Before your appointment, call us or your provider** so you can get help with language services.
- You can also check in our Provider Directory to find doctors who speak other languages. You can access this information online at www.wellpoint.com.
- You can also get free help to communicate with your doctor like a sign language interpreter, writing notes, or a story board. **Before your appointment, call us or your provider** to get this help.
- Si el inglés no es su primer idioma, puede pedir un intérprete para sus consultas. Éste es un servicio gratuito para usted. **Antes de su cita, llámenos o llame a su proveedor** para que pueda recibir ayuda con servicios lingüísticos.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- También puede consultar nuestro Directorio de Proveedores para buscar médicos que hablan otros idiomas. Puede acceder a esta información en línea en www.wellpoint.com.
- También puede recibir ayuda gratuita para comunicarse con su doctor, como un intérprete de lenguaje de señas, escribir notas o un guión gráfico. **Antes de su cita, llámenos o llámenos a su proveedor** para recibir esta ayuda.

If you have trouble getting information from our plan because of language problems or a disability and you want to file a complaint, call:

- Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- U.S. Department of Health & Human Services Office for Civil Rights at 1-800-368-1019. TTY users should call 1-800-537-7697.
- To file a complaint or learn more about your rights visit: www.hhs.gov/ocr/complaints/index.html.

B. Our responsibility for your timely access to covered services and drugs

You have rights as a member of our plan.

- You have the right to choose a primary care provider (PCP) in our network. A network provider is a provider who works with us. You can find more information about what types of providers may act as a PCP and how to choose a PCP in **Chapter 3** of this *Evidence of Coverage*.
 - Call Member Services or go to the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- We don't require you to get referrals. or We don't require you to use network providers.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.
 - If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that's urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You have the right to know when you can use an out-of-network provider. To learn about out-of-network providers, refer to **Chapter 3** of this *Evidence of Coverage*.
- When you first join our plan, you have the right to keep your current providers and service authorizations for up to 30 days if certain conditions are met. To learn more about keeping your providers and service authorizations, refer to **Chapter 1** of your *Evidence of Coverage*.
- You have the right to make your own healthcare decisions with help from your care team and care coordinator.

Chapter 9 of this *Evidence of Coverage* tells what you can do if you think you aren't getting your services or drugs within a reasonable amount of time. It also tells what you can do if we denied coverage for your services or drugs and you don't agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws. TennCare exchanges PHI under restricted and limited use to process and pay claims, in accordance with federal regulations.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.
- You have the right to know if and how we share your PHI with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

C3. Notice of Privacy Practices

Below is the Notice of Privacy Practices as of August 2026.

Notice of privacy practices

Important information about your rights and our responsibilities

Protecting your personal health information is important. Each year, we're required to send you specific information about your rights and some of our duties to help keep your information safe. This notice combines three of these required yearly communications:

- State notice of privacy practices
- Health Insurance Portability and Accountability Act (HIPAA) notice of privacy practices
- Breast reconstruction surgery benefits

Would you like to go paperless and read this online or on your mobile app? Go to www.wellpoint.com and sign up to get these notices by email.

State notice of privacy practices

When it comes to handling your health information, we follow relevant state laws, which are sometimes stricter than the federal HIPAA privacy law. This notice:

- Explains your rights and our duties under state law.
- Applies to health, dental, vision and life insurance benefits you may have.

Your state may give you additional rights to limit sharing your health information. Please call the Member Services phone number on your ID card for more details.

Your personal information

Your nonpublic (private) personal information (PI) identifies you and it's often gathered in an insurance matter. You have the right to see and correct your PI. We may collect, use and share your PI as described

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

in this notice. Our goal is to protect your PI because your information can be used to make judgments about your health, finances, character, habits, hobbies, reputation, career and credit.

We may receive your PI from others, such as doctors, hospitals or other insurance companies. We may also share your PI with others outside our company – without your approval, in some cases. But we take reasonable measures to protect your information. If an activity requires us to give you a chance to opt out, we'll let you know, and we'll let you know how to tell us you don't want your PI used or shared for an activity you can opt out of.

THIS NOTICE DESCRIBES HOW MEDICAL, VISION AND DENTAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE READ CAREFULLY.

HIPAA notice of privacy practices

We keep the health and financial information of our current and former members private as required by law, accreditation standards and our own internal rules. We're also required by federal law to give you this notice to explain your rights and our legal duties and privacy practices.

Your protected health information

There are times we may collect, use and share your Protected Health Information (PHI) as allowed or required by law, including the HIPAA Privacy rule. Here are some of those times:

Payment: We collect, use and share PHI to take care of your account and benefits, or to pay claims for healthcare you get through your plan.

Healthcare operations: We collect, use and share PHI for our healthcare operations.

Treatment activities: We don't provide treatment, but we collect, use and share information about your treatment to offer services that may help you, including sharing information with others providing you treatment.

Examples of ways we use your information:

- We keep information on file about your premium and deductible payments.
- We may give information to a doctor's office to confirm your benefits.
- We may share explanation of benefits (EOB) with the subscriber of your plan for payment purposes.
- We may share PHI with your doctor or hospital so that they may treat you.
- We may use PHI to review the quality of care and services you get.
- We may use PHI to help you with services for conditions like asthma, diabetes or traumatic injury.
- We may collect and use publicly and/or commercially available data about you to support you and help you get health plan benefits and services.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- We may use PHI with technology to support and enable services provided to you.
- We may use your PHI to create, use or share de-identified data as allowed by HIPAA.
- We may also use and share PHI directly or indirectly with health information exchanges for payment, healthcare operations and treatment. If you don't want your PHI to be shared in these situations, visit anthem.com/privacy for more information.

Sharing your PHI with you: We must give you access to your own PHI. We may also contact you about treatment options or other health-related benefits and services. When you or your dependents reach a certain age, we may tell you about other plans or programs for which you may be eligible, including individual coverage. We may also send you reminders about routine medical checkups and tests. You may get emails that have limited PHI, such as welcome materials. We'll ask your permission before we contact you.

Sharing your PHI with others: In most cases, if we use or share your PHI outside of treatment, payment, operations or research activities, we have to get your okay in writing first. We must also get your written permission before:

- Using your PHI for certain marketing activities.
- Selling your PHI.
- Sharing any psychotherapy notes from your doctor or therapist.

We may also need your written permission for other situations not mentioned above. You always have the right to cancel any written permission you have given at any time.

You have the right and choice to tell us to:

- Share information with your family, close friends or others involved with your current treatment or payment for your care.
- Share information in an emergency or disaster relief situation.

If you can't tell us your preference, for example in an emergency or if you're unconscious, we may share your PHI if we believe it's in your best interest. We may also share your information when needed to lessen a serious and likely threat to your health or safety.

Other reasons we may use or share your information:

We are allowed, and in some cases required, to share your information in other ways - usually for the good of the public, such as public health and research. We can share your information for these specific purposes:

- Helping with public health and safety issues, such as:
 - o Preventing disease

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o Helping with product recalls
- o Reporting adverse reactions to medicines
- o Reporting suspected abuse neglect or domestic violence
- o Preventing or reducing a serious threat to anyone's health or safety
- Doing health research.
- Obeying the law, if it requires sharing your information.
- Responding to organ donation groups for research and certain reasons.
- Addressing workers' compensation, law enforcement and other government requests, and to alert proper authorities if we believe you may be a victim of abuse or other crimes.
- Responding to lawsuits and legal actions.
- Responding to the Secretary of Human Health Services for HIPAA rules compliance and enforcement purposes.

If you're enrolled with us through an employer, we may share your PHI with your group health plan. If the employer pays your premium or part of it, but doesn't pay your health insurance claims, your employer can only have your PHI for permitted reasons and is required by law to protect it.

