## **Humana Community (HMO) H1036-332**

Orlando

Lake, Marion, and Sumter counties

Our service area includes the following county/counties in Florida: Lake, Marion, Sumter.

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **888-873-0686 (TTY: 711)**.

### Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **888-873-0686 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary (Drug Guide) to make sure your drugs are covered.

### Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

## More about Humana Community (HMO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member you must select an in-network doctor within the service area listed in this booklet to act as your Primary Care Provider (PCP). Humana Community (HMO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services.

## EXTRA HELP

If you receive Extra Help for your drugs, you will have a **\$0** deductible.

Prior to reaching your annual **\$2,400** out-of-pocket limit, you will pay one of the following depending on your level of Extra Help:

- **\$5.80** for generic/preferred multi-source drug or biosimilar; **\$14.40** for any other drug; OR
- **\$1.65** for generic/preferred multi-source drug or biosimilar; **\$5.00** for any other drug; OR
- **\$0** for all drugs

After reaching your annual **\$2,400** out-of-pocket limit, you will pay **\$0** for the remainder of the calendar year, regardless of the level of Extra Help you receive. Additional information will be available on your LIS rider.

Cost sharing may change depending on the pharmacy you choose, when you enter another phase of the Part D benefit and if you qualify for Extra Help. To find out if you qualify for Extra Help, please contact the Social Security Office at 800-772-1213 (TTY: 800-325-0778), Monday – Friday, 7 a.m. – 7 p.m. For more information on your prescription drug benefit, please call us or access your Evidence of Coverage online.

If you reside at an in-network long-term care facility, you pay the same as you would at an in-network retail pharmacy. Under certain situations you may be able to get drugs from an out-of-network pharmacy but may pay more than you would pay at an in-network pharmacy.

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/FindCare** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/druglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.