Authorization: We'll get your written permission before we use or share your PHI for any purpose not stated in this notice. You may cancel your permission at any time, in writing. We will then stop using your PHI for that purpose. But if we've already used or shared your PHI with your permission, we cannot undo any actions we took before you told us to stop.

Genetic information: We cannot use your genetic information to decide whether we'll give you coverage or decide the price of that coverage.

Race, ethnicity, language, disability status, sexual orientation and gender identity: We may collect, infer, receive and/or maintain race, ethnicity, language, disability status, sexual orientation and gender identity information about you and protect this information as described in this notice. We may use this information to help you, including identifying your specific needs, developing programs and educational materials and offering interpretation services. We don't use race, ethnicity, language, disability status, sexual orientation and gender identity information to decide whether we'll give you coverage, what kind of coverage and the price of that coverage. We don't share this information with unauthorized persons.

Please note Elevance Health and its subsidiaries comply with Executive Order 14168.

Your rights

Under federal law, you have the right to:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Send us a written request to see or get a copy of your PHI, including a request for a copy of your PHI through email. Remember, there's a risk your PHI could be read by a third party when it's sent unencrypted, meaning regular email. So we will first confirm that you want to get your PHI by unencrypted email before sending it to you. We will provide you a copy of your PHI usually within 30 days of your request. If we need more time, we will let you know.
- Ask that we correct your PHI that you believe is wrong or incomplete. If someone else, such as your doctor, gave us the PHI, we'll let you know so you can ask him or her to correct it. We may say "no" to your request, but we'll tell you why in writing within 60 days.
- Send us a written request not to use your PHI for treatment, payment or healthcare operations activities. We may say "no" to your request, but we'll tell you why in writing.
- Request confidential communications. You can ask us to send your PHI or contact you using other ways that are reasonable. Also, let us know if you want us to send your mail to a different address if sending it to your home could put you in danger.
- Send us a written request to ask us for a list of those with whom we've shared your PHI. We will provide you a list usually within 60 days of your request. If we need more time, we will let you know.
- Ask for a restriction for services you pay for out of your own pocket: If you pay in full for any medical services out of your own pocket, you have the right to ask for a restriction. The restriction would prevent the use or sharing of that PHI for treatment, payment or operations reasons. If you or your provider submits a claim to us, we may not agree to a restriction (see "Your rights" above). If a law requires sharing your information, we don't have to agree to your restriction.
- Call Member Services at the phone number on your ID card to use any of these rights. A representative can give you the address to send the request. They can also give you any forms we have that may help you with this process.

How we protect information

We're dedicated to protecting your PHI, and we've set up a number of policies and information practices to help keep your PHI secure and private. If we believe your PHI has been breached, we must let you know.

We keep your oral, written and electronic PHI safe using the right procedures, and through physical and electronic ways. These safety measures follow federal and state laws. Some of the ways we keep your PHI safe include securing offices that hold PHI, password-protecting computers, and locking storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. These policies limit access to PHI to only those employees who need the data to do their jobs. Employees are also required to wear ID badges to help keep unauthorized people out of areas where your PHI is kept. Also, where required by law, our business partners must protect the privacy of data we share with them as they work with us. They're not allowed to give your PHI to others without your written permission, unless the law allows it and it's stated in this notice.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Potential impact of other applicable laws

HIPAA, the federal privacy law, generally doesn't cancel other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to give you more privacy protections, then we must follow that law in addition to HIPAA. One example is with Substance Use Disorder (SUD) Information we may receive from Providers or programs regulated by federal law (42 CFR Part 2). All disclosures of such SUD information must comply with applicable Federal and State privacy laws, including 42 CFR Part 2. We are allowed to Use and Disclose SUD information for certain Treatment, Payment, and Health Care Operations activities. You have the right to consent to the disclosure of SUD information in certain circumstances. You can revoke this consent in writing at any time.

Your Part 2 SUD records (or someone's testimony about what those records say) cannot be used or shared in a case against you in civil, criminal, administrative, or legislative proceedings unless:

- You give written permission, or
- A court orders the disclosure and the order is accompanied by a subpoena or similar legal requirement, and you (or the person holding your SUD records) are given notice and a chance to speak to the court before the records are shared.

To see more information

To read more information about how we collect and use your information, your privacy rights, and details about other state and federal privacy laws, please visit our Privacy web page at www.anthem.com/privacy.

Calling or texting you

We, including our affiliates and/or vendors, may call or text you by using an automatic telephone dialing system and/or an artificial voice. But we only do this in accordance with the Telephone Consumer Protection Act (TCPA). The calls may be about treatment options or other health-related benefits and services for you. If you don't want to be contacted by phone, just let the caller know or call 1-844-203-3796 to add your phone number to our Do Not Call list. We will then no longer call or text you.

Complaints

If you think we haven't protected your privacy, you can file a complaint with us at the Member Services phone number on your ID Card. You may also file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by visiting <https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf>. We will not take action against you for filing a complaint.

Contact information

You may call us at the Member Services phone number on your ID card. Our representatives can help you apply your rights, file a complaint or talk with you about privacy issues.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Copies and changes

You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to ask for a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you, as well as any PHI we may get in the future. We're required by law to follow the privacy notice that's in effect at this time. We may tell you about any changes to our notice through a newsletter, our website or a letter.

Effective date of this notice

The original effective date of this Notice was April 14, 2003. The most recent revision is as of August 2026 as noted at the top of this sub-section.

Breast reconstruction surgery benefits

A mastectomy that's covered by your health plan includes benefits that comply with the Women's Health and Cancer Rights Act of 1998, which provides for:

- Reconstruction of the breast(s) that underwent a covered mastectomy.
- Surgery and reconstruction of the other breast to restore a symmetrical appearance.
- Prosthesis and coverage for physical complications related to all stages of a covered mastectomy, including lymphedema.

You'll pay your usual deductible, copay and/or coinsurance. For details, contact your plan administrator.

For more information about the Women's Health and Cancer Rights Act, go to the United States Department of Labor website at <http://www.dol.gov/agencies/ebsa/laws-and-regulations/laws/whcra>.

D. Our responsibility to give you information

As a member of our plan, you have the right to get information from us about our plan, our network providers, and your covered services.

If you don't speak English, we have interpreter services to answer questions you have about our plan. To get an interpreter, call Member Services. This is a free service to you. You can call Member Services and ask to have this information sent to you in Spanish. We can also give you information in large print, braille, data or audio CD.

If you want information about any of the following, call Member Services:

- How to choose or change plans
- Our plan, including:
 - o financial information

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o how plan members have rated us
- o the number of appeals made by members
- o how to leave our plan
- Our network providers and our network pharmacies, including:
 - o how to choose or change primary care providers
 - o qualifications of our network providers and pharmacies
 - o how we pay providers in our network
- Covered services and drugs, including:
 - o services (refer to **Chapters 3 and 4** of this *Evidence of Coverage*) and drugs (refer to **Chapters 5 and 6** of this *Evidence of Coverage*) covered by our plan
 - o limits to your coverage and drugs
 - o rules you must follow to get covered services and drugs
- Why something isn't covered and what you can do about it (refer to **Chapter 9** of this *Evidence of Coverage*), including asking us to:
 - o put in writing why something isn't covered
 - o change a decision we made
 - o pay for a bill you got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Evidence of Coverage*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Refer to **Chapter 10** of this *Evidence of Coverage*:
 - o For more information about when you can join a new MA or drug benefit plan.
 - o For information about how you'll get your TennCare benefits if you leave our plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Evidence of Coverage* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever become unable to make decisions for yourself.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies to of the form people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - o The hospital will ask if you have a signed advance directive form and if you have it with you.
 - o If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with your state Department of Health.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Evidence of Coverage* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

If you think we treated you unfairly – and it **isn't** about discrimination for reasons listed in **Chapter 11** of this *Evidence of Coverage* – or you want more information about your rights, you can call:

- Member Services.
- TennCare Connect at 1-855-259-0701.

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read this *Evidence of Coverage*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - o Covered services, refer to **Chapters 3 and 4** of this *Evidence of Coverage*. Those chapters tell you what's covered, what isn't covered, what rules you need to follow, and what you pay.
 - o Covered drugs, refer to **Chapters 5 and 6** of this *Evidence of Coverage*.
- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **Tell your doctor and other health care providers** that you're a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most Wellpoint Full Dual Advantage Support (HMO D-SNP) members, TennCare pays for your Medicare Part A premium and for your Medicare Part B premium.
 - **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
 - **If you move outside of our service area, you can't stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of this *Evidence of Coverage* tells about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.
 - Tell Medicare and TennCare your new address when you move. Refer to **Chapter 2** of this *Evidence of Coverage* for phone numbers for Medicare and TennCare.
 - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
 - **If you move, tell Social Security (or the Railroad Retirement Board).**
- **Call Member Services for help if you have questions or concerns.**

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

I1. Estate Recovery

Estate Recovery is the way TennCare collects money from the estates of people who received TennCare long-term services and supports and passed away. TennCare is required by federal law to recoup (get back) these payments after the death of the member. This is referred to as “estate recovery.” The kinds of care that must be paid back are listed below.

Your “estate” is the property, belongings, money, and other assets that you own at the time of your death. Estate recovery is using the value of your property after you die to pay TennCare back for care you got. Keep reading to find out who has to pay TennCare back and how much your estate will have to pay back.

TennCare can’t ask for the money back until after your death. TennCare can’t ask for more money back than what was paid for. TennCare can’t ask your family to pay for your care out of their own pockets.

If the value of all of your assets at the time of your death is less than TennCare’s bill, TennCare is only allowed to get the value of your assets and no more. For example, if the only thing that you own at the time of your death is a home valued at \$50,000 but TennCare has a bill of \$75,000, then TennCare is only allowed to collect \$50,000. TennCare can’t ask your family to pay for the remaining amount.

I2. Who has to pay TennCare back for their care?

TennCare must ask to be paid back for money it spent on your care if you’re age 55 and older and got care in a nursing home or intermediate care facility for individuals with intellectual disabilities (ICF/IID), home care—called home and community-based services or HCBS, home health or private duty nursing.

I3. What kinds of care must be paid back to TennCare?

TennCare must ask to be repaid for:

- Care in a nursing home or ICF/IID.
- Home care, known as home and community-based services or HCBS.
- Home Health or private duty nursing.
- Hospital care and drugs related to your long-term care services.

I4. How much will your estate have to pay TennCare back for your care?

To provide long-term care, TennCare contracts with a health insurance company (also called a “managed care organization” or “MCO”). When someone receives TennCare, TennCare pays a monthly premium to the insurance company. The monthly premium is called a “capitation rate.” In return, the insurance company pays the health care provider (like a nursing facility or other entity providing

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

long-term care in the home/community) for the person's care. Under federal law, TennCare must ask to be paid back the premium payment it made to the insurance company for you.

The premium payment made to the insurance company is the same each month, no matter what services you actually receive that month. The premium payment can also be different depending on what type of long-term care you have and the part of the state you live in.

15. TennCare may not have to get the money back from your estate if:

- You don't have money, property, or other assets when you die **or**
- The things you left can't be used to pay people you owe through probate court. An example is life insurance money.

16. What if I sell or give away my home while I am receiving TennCare?

Then you must tell TennCare that you sold or gave away your home, which can affect your TennCare eligibility. You must also tell TennCare about any transfer made five years before you received TennCare. If you don't tell them about the transfer, they can have the transfer set aside and ask to be paid back from your estate, family member(s), or any other person that participated in the transfer.

17. What are the reasons that TennCare can delay estate recovery?

In some situations, estate recovery is delayed or "deferred," which means that TennCare won't go after your estate until a later date. TennCare defers estate recovery for an individual's estate when:

- You have a surviving husband or wife. TennCare can't collect money from your estate until the death of your husband or wife.
- You have a child that's under the age of 21. TennCare can't collect money from your estate until your child is over the age of 21.
- You have a blind or permanently disabled child. TennCare can't recover until the death of the disabled child.
- You have a son or daughter whose care kept you out of the nursing home for at least two years. TennCare can't collect money from your estate until your son or daughter no longer lives at the property.
- Your brother or sister whose care kept you out of the nursing home lived in your home for a year before you got nursing home or home care. If the brother or sister passes away or no longer resides at the property, then the deferral no longer exists.
- If the property is the family's only income, like a family farm.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

18. How will your family find out if your estate owes money to TennCare?

To find out if the estate owes money to TennCare, your family or representative must submit a Request for Release Form to TennCare in one of three ways:

- Get the Request for Release online at: www.tn.gov/content/dam/tn/tenncare/documents/releaseform.pdf
- Get the Request for Release from the Probate Court Clerk's office by asking for a "Request for Release from Estate Recovery".
- **Get the Request for Release from TennCare by sending an email, letter, or fax to:**

The call is free. **For more information**, visit www.wellpoint.com.

I9. What if you do have to pay TennCare money from your estate?

Your family or representative has many options if there's a TennCare claim:

- They can pay the TennCare claim from your remaining belongings.
- Your estate can be admitted to "Probate." When this happens, a Court will appoint someone known as an administrator (or if you have a will this person is known as an executor) to sell your property, to pay any debts that you might have had while alive and then give your heirs the remaining property/money if there's anything left. Your family or TennCare can request that an administrator be appointed for your estate.
- They may apply for a deferral of Estate Recovery.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it's confusing to start or follow the process for dealing with a problem. This can be especially true if you don't feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from our plan

You can call our plan at 1-844-614-3225 to help deal with a problem or answer questions.

Help from the Tennessee State Health Insurance Assistance Program (TN SHIP)

You can call the TN SHIP program. TN SHIP counselors can answer your questions and help you understand what to do about your problem. TN SHIP isn't connected with us or with any insurance company or health plan. TN SHIP has trained counselors in every county, and services are free. The TN SHIP phone number is 1-877-801-0044.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from TennCare

Call TennCare 1-855-259-0701 or 1-800-848-0298 (TTY).

C. Understanding Medicare and TennCare complaints and appeals in our plan

You have Medicare and TennCare. Information in this chapter applies to **all** your Medicare and TennCare benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and TennCare processes.

Sometimes Medicare and TennCare processes can’t be combined. In those situations, you use one process for a Medicare benefit and another process for a TennCare benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they’re covered, and problems about payment for medical care.	
Yes. My problem is about benefits or coverage. Refer to Section E, “Coverage decisions and appeals.”	No. My problem isn’t about benefits or coverage. Refer to Section K, “How to make a complaint.”

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4**, Section E of this *Evidence of Coverage*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or TennCare. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, **Section F2**, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section**

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

F4 for more information about Level 2 Appeals. If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- Tennessee State Health Insurance Assistance Program (TN SHIP) at 1-877-801-0044
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren't required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you're not sure which section to use, call Member Services at the numbers at the bottom of the page.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Evidence of Coverage* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren't getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- calling: 1-844-614-3225 (TTY: 711).
- faxing: 1-877-664-1504.
- writing:

Wellpoint Coverage Determinations

P.O. Box 62947
Virginia Beach, VA 23466-2947

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer within:

- **Seven calendar days** after we get your request **for a medical service or item that is subject to our prior authorization rules.**
- **14 calendar days** after we get your request for all other medical services or items.
- **72 hours** after we get your request **for a Medicare Part B drug.**

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a “fast complaint” about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we’ll give you an answer within:

- **72 hours** after we get your request **for a medical service or item.**
- **24 hours** after we get your request **for a Medicare Part B drug.**

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we’ll tell you in writing. **We can’t take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn’t** take extra days to make the coverage decision, you can make a “fast complaint” about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We’ll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You’re asking for coverage for medical items and/or services that you **didn’t get**. You can’t ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast coverage decision.

- If we decide that your health doesn’t meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - o We automatically give you a fast coverage decision if your doctor asks for it.
 - o How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you’ll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won’t review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at 1-844-614-3225.

Ask for a standard appeal or a fast appeal in writing or by calling us at 1-844-614-3225.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - o We dismiss your request, and
 - o We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for "fast appeal" is "**expedited reconsideration.**"

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
 - You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
 - If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o If we need extra days to make the decision, we tell you in writing.
- o If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
- o If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter Section F4, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Tennessee a Fair Hearing is called an appeal.
- **If we say Yes to part or all of your request,** we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request,** we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - o If we need extra days to make the decision, we tell you in writing.
 - o If your request is for a Medicare Part B prescription drug, we can't take extra time to make the decision.
 - o If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - o If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter Section F4, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Tennessee a Fair Hearing is called an appeal.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

If we say **No** to part or all of your request, **you have additional appeal rights:**

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a TennCare service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, TennCare, or both programs usually cover the service or item.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that **TennCare** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and TennCare** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by TennCare, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service**, we must:
 - Authorize the medical care coverage **within 72 hours, or**
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests, or**
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**
 - **Within 72 hours** after we get the IRO's decision for **standard requests, or**
 - **Within 24 hours** from the date we get the IRO's decision for **expedited requests**.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- **If the IRO says No to part or all of your appeal**, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that's covered by both Medicare and TennCare

A Level 2 Appeal for services that TennCare usually covers is a Fair Hearing with the state. You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

You can file an appeal by calling TennCare Member Medical Appeals at 1-800-878-3192.

- If you have an emergency and your health plan agrees that you do, you will get an **expedited** appeal. An expedited appeal will be decided in about one week. It could take longer if your health plan needs more time to get your medical records.
- If you're already getting care, you may be able to keep getting it during your appeal. To keep getting care during your appeal, all of these things must be true:
 - You must appeal by the date your care will stop or change or within 10 days of the date on the letter from your health plan (whichever date is later).
 - You must say in your appeal that you want to keep getting the care during the appeal.
 - The appeal must be for the **kind** and **amount** of care you've been getting that has been stopped or changed.
 - You must have a doctor's order for the care (if one is needed).
 - The care must be something that TennCare still covers.

IMPORTANT: What if you want to keep getting care **during** your appeal and you lose your appeal? You may have to pay TennCare back for the care you got during your appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

What does TennCare do when you appeal about a health care problem?

- When TennCare gets your appeal, they'll send you a letter that says they got your appeal. If you asked to keep getting your care during your appeal, it will say if you can keep getting your care. If you asked for an emergency appeal, it will say if you can have an emergency appeal.
- If TennCare needs more facts to work your appeal, you'll get a letter that says what facts they still need. You should give TennCare all of the facts that they ask for as soon as possible. If you don't, your appeal may end.
- TennCare must decide a regular appeal in 90 days. If you have an emergency appeal, they'll try to decide your appeal in about one week (unless they need more time to get your medical records).

What happens at a fair hearing about health care problems?

- Your hearing can be by phone or in person. The different people who may be at your hearing include:
 - An administrative judge
 - A TennCare lawyer
 - A witness for TennCare (someone like a doctor or nurse from TennCare),
- You can talk for yourself. Or, you can bring someone else, like a friend or a lawyer, to talk for you.
- During the hearing, you get to tell the judge facts and proof about your health and medical care. The judge will listen to everyone's side.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill.

We can't reimburse you directly for a Medicaid service or item. If you get a bill that's more than your copay, for Medicaid covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from that health care provider if you followed the rules for getting services or item.

If you want us to reimburse you for a **Medicare** service or item or you're asking us to pay a health care provider for a Medicaid service or item you paid for, you'll ask us to make this a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage. For more information, refer to **Chapter 7** of this Evidence of Coverage.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that TennCare may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Evidence of Coverage* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's Drug List or
 - set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's Drug List but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a **"coverage determination."**

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn't on our Drug List or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our Drug List, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 .	Refer to Section G4 .	Refer to Section G4 .	Refer to Section G5 .

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a **"formulary exception."**

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our Drug List

- If we agree to make an exception and cover a drug that isn't on our Drug List, you pay the copay that applies to drugs in Tier 4 - Non-Preferred Drug tier.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our Drug List (refer to **Chapter 5** of this *Evidence of Coverage* for more information).
- Extra rules and restrictions for certain drugs include:
 - o Being required to use the generic version of a drug instead of the brand name drug.
 - o Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - o Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - o Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

3. Changing coverage of a drug to a lower cost-sharing tier. Every drug on our Drug List is in one of five cost-sharing tiers. In general, the lower the cost-sharing tier number, the less your required copay amount is.

- Our Drug List often includes more than one drug for treating a specific condition. These are called "alternative" drugs.
- If an alternative drug for your medical condition is in a lower cost-sharing tier than the drug you take, you can ask us to cover it at the cost-sharing amount for the alternative drug. This would lower your copay amount for the drug.
 - o If the drug you take is a biological product, you can ask us to cover it at the cost-sharing amount for the lowest tier for biological product alternatives for your condition.
 - o If the drug you take is a brand name drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for brand name alternatives for your condition.
 - o If the drug you take is a generic drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for either brand or generic alternatives for your condition.
- You can't ask us to change the cost-sharing tier for any drug in Tier 5 - Specialty Tier.
- If we approve your tiering exception request and there's more than one lower cost-sharing tier with alternative drugs you can't take, you usually pay the lowest amount.

You can't get a tiering exception if there isn't a lower-cost brand-name drug available for the same use. For example, if you ask for a tiering exception for a brand-name drug that is already in the lowest brand tier, we can't lower your share of the cost to the generic tier when a generic drug is available for the same use.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn’t cause more side effects or other health problems, we generally **don’t** approve your exception request. If you ask us for a tiering exception, we generally **don’t** approve your exception request unless all alternative drugs in the lower cost-sharing tier(s) won’t work as well for you or are likely to cause an adverse reaction or other harm.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 1-833-293-0661, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don’t need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Evidence of Coverage*.
- If you ask for an exception, give us a “supporting statement.” The supporting statement includes your doctor or other prescriber’s medical reasons for the exception request.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a “fast coverage decision.”

We use the “standard deadlines” unless we agree to use the “fast deadlines.”

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor’s statement.

A “fast coverage decision” is called an **“expedited coverage determination.”**

You can get a fast coverage decision if:

- It’s for a drug you didn’t get. You can’t get a fast coverage decision if you’re asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn’t meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - o We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - o You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.
- If we don’t meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor’s supporting statement.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- **If** we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan **"redetermination"**.

- Start your **standard** or **fast appeal** by calling 1-844-614-3225, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn’t get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don’t give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn’t get.
- We give you our decision sooner if you didn’t get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.
 - o If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the **"Independent Review Entity"**, sometimes called the **"IRE"**.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- within 7 calendar days after they get your appeal for a drug you didn’t get.
- within 14 calendar days after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal”.

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can’t make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - o Decide if you want to make a Level 3 Appeal.
 - o Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Evidence of Coverage*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1 800-MEDICARE (1-800-633-4227). TTY users should call 1 877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - o Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - o Be a part of any decisions about the length of your hospital stay.
 - o Know where to report any concerns you have about the quality of your hospital care.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- o Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - o You or someone acting on your behalf can sign the notice.
 - o Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it. If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Visit www.cms.gov/Medicare/Medicare-General-Information/BNH/HospitalDischargeAppealNotices.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In Tennessee, the QIO is KEPRO. Call them at 1-888-317-0751. Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Tennessee State Health Insurance Assistance Program (TN SHIP) at 1-877-801-0044.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that is the right discharge date that's medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also refer to a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-317-0751.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - o Call Member Services at the numbers at the bottom of the page.
 - o Call the TennCare Medical Appeal office at 1-800-878-3192 or 1-866-771-7042 (TTY).
- **Contact the QIO.**
 - o Refer to **Section H2** or refer to **Chapter 2** of this *Evidence of Coverage* for more information about the QIO and how to contact them.
 - o Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a fast-track appeal.** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the Notice of Medicare Non-Coverage we sent you.
- If you miss the deadline for contacting the QIO, you can make your appeal directly to us instead. For details about how to do that, refer to **Section I3**.

The legal term for the written notice is "**Notice of Medicare Non-Coverage**". To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. Or get a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/FFS-Expedited-Determination-Notices.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

What happens during a fast-track appeal

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage**”.

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We'll provide your covered services for as long as they're medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends.
- You decide if you want to continue these services and make a Level 2 Appeal.

13. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-317-0751.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- We pay you back for the costs of care you got since the date when we said your coverage would end.
- We'll provide coverage for the care for as long as it's medically necessary.

If the QIO says **No** to your appeal:

- They agree with our decision to end your care and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that's favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
 - If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

Level 4 Appeal

The Medicare Appeals Council (Council) reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your Level 4 Appeal or denies our request to review a Level 3 Appeal decision favorable to you, we have the right to appeal to Level 5.

- If we decide **to appeal** the decision, we'll tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

If the Council says **No** or denies our review request, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

J2. Additional TennCare appeals

You also have other appeal rights if your appeal is about services or items that TennCare usually covers. The letter you get from the Fair Hearing office will tell you what to do if you want to continue the appeals process.

J3. Appeal Levels 3, 4 and 5 for Medicare Part D Drug Requests

This section may be right for you if you made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. The written response you get to your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

Level 4 Appeal

The Council reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the Council says **No** to your appeal or if the Council denies the review request, the appeals process may not be over.

- If you decide **to accept** the decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

K. How to make a complaint

K1. What kinds of problems should be complaints

The complaint process is used for certain types of problems only, such as problems about quality of care, waiting times, coordination of care, and Member Services. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	You're unhappy with the quality of care, such as the care you got in the hospital.
Respecting your privacy	You think that someone didn't respect your right to privacy or shared confidential information about you.
Disrespect, poor customer service, or other negative behaviors	- A health care provider or staff was rude or disrespectful to you. - Our staff treated you poorly. - You think you're being pushed out of our plan.
Accessibility and language assistance	- You can't physically access the health care services and facilities in a doctor or provider's office. - Your doctor or provider doesn't provide an interpreter for the non-English language you speak (such as American Sign Language or Spanish). - Your provider doesn't give you other reasonable accommodations you need and ask for. - For these types of complaints contact TennCare's Office of Civil Rights Compliance at www.tn.gov/tenncare/members-applicants/civil-rights-compliance or toll free at 855-857-1673. For TRS dial 711.
Waiting times	- You have trouble getting an appointment or wait too long to get it. - Doctors, pharmacists, or other health professionals, Member Services, or other plan staff keep you waiting too long.
Cleanliness	You think the clinic, hospital or doctor's office isn't clean.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Complaint	Example
Information you get from us	- You think we failed to give you a notice or letter that you should have received. - You think written information we sent you is too difficult to understand.
Timeliness related to coverage decisions or appeals	- You think we don't meet our deadlines for making a coverage decision or answering your appeal. - You think that, after getting a coverage or appeal decision in your favor, we don't meet the deadlines for approving or giving you the service or paying you back for certain medical services. - You don't think we sent your case to the IRO on time.

There are different kinds of complaints. You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by our plan. An external complaint is filed with and reviewed by an organization not affiliated with our plan. If you need help making an internal and/or external complaint, you can call the Long Term Care Ombudsman Office at:

Tennessee Commission on Aging and Disability
 502 Deaderick Street, 9th Floor
 Nashville, TN 37243-0860
 Tel: 615-253-5412
 Fax: 615-741-3309
 Toll Free: 877-236-0013
 TDD: 615-532-3893

The legal term for a “complaint” is a **“grievance.”**

The legal term for “making a complaint” is **“filing a grievance.”**

K2. Internal complaints

To make an internal complaint, call Member Services at 1-844-614-3225. You can make the complaint at any time unless it's about a Medicare Part D drug. If the complaint is about a Medicare Part D drug, you must make it within **60 calendar days** after you had the problem you want to complain about.

- If there's anything else you need to do, Member Services will tell you.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You can also write your complaint and send it to us. If you put your complaint in writing, we'll respond to your complaint in writing.
- There is no filing limit on complaints for Medicare Part C or about quality of care.

The legal term for “fast complaint” is “**expedited grievance.**”

If possible, we answer you right away. If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we'll do that.

- We answer most complaints within 30 calendar days. If we don't make a decision within 30 calendar days because we need more information, we notify you in writing. We also provide a status update and estimated time for you to get the answer.
- If you make a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we automatically give you a “fast complaint” and respond to your complaint within 24 hours.
- If you make a complaint because we took extra time to make a coverage decision or appeal, we automatically give you a “fast complaint” and respond to your complaint within 24 hours.

If we don't agree with some or all of your complaint, we'll tell you and give you our reasons. We respond whether we agree with the complaint or not.

K3. External complaints

Medicare

You can tell Medicare about your complaint or send it to Medicare. The Medicare Complaint Form is available at: www.medicare.gov/my/medicare-complaint. You don't need to file a complaint with Wellpoint Full Dual Advantage Support (HMO D-SNP) before filing a complaint with Medicare.

Medicare takes your complaints seriously and uses this information to help improve the quality of the Medicare program.

If you have any other feedback or concerns, or if you feel the health plan isn't addressing your problem, you can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. The call is free.

Get services without being treated in a different way because of race, color, national origin (like your birthplace), language, sex, age, religion, disability, or other groups protected by the civil rights laws. You have a right to report or file a written complaint if you think you have been treated differently. Being treated differently means you've been discriminated against. If you complain, you have the right to keep getting care without fear of bad treatment from Wellpoint, providers, or TennCare. To file a complaint or learn more about your rights visit:

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. Office for Civil Rights (OCR)

You can make a complaint to the U.S. Department of Health and Human Services (HHS) OCR if you think you haven't been treated fairly. For example, you can make a complaint about disability access or language assistance. The phone number for the OCR is 1-800-368-1019. TTY users should call 1-800-537-7697. You can visit www.hhs.gov/ocr for more information.

You may also have rights under the Americans with Disability Act (ADA). You can contact the U.S. Department of Justice's Civil Rights Division at www.ada.gov/file-a-complaint or mail them at:

U.S. Department of Justice
Civil Rights Division
950 Pennsylvania Avenue, NW
Washington, DC 20530

QIO

When your complaint is about quality of care, you have two choices:

- You can make your complaint about the quality of care directly to the QIO.
- You can make your complaint to the QIO and to our plan. If you make a complaint to the QIO, we work with them to resolve your complaint.

The QIO is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. To learn more about the QIO, refer to **Section H2** or refer to **Chapter 2** of this *Evidence of Coverage*.

In Tennessee, the QIO is called Kepro. The phone number for Kepro is 1-888-317-0751.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 10: Ending your membership in our plan

Introduction

This chapter explains how you can end your membership with our plan and your health coverage options after you leave our plan. If you leave our plan, you'll still be in the Medicare and TennCare programs as long as you're eligible. Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

The call is free. **For more information**, visit www.wellpoint.com.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have TennCare, you have some choices to end your membership with our plan.

If you want to join a Dual Eligible Special Needs Plan (D-SNP) from our organization, you must first be enrolled in our Medicaid health plan (also called a Managed Care Organization, or MCO). Once you're enrolled in our Medicaid plan, you can then join our D-SNP.

For your TennCare plan, TennCare members may change their Medicaid MCO one time within the initial 90 calendar days from the date of the letter informing them of their MCO assignment. You'll remain a member of the designated MCO until you're given an opportunity to change once each year during an annual change period. The annual change period will occur each year in March for members in West Tennessee (Benton, Carroll, Chester, Crockett, Decatur, Dyer, Fayette, Gibson, Hardeman, Hardin, Haywood, Henderson, Henry, Lake, Lauderdale, Madison, McNairy, Obion, Shelby, Tipton and Weakley Counties) with changes effective May 1, in May for members in Middle Tennessee (Bedford, Cannon, Cheatham, Clay, Coffee, Cumberland, Davidson, DeKalb, Dickson, Fentress, Giles, Hickman, Houston, Humphreys, Jackson, Lawrence, Lewis, Lincoln, Macon, Marshall, Maury, Montgomery, Moore, Overton, Perry, Pickett, Putnam, Robertson, Rutherford, Smith, Stewart, Sumner, Trousdale, Van Buren, Warren, Wayne, White, Williamson and Wilson Counties) with changes effective July 1, and in July for members in East Tennessee (Anderson, Bledsoe, Blount, Bradley, Campbell, Carter, Claiborne, Cocke, Franklin, Grainger, Greene, Grundy, Hamblen, Hamilton, Hancock, Hawkins, Jefferson, Johnson, Knox, Loudon, Marion, McMinn, Meigs, Monroe, Morgan, Polk, Rhea, Roane, Scott, Sequatchie, Sevier, Sullivan, Unicoi, Union and Washington Counties) with changes effective September 1.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for TennCare or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. If you enroll in another plan, your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medicaid services in **Section C2**.

You can get more information about how you can end your membership by calling:

- Member Services at the number at the bottom of this page. The number for TTY users is listed too.
- Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- The State Health Insurance Assistance Program (SHIP), TN SHIP at 1-877-801-0044.

NOTE: If you're in a drug management program (DMP), you may not be able to change plans. Refer to **Chapter 5** of your *Evidence of Coverage* for information about drug management programs.

B. How to end your membership in our plan

If you decide to end your membership you can do so by enrolling in another Medicare plan or switch to Original Medicare. However, if you want to switch from our plan to Original Medicare but you haven't selected a separate Medicare drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can make a request in writing to us. Contact Member Services at the number at the bottom of this page if you need more information on how to do this.
- Call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users (people who have difficulty with hearing or speaking) should call 1-877-486-2048. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart in **Section C1**.

C. How to get Medicare and TennCare services separately

You have choices about getting your Medicare and Medicaid services if you choose to leave our plan.

C1. Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section A**. By

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

choosing one of these options, you automatically end your membership in our plan.

1. You can change to: Program of All-inclusive Care for the Elderly (PACE) plan, if you qualify.	Here is what to do: For Program of All-Inclusive Care for the Elderly (PACE) inquiries visit, www.tn.gov/tenncare/long-term-services-supports/the-program-for-all-inclusive-care-for-the-elderly-pace-program.html
2. You can change to: Original Medicare with a separate Medicare drug plan	Here is what to do: Call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. If you need help or more information: • Call the TN SHIP at the Department of Disability and Aging 1-877-801-0044 or TTY 1-800-848-0299, In Tennessee, the SHIP is called TN SHIP. For more information or to find a local TN SHIP office in your area, please visit www.tn.gov/disability-and-aging/disability-aging-programs/tn-ship.html. AND Enroll in a new Medicare drug plan. You'll automatically be disenrolled from our plan when your Original Medicare coverage begins. Your TennCare enrollment may not be affected by this change.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

3. You can change to: Original Medicare without a separate Medicare drug plan if you have a valid disenrollment reason. NOTE: If you switch to Original Medicare and don't enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you tell Medicare you don't want to join. You should only drop drug coverage if you have drug coverage from another source, such as an employer or union. If you have questions about whether you need drug coverage, call the TN SHIP at 1-877-801-0044, TTY 1-800-848-0299, www.tn.gov/disability-and-aging/disability-aging-programs/tn-ship.html. C2. Your TennCare services

To get different TennCare services within the first 90 days of your approval, call TennCare Member Medical Appeals at **1-800-878-3192** for free.

Tell them you just got your TennCare and you want to change your health plan. After 90 days, it's harder to change your health plan. Call us at **1-855-259-0701** for free. We'll help you fix the problem.

If you change your Medicare MCO, you can change your Medicaid MCO to align with your D-SNP MCO during the Medicaid open enrollment period:

- For West TN: Open Enrollment is March with changes effective May 1
- For Middle TN: Open Enrollment is May with changes effective July 1
- For East TN: Open Enrollment is July with changes effective September 1

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

D. Your medical items, services and drugs until your membership in our plan ends

If you leave our plan, it may take time before your membership ends and your new Medicare and Medicaid coverage begins. During this time, you keep getting your drugs and health care through our plan until your new plan begins.

- Use our network providers to receive medical care.
- Use our network pharmacies including through our mail-order pharmacy services to get your prescriptions filled.
- If you're hospitalized on the day that your membership in Wellpoint Full Dual Advantage Support (HMO D-SNP) ends, our plan will cover your hospital stay until you're discharged. This will happen even if your new health coverage begins before you're discharged.

E. Other situations when your membership in our plan ends

These are cases when we must end your membership in our plan:

- If there's a break in your Medicare Part A and Medicare Part B coverage.
- If you no longer qualify for Medicaid. Our plan is for people who qualify for both Medicare and Medicaid.
- The Centers for Medicare & Medicaid Services (CMS) may disenroll you if it is determined that you are not eligible for the program.
- If you move out of our service area.
- If you're away from our service area for more than six months.
 - If you move or take a long trip, call Member Services to find out if where you're moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for drugs.
- If you're not a United States citizen or national, or an eligible non-citizen.
 - You must be a United States citizen or national, or an eligible non-citizen to be a member of our plan.
 - The Centers for Medicare & Medicaid Services (CMS) notify us if you're not eligible to remain a member on this basis.
 - We must disenroll you if you don't meet this requirement.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

If you lose your TennCare eligibility but can be expected to regain it within six months, we'll continue to provide all Medicare benefits covered by Wellpoint Full Dual Advantage Support (HMO D-SNP). When your Tennessee TennCare (Medicaid) coverage ends, we won't pay for your TennCare benefits. During this time, your costs may go up. You may have to pay Medicare premiums, copays, coinsurance, or deductibles that Medicaid used to pay for you. Your cost sharing for supplemental benefits from the plan will not increase.

For additional information about how a change in your TennCare eligibility may affect your benefits and cost sharing, please contact Member Services.

We'll assist you to regain your TennCare eligibility. If your TennCare eligibility is restored while you're still enrolled with us for your Medicare coverage, we'll resume paying for your TennCare benefits and your enrollment with us will continue. If you can't regain TennCare within six months we'll disenroll you from Wellpoint Full Dual Advantage Support (HMO D-SNP). If you regain TennCare eligibility after being disenrolled, you'll need to contact us to reenroll in the plan.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Medicaid first:

- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan.
- If you let someone else use your Member ID Card to get medical care. (Medicare may ask the Inspector General to investigate your case if we end your membership for this reason.)

How can you avoid being disenrolled from your Medicare D-SNP plan?

You must make your Medicare D-SNP plan and TennCare Medicaid plan match. There are two ways to make this change, update your Medicare D-SNP plan to match your TennCare Medicaid plan OR update your TennCare Medicaid plan to match your Medicare D-SNP plan.

If you want to stay with your TennCare health plan, you will need to change your Medicare D-SNP plan.

- There is a Special Enrollment Period (SEP) available for people who are eligible for both Medicare and Medicaid. This SEP allows individuals eligible for both Medicare and Medicaid a chance every month to move into a fully integrated dual special needs plan (FIDE SNP). This SEP allows a person to match their D-SNP plan with their TennCare plan. For help, you can contact Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- You can also change your D-SNP plan to match your TennCare plan during Medicare's annual enrollment period (October 15th through December 7th). For help, you can contact Medicare at 1-800-MEDICARE or contact the Tennessee State Health Insurance Program (TN SHIP) at 1-877-801-0044.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

F. Rules against asking you to leave our plan for any health-related reason

We can't ask you to leave our plan for any reason related to your health. If you think we're asking you to leave our plan for a health-related reason, **call Medicare** at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

G. Your right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership. You can also refer to **Chapter 9** of this *Evidence of Coverage* for information about how to make a complaint.

H. How to get more information about ending your plan membership

If you have questions or would like more information on ending your membership, you can call Member Services at the number at the bottom of this page.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 11: Legal notices

Introduction

This chapter includes legal notices that apply to your membership in our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

Table of Contents

A. Notice about laws	237
B. Notice about nondiscrimination	237
C. Notice about Medicare as a second payer and TennCare as a payer of last resort	239

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

A. Notice about laws

Many laws apply to this *Evidence of Coverage*. These laws may affect your rights and responsibilities even if the laws aren't included or explained in this *Evidence of Coverage*. The main laws that apply are federal laws about the Medicare and TennCare programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area.

If you want more information or have concerns about discrimination or unfair treatment:

- Call TennCare's Office of Civil Rights Compliance. To learn more about your rights or to file a complaint go to: www.tn.gov/tenncare/members-applicants/civil-rights-compliance.html. Or call 855-857-1673 (TRS 711).
- Call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users can call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.
- If you have a disability and need help accessing health care services or a provider, call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

Nondiscrimination Notice

Discrimination is against the law. Wellpoint Full Dual Advantage Support (HMO D-SNP) follows State and

Federal civil rights laws. Wellpoint Full Dual Advantage Support (HMO D-SNP) does not unlawfully discriminate, exclude people, or treat them differently because of sex, race, color, religion, ancestry, national origin, ethnic group identification, age, mental disability, physical disability, medical condition, genetic information, marital status, gender, gender identity, or sexual orientation.

Wellpoint Full Dual Advantage Support (HMO D-SNP):

The call is free. **For more information**, visit www.wellpoint.com.

C. Notice about Medicare as a second payer and TennCare as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that TennCare is the payer of last resort.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout this *Evidence of Coverage* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

Activities of daily living (ADL): The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing teeth.

Administrative law judge: A judge that reviews a level 3 appeal.

AIDS drug assistance program (ADAP): A program that helps eligible individuals living with HIV/AIDS have access to life-saving HIV medications.

Ambulatory surgical center: A facility that provides outpatient surgery to patients who don't need hospital care and who aren't expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. **Chapter 9** of this *Evidence of Coverage* explains appeals, including how to make an appeal.

Behavioral Health: An all-inclusive term referring to mental health and substance use disorders.

Biological Product: A drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (See also "Original Biological Product" and "Biosimilar").

Biosimilar: A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (Go to "Interchangeable Biosimilar").

Brand name drug: A drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: Refer to "Individualized Care Plan."

Care team: Refer to "Interdisciplinary Care Team."

Catastrophic coverage stage: The stage in the Medicare Part D drug benefit where our plan pays all costs of your drugs until the end of the year. You begin this stage when you (or other qualified parties on your behalf) have spent \$2,400 for Part D covered drugs during the year. You pay nothing.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. **Chapter 2** of this *Evidence of Coverage* explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of service, quality of your care, our network providers, or our network pharmacies. The formal name for "making a complaint" is "filing a grievance".

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Copay: A fixed amount you pay as your share of the cost each time you get certain drugs. For example, you might pay \$2 or \$5 for a drug.

Cost-sharing: Amounts you have to pay when you get certain drugs. Cost-sharing includes copays.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the *List of Covered Drugs* (also known as the Drug List) is in one of 5 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we pay for your health services. **Chapter 9** of this *Evidence of Coverage* explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription and over-the-counter (OTC) drugs covered by our plan.

Covered services: The general term we use to mean all the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services our plan covers.

Cultural competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month's supply.

Here is an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a seven-day supply of the drug, your payment is less than \$0.05 per day multiplied by seven days, for a total payment less than \$0.35.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug management program (DMP): A program that helps make sure members safely use prescription opioids and other frequently abused medications.

Drug tiers: Groups of drugs on our *Drug List*. Generic, brand name, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the *Drug List* is in one of five tiers.

Dual eligible special needs plan (D-SNP): Health plan that serves individuals who are eligible for both Medicare and Medicaid. Our plan is a D-SNP.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

Durable medical equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

Emergency care: Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

Evidence of Coverage and Disclosure Information: This document, along with your enrollment form and any other attachments, or riders, which explain your coverage, what we must do, your rights, and what you must do as a member of our plan.

Exception: Permission to get coverage for a drug not normally covered or to use the drug without certain rules and limitations.

Excluded Services: Services that aren't covered by this health plan.

Extra Help: Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the "Low-Income Subsidy", or "LIS".

Generic drug: A drug approved by the FDA to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It's usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care or the quality of service provided by your health plan.

Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has care coordinators to help you manage all your providers and services. All of them work together to provide the care you need.

Health risk assessment (HRA): A review of your medical history and current condition. It's used to learn about your health and how it might change in the future.

Home health aide: A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides don't have a nursing license or provide therapy.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less.

- An enrollee who has a terminal prognosis has the right to elect hospice.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- We're required to give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost-sharing amount for services. Call Member Services if you get any bills you don't understand.

Because we pay the entire cost for your services, you **don't** owe any cost-sharing. Providers shouldn't bill you anything for these services.

Independent review organization (IRO): An independent organization hired by Medicare that reviews a level 2 appeal. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the **Independent Review Entity**.

Individualized Care Plan (ICP or Care Plan): A plan for what services you'll get and how you'll get them. Your plan may include medical services, behavioral health services, and long-term services and supports.

Initial coverage stage: The stage before your total Medicare Part D drug expenses reach \$2,400. This includes amounts you paid, what our plan paid on your behalf, and the low-income subsidy. You begin in this stage when you fill your first prescription of the year. During this stage, we pay part of the costs of your drugs, and you pay your share.

Inpatient: A term used when you're formally admitted to the hospital for skilled medical services. If you're not formally admitted, you may still be considered an outpatient instead of an inpatient even if you stay overnight.

Integrated D-SNP: A dual-eligible special needs plan that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are known as full-benefit dually eligible individuals.

Interchangeable Biosimilar: A biosimilar that may be substituted at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

Interdisciplinary Care Team (ICT or Care team): A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team also helps you make a care plan.

List of Covered Drugs (Drug List): A list of prescription and over-the-counter (OTC) drugs we cover. We choose the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a "formulary".

Long-term services and supports (LTSS): Long-term services and supports help improve a long-term medical condition. Most of these services help you stay in your home so you don't have to go to a nursing facility or hospital. LTSS include Community-Based Services and Nursing Facilities (NF).

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

Low-income subsidy (LIS): Refer to “Extra Help”

Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs.

Medically necessary: This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

Medicare Advantage: A Medicare program, also known as “Medicare Part C” or “MA”, that offers MA plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare Appeals Council (Council): A council that reviews a level 4 appeal. The Council is part of the Federal government.

Medicare-covered services: Services covered by Medicare Part A and Medicare Part B. All Medicare health plans, including our plan, must cover all the services covered by Medicare Part A and Medicare Part B.

Medicare diabetes prevention program (MDPP): A structured health behavior change program that provides training in long-term dietary change, increased physical activity, and strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.

Medicare-Medicaid enrollee: A person who qualifies for Medicare and Medicaid coverage. A Medicare-Medicaid enrollee is also called a “dually eligible individual”.

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health, and hospice care.

Medicare Part B: The Medicare program that covers services (such as lab tests, surgeries, and doctor visits) and supplies (such as wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Medicare Part C: The Medicare program, also known as “Medicare Advantage” or “MA”, that lets private health insurance companies provide Medicare benefits through an MA Plan.

Medicare Part D: The Medicare drug benefit program. We call this program “Part D” for short. Medicare Part D covers outpatient drugs, vaccines, and some supplies not covered by Medicare Part A or Medicare Part B or Medicaid. Our plan includes Medicare Part D.

Medicare Part D drugs: Drugs covered under Medicare Part D. Congress specifically excludes certain categories of drugs from coverage under Medicare Part D. Medicaid may cover some of these drugs.

Medication Therapy Management (MTM): A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

services usually include a discussion with a pharmacist or health care provider to review medications. Refer to **Chapter 5** of this *Evidence of Coverage* for more information.

Member (member of our plan, or plan member): A person with Medicare and Medicaid who qualifies to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS) and the state.

Member Services: A department in our plan responsible for answering your questions about membership, benefits, grievances, and appeals. Refer to **Chapter 2** of this *Evidence of Coverage* for more information about Member Services.

Network pharmacy: A pharmacy (drug store) that agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they agreed to work with our plan. In most cases, we cover your prescriptions only when filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They’re licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with our health plan, accept our payment, and don’t charge members an extra amount.
- While you’re a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers”.

Nursing home or facility: A place that provides care for people who can’t get their care at home but don’t need to be in the hospital.

Ombudsperson: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsperson’s services are free. You can find more information in **Chapters 2 and 9** of this *Evidence of Coverage*.

Organization determination: Our plan makes an organization determination when we, or one of our providers, decide about whether services are covered or how much you pay for covered services. Organization determinations are called “coverage decisions”. **Chapter 9** of this *Evidence of Coverage* explains coverage decisions.

Original Biological Product: A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It’s also called a reference product.

Original Medicare (traditional Medicare or fee-for-service Medicare): The government offers Original Medicare. Under Original Medicare, services are covered by paying doctors, hospitals, and other health care providers amounts that Congress determines.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit www.wellpoint.com.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Medicare Part A (hospital insurance) and Medicare Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you don't want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that hasn't agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Our plan doesn't cover most drugs you get from out-of-network pharmacies unless certain conditions apply.

Out-of-network provider or **Out-of-network facility:** A provider or facility that isn't employed, owned, or operated by our plan and isn't under contract to provide covered services to members of our plan.

Chapter 3 of this *Evidence of Coverage* explains out-of-network providers or facilities.

Out-of-pocket costs: The cost-sharing requirement for members to pay for part of the services or drugs they get is also called the "out-of-pocket" cost requirement. Refer to the definition for "cost-sharing" above.

Over-the-counter (OTC) drugs: Over-the-counter drugs are drugs or medicines that a person can buy without a prescription from a health care professional.

Part A: Refer to "Medicare Part A."

Part B: Refer to "Medicare Part B."

Part C: Refer to "Medicare Part C."

Part D: Refer to "Medicare Part D."

Part D drugs: Refer to "Medicare Part D drugs."

Personal health information (also called Protected health information) (PHI): Information about you and your health, such as your name, address, social security number, physician visits, and medical history. Refer to our Notice of Privacy Practices for more information about how we protect, use, and disclose your PHI, as well as your rights with respect to your PHI.

Preventive services: Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary care provider (PCP): The doctor or other provider you use first for most health problems. They make sure you get the care you need to stay healthy.

- They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

- Refer to **Chapter 3** of this *Evidence of Coverage* for information about getting care from primary care providers.

Prior authorization (PA): An approval you must get from us before you can get a specific service or drug or use an out-of-network provider. Our plan may not cover the service or drug if you don't get approval first.

Our plan covers some network medical services only if your doctor or other network provider gets PA from us.

- Covered services that need our plan's PA are marked in **Chapter 4** of this *Evidence of Coverage*.

Our plan covers some drugs only if you get PA from us.

- Covered drugs that need our plan's PA are marked in the List of Covered Drugs and the rules are posted on our website.

Program of All-Inclusive Care for the Elderly (PACE): A program that covers Medicare and Medicaid benefits together for people age 55 and over who need a higher level of care to live at home.

Prosthetics and Orthotics: Medical devices ordered by your doctor or other health care provider that include, but aren't limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality improvement organization (QIO): A group of doctors and other health care experts who help improve the quality of care for people with Medicare. The federal government pays the QIO to check and improve the care given to patients. Refer to **Chapter 2** of this *Evidence of Coverage* for information about the QIO.

Quantity limits: A limit on the amount of a drug you can have. We may limit the amount of the drug that we cover per prescription.

Real Time Benefit Tool: A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific covered drugs and benefit information. This includes cost sharing amounts, alternative drugs that may be used for the same health condition as a given drug, and coverage restrictions (prior authorization, step therapy, quantity limits) that apply to alternative drugs.

Referral: A referral is your primary care provider's (PCP's) approval to use a provider other than your PCP. If you don't get approval first, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in **Chapters 3 and 4** of this *Evidence of Coverage*.

Rehabilitation services: Treatment you get to help you recover from an illness, accident or major operation. Refer to **Chapter 4** of this *Evidence of Coverage* to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's generally the

If you have questions, please call Wellpoint Full Dual Advantage Support (HMO D-SNP) at 1-844-614-3225 (TTY: 711). 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information,** visit www.wellpoint.com.

area where you can get routine (non-emergency) services. Only people who live in our service area can enroll in our plan.

Share of cost: The portion of your health care costs that you may have to pay each month before your benefits become effective. The amount of your share of cost varies depending on your income and resources.

Skilled nursing facility (SNF): A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

Skilled nursing facility (SNF) care: Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

Specialist: A doctor who provides health care for a specific disease or part of the body.

State Hearing: If your doctor or other provider asks for a Medicaid service that we won't approve, or we won't continue to pay for a Medicaid service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

Step therapy: A coverage rule that requires you to try another drug before we cover the drug you ask for.

Supplemental Security Income (SSI): A monthly benefit Social Security pays to people with limited incomes and resources who are disabled, blind, or age 65 and over. SSI benefits aren't the same as Social Security benefits.

TennCare: This is the name of Tennessee Medicaid program. TennCare is run by the state and is paid for by the state and the federal government. It helps people with limited incomes and resources pay for long-term services and supports and medical costs.

- It covers extra services and some drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Urgently needed care: Care you get for an unforeseen illness, injury, or condition that isn't an emergency but needs care right away. You can get urgently needed care from out-of-network providers when you can't get to them because given your time, place, or circumstances, it isn't possible, or it's unreasonable to obtain services from network providers (for example when you're outside our plan's service area and you require medically needed immediate services for an unseen condition but it isn't a medical emergency).
